

City Voting on Hospital Proposal

Beck Demands AFL-CIO Lift His Suspension

Teamsters Boss Scores
Executive Unit's Eying
of His Affairs

WASHINGTON (INS) — Teamsters President Dave Beck demanded today that the AFL - CIO Executive Council revoke its suspension of him as an AFL-CIO vice president.

Beck made the demand as the AFL-CIO governing body placed him on trial on charges of misuse of his union office because of disclosures before the Senate Rackets Committee.

Beck repeated what he said before—that the council had no right under the AFL - CIO constitution to suspend him and therefore he is still a federation vice president.

The council suspended Beck after he invoked the Fifth Amendment when questioned before the Senate committee in March on whether he had used \$322,000 of union funds for personal purposes.

Today's session was held behind closed doors at the AFL-CIO headquarters building but Beck issued a statement to newsmen shortly after he entered the hearing.

The Teamsters boss insisted that the council had no authority to take such action because the charges against him are related to a time before the Federation's constitution became operative.

He also said that the council could act against him only with respect to his activities as an AFL-CIO officer.

Beck declared that he should not be called upon to answer the charges because he is still under subpoena to testify before the Senate group and also is under indictment on a charge of evading income taxes.

He insisted that the council "should defer a hearing on my charges which might relate to my indictment" for income tax evasion until he has had an opportunity to defend himself on the tax charge in Federal Court.

Beck said: "To require me to answer charges before this body, which relate in any way to my defense against that indictment would appear to violate my rights as an American citizen, as well as my rights as a long-standing member of the trade union movement."

Improving Each Day

FISHIN' TRIP NEXT — Seven-year-old Benny Hooper Jr. smiles from his hospital bed at Manorsville, N. Y., where he is recovering from the ordeal of being buried almost 24 hours in a narrow well in his back yard. Doctors say he needs another week or 10 days in the hospital. His plans? He's going fishing as soon as the doctors release him.

'Wants to Go Fishing' Boy, 7, Rescued From Well Says He's Feeling Better

MANORVILLE, N. Y. — Seven-year-old Benny Hooper Jr. says he feels better and wants to go fishing.

But first, said his doctors, he'll need another week or 10 days to shake off several respiratory ills.

Benny was trapped almost 24 hours in neck-high sand after he fell to the bottom of a narrow well in his back yard. Rescuers pulled him from the 24-foot pit Friday evening.

Three doctors gave the blue-eyed boy a thorough examination at Bayview General Hospital in nearby Mastic Beach yesterday.

"He's in no danger as far as we can see," said Dr. Joseph H. Kris. "He has a simple inflammation of the right lung, a simple inflammation of the bronchial tubes leading to that lung and a simple inflammation of the sinuses."

The lung inflammation, he added, is not pneumonia but pneumonia, which is less serious.

IN GOOD CONDITION — Benny was reported in "good" condition today after "a very good night." His temperature was 99—almost normal. He was still in an oxygen tent as a precaution.

The blond youngster made short (Continued on Page 2, Col. 5)

Sex Offender Admits Slaying of 9-Year-Old

Brenda Jane Doucette's
Killer Tells of Intention
to Assault Girl

BRISTOL, Conn. (AP)—Police said a convicted sex offender confessed today to the week-old slaying of pretty, 9-year-old Brenda Jane Doucette.

They said short, slender George J. Davies, 38, of Thomaston admitted picking up the blonde third-grader, on her way to school "with the intent of committing sexual assault."

Detective Thomas Loden quoted the slight-built Davies, the father of three children, as saying he "killed her when she began to scream."

Davies was arrested on a coroner's warrant. It charges he killed the youngster after driving her to an isolated spot in nearby Wolcott.

Police said Davies had a previous record of moral offenses in Thomaston and Litchfield.

They said he was arrested in 1932 and sentenced to three years in state prison for molesting two little girls.

PAROLED IN AUGUST —

He was paroled in August, 1934. His wife, who had borne him three children, divorced him while he was in jail.

Davies had been picked up along with 50 other known sex offenders, and released after questioning.

Investigators found discrepancies in his story and went to his home Friday. While they were there, Davies attempted suicide (Continued on Page 2, Col. 8)

Late Rush of Voters Expected

OFF TO SLOW START — Heavy voting in the city bond issues election today is expected in the closing hours, after a typical slow start this morning. Polls will remain open until 8 p. m. Election workers in precinct 44, at Webster

School, are shown enjoying a coffee break during the forenoon. They are, left to right, Mrs. Howard Wret, Mrs. C. W. Hoenfline and Mrs. Lester Wray.

Larger Sewage Plant Is Also on Ballot Today

Parking Lot 3rd Issue;
Polls to Remain Open
Until 8 Tonight

Pontiac today was voting on the proposed \$1,500,000 hospital bond issue and two other public improvement issues.

Polls in the city's 44 precincts opened at 7 a. m. and will remain open until 8 p. m. Those standing in line at closing time will be allowed to vote.

There were six propositions on the ballot, including three bond issues totaling \$4,500,000, and a \$1 tax increase to finance them.

Voters were to decide on:

1. The \$1,500,000 bond issue (proposition 4) to complete and equip the 200-bed addition to Pontiac General Hospital;

2. A \$350,000 bond issue (proposition 5) to finance a 300-unit hospital parking lot;

3. And a \$2,700,000 bond issue (proposition 6) to help defray the cost of the proposed \$3,091,000 expansion of the city's sewage treatment system.

Only registered voters who are property owners or the spouses of property owners were allowed to vote on the three bond issues. A three-fifths majority of those balloting was required for passage of each proposition.

