OUWB Publication Report: January - March 2019

The Medical Library is pleased to publish the [OUWB Publication List, January - March 2019](#) featuring the published work of our OUWB faculty, staff, and students! This report includes 158 citations to articles, published meeting abstracts, and other works added to the major medical databases in the months of January, February, and March of 2019. Highlights include:

- 110 articles
- 26 abstracts
- 34 medical student authored works

If your publication was inadvertently missed, please email the citation to us at medref@oakland.edu and it will appear in next quarter's report!

Student Corner

Medical Library Office Summer Hours

Beginning Tuesday, May 28, the Medical Library Office will close at 6:00pm instead of 8:00pm, Tuesday - Friday for the summer. All Medical Library study spaces will remain 24/7. As a result, summer office hours are as follows:

- **Monday:** 7:30am - 5:00pm
- **Tuesday - Friday:** 7:30am - 6:00pm
- **Saturday:** 8:00am - 4:30pm

For current library hours, please visit the [Hours webpage](#).

Miss the Mobile Apps Fair?

If you missed the Medical Library's annual Mobile Apps Fair on May 30, check out our top apps for clerkships below! Also, visit the [Mobile Resources webpage](#) for links and instructions on how to download the apps to your Android and iOS devices!

Apps Available through the Medical Library

DynaMed Plus - evidence-based clinical information on disease diagnosis, treatment, and screening. To activate: visit [DynaMed Plus through the Medical Library website](#), click "Mobile," and follow email activation instructions.

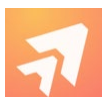

Micromedex Drug Reference - drug information including overviews, interactions, and pill ID tool. To activate: visit [Micromedex through the Medical Library website](#), click 'Download Mobile Apps' in lower right corner, copy and paste password into app.

UpToDate - evidence-based clinical information. To activate: visit [UpToDate through the Medical Library website](#), create an UpToDate account by clicking "Register" in the upper right corner. Use the same credentials to login to the app.

Freely Available Apps

AnkiApp (iOS)/**Anki Flashcards** (Android) - build your own flashcard decks for study and review!

Epocrates - free drug information including overviews, interactions, calculators, and more!

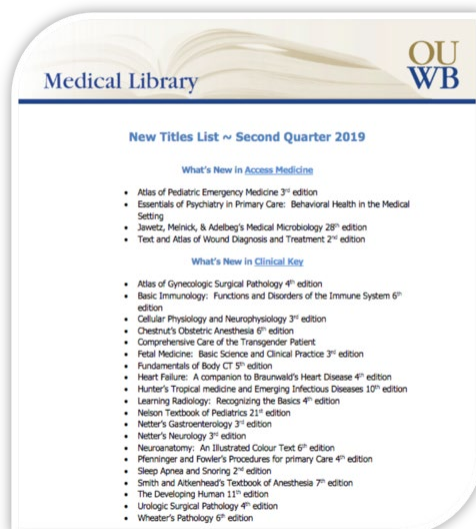

Merck Manual - reference app with clinical summaries, videos, calculators, tables, images, case studies, quizzes, 3D models, and more!
