Senate Dems Ready to Push New Tax Plan

Sharp, Partisan Debate Seen; Byrd and George Still Opposed

WASHINGTON (AP)—Senate Democrats prepared for sharp, partisan debate on tax relief today with a plan to offset income tax cuts with revenue from other sources.

The Senate Democratic leadership unveiled its own income tax cut plans yesterday as a substitute for the House-passed \$20-a-person reduction for everybody.

The House provision, an annual \$2,000,000,000 cut, had seemed doomed to defeat in the Senate.

The substitute would give 908 million dollars of annual relief, nearly all of it to low income families, at the rate of \$20 for the taxpayer and \$10 for each dependent except his wife.

But it would repeal other benefits for corporations and higher income taxpayers which Democrats contend would more than offset that amount.

Their chances of putting over the substitute did not appear too bright. Two powerful Southern Democrats on the Finance Committee, Byrd (Va.), its chairman, and George (Ga.), said they would not go along.

George said "it's better than the House bill" but added "I do not think it is likely it will change my position."

Majority Leader Lyndon B. Johnson (D-Tex.) declared he believed the substitute "will appeal to a majority of the senators."

Other Democratic sources, however, said that it was likely that only enough votes would be switched by the substitute to cut Byrd's supporters down to about six Democrats. He has been claiming 10 would go down the line with him against an income tax cut.

Thus, these sources said, the outcome will depend on whether many Republicans will desert the administration.

So far Senate GOP leaders have insisted they will lose no more

Formosa Waits for Red Move

Mainland Is Reported Building Up for Attack on Islands

TAIPEI, Formosa (AP)—The danger-ridden Formosa Strait marked time today amid unconfirmed Chinese Nationalist reports of Red reinforcements on the mainland for possible assault on the offshore islands.

The English-language China News credited Nationalist intelligence sources with saying the Chinese Reds were moving a new jet air division from Manchuria "to beef up its invasion threat against Free China."

The Defense Ministry said it had heard nothing about this.

The newspaper said a Communist air division has up to 75 planes including MIG-17s, "the latest Soviet improvement on the high-flying, heavily armored MIG-15" which was the main Red air weapon in the Korean War.

Earlier reports had stated the Reds were preparing for expected ground reinforcements in the Fuchow area, opposite Formosa.

Official Nationalist circles welcomed wholeheartedly Secretary of State Dulles' speech Tuesday night on his Asian tour. They said he made clear that the United States would maintain a strong position against communism in this part of the world and would meet force with force.

Upside Down Art Wins

TACOMA, Wash. (UP)—A 17-year-old art student at Clover Park High School who won the Pierce County Art Contest said today she didn't think she deserved the prize. Jeneane Payton said the judges hung her colorful abstract painting "The Smokers" upside down.

3 Jets Break LA-New York Speed Record

NEW YORK (AP)—Three Air Force F84F Thunderstreak jets have broken the Los Angeles-to-New York speed record, making the flight nonstop in less than four hours.

First of the three to flash across the finish line at Floyd Bennett Field yesterday was piloted by Lt. Col. Robert R. Scott, 34, of Des Moines, Iowa. Scott averaged about 649 m.p.h. in his time: 3 hours 46 minutes 33 seconds.

Second was Maj. Robert C. Ruby, 32, also of Des Moines, 3 hours 47 minutes 33 seconds.

Third was Capt. Charles T. Hudson, 33, who took 3 hours 49 minutes 53 seconds.

The old mark for the 2,443-mile route was 4 hours 6 minutes 16 seconds set Jan. 2, 1954, by Air National Guard Col. Willard W. Millikan, of Washington, D.C., in an F86 Sabre Jet.

Eight Thunderstreaks took off from Los Angeles International Airport yesterday but five dropped out en route. All landed safely. The jets were aided by a tailwind of about 90 m.p.h. and were refueled in flight.

See House OK on GI Pay Hike

Career Soldiers Would Benefit From Proposed Wage Increase

WASHINGTON (AP)—Two key Democrats predicted the House will approve today President Eisenhower's program to boost the pay of career military servicemen from 6 to 25 per cent.

Chairman Vinson (D-Ga.) of the House Armed Services Committee and Rep. Kilday (D-Tex.), a senior member, said they had heard of no important opposition. The measure would add 745 million dollars to the annual five-billion-dollar military payroll.

A House vote is expected in late afternoon. The Senate has not acted.

The measure calls for an average increase of 11.9 per cent for enlisted men and warrant officers with over two years' service and officers with over three years' duty. An estimated two million men would be due to raises on the first of the month after the President signs the bill.

An Army private with over three years' service would get an added \$7.80 per month, or \$101.40; a first lieutenant with over three years' duty would get \$61.22 for \$335.40 monthly; a brigadier general with over 22 years' service would be jumped \$49.92 to \$850.30 monthly.

No increases are provided for men with less service. Administration spokesmen said the main purpose is to encourage trained men to make a career of military service. The President strongly backed it.

He should come into it as a father into his home; but for the Creator to come amongst His creatures and be ignored, for God to come among His own and not to be received by His own, for God to be homeless at home, that to the world may only mean one thing—that that babe could not be

Bigger Highway Supporters Win First Test Vote

Senate Kills Proposal Giving Bulk of Funds to Local Governments

LANSING (AP)—Advocates of a bigger arterial highway system in Michigan won their first test vote in the Senate yesterday and pressed for complete victory today.

Sen. Creighton R. Coleman (R-Battle Creek), the Republican floor leader, led a mixture of Republicans and Democrats in upsetting a Senate Highway Commission decision that new highway tax money should benefit local governments more than the state.

Without a vote to spare, Coleman forced through an amendment to give the state 75 per cent of any new money and the local units 25 per cent.

The committee had gone along with a compromise between the House and Gov. Williams to let the local units have 56 per cent of the money.

The arterial highway advocates also defeated an attempt by Sen. Haskell L. Nichols (R-Jackson), the committee chairman, to eliminate Coleman's amendment that the state's money must be spent on a specified list of four-land divided highways covering most of Southern Michigan.

Coleman said "the public wants trunklines emphasized. These will provide highways between all the major cities, the roads most desired by the military and will carry tourists quickly into the north country."

He argued his plan would permit other millions of dollars to be shifted from these main routes to lesser routes, so that all would benefit.

Sen. Frank Andrews (R-Hillman) said county roads needed to be taken "out of the mud" more than trunklines and that the 75-25 split would cost the counties about two-thirds of what they would get otherwise.

Sen. Garland B. Lane (D-Flint) argued "You can't lose what you haven't got. You'll get 25 per cent of this new money."