All registered owners were entitled to vote on the tax increase (proposition 1) and two other propositions. A simple majority of those balloting was required for passage.

The tax increase of \$1 for every \$1,000 assessed valuation (proposition 1) must be approved before any of the bond issues can be effective.

If the increase is approved, the city has indicated an additional half mill (50 cents) will be added to the tax structure to help finance the projects. This half mill is the unvoted portion of a full mill approved by voters in the 1934 hospital bond vote.

The one mill voted on today would be broken down into not more than 35 cents to pay interest and principal on the hospital bonds and 65 cents to cover treatment plant payments.

Proposition 2 would allow the City Commission to submit the bond issue to bidders by means of resolutions instead of by ordinances, the present method.

Proposition 3 would give the city some leeway in the bond payments. It would make savings in interest possible, by allowing a more flexible payment schedule.

Over at New Haven

Locksmiths Rush to Aid of Youth Trapped in Vault

NEW HAVEN, Mich. (AP)—"I didn't think I was going to make it," said 17-year-old John Chaffee Jr., as he stumbled, coughing and weeping, from a grimy abandoned bank vault last night after being entombed 4½ hours.

Smoke from the cutting torches was pretty awful, John said, "but I crouched in a corner, pulled my jacket over my head and kept my eyes shut real tight. It was sure wonderful to see that door open."

Chaffee, a New Haven High School senior, and Richard Schroudt, 19, were among a group of young people cleaning up the old bank building for a party next weekend. In a bit of horseplay Chaffee ducked into the vault and Schroudt pushed the heavy door shut.

Then Schroudt found he couldn't open it, even with the help of half a dozen other husky youths. They called police. No one knew the combination.

Finally, some 2½ hours after John got trapped, locksmiths were summoned from Detroit, 35 miles southwest.

Chaffee appeared in no immediate danger. He lay on the floor of his 6 by 8 foot dungeon to breathe air from a tiny opening between the floor and door bottom.

When he was safely out, though, John said he had been uncomfortable and "plenty scared."

News of young Chaffee's plight spread quickly through New Haven, a town of 1,082, and many gathered at the old bank, including John's father, mother and younger sister.

Mrs. Anna Jousescu, 32, who owns a tavern next door, said she kept potatoes and onions in the vault all winter, and that her 5-year-old son Johnny had played in it frequently.

John Chaffee thinks he'll still go to next Saturday's party, but "don't think I'll be doing any dancing in that vault."

There were wide areas of precipitation from the Dakotas and Nebraska westward to the Pacific and southward into northern Mexico. Heaviest rainfall was reported in western Nebraska.

More than 2 inches of rain fell in Scottsbluff in 6 hours. Snow fell in the higher northern Rockies and in sections of Utah and Nevada.

Showers, rain and drizzle hit broad areas in the eastern half of the country. Drizzle was reported in the middle Mississippi Valley.

Satellite Date Put Off — WASHINGTON (INS) — The first man-made, earth-circling satellite will not be ready for launching in September as planned. "Certain aspects of this program . . . have not yet been solved."

Teachers shooting questions at their hosts.

In all, 803 teachers from the city's public and parochial schools will participate. The size of the groups which visit each host firm will vary from three to 170.

The host firms and the number they will entertain follows:

- Baldwin Rubber, 10; City Hall, 25; L. H. Cole Oil Co., 4; Community National Bank, 20; Consumers Power, 20; Detroit Edison, 15; Fisher Body, 60; GMC Truck & Coach, 150; Jerome Motor Sales, 8; Jig Bushing Co., 10; S. S. Kresge, 12; Lewis Furniture, 6; Lion Store, 3; Michigan Bell, 30; Nye Dairy, 5; Cy Owens Agency, 4; Pontiac Assn. of Insurance Agents, 5; Oakland County, 50; Pontiac Press, 35; Boice Builders' Supply and Pontiac Lumber, 8; Pontiac General Hospital, 15; Pontiac Life Underwriters Assn., 8; Pontiac Motors, 170; Pontiac Osteopathic Hospital, 15; Pontiac State Bank, 15; Pontiac Varnish Co., 10; St. Joseph Mercy Hospital, 12; Sears, Roebuck, 12; Stewart-Glenn Furniture Co., 10; Universal Oil Seal, 8; WPON, 10; Pontiac Community Finance, 20.

The BIE Day program, sponsored by the Pontiac Chamber of Commerce, will conclude at 3:30 p. m., when the hosts return their guests to their cars.

Pontiac Man, 82, Killed by Train

Bartrand Foster Struck
While Walking Tracks
Near South Boulevard

An 82-year-old Pontiac man, hindered by a loss of hearing, was killed Saturday when hit by a Grand Trunk railroad engine while he was walking on the tracks near South Boulevard.

Bartrand Foster, 415 Bloomfield, was pronounced dead on arrival at Pontiac General Hospital.

A business card of a hearing aid company was found in Foster's pocket.

BLEW WHISTLE —

Engineer William Cameron, 57, of 55 Chamberlain St., told police he blew the train whistle for the South Boulevard crossing when he saw the elderly man walking on the tracks.

At the sound of the whistle, Foster turned and stopped in front of the engine, Cameron told police. He was struck by the right front of the engine.

The shredded remains of a gunny sack which had contained coal were found hanging on the engine and also near the body, indicating Foster apparently had been collecting coal along the tracks.

Marion Huddleston told police he had lived with Foster for the past 22 years and verified that Foster was hard of hearing.