Sen. Donald E. Smith (R-Ontonagon) said cities and counties would (Continued on Page 2, Col. 3)

Flood Water Rises in Cincinnati's Coney Island

Jury Convicts Puerto Ricans

10 Are Found Guilty of Seditious Conspiracy; 11th Acquitted

NEW YORK (AP)—A federal court jury early today convicted 10 Puerto Rican-Nationalist party members of seditious conspiracy after deliberating the case for nearly 16 hours.

An 11th man was acquitted.

The group had been charged with trying to bring about the "political independence of Puerto Rico from the United States by force and violence and armed revolution."

Testimony at the trial linked the Nationalist party with the 1950 attempt to assassinate former President Truman and the wounding of five congressmen in the U.S. House of Representatives March 1, 1954.

In charging the jury, Judge John F. X. McGohery said it must decide whether the defendants helped in these shootings. If the jury found that the shootings were the isolated act of a few persons unaided by the defendants, the jury could not consider them against the defendants, he said.

The new convictions brought to 27 the number of Nationalist party members who have been convicted of, or pleaded guilty to, seditious charges in the past six months.

As in previous cases, the 10 face up to six years in prison and \$5,000 in fines or both. Sentencing was set for March 31.

The defendant acquitted was Serafin Colon Allovera, 43, New York. Trial testimony linked him with party membership in 1949 and placed him at a Nationalist dance in 1953.

Letter-Reading Machine New Post Office Project

WASHINGTON (INS)—The Post Office Department is trying to build a machine that can read letters. The purpose is to make a robot that can sort mail electrically.

Postmaster General Arthur E. Summerfield revealed that the task has been turned over to a private laboratory. He told a House appropriations subcommittee that scientists say it can be done.

Flood Crest Passes Ohio to Indiana-Kentucky Area

CINCINNATI (AP)—The crest of the worst Ohio River flood since 1948 moved today into the Indiana-Kentucky area. It left behind damages mounting into the millions, and several thousand homeless.

The river was scheduled to crest here today at 61.2, 9.2 feet above flood stage. The State Highway Patrol said the crest was expected "sometime this morning."

Normally, the river crests and then is at a standstill for several hours before it begins to recede.

The Red Cross said 3,182 families in Ohio, West Virginia, Kentucky and Indiana had been affected so far by the flood.

Crests have swept past Pennsylvania and West Virginia and are scheduled to leave Ohio at Cincinnati today.

Indiana state officials looked to flood walls and levees to help protect low area property. Flood walls in Ohio and West Virginia were credited with saving millions of dollars in damages.

Scattered showers were forecast for the Ohio Valley but the prediction (Continued on Page 2, Col. 5)

Balmy Temperatures Will Stay Friday

More balmy weather with cloudy skies tonight and tomorrow and showers tomorrow is the forecast for Pontiac and vicinity.

Following temperatures yesterday ranging from a low of 39 to a high of 55, the mercury again stayed well above the freezing point today. The lowest temperature before 5 o'clock was 35 degrees, rising to 56 degrees by 1 p.m.

Tonight's low is expected to be from 38-42 with a high tomorrow of 54-58. A few showers will hit the area tomorrow, followed by more occasional showers and little change in temperature tomorrow night. Saturday will bring more rain and warm weather.

Timetable Set for Bonus Pay

Processing of the First Korean Vets' Claims to Begin April 8

LANSING (AP)—A tentative timetable for payment of the Korean Veterans bonus was announced today by the Adjutant General's office.

The timetable calls for printing of the application forms by March 21, distribution of the forms throughout the state by March 25 and the processing of the first claims by April 8.

In announcing the timetable, Brig. Gen. George C. Moran, state adjutant general, emphasized that a hitch anywhere along the line could delay the processing of the first claims.

Operation of the bonus machinery probably will be slow at first, Gen. Moran said, because some 180 civil service clerical employees must be trained in their new jobs.

The bonus application forms will be distributed throughout the state to veterans counseling centers, all veterans organizations, local Red Cross chapters, AFL and CIO union locals and county clerks' offices.

Veterans or beneficiaries also may obtain application forms by writing the bonus section of the Adjutant General's Office at Lansing.

Eligible veterans will receive \$10 for each month of service within the United States and \$15 for each month served overseas. The maximum payment will be \$500.

2 Aircraft Overdue at Western Airports

SALT LAKE CITY (AP)—Two planes, one carrying four persons and the other three, were reported overdue in the West today.

A light plane with three men and a boy about 14 was believed down in the rugged mountains between here and Rock Springs, Wyo., CAA officials said.

The other craft, an Air Force B25 with a crew of three, was overdue on a flight from Hill Air Base in northern Utah to March Base in California.

Teachers Given Salary Increase for Next Year

Annual Increments to Further Boost Wages by Five Per Cent

All teachers in the Pontiac School District will receive a \$200 increase for their 1955-56 school year plus annual increments which will put approximately five percent more money into their pay envelopes.

A \$5,967,705 budget for 1955-56 school year adopted by the Pontiac Board of Education Wednesday night includes about the same increase for custodians, maintenance personnel, secretaries and crossing guards.

Administration, where the greatest lag has existed for several years in the Pontiac schools, was brought up 9.1 per cent to put the Pontiac district in competitive range with nearby school systems.

The new budget, says Glenn Griffin, represents a 20 per cent increase over last year's which stood at \$4,967,700.

According to requests presented to the board of education by the American Federation of Teachers and the Pontiac Education Association, teachers wanted a 11.7 pay increase. This, Griffin pointed out, would have cost the district an additional \$363,950. The new pay scale will up the budget by \$169,077.

Under the new teachers' schedule, beginning four-year trained people will receive \$3,900. This is a \$200 increase over last year's \$3,700 starter and is only \$100 short of the proposed state minimum of \$4,000 which the State Department of Public Instruction has set as a state-wide goal.

Besides the \$300 across-the-board raise, increments were changed to (Continued on Page 2, Col. 1)

Matusow Tells of Fear for Life

Claims He Kept Silent to Government Because of 'McCarthy Crowd'

EL PASO, Tex. (AP)—Harvey Matusow, who says he lied in testifying for the government in anti-Communist hearings and trials, says he was afraid to tell the government he lied because he feared the "McCarthy crowd."

First he testified in general that he feared for his life if he told government officials he lied. Later he modified the statement with the comment concerning Sen. Joseph McCarthy (R-Wis.) and his Red-hunting committee.

Matusow was scheduled to testify again today in a federal court hearing. The hearing is on a request by Clinton Jencks for a new trial. Jencks is former president of Local 800 of the International Union of Mine, Mill and Smelter Workers, Bayard, N. M.

Jencks was sentenced last year to five years in prison for swearing falsely in a non-Communist affidavit required of union leaders. Testimony by Matusow, who has since said he lied, was used in convicting Jencks.

In the hearing yesterday, Justice Department attorney who helped prosecute Jencks, Matusow said: "Sir, I would have been in danger if I went to Alderman."

"Danger from Alderman?" Harris asked.

"Not from Alderman," Matusow answered, "but from others if he knew. My life would be in danger."

Harris asked, "From the government?"

"Yes, sir," Matusow replied.

From \$1,400 to \$53,000

RENO, Nev. (AP)—Reno's oldest schoolhouse, built in 1887 at a cost of \$1,400, was put up for sale yesterday. Several rooms had been added and the property has increased in value. The price today, \$53,000.

Budget Increased for City Schools

(Continued From Page One)

The \$100 per year to second and third-year training levels with \$150 per year at the other training points. The fifth-year training level is \$200 above the fourth year, and sixth and seventh year training classifications have been added.

A teacher with four years of training can reach the maximum in 12 years with the five-year training person attaining this point in 13 years. Maximum salary at the 13-year level is \$4,450.

Everett Myers, serving as spokesman for the teachers' group, asked the board to utilize every possible source of revenue in order to give the teachers the salary raise they felt they should have.

"We are making progress each year. According to the cost of living index which has fluctuated only two per cent since 1952, any raises from that period on are real dollar increases and they represent actual gains," said Whitmer.

Myers said that the teachers wished the people of this country would figure up their annual alcohol and tobacco bills and compare them with what they pay for their schools.

"If we could just switch those amounts, we could have the best school system in the world," he declared.

In a breakdown of the total budget, the board said its income would be as follows: State aid, \$2,477,800.65; local tax levies, \$1,789,445.25; delinquent tax collections, \$45,000.00; miscellaneous items in income, \$35,000.00.

This places the anticipated income at \$4,347,245.90.

In the expenditure column, the board said that the proposed operating budget stood at \$5,362,500.00 with salary increases to take \$232,430.00. This includes a \$372,685.00 amount to pay off one-half of the \$750,000 deficit the school district faces.

Salary increases per classification are: teachers, \$169.07; administrators, \$25.04; custodians and maintenance, \$24.85; secretaries, \$8.00; guards, \$8.75; and extra-pay services, \$4.00.

Court Again Postpones Condemnation Hearing

Oakland County Circuit Court hearings have again been postponed in the condemnation suit brought by the Birmingham Board of Education to acquire an approximate 30-acre parcel in Southfield Township.

The site, included in Birmingham's school district, is at Lahay and 14 Mile roads and would house an elementary and a junior high school.

State Pilot Crash-Lands Disabled Jet in Texas

AUSTIN, Tex. (UP) — A Lansing, Mich. pilot crash-landed his T-33 jet training plane in a field about five miles northeast of Bergstrom Air Force Base yesterday but escaped injury.

Bergstrom authorities identified the pilot as 1st Lt. Donald G. Denton, 36. He is attached to the 560th Strategic Fighter Squadron of the 12th Fighter Wing at Bergstrom.

Denton's plane had a flameout and he belly-landed it, authorities said. The plane received only slight damage.

UM Cancer Expert Tells of Progress in Research

DETROIT (AP) — A University of Michigan authority on cancer says researchers have made greater strides in developing cancer controls than the public realizes.

Dr. Frederick A. Collier told the Michigan Cancer Institute yesterday that the public, impressed by the rapidity of scientific developments, had come to expect miracles in cancer cures.

"Actually," he said in a talk on cancer research, "we've advanced as rapidly as the manufacturers of automobiles, iceboxes and other products—perhaps faster."

Dr. Collier said it wasn't until 1940 that knowledge of blood groups, proper correction of patient malnutrition and better anesthesia made extensive use of surgery in cancer cases valuable. Now because of "tremendous advances" in cancer research, he said, we can look forward to greater success in medicine's attack on cancer.

Dr. Alexander Brunschwig, co-speaker on the cancer control program, said that "though some of my colleagues will not agree, I do not believe patients should be told they have cancer."

Pontiac Deaths

Mrs. Tony Lippner

Mrs. Tony (Alice) Lippner, 54, formerly of N. Telegraph Road, died suddenly at her home in San Diego, Calif., Tuesday night. She had recently had a stroke.

Born April 19, 1900 in Buffalo, N. Y., she was the daughter of Ernest and Mary Ver Wiebe.

Mrs. Lippner had lived in Pontiac 15 years, coming here from Schenectady, N. Y., where she was married. She was a member of Grace Lutheran Church and had worked in the filing department at General Motors Truck & Coach Division. Five years ago Mr. and Mrs. Lippner moved to San Diego.

Besides her husband she is survived by two daughters, Mrs. William (Jeanette) Ferguson of Pontiac and Mrs. Robert (Norma) Tost of Los Angeles, Calif.; two sons, Ernest and Alfred Bollacker, both of San Diego.

Also surviving are two sisters, Mrs. Ralph (Irene) Duncan of Tucson, Ariz., and Mrs. Fred (Hilda) Kiani of Long Beach, Calif.; five brothers, Dr. Walter VerWiebe of Wichita, Kan., Herbert of West Lafayette, Ind., Arthur of Schenectady, Ernest of Detroit and Gerhard of Bloomfield Township.

The funeral will be held Friday at 2:30 p.m. from the Lewis Colonial Chapel in San Diego with burial there.

Mary Jane Uban

Prayer service for Mary Jane Uban was held this afternoon at 1 p.m. at the Pursey Funeral Home. The Rev. Kenneth Hutchinson of the First Church of the Nazarene officiated. Burial was in Perry Mount Park Cemetery.

Mary Jane died at birth Saturday at St. Joseph Mercy Hospital. She was the infant daughter of Isaac and Evelyn Guillot Uban of 110 S. Saginaw St. Surviving besides her mother and father are one brother, and four sisters, Richard, Karen, Carla, Joy and Diana, all at home.

Mrs. Roy Warner

Mrs. Roy (Lois Abbie) Warner, 69, of 44 Prall St. died early this morning at the home of her son, Robert, in Berkeley after several weeks illness.

Born Sept. 3, 1885 in Weston, she was the daughter of George and Isabel Ayers Tripp. The Warners were married May 3, 1907 in Adrian.

Coming here from Adrian 33 years ago, she was a member of the Central Christian Church.

Surviving besides her husband and son are three grandchildren. A sister, Linn of Covington, Ky. also survives.

The funeral will be Saturday at 11 a.m. at the Sparks-Griffin Chapel. The Rev. Charles D. Race, her pastor, will officiate with burial in Oak Wood Cemetery, Adrian.