Bergman Denies Rossellini Plans to Divorce Her

PARIS (AP) — Actress Ingrid Bergman today said "there is no truth at all" to a report that her husband, director Roberto Rossellini, is living with a married Indian woman in Bombay and plans to divorce Miss Bergman.

"I wish they would leave my husband in peace to do his work," said Miss Bergman, who is acting on the Paris stage. "This is all a rumor that has sprung up and it is truly unfortunate."

Rossellini is now making a picture in India. Miss Bergman has repeatedly denied rumors of a rift between them.

Air Show Washed Up but Marines Save Day

MOUNT CLEMENS, Mich. (AP)—The foot Marines saved the day again.

Drizzly cold weather grounded all aircraft at nearby Selfridge Air Force Base yesterday. But some 10,000 persons braved the elements to see a promised show climaxing Armed Forces Week.

Rather than disappoint the crowd Marine Corps Reserves from Detroit's Brodhead Armory put on a mock attack, sloshing through rivers of water on taxi strips, firing blank cartridges and demonstrating flame throwers.

Tomorrow will be mostly

cloudy and warmer with showers likely by evening, high 60 to 64.

Downtown Pontiac's lowest temperature preceding 8 a. m. was 44. At 1 p. m. the temperature was 52.

Fair weather prevailed from Kansas southward through the southern Plains and in the lower Mississippi Valley eastward across most of the Gulf Coast region except for scattered showers in Florida.

There were wide areas of precipitation from the Dakotas and Nebraska westward to the Pacific and southward into northern Mexico. Heaviest rainfall was reported in western Nebraska.

More than 2 inches of rain fell in Scottsbluff in 6 hours. Snow fell in the higher northern Rockies and in sections of Utah and Nevada.

Showers, rain and drizzle hit broad areas in the eastern half of the country. Drizzle was reported in the middle Mississippi Valley.

YES for New York Trip

5 Shows Named

In response to many queries, The Press is announcing again that our New York trip will definitely be held again this year.

The dates are September 9th-14th.

All theater arrangements have been completed and include the absolutely top five shows in New York City. They are:

- "My Fair Lady"
- "Happy Hunting"
- "The Bells Are Ringing"
- "Tunnel of Love"
- "Visit to a Small Planet"

The first three are musicals and the last two are comedies. Further details will be made public June 10th and reservations will be accepted beginning the next day, June 11th.

United Airlines has been selected as the means of transportation and two special deluxe planes will make the trip.

Expect something terrific.

That's what we promise.

The price will be \$182 and this includes air transportation both ways on two strictly deluxe United Air Lines planes, room for five nights at the Paramount Hotel, all theater tickets, a trip around Manhattan on a chartered boat, a special after theater supper at Leone's and a "get acquainted" buffet Monday night.

Have You Voted? Polls Open Until 8 o'Clock Tonight

Morse Attacks Dems' Actions

Demands More Liberals in Congress, Boosts Williams for President

DETROIT (AP)—Democrats don't have a majority in Congress, says Sen. Morse (D-Ore), because many of them go along with the "political immorality" of the Eisenhower Administration.

The majority of the Senate is reactionary Democrats and reactionaries Republicans," he said here Saturday. "Too many Democrats are honeycombers. We need more true liberals."

The fiery Morse, formerly a Republican, was here to address the Democrats' Jefferson-Jackson Day dinner.

Michigan Gov. Williams, now in his fifth two-year term in a state that 10 years was the political property of the GOP, is the type of liberal needed," Morse said.

"Williams would make a great president," he said.

Morse said water resources, a highly controversial issue in his home area of the Northwest, illustrates the Eisenhower administration is what he called "honeycombed with political immorality."

He said Eisenhower is "giving away today a substantial part of our water table to private industry" and he is "being used as a tool" by private power.

"When you waste water you waste civilization," he said, "and Eisenhower is speeding the decline."

The \$35-a-plate dinner drew 2,200 Democrats, the largest crowd in the state's history except for dinners staged for Adlai Stevenson in the heat of a presidential campaign.

Should you consider the direction of the prevailing winter winds, and the path of the sun through the sky, in constructing your new house? Or do modern heating facilities make this unnecessary?

The answer is that while modern heating and cooling equipment can make almost any house comfortable, if one pays the bills, both the sun and wind should be considered by the home-builder.

The roof of your house should, if possible, be slanted so as to facilitate the deflection of winter's prevailing cold winds. But the side of your house that gets the winter sun will be more easily heated and warmer if a wall or roof is built to absorb the heat of the sun.

Some of the new heating systems utilize the sun's rays for heat and even store up this heat for cloudy days. Large glass areas should not be placed so as to face direct winter winds, or to get the full force of the sun in summer.

However, any general rule can be carried to extremes. And certain lots require houses facing certain directions. So, if you have to violate the general rule, violate it but minimize the effects of cold wind and the sun through wide roof and window design. Latitude of course, is a factor. In Florida, one primarily seeks to avoid the sun's heat, while in Michigan or take advantage of it and avoid cold Wisconsin, one seeks primarily to Canadian winds.

Full U.S. Weather Bureau Report PONTIAC AND VICINITY — Mostly cloudy today, little temperature change, high 61, low 45. Partly cloudy and cool tonight, low near 40. Tomorrow mostly cloudy and warmer with showers likely by tomorrow night. High 60 to 64, low 45 to 49. Northeast winds at 10 to 20 miles an hour becoming east to southeast at 5 to 15 miles an hour tonight.

CONTEST WINNER — The Pontiac Amvets, Bemis Olsen Post No. 113, held their annual beauty contest Saturday night and Stephanie Hill, 17, of 4795 Elizabeth Lake Rd., Waterford Township, was officially proclaimed this year's "Miss Bemis Olsen."

Besides winning an array of fine prizes plus a free modeling course, the pretty junior at Waterford High School will enter the state Amvet beauty contest to be held in Detroit June 28.

WASHINGTON (AP)—The administration's embattled \$3,880,000,000 foreign aid proposal goes formally Tuesday to a Congress hip deep in an economy wave.

President Eisenhower was expected to send Congress a message and follow it up with a nationwide TV-radio plea Tuesday night.

Secretary of State Dulles will take over Wednesday as the lead-off witness at a series of public hearings by the Senate Foreign Relations Committee.

Eisenhower has scaled down his original request for \$4,400,000,000 by lopping 500 millions from proposed military assistance for the fiscal year starting July 1.

But a special Senate committee which spent many months weighing the foreign aid program urged him to cut further in that field and make a "country by country" re-examination of his requests for economic assistance.

Eisenhower's program proposes a greater shift from outright grants to loans in nonmilitary aid and long-range authority for all aspects of aid abroad.

A key proposal is that Congress authorize the establishment of an economic development revolving fund with authority to make up to 500 million dollars in long-term low interest loans next year for economic development, and up to 750 millions for each of the two succeeding years.

In addition, Eisenhower is asking for next year 580 millions in other economic and technical aid

authority, including a personal fund of 300 millions for use in his discretion to meet emergencies.

The military side of his request totals \$2,800,000,000 made up of \$1,900,000,000 for direct military aid to allies in guns, tanks, jet fighters and other military hardware, and 90 millions in defense support, Defense support, which includes some forms of economic assistance, goes only to countries with which the United States has defense commitments.

It includes aid for building defense-supporting projects such as highways and power projects, as well as other aid to keep the economies of partners strong enough to maintain their military pledges of mutual defense.

Los Angeles Police Chief Hits TV Show

LOS ANGELES (INS) — Los Angeles Police Chief William H. Parker, in answer to what he called a "slandorous attack" on him by former gambler Mickey Cohen, today hit at the television stations for allowing Cohen to be a star on a national TV show.

Chief Parker, when asked about Cohen's highly critical remarks about him on a network TV show, replied: "I am not concerned over the specific comments of such a person."

"However, I am concerned over the fact that television stations are licensed under the Federal Communications Commission to do this sort of thing."

Parker declined to say whether he planned to institute a suit for libel against Cohen. He said: "I have received the Purple Heart and I have been decorated by three governments. I do not feel that I must defend myself against a man of the character of Cohen."

Parker noted that "a slanderous magazine story must be picked up at a news stand but television enables slander to be brought into the living room."

Stabbed to Death While Out Shopping

DETROIT (AP) — Mrs. Ola Mae Moore, a 31-year-old housewife, went out Saturday night to buy a snack for herself and her husband, and a few minutes later she was found stabbed to death.

Police said two \$1 bills which she took to buy the food for herself and her husband Beurl, 37, were in her pocket.

The body was found by a neighbor returning from a movie.

'Time of Grace Will End,' Evangelist Warns

Record 19,000 Jam New York Arena to Hear Graham's Plea to 'Turn to God'

NEW YORK (AP)—Evangelist Billy Graham drew 19,000 people to Madison Square Garden last night—the largest crowd to date in his New York crusade.

The arena's 18,500 seats were filled, and there were 500 standees.

Graham's staff said 84,000 persons have attended the five nights the crusade has been in progress.

RECORD IS SET

Another record was set last night when 913 persons—husbands and wives, old and young, children and teen-agers—came forward in response to Graham's fervent plea to "turn to Christ now."

To date, 3,526 have walked down the pulpit, signifying their acceptance, as Graham said, "a new life that Christ can give."

Graham took as his text Mat. 24:37-38—"But as the days of Noah were, so shall also the coming of the Son of Man be."

"For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the Ark."

GOD CROWDED OUT

The evangelist said that "crowding God out of our lives was the sin in Noah's time," and that the same sin is widespread today.

"God warned them," he said of the people of Noah's time. "They didn't have time to listen."

God decided I'm going to send a judgment . . . destroy man and start all over again."

Then, Graham said, God told Noah he was going to judge the world, but would spare Noah be-

Traffic Claims 14 in Michigan

Freight Train Kills 1, 2 Die on Expressway Over Weekend

By THE ASSOCIATED PRESS

Traffic accidents took the lives of 14 persons, three of them children, in Michigan over the weekend.

Also, one person was killed when hit by a freight train and a younger farmer was killed when he fell under his tractor.

Carl Gleghorn of River Rouge was killed Sunday night when the car in which he was riding struck a bridge abutment on the Willow Run expressway near Dearborn.

Charles Grames, 81, of Redford Township, was injured fatally Sunday when he was struck by an automobile while crossing a street.

DIES IN COLLISION

Mrs. Janice Trexler, 28, of Wyandotte, died in a collision at a highway intersection in Brownstown Township southwest of Detroit Sunday.

Mrs. Elizabeth Riggs, 63, of Belleville, was killed Saturday night in a two-car collision in Ecorse Township.

James E. Bergbower, 20, of Muskegon, was killed Sunday when his car struck a tree near Adrian.

Steven Charles Thornton, 7, months, of Vandercreek Lake, was injured fatally Sunday when a car driven by his father William, 24, crashed into a tree stump near Hanover.

Louis H. Corley, 51, of Detroit, was injured fatally Sunday when his car rammed into a bridge abutment on South Belt bypass of Willow Run expressway near Ann Arbor.