Senate Democrats to Push Tax Plan

The Senate Democratic leadership's income tax cut could be used only to the extent it exceeds the advantage of income splitting now enjoyed by married couples; the effect of this generally would be to limit the cut to families with incomes below \$5,000.

The substitute also would: Extend to July 1, 1957, corporation income and excise taxes rates scheduled to drop April 1. The House bill would extend them for one year as the administration asked.

Repeal a provision in the 1954 tax law which permits companies to get up reserves for business expenses and charge them off against current income.

Pay Campaign Opens Monday

UAW, GM and Ford Schedule Preliminary Contract Talks

DETROIT (AP) — The preliminaries in the CIO United Auto Workers' fight for a guaranteed annual wage in the auto industry start next week.

The union announced in joint statements with General Motors and Ford yesterday that "exploratory" talks on the conduct of contract negotiations will be held then—separately with each company.

Formal negotiations are expected to begin shortly before mid-April.

General Motors' five-year contract with the union expires May 29. The Ford pact runs out June 1.

The UAW already has announced its main goal will be a guaranteed annual wage.

H. W. Anderson, GM's vice president in charge of personnel, and J. W. Livingston, UAW vice president and director of the union's GM department, said in their statement the General Motors meeting will open "during the week of Monday, March 14."

The statement added: "The meetings are being held at this time because representatives of the UAW-CIO will be engaged at activities in connection with their national convention in Cleveland at the time when they ordinarily would be in such preliminary discussion with GM."

Ford Motor Co. and the UAW announced their representatives will open a preliminary meeting in Detroit next Wednesday.

John S. Bugas, Ford's vice president for industrial relations, and Ken Bannon, the union's Ford Department director, said in their statement:

"We believe it will be to the benefit of both the company and the union to meet in advance and lay the groundwork for an orderly start of negotiations."

Formal negotiations between the union and GM are scheduled to begin soon after April 4. Ford-UAW negotiations are set to start April 11.

Bloomfield Woman Charged in Accident

BLOOMFIELD HILLS — Miami Beach, Fla., police have charged Mrs. Otto Kern, 61, of E. Long Lake Rd., with reckless driving, resulting in the death last week of Mrs. Jeanne Imbs, 31, of St. Louis, Mo.

Mrs. Kern was vacationing with her husband, who is president of the Ernst Kern Co., Detroit. She told police she mistakenly stepped on the accelerator instead of the brake pedal in her car, hitting another auto before she struck Mrs. Imbs.

Mrs. Kern is under the care of a physician.

Election Workers Attend Meetings

Some 104 election workers from Oakland, Genesee, Macomb, St. Clair and Wayne counties met at the County Office Building yesterday to discuss balloting rules prior to the April 4 general election.

The meeting was conducted by State Director of Elections Robert M. Montgomery, according to Oakland County Clerk Lynn D. Allen.

Meanwhile, some 18 township clerks and voting machine custodians from Southern Oakland County are meeting today at Birmingham city hall to prepare for the April 4 election, said County Clerk Lynn D. Allen.

The ballot with names of township office seekers must be set up separately from the state officers' slate, Allen explained.

Mail-Handling Increases

February cancellations during February at Pontiac Post Office totaled 2,235,558, Acting Postmaster Leslie H. Dean Sr. said today. This is an increase of approximately one-third over the number of pieces of mail handled in January.

City Parking Lots Show Weekly Revenue Jump

City parking lot revenues have risen nearly \$200 a week since the opening of the second lot on Mill street two weeks ago. Finance Director Oscar Eckman reported today.

Income the week of Feb. 18 was \$461. Last week's income from the 339 metered spaces was \$630. The new lot has 83 spaces, the first 256.

The Huntington, W. Va., district of the Ohio River engineers was the first to come up with a flood damage estimate. That district covers the river from Powhatan Point, Ohio, to Maysville, Ky., plus the river's tributaries in the area.

Col. George T. Derby, district engineer, estimated the damage at more than \$8,637,000 but he said flood walls and reservoirs had prevented another 50½ million dollars in damage.

There still was a lot of water in and around Cincinnati. The Coney Island amusement park and the River Downs racetrack were from 6 to 20 feet under water.

The Day in Birmingham

Mumps and Chicken Pox Running Rampant in City

BIRMINGHAM — Mumps and chicken pox have reached the epidemic stage in Birmingham, according to Anney Gillette, city health nurse. "While both are seasonal diseases, they still seem to be running rampant," Mrs. Gillette said.

To date this year there have been 616 cases of mumps reported, and 268 chicken pox cases. To prevent the outbreak from spreading further, Mrs. Gillette advised that three steps be followed.

First, she recommended a school program whereby any youngster suspected of having a disease be examined and, if necessary, sent home before spreading the germ to other classmates.

Next, she asked that the name and address of any child stricken with a communicable disease, be reported at once to the school or public health office.

Last, Mrs. Gillette suggested that youngsters who have had a contagious disease be readmitted to school only after examination by the school or city health nurse or some health agency.

She asked for teamwork in handling the problem efficiently.

Out of one campaign and into another is the hope of YMCA officials who have just tallied membership enrollment figures for the campaign which closed this week.

William C. Gordon, chairman of the management committee, said workers added 1,147 members to the roster. This brought local membership to 1,947, the largest count ever.

Gordon said his group will work now with the Metropolitan Detroit Building Fund to start a capital funds effort for a new building here.

As a United Fund agency the Metropolitan YMCA has already received an MDEF allocation, \$100,000 of which is slated for Birmingham.

Girls of elementary school age still may join the last beginning swimming series at Bartram School, the Recreation Board has announced. Classes, limited to 26 swimmers each, will be held on Saturdays from 9 a.m. to noon, starting this Saturday and ending May 28.

Mothers may make arrangements by phoning the Board of Education's recreation department. Since last fall, 132 classes have been held, with over 80 youngsters mastering swimming fundamentals.

A business meeting will be held by Soroptimist International tonight, following dinner at 6:30 at Devon Gables.

stitute the "sign." If He who is Omnipotence had come with thunderbolts, there would have been no sign. There is no "sign" unless something is contrary to nature.

The brightness of the sun is no "sign," but an eclipse is. He said that on the last day, his coming will be characterized by "signs in the sun" such as the sun refusing to give its light. Here the divine Son goes into an eclipse, that only the humble of spirit may recognize Him.

Only two classes of people found the babe: The shepherds and the wise men; the simple and the learned; they who know they know nothing, and they who know they do not know everything—never the man with one book; never the man who thinks he knows. Not even God can tell the proud anything! It takes good will to find God, and this truth the angels proclaimed from the heavens: "Peace on earth to men that are God's friends."