Dorothy Johns of Mariette was killed Saturday in a two-car collision in Tuscola County.

HITS GUARD RAILS

Diane Nell Taylor, 20 months old, of Ypsilanti, was killed Saturday when a car driven by her father, George Taylor, 22, smashed through two highway guard rails near Ypsilanti.

Alfred T. White, 35, of Mount Clemens, was killed Saturday when his car struck a tree near Mount Clemens.

Diane Spear, 9, of Benton Harbor, was killed early Saturday in a car that struck a guard rail on North Shore Drive at Benton Harbor.

Franciszek Urbanik, 53, of Flint, was killed early Saturday when the bicycle he was riding was struck by a car in Flint.

Grover McCord, 28, of Prescott, was killed Friday night in Ogemaw County when his car struck a bridge abutment.

Mrs. Grace Bray, 44, of Detroit was killed Friday night when her car overturned near Three Rivers.

Bert Foster, 82, of Pontiac was killed by a freight train Saturday. (See story on Page 1.)

Anthony Bissonnet, 17, of Millington, was killed Saturday when he fell under a tractor.

Luann Grein, 6-week-old daughter of Mr. and Mrs. Robert D. Grein of Fort Wayne, Ind., was killed Sunday night and six others were injured in a two-car crash on US131, a mile south of Sand Lake.

Gangrene Treatment Lets Patients Walk

BOSTON (INS) — A successful new treatment for gangrene of the feet and legs, which involves letting the patient walk instead of being confined to bed, was reported today by the American and Massachusetts Heart Associations.

The report, released by Dr. Edward F. Bland of the Massachusetts Heart Association, dealt with a New York hospital-Cornell medical center project, conducted by Dr. William T. Foley. The report said that in 21 of 22 cases, the patients had been saved from amputation when they were put on their feet and told to walk despite their ailments.

cause he had found grace in God's sight.

The speaker related the biblical account of the great flood that wiped out civilization except for eight people—Noah and those who heeded the warning and boarded the Ark.

WARNS OF 'FIRE'

He referred to II Peter, third chapter, and the prophecy that God again will wipe out the human race because of sin, this time by fire.

"One of these days God will shut the door and the day of grace will be over," said Graham.

Graham earlier yesterday addressed a Norwegian Independence Day crowd of 40,000 persons at Left Erickson Park in the Bay Ridge section of Brooklyn.

THE HIGH AND MITEY — Matching poses are the tallest and smallest participants in the Helderado Days Festival at Las Vegas, Nev. Providing a pretty picture frame for five-year-old Shannon Beesley is Vegas Vic, a mere seven-footer.

Benny Hooper Makes Progress on Recovery

(Continued From Page One)

work of a milkshake and a bowl of pudding for supper.

Earlier, his mother and father, his 6-year-old sister Wendy, and his grandparents visited him. That's when he brought up the subject of a fishing trip.

Hooper, a 33-year-old truck driver, promised to grant him his wish this summer.

PARENTS THANKFUL

Before the visit with their son, Hooper and his wife, Borghild, 30, went to Bible Protestant Church here to give thanks for the "miracle at the well."

Benny fell in the freshly dug well Thursday evening while his father turned to look for some pipe. More than 200 men fought through the night and the next day to reach the boy.

Sam Woodson, 39-year-old Negro construction worker, pulled the boy out.

Hooper issued a statement yesterday saying "God and teamwork did the job."

"I know personally everyone who worked in the hole from the very beginning and the relief workers who were there at the end," he said. "To single out any one person as a hero would be grossly unfair."

He said he wanted to express his "humble thanks and gratitude" to all who helped in the rescue.

Hooper said the family has received many letters and telegrams since the rescue. Some included money.

"I'll send back the money," he said. "I'm grateful, of course, but we can manage."

The well that could have become Benny's tomb was filled up over the weekend. The Manorville Fire Department offered to dig a new one and Hooper accepted.

"We'll have it done in a day or two," he said, "but definitely not in the same spot."

Passes Car on Hill; Collision Injures 7

Seven people were injured in a two-car accident yesterday afternoon on Millford road about a half mile north of Davisburg road, in Holly Township.

According to police, Leverett J. Potter, 18, of 313 Sherwood St., Holly, passed one hill while going north and collided head-on with the car of Erick R. Beitler, 26, 775 Bigham St. Both men were treated and released at Pontiac General Hospital.

Those treated for minor injuries who were riding with Beitler were: Geraldine M. Debiec, 22, of 2340 Georgetown St., Drayton Plains; Edgar Buchbinder, of 4002 Rochester St., Royal Oak; and Delores A. Beitler, 23, of 775 Bigham St.

The two passengers injured in Potter's car were Irene D. Bailey, 16, of 810 North St., Holly; and Charles Bailey, 18, her brother, who is at Pontiac General Hospital in satisfactory condition after suffering a broken leg.

Seek Women to Aid Recreation Program

Women are needed to aid in the recreation program at the Lapeer branch of the Farmington Children's Hospital, according to Mrs. W. C. Spruill, chairman of Gray Ladies for the Oakland County Red Cross Chapter.

Mrs. Spruill will be at the Farmington Children's Home to interview interested persons on May 24, 27 and 29, from 1 to 4 p.m.

Additional information may be obtained from the Red Cross Chapter on Franklin boulevard.

Snares Bear on Tree

SAULT STE. MARIE (AP) — Len Campbell, a timber company employee, caught a bear cub by sawing down a tree. When it fell, the cub was knocked unconscious. Campbell revived it by dunking it in a creek and giving it artificial respiration. He is now rearing it with bottle feeding.

Flood Waters Slowly Recede

Arkansas River Crest Passes Tulsa With No Major Disaster

OKLAHOMA CITY (AP) — The crest of the flooding but some what tamed Arkansas River moved into Eastern Oklahoma today, having spared Tulsa and adjoining areas a major disaster.

The muddy waters spilled into some lowland areas of Tulsa, and the town of Bixby had one and one-half feet of water in the downtown area last night. The river was expected back in its banks at both places today.

The flood crest was to pass near Muskogee this afternoon with only lowland flooding anticipated.

Hundreds of Oklahomans began the job of cleaning up damage caused by floods on the Arkansas, Washita and Cimarron and countless smaller streams. Clear skies prevailed yesterday.

State Civil Defense Director Tom Brett estimated damage from the four-day floods at 25 million dollars. Nine persons died.

State and Federal officials agreed yesterday to set up a joint disaster relief fund. Regional Civil Defense Administrator Welcome W. Wilson promised one million dollars to start operations.

The Arkansas crested yesterday at 20.4 feet at Tulsa, well below the predicted 26 feet.

Floodwaters and sewer backup waters soaked evacuated residential areas on both sides of the river.

The Civil Defense Transportation Corps, which helped clear the area Saturday, spent a good part of last night helping move residents back into their homes. Civil Defense authorities praised 8,000 volunteer workers and said the flood gave them a chance to test disaster procedures.

At Bixby Highway Patrol Lt. Bill Mayberry estimated about 800 of 2,300 residents had flood damage to their homes.

Hope Dim for Saving Entombed Miner

LYKENS, Pa. (INS)—Hope faded today for a 34-year-old miner entombed for almost three days in a central Pennsylvania mountain.

David Snyder, of Lykens, Pa., a father of three, was trapped Friday when the mine roof collapsed.

Two men who were working with Snyder, Leroy and Mark Spontac, escaped the fall of earth and coal and began digging for the trapped man after summoning aid.

More than 40 men have been working to reach Snyder ever since the cave-in. His wife and small children have been keeping a constant vigil at their nearby home and at the mine entrance.

The diggers have estimated they would reach the trapped man about 250 feet from the mine entrance, but hopes began dwindling when they passed that point and had worked forward another 150 feet.

Indians Sell Houtteman, Pick Up Eddie Robinson

CLEVELAND (AP) — The Cleveland Indians today sold pitcher Art Houtteman to the Baltimore Orioles for an undisclosed amount and signed first baseman Eddie Robinson who was released by the Detroit Tigers a week ago.

Robinson, 36, will be used as a pinch hitter. He first came to the Major Leagues as an Indian in 1947 and was first baseman on the Cleveland world championship team of 1948. He hit .222 in 26 games with the New York Yankees last season.

Houtteman has had considerable experience in the American League and although he is still only 29.

In 1950, his best season, he was 19-12 for the Tigers.

3 Nabbed in Missouri Break

2 Convicts Still at Large

KANSAS CITY (INS)—Isaac T. Sanders, 23, was captured today, cutting down to two the number of fugitives still at large from Sunday's daring breakout at the Jackson county jail in downtown Kansas City.

Sanders was taken after police surrounded an apartment house in Kansas City and ordered the convict to surrender. He threw out his gun and walked out with his hands up.

Five men broke out from the jail and the two still sought are Emanuel Andrews, 28, mastermind of the break who was awaiting transfer to the Missouri penitentiary for a 30 year term for robbery, and Robert Polk, 25.

The break from the 11th, 12th and 13th floors of the 22-story courthouse in downtown Kansas City was not discovered for more than 30 minutes. About 300 other prisoners refused the opportunity to flee.

Led by a tough, convicted robber armed with an improvised ice pick, the five men grabbed an unwatched deputy, got his keys and swiftly took charge of the jail. They armed themselves with

The Day in Birmingham Commissioners to Hold Public Hearings Tonight

BIRMINGHAM — Commissioners will face two public hearings tonight following the crowded schedule of Mayors Exchange Day. They will consider the vacation of that portion of Buckingham road from the Grand Trunk Railroad west to Eton road. The second will be on vacating a small portion of the park street right-of-way.

Also up for consideration will be the request of Clarence W. Blumman to grant him an easement over a small section of Eton Park so he may construct a driveway.

Charles J. Van Horn Inc. is asking an okay on the construction of an access drive on the east side of Woodward avenue north of Park street. An easement request for underground storm drainage on the proposed Northlawn Heights is also on the agenda. Three assessment rolls for street surfacing and the concrete paving construction project will complete tonight's main issues.

Cleveland E. Collins, former owner of Birmingham's Standard Tool Engineering Co., died last Wednesday in Whittier, Calif., where he had lived for three years.

A native of Nova Scotia, Mr. Collins received his engineering degree from Acadia University there. He was a member of Commerce Lodge F&AM.

He is survived by his wife, Mrs. M. E. Collins, of Glendale, Calif., two brothers and two grandsons, Clyde H. Jr. of Birmingham and John E. III of California.

Service will be from the Manley Bailey Funeral Home at 1 p.m. Wednesday with burial in White Chapel Cemetery. Masonic graveside service will be conducted.

John W. Gillette Jr. Service will be at 3 p.m. tomorrow from Christ Church Cranbrook for John W. Gillette Jr., under the direction of Bell Chapel of the William R. Hamilton Co. with burial in Franklin Cemetery. Mr. Gillette, 64, of 6115 Wing Lake Rd. died Sunday in St. Joseph Mercy Hospital, Pontiac, after a short illness.