House Probes
Tax Loopholes

Dems Ask Humphrey
to Tell What He Knows
of Windfall Provisions

WASHINGTON (INS) — House Democrats called on Treasury Secretary George M. Humphrey today to explain what he knows about tax law provisions they claim could give business billions in windfalls.

Two weeks ago, Humphrey told the Ways and Means Committee he knew nothing about any windfalls in the omnibus tax measure passed last year.

Now, however, he has asked Congress to repeal the sections of the revenue act questioned by Democrats, and appears before the same committee to urge action.

Meanwhile, Sen. Harry F. Byrd (D-VA) declared the law has not occurred and "we're not going to lose it" because of the legislation originating in the House.

Democrats charge, and Republicans concede, that treasury experts have known for several months that two sections of the present law would cost the government much more in revenue than the 47 million dollars estimated last year.

Now, they want to know why Humphrey was not told of the situation. They pointed out that it was disclosed in January that the District of Columbia Transit System was set to get a half-million dollar tax reduction from the provision — including a \$100,000 refund.

The congressmen were also expected to quiz the secretary closely on other estimates of tax losses under the 1954 tax revision law.

Calvin College Official
Resigns for New Post

GRAND RAPIDS (UP)—Gordon H. Buter, business manager of Calvin College since 1950, said today he has submitted his resignation effective in June to become business director of Pine Rest Christian Assn.

During World War II, Buter was an administrative officer in Gen. Dwight D. Eisenhower's headquarters in North Africa and France. He joined the faculty of Calvin after the war as an economics instructor.

Jury Finds Royal Oak
Man Guilty of Rape

Hubert A. Partridge, 23, of 2320 Kenneth, Royal Oak, was found guilty of statutory rape by an Oakland County Circuit Court jury yesterday.

He was convicted of assaulting a 13-year-old girl in Royal Oak last Sept. 20. Judge George B. Harrick set sentencing for March 21.

MSC Students Petition
to Change School Name

LANSING (AP)—The Legislature today received petitions, signed by some 11,000 Michigan State College students backing a bill to change the name of the college to Michigan State University.

The bill was introduced in the House by Rep. John C. McCune

(R-East Lansing). A similar bill was introduced last year but was withdrawn after the University of Michigan objected that a name change would lead to confusion.

Members of the State Board of Agriculture, MSC governing body, and the University of Michigan Regents are now trying to work out a name change agreeable to both institutions.

Class Leaders Named at Holly

Janet Lynch, Joan Kling to Head High School 1955 Graduates

HOLLY—Janet Lynch has been named valedictorian of the 1955 graduating class of Holly Area High School, and Joan Kling has been chosen salutatorian, Principal Raymond Barber announced today.

Janet, the daughter of Mr. and Mrs. William B. Lynch of Grant street, received the school's highest scholastic honors.

She recently was named "Homemaker of Tomorrow" in a senior class homemaker contest, and she has been active in forensics, debate, and the school newspaper. She plans to enter college and work for a teaching certificate.

Joan, who received the school's second highest scholastic honors, is the daughter of Mrs. Donald Mackey of North Saginaw street. She expects to enter Central Michigan College of Education next fall and study to be a teacher.

Both girls have been students of the Holly school system throughout their school years. Both have been members of the High School Girls Athletic Assn., Future Teachers Club, yearbook staff, Student Council, and had roles in their junior and senior class plays.

PTA to Feature Scout Program at Pontiac Lake

WATERFORD TOWNSHIP—The Pontiac Lake PTA will meet at the school at 8 p. m. Thursday.

A court of honor ceremony with Boy Scout Troop 34 and Explorer Post 34 will comprise the program, according to scoutmaster Albert Lyon.

The business meeting and election of officers will follow the court activities. Mothers of second grade children will serve the refreshments.

St. Pat's Day Dinner Slated for March 17

HOLLY—The annual St. Patrick's Day banquet will be held at St. Rita's hall on March 17 at 6:30. Jesse Furbush will be toastmaster at a program largely composed of local talent, although one outside speaker is expected.

Mrs. George Moore has charge of the arrangements for the banquet.

Dance to Benefit Marie Mean, 3, Ill of Leukemia

TROY TOWNSHIP—Friends and neighbors of three-year-old Marie Mean are giving a benefit dance at the Colerain School Friday evening.

The child, daughter of Mr. and Mrs. Floyd Mean of 1534 E. Watles Rd., is suffering from leukemia and doctors have given the youngster two years to live, as a maximum.

Music, equipment, refreshments and the site have been donated for the affair.

Dairymen to Meet

WHITE LAKE TOWNSHIP—Pontiac local of the Michigan Milk Producers Assn. will hold election of officers following a 7:30 p. m. dinner at White Lake Church today.

Youth Night in Waterford Will Feature Sock Hop

WATERFORD TOWNSHIP—A sock hop with records is planned for tonight's Teenage Youth Night dance, to be held from 7:30 to 9:30 at the Community Activities Building on Williams Lake road, just north of Airport road.

The weekly activity nights, sponsored by the Waterford Township Recreation Dept., have proved popular, with an average of 325 teenagers attending each Thursday for the past six weeks.

Next week a local band will furnish music for the dancing. Thomas Belfon, superintendent of recreation, said.

STRICTLY LEGAL—Rochester locksmith Harold Freeborn can concentrate on opening the safe he's working on, without keeping one eye peeled for the police because he is taking a final exam. Freeborn just completed a special lock course offered by the Sargent & Greenleaf Lock company of Rochester, N. Y. Men are carefully screened before being allowed in the course, which teaches them to open combination locks without the combination or tools.

Rochester Man No Yegg, but Graduate Safecracker

ROCHESTER—Harold Freeborn has returned to Rochester after completing a course at the "School for Safecrackers" conducted in Rochester, N. Y.

There he learned how to manipulate the dials to swing these safe doors open when things go wrong. Numerous other phases of locksmithing were offered in the course, under the direction of combination-lock authority Harry C. Miller.

Freeborn has a perfect right to learn how to open safes without the combination or the usual methods of safe yeggs. He's an established locksmith.

Carefully screened before hand, Freeborn, of 124 Griggs St., was one of 14 who recently was in-

St. Andrew Fellowship Plans Supper, Movie

DRAYTON PLAINS—A Fellowship Supper, the first in a series of fellowship events, will be held at 6:30 p. m. Friday at St. Andrew Episcopal Church. The supper will be preceded by an evening Communion Service at 6 p. m.

A film, "Behold His Glory," depicting the story of Jesus' crucifixion as seen by Cornelius the centurion, will be shown during the program which follows. Mrs. Angus Miller is chairman of the event.

2 Changes Gain Official Okay

Take Action to Relieve Flooded Conditions on June Street

ROCHESTER—The Avon Township Board of Trustees last night approved revamping the minimum lot sizes, on the recommendation of the township zoning board.

Given approval was a change allowing subdivision lots of less than 100 foot width, if the subdividers furnish water.

The second change in the zoning ordinance was to permit lots with sufficient area to have dimensions other than 100 by 200 feet, as presently required.

The changes were proposed by subdividers to the zoning board March 4.

Both amendments will become effective 30 days after publication.

In other action, the trustees voted to put a bulldozer to work today to correct flooded conditions on June street, south of Auburn.

According to Township Supervisor Cyril E. Miller and Dr. E. E. Ludwig, the Oakland County Drain Commission has failed to correct the drainage there.

Township Attorney Rex Bebout was authorized to request that the County Clerk put the drain situation in Avon Township on the agenda of the next meeting of the County Board of Supervisors.

Final approval was given the Weaver's Acres subdivision, located on East Auburn Road in the Brooklands area. The 33 building-lot site also needs the approval of the Oakland County road commission.

Supervisor Miller reported that the third well on the township site is in, and producing well.

The Northern Oakland Girl Scout Council was granted permission to hold a cookie sale for camp funds April 15-29 in the township.

To Discuss Topic of Democracy Thursday Night

WILLIAMS LAKE—"Democratic Values and Goals" will be the topic of discussion when the child study group meets at 8 p. m. Thursday, at the school.

This third topic of the University of Chicago project "Parenthood in a Free Nation" will be presented by a panel composed of Mrs. Robert Hunt, Mrs. Robert Boggs, Mrs. Leslie Erickson, Mrs. George Hedding, Mrs. Clare Hubbell and Mrs. Eldon Rosegarr. The latter two will also be recorders for the session.

The meeting is open to all interested parents.

Avon Area Planners Alter Meeting Date

ROCHESTER—The Rochester-Avon-Oakland Area Planning Commission has moved up its scheduled March 16 meeting to Friday at 7:30 p. m.

On the agenda will be the presentation of several plans in Avon township, including the proposed \$10,000,000 housing development and shopping center at Auburn and Livernols Rds.

A request for additional commercial zoning for this project will be discussed.

The request of Howard T. Keating of Birmingham for a 600 by 600 foot commercial zoning at the southeast corner of Walton Boulevard and Adams Road will also be studied. The request was referred to the Area Commission from the Avon Zoning Commission.

Bake Sale Is Saturday

ROCHESTER—The Soroptimist Club is sponsoring a bake sale from 10 a. m. to 6 p. m. Saturday at the Webber Store, 404 Main St.

Will Discuss Finances Next Week

Walled Lake Council Studies Budget

WALLED LAKE—City councilmen are studying the first budget for their new city this week, and plan to take up discussion of it next week.

Beginning April 1, the council will meet the first and third Tuesdays in the month, it has been decided.

SIXTY YEARS—Dr. and Mrs. James C. Gibson of 432 Union St., Milford, are planning a small family gathering Sunday to mark their 60th wedding anniversary. Married in New Haven, in 1893, the couple have lived in New Haven, and Detroit before coming to Milford six years ago. Dr. Gibson retired in 1952. They have a son, Dr. Wellington C. Gibson, practicing in Milford, a deceased son, Carl, five grandchildren and one great-grandchild.

BARBARA ANN PIERCE

The engagement of Barbara Ann Pierce to Joseph F. Plante was revealed by Mrs. Betty Pierce of Rochester. He is the son of Mr. and Mrs. Alfred Plante of Hazel Park. A June wedding is planned.

3 Club Members to Begin GOC Duty

WATERFORD TOWNSHIP—Three members of the Business and Professional Women's Club signed up for Ground Observer Corps duty when their organization held a dinner meeting Tuesday.

Mrs. Florence Schlosser, Mrs. John Sellman Sr. and Mrs. Harry Ault promised to be on duty two hours per week following the urgent plea for volunteers made by GOC at a Monday conference at the CAI building.

Five other members are planning to sign up with their husbands.

The GOC post in Pontiac needs 168 people to work the two hour weekly shifts in order to have a full 24 hour schedule of skywatching.

According to Post supervisor Arthur J. Heaton, there are less than 100 persons participating in the work of the local post.

Plan Pancake Supper at Hickory Ridge Church

MILFORD—Old-fashioned buttermilk pancakes will be served at a supper Friday night beginning at 5:30 at Hickory Ridge Community Church on Hickory Ridge road.

Ott Brian is general chairman of the affair, which will be held in the parsonage across the street from the church. Following the supper, the group will go to the church parlors for a program of community singing and a film from the state conservation department.

4-H Club Set for Dance

AVON TOWNSHIP—Avondale-Rochester Variety 4-H Club has scheduled a square dance for 8:30 p. m. tomorrow at Avon Township Hall.

Voters League to Meet Tuesday

West Bloomfield Talks to Air Problems Due to Incorporation

WEST BLOOMFIELD TOWNSHIP—Problems of incorporation facing township governments will be aired at the 12:30 p. m. luncheon meeting Tuesday of West Bloomfield League of Women Voters in West Bloomfield Township Hall.

George W. Skrubbs, Oakland County planner, will discuss the problems township governments are facing because of the incorporation of small communities within their boundaries.

Township Supervisor Mariah Thatcher will speak on the proposed millage increase for the township on the April 4 ballot. The increased revenue is to be used for general township operating expenses.

Interested men and women in the community have been invited to the meeting.

Girl Scouts Plan to Mark Birthday Saturday Night

ROMEO—Six local Brownie and four Girl Scout troops will join in the celebration of the 43rd birthday of the organization of the Girl Scouts by presenting a program at 7:30 p. m. Saturday evening, in the Romeo High School auditorium.

Each troop will present a five-minute skit using one of the 11 phases of scouting as a theme. Highspot of the program will feature members of Troop 2 in a short play on "International Friendship" with each girl dressed in a costume from a foreign country. Mrs. Lester Pooch has charge of the program for the evening.

The older girls, members of Troop 10, will model Girl Scout skirts which they finished making recently.

The program will open with all of the 165 girls singing a special song in honor of the occasion and will close with "Taps." Parents and friends will join the Scouts in refreshments after the final curtain.

Joint Meeting Is Tonight

WATERFORD TOWNSHIP—A joint meeting of the church council trustees, and mission board of Waterford Community Church will be held at 7:30 p. m. today.

Will Speak at Poppleton

TROY TOWNSHIP—Charlotte Hardy of the University of Michigan Extension Service will speak on "Discipline" at the 8 p. m. meeting of the Poppleton School PTA today.