He was a manufacturer's agent, dealing in automotive textiles. He was a member of the Bloomfield Hills and Orchard Lake Country Clubs, Alpha Delta Phi, a life member of the Cranbrook Foundation Board, Cranbrook School Board and a University Club. He served on the vestry of Christ Church Cranbrook.

He is survived by his wife, Louise and two sons, Louis C. and Jeremiah B. and one sister, Mrs. Marcus D. Richards.

Sex Offender Tells of Killing Girl, 9

(Continued From Page One)

by taking six sleeping tablets. His stomach was pumped out.

LURED GIRL

Police quoted him as saying in his confession that he was parked on a winding street bordered thickly by trees where Brenda Jane usually passed on her way to school.

As she drove even with the car, he told police, he asked her if she would help him by getting a screw driver from inside the car.

REFUSED AT FIRST

Brenda at first refused but finally agreed. As she reached inside the car he dashed up behind her, shoved her in and drove off.

Three miles away he stopped the car at the dead end of an isolated road, he said, and attempted to pull the terrified girl from the car.

She resisted and started to scream, Davies said he grabbed her by the throat and squeezed until she fainted.

STABBED VICTIM

He said he then carried her into the woods, laid her unconscious body on the ground and stabbed her repeatedly with the screw driver. He then knotted her sweater about her neck and left.

He is 5 feet 7 1/2 and weighs 133 pounds. Thomaston police described him as a drifter and said he had been unemployed for months.

A pathologist's report the next day said she had been stabbed 22 times, six times in the heart. Dr. Joseph O. Collins, pathologist at Waterbury Hospital, said she could have been dead from strangulation before the stabbings occurred. There was no evidence she had been raped.

Car Skids on Wet Road; Rochester Girl Hurt

Wet pavement was blamed for an accident yesterday on West Huron street near Oneida road in which a Rochester girl was admitted to Pontiac General Hospital for possible neck injuries, Pontiac Police report.

Gladys Ballard, 18, of 494 John R., Rochester, was in satisfactory condition today. She was riding in an auto driven by her father.

Lucille Floyd Masters, 30, of 513 S. Jessie St., told police she was driving east on West Huron street when her auto skidded on the wet pavement into the car driven by Roscoe W. Ballard, 50, of Rochester, after Ballard had stopped suddenly.

Mary Bell Ballard, 40, wife of Roscoe, was treated for bruises.

A TRIO OF NONES—First triple dead heat in New York harness racing history is shown in this photograph. Time for the Class A Pace was 2:06 4/5 on Saturday at Buffalo. Left to right are Crescendo with driver Robert Shuttleworth; Adios Queen with Jimmy Arthur and Clever Counsel with Bud Gilmour.

Acker Gains 2 Wins in Relief for Reds

By THE ASSOCIATED PRESS
Tom Acker, a jumbo sized right-hander with the build of a weight lifter, is the man of iron who welds Cincinnati's ordinary pitching staff into a league-leading club.

The 6-4, 215-pound pitcher won two games in relief Sunday as the Redlegs opened up a two-game lead on Milwaukee in the National League. Supplanting Herb Freeman as the ace in Manager Birdie Tebbetts' bullpen, Acker now owns a 6-1 won-lost record as compared to a 4-3 mark for the complete 1956 season.

As usual, Acker had the solid

support of those muscle men who have won 17 of their last 19 and 21 out of 26 since losing their first four games of the year.

George Crowe came through with four hits in the opener, his fourth being a single in the ninth that won the game 8-7 after Pittsburgh had tied it up with five in the ninth. Wally Post's eighth-inning homer won the second game for Acker 5-4 after a home run by Smokey Burgess and a pinch homer by Bob Thurman—his third—helped overcome an early Pirate lead.

Acker acquired his two victories with a minimum of effort. He took over for Brooks Lawrence in the opener after the Pirates had put together three singles, a double and Bill Virdon's homer to tie the score at 7-7. Acker nailed down the final out with a strikeout and was returned the winner when Crowe drove in his fourth run of the game.

In the second game, Acker was the fifth Cincy pitcher. He worked two innings, yielding one unearned run and grabbed the victory on Post's homer.

Ray Katt came through with a single in the ninth with the bases loaded to drive in two runs for New York's 6-3 victory over Milwaukee. Katt's third hit of the game gave Johnny Antonelli the decision over Red Murf, both working on relief.

Don Newcombe, unbeaten by St. Louis since Aug. 23, 1951, made it 10 in a row over the Cardinals 10-3 with the aid of a seven-run Brooklyn Dodger attack in the ninth. Carl Furillo drove in four runs, including the tie-breaking pair in the ninth. The Philadelphia at Chicago doubleheader was rained out.

Wolves and Milford in 1st Place Battle

A game that could determine the northern division champion in the Wayne-Oakland League was on tap at Clarkston today weather permitting as the Wolves were slated to play host to strong Milford. Both are 6-2 in loop play.

Clarkston has a five-game winning streak and an 8-3 overall record. The CHS nine had a tuneup for the "crucial" contest with a 4-0 triumph at Orionville Friday night as sophomore Jerry Wilnot flipped a five-hitter and batted in a run. Bill Niles batted across two others.

Iron Liege Loss Is 4th to "Ruler"

BALTIMORE (AP)—The answers to many riddles were at hand today as a result of Bold Ruler's victory Saturday in the Preakness, but the question of outright superiority among horse racing's 3-year-olds remained unsolved.

The answer to that one may not be certain even after the June 15 Belmont Stakes, but it should certainly be less fuzzy.