About seven gallons of water a day is drunk by 100 laying hens.

JOAN MCGAUGHEY

Mr. and Mrs. Rufus McGaughey of Ortonville have announced the engagement of their daughter Joan to Harold J. House. He is the son of Mr. and Mrs. Harold House of Ortonville. An October wedding is planned.

Purebred Pig Gives Her All, Starts Project

The purebred Hampshire pig pictured on the county page yesterday with a member of the Milford Future Farmers of America member was very busy about press time yesterday, but it had nothing to do with the picture.

She gave birth to seven piglets, and owner David Charlack says both mother and family are doing fine.

This gets the FFA project of raising pigs off to a good start. Under the plan, Charlack will give a pig apiece to two other members of the club to raise.

This process is continued until the entire FFA chapter is in the pig business.

Max Vining Takes Lois Potter as Bride

MARLETTE—The Germania Zion Lutheran Church was the scene of a candlelight ceremony Saturday uniting Lois M. Potter and Max Vining in marriage.

The bride is the daughter of Mr. and Mrs. Russell Potter of Marlette, Mr. and Mrs. Don Vining of Decker are the parents of the bridegroom.

The bride wore a wedding gown of white lace and tulle over white satin, with a fitted bodice, and carried a bouquet of red roses.

Mrs. Richard Laing of Farmington was matron of honor, for her sister, and Betty Jean Potter, the bride's youngest sister, was junior bridesmaid.

Attending the bridegroom as best men were his brother, Ron Vining, and the brother of the bride, Richard Laing. Ushers were Lee Galloway and Darwin Donley, brothers-in-law of the bridegroom.

Schedule Dates for Watford Home Show

WATERFORD TOWNSHIP—The date for the first annual home and gardens exhibition sponsored by the Waterford Junior Chamber of Commerce has been announced as April 29, 30, and May 1.

The project is for all township and vicinity businesses concerning home and garden merchandise.

The show will be held in the CAI building, and exhibition space is now available for purchase.

John Chase has been named chairman of the event, and Richard Dean is handling the space rental.

Snap 'n' Rattle—Your popularity with the coffee-break set will go way up when you give them a crispy Snap 'n' Rattle to go with their coffee. A great favorite in England, the snacks are easy to make, rich and chewy to the taste, and they keep well.

Snap 'n' Rattle Fruit Bars Brighten Up Coffee-Break

The English have a way of saying things a bit differently than we say them. "Elevenes," for example, is their term for the coffee-break.

Delicious little fruit bars, often eaten with coffee, are called "Snap 'n' Rattle." These, a cross between cookie and pastry, are a great favorite in the English Midlands, so we're told.

It's not hard to explain the popularity of Snap 'n' Rattles. They're easy to make, fine eating any hour of the day when a snack is called for and they keep well. Nice and chewy too—and at the same time, crisp!

You'll find it worth your while to bake these unusual sweets in fairly large batches. They make a tasty addition to lunchboxes packed for school or office. And of course, you'll want to have some on hand for your own "elevenes."

Incidentally, be sure you make your coffee at its delicious best—hot, strong, full of flavor. And by all means, make plenty.

Experience shows that if anything improves the cook's popularity even faster than having home-made cookies on hand, it's always having enough coffee for seconds all around.

Snap 'n' Rattle
 1 package pie crust mix
 1 cup seedless raisins
 1/2 cup mixed dried candied fruits and peels
 2 tablespoons brown sugar
 1/2 teaspoon cinnamon
 1/4 teaspoon nutmeg
 Roll out pastry in long rectangle.

one-eighth inch thick. Combine raisins, fruits and peels. Spread over one-half the surface. Combine brown sugar and spices; sprinkle over fruits. Fold remaining half of the rectangle over fruits.

Roll gently with floured rolling pin until fruit shows through pastry. Press edges together. Score deeply into finger-size pieces. Bake in hot oven, 425 degrees, 12 to 15 minutes, or until golden brown and crisp.

While hot, snap apart along scoring lines. Makes about 2 dozen.

Apples, Bread Team for Special Dessert

Apples coupled with enriched yeast-raised bread make a special dessert to serve hot or cold. Place five medium apples, peeled and sliced, in a saucepan with 1 1/2 cups sugar and 1 1/2 cups water. Cook, stirring occasionally, until apples are tender. Add three tablespoons lime juice.

Butter eight slices bread. Line a greased casserole with some of the bread. Then add a layer of apples. Repeat layers until all ingredients are used ending with apples.

Bake at 350 degrees (moderate oven) 25 minutes. Serves six.

Next time you serve tamales, pass a small bowl of Parmesan cheese to be sprinkled over them. Good!

Pour Tangy Sauce on Cooked Carrots

Carrots prepared this way have a piquant sweet-sour flavor.

Lemon-Orange Carrots
 2 large carrots
 1/2 cup water
 1/2 teaspoon salt
 1/2 teaspoon orange rind
 or 4 teaspoons lemon juice
 1/2 cup orange juice
 2 tablespoons sugar
 2 tablespoons butter or margarine (if desired)

Peel carrots, cut off ends and slice on the diagonal into thin oval-shaped pieces; there should be about four cups.

Put carrots in saucepan with water and salt; bring to a boil; cover and cook rapidly until just tender—about 7 to 10 minutes, depending on how thin carrots were

cut. Drain; save cooking liquid for use in soup or sauce.

In a small pan put lemon and orange juices, and sugar. Stir over low heat until sugar dissolves; boil gently about five minutes. Stir in butter if used.

Pour over drained carrots; re-heat if necessary. Serve each portion of carrots with a few teaspoons of the sauce. Makes six servings.

Perk Up Breakfasts

If your breakfast menus have become routine and dull, perk up interest this easy way—top your servings of cereal with a generous spoonful of frozen strawberries or frozen peaches—or both! The bright color and spring-like freshness will really score a hit!

MAKE OVER THE CHORUS States Program

Pontiac's MacDowell Male Chorus will sing in Port Huron Saturday evening.

The chorus' fifty members will be among some 300 voices taking part in a "Little Sing" sponsored by the Schubert Club of Port Huron. It will be held in St. Stephen's Auditorium.

Traditionally the program consists of a number of mass selections with all the attending chorals groups taking part. In addition each attending chorus club sings a solo number of its own choosing.

For their solo number this year

MacDowell members have chosen a lyrical Czech folk song arranged for men's voices by Deems Taylor. Entitled "Waters Ripple and Flow" it will feature a bass-baritone solo sung by Ralph Bergmann.

Included in the program of mass selections are: "O God, Our Help in Ages Past"; "Come to Me in My Dreams"; "Cindy"; "Down in the Valley"; "Roving"; "Dark Water"; "Hunter's Moon"; and "No Man Is an Island".