Including the Wheatley Stable

Winning U.S. Net Team Takes On Venezuela Next

By THE ASSOCIATED PRESS
The U. S. Davis Cup team, over its first hurdle en route to challenging Australia for the coveted mug again, today began pointing to its tie with Venezuela this weekend.

Led by veteran Vic Seixas, who is acting captain in the absence of Billy Talbert, the Yanks polished off the British West Indies, 5-0, the past weekend in the first round.

Venezuela already had qualified by turning back Cuba. The United States-Venezuela tie will be held in Caracas.

star who ran off with the \$65,250 winner's slice of the \$113,800 Preakness pie, the field for the New York race figures to be the strongest of any in the Kentucky Derby-Preakness-Belmont Triple Crown series.

Waiting for another crack at Bold Ruler is Calumet Farm's derby winner and Preakness runner-up, Iron Liege. His two-length loss Saturday marked his fourth defeat in five meetings between the pair, but it left his handlers still hopeful.

If Iron Liege isn't enough, Calumet may also send out Barbiron, winner of the preposterously rich Garden State last summer and the 2-year-old champion of 1956. The son of Polynesian-Good Blood passed up the derby, Preakness and earlier big races because of a cough but is back in training.

Gen. Duke, rated by trainer Jimmy Jones and jockey Willie Hartack as Calumet's best, is still questionable for the Belmont because of the hoof injury which forced him out of the Derby and Preakness.

But others being pointed for the Belmont are D.M. Stables' Inside Tract, the 54-to-1 shot which finished a surprising third in the

Preakness, and Ralph Lowe's Gallant Man, who lost the Derby to Iron Liege by a nose in the now-famous finish misjudgment by jockey Willie Shoemaker.

Both are strong finishers and should feel at home in the Belmont distance of a mile and a half, compared with the mile-and-quarter Derby and mile-and-three-sixteenths Preakness.

Gallant Man, aptly named but considered too fragile for two hard races within a fortnight, passed up the Preakness after his brilliant stretch run in the May 4 Derby.

Inside tract was at old Pimlico for the Preakness, though, and he and jockey Eldon Nelson nearly stole the show from the Eddie Arcaro-Bold Ruler and Hartack-Iron Liege acts.

Albion Gains Fourth Straight Track Title

KALAMAZOO (AP)—Albion's well balanced track team scored 88½ points in winning the MIAA track championship for the fourth straight year Saturday night in a driving rainstorm. Hope was second with 46 and Kalamazoo third with 34½. Trailing were Calvin, 21; Hillsdale 13; Olivet 12½; Alma 7 and Adrian 2.

Selling Towers
Crop Wheat

CHICAGO (AP)—New crop wheat futures started firm on the board of trade today and then dipped somewhat under pressure of profit taking and selling in the May contract.

New crop wheat and corn futures were bought because of continued rainfall, and forecasts for more in the growing areas. Corn showed gains of a cent at times.

Soybeans started somewhat weak and then advanced, influenced somewhat by commission house buying in the May delivery.

Near the end of the first hour old style wheat was 1/4 higher to 1/2 lower, May \$2.18 1/4, new style wheat was 1/4 to 1/2 higher, July \$2.09, corn was 1/4 to 1 cent higher, May \$1.30; oats were 1/4 lower to 1/2 higher, May \$1.18, soy beans were 1/4 higher to 1/2 lower, May \$2.37, and lard was 2 to 5 cents a hundred pounds lower, July \$12.62.

Earnings

BURBANK, Calif. (INS)—The characters may be fantasy but the profits are real for Walt Disney Productions. Stockholders were advised today that gross revenue for the six months ended March 31, 1937, was \$1,000,000, or \$1.66 per share, compared with \$800,000, or \$1.33 per share, for the same period a year earlier. Net profit amounted to \$1,250,000, or \$2.08 per share, compared with \$1,000,000, or \$1.66 per share, for the same period a year earlier. The company also reported a net profit of \$1,000,000, or \$1.66 per share, for the six months ended March 31, 1936.

NEW YORK (INS)—Pan American World Airways reported today that revenue for the first quarter of 1937, after deducting expenses, was \$1,000,000, or \$1.66 per share, compared with \$800,000, or \$1.33 per share, for the same period a year earlier. The company also reported a net profit of \$1,000,000, or \$1.66 per share, for the six months ended March 31, 1936.

Dividends

NEW YORK (AP)—ACF-Wingfield Stores, Inc., has declared a quarterly dividend of 10 cents a share on the common stock, payable June 28 to stockholders of record June 3.

Directors stated this is intended to increase the policy of regular quarterly dividends of 10 cents a share. They also voted a two per cent stock dividend, payable June 28 to stockholders of record June 3.

NOTICE OF SALE
\$30,000.00
SCHOOL DISTRICT OF THE CITY OF PONTIAC, MICHIGAN

In Lake Erie Search

MONROE (INS) — A Trenton rescue worker drowned last night in wind-lashed Lake Erie while aiding in a search for three fishermen missing in the rough waters.

year-old Eddie Lewis who was with four members of the Coast Guard Auxiliary from Wyandotte.

★ ★ ★

The air and water search resumed at dawn today for the missing

Lewis' motorboat became disabled and drifted onto an island

about 100 feet from the mainland. Members of his party said he tried to swim to shore to get help and was not seen again.

Captains Made Chiefs at Madison Heights

MADISON HEIGHTS — Captains Robert Richardson of the Police Department and Joseph Sloan of

The promotions were made by

the City Council after Edwin Morgan, director of public safety who headed both departments, resigned last week.