Under the direction of George Putnam the MacDowell Chorus has been preparing its annual Spring Concert to be held April 23 at Pontiac High School. Oscar Schmidt is associate conductor and accompanist for the chorus.

The chorus is also preparing to take part in a Michigan State Sing at East Lansing, April 30.

This event is held under the auspices of the Michigan Male Chorus Association each year. It will be held in the music auditorium at Michigan State College during the school's Centennial celebration.

Legion Auxiliary Has Meeting

American Legion Auxiliary, 18th district meeting was held recently in the American Legion home on Auburn avenue.

It was announced that the 18 units representing the district will send gifts and cards to veterans' hospitals, and will send greetings to patients' wives and mothers on Mother's Day.

Mrs. George Danick attended the state board meeting of the American Legion recently in Niles.

The pin of Stabaja Club and a friendly handshake were extended Tuesday evening by Sharon Holland of East Iroquois road, (second from right) to Dolores Surowitz of West Iroquois road, new member of the club. Terri Fortino of Liberty street (left) and Gail Blamy of West

Iroquois road (right) were among the new members honored at the formal initiation held in the Navajo road home of Judy Baker. Miss Holland is president of the organization.

League Official to Visit Birmingham

By RUTH SAUNDERS
BLOOMFIELD HILLS — Next Monday, Miss Robbie Hunt Burton, consultant on Welfare Services for the Association of Junior Leagues of America, will be in Birmingham to visit the Birmingham Junior League.

On Tuesday she will meet with the various chairmen of league committees and Wednesday morning she will attend a board meeting of the Junior League of Birmingham, Michigan, Inc.

Luncheon at Oakland Hills Country Club will follow and in the afternoon Miss Burton will speak to the Birmingham membership. The same evening, Wednesday, there will be a dinner for her at Bloomfield Hills Country Club which local board members and their husbands will attend.

At the Wednesday luncheon each member will wear a spring hat which she will donate to the Bargain Box for the Easter sale.

Mrs. Robert Wardrop is general chairman for the meetings during Miss Burton's stay.

She will be assisted by Mrs. George E. Squibb who is the president of the Birmingham Junior League. Mrs. Arthur Otis Jr., Mrs. Colin John, Mrs. J. K. Eder, Mrs. Howard Grether, Mrs. Gene White and Mrs. Frederick G. Matthei Jr.

The Bargain Box Resale Shop is the only money raising project and

Speaker Tells PTA

Parents' Love Essential

Without love and recognition a child's security is impossible. Children get their first and best experiences from their parents.

These points were emphasized by David Treat, director of the Clara Elizabeth Fund of Maternal Health of Flint when he spoke for Whitfield PTA Dads' Night Wednesday.

He explained that even the church is unable to do as much as the home in building character. During the toddler stage results of exploration forces in the child must be balanced by parental understanding.

Discipline means punishment only in rare cases. Parents must teach internal control. The speaker concluded with, "Authorities and educators have a great deal of faith in parents."

Mrs. Theodore DeGroot and Mrs. Victor Sutt were hostesses for the social hour.

Junior Musicales Holds Meetings

Tuesday Musicales junior groups held meetings recently in members' homes. Gretchen Gaebauer's Illinois avenue home was meeting place for Matinee Musicales.

Mrs. Elwood Bigler, Mrs. John Nicolls Jr., Mrs. Ralph Norvell and Mrs. C. W. Hoenstein were hostesses.

Junior League members met with Gail Blamy in her home on West Iroquois road. A board meeting was held. Plans to attend a convention on May 7 were discussed and a lesson in harmony was given.

Serving on the social committee were Mrs. Milton Hathaway assisted by Carol Verner, Sandra Brooks and Sonja Ryan.

JoAnn Morris welcomed Student League members to her Ottawa drive home. Hostesses were Mrs. H. J. Hartmann, Mrs. R. M. Williams, Mrs. R. W. Exline and Mrs. Hart Morris.

Committees Named by Church Guild

Committee heads were appointed at the Tuesday evening meeting of Guild Five of All Saints Episcopal Church.

Mrs. Dorothy Whiting is Christian education chairman; Mrs. Alfred Fitzgibbon, Sunshine; Mrs. Malissa Brice, united thank offering; Mrs. Fred Honeycutt, telephone and Mrs. James Hampton, membership.

Mrs. Whiting gave devotions. The guild welcomed Mrs. Hollis Stephenson as a new member and Mrs. Joan Alicorn was a guest. Mrs. Honeycutt and Mrs. Raymond Reeves were hostesses.

Vacationing at the Escape Hotel in Fort Lauderdale, Fla., are Mr. and Mrs. Harold W. Dudley and daughter, Sherrie, of East Iroquois road.

Mr. and Mrs. Floyd Shotwell of James K boulevard are enjoying some water skiing during their stay at Cypress Gardens, Fla. The couple will also tour the west coast of the state.

Dr. and Mrs. Raymond Hobrock of Birmingham are making the Hotel George V, just off the Champs Elysees, their headquarters during a stay in Paris. They will be joined during their two month tour by their son Jon, and Dr. Hobrock's sister, Mrs. H. R. Miller of Fort Wayne, Ind.

The Hobrocks will visit London, Rome and Switzerland during their vacation.

Rose Boghosian of Glenwood avenue recently attended a performance of the new hit musical "Fanny" during a stay in New York City.

Jan Fairbanks, daughter of Mrs. Orval G. Fairbanks of Niagara avenue, has been pledged into Gamma Psi Chapter of Delta Zeta Sorority at Central Michigan College, Mt. Pleasant.

Jan is a member of the freshman class, Young Republicans Club, Newman Club and Commerce Club. She is on a secondary teaching program majoring in commerce.

Majorie D. Price, daughter of Mr. and Mrs. T. R. Price of Auburn road, has been appointed business manager of the annual Water Carnival at Michigan State College.

The spectacle, held on the Red Cedar River, draws an audience from throughout central Michigan. Miss Price is a senior at the college.

Mr. and Mrs. John Pruski of Columbus, Ohio, are announcing the March 7 birth of a son, John III. Mrs. Pruski is the former Ann Evelyn, daughter of Mr. and Mrs. W. G. Evelyn of Orchard Lake avenue.

Endurance Mark Set by Young Skin-Diver

NEW YORK (INS) — Richard Ferg Jr., 21-year-old skin diver, claimed a new under-water endurance record Tuesday when he completed 24 hours and 22 minutes submerged in a tank at the Sports and Vacation Show in New York.

Ferg, a professional skin diver and operator of a shop selling under-water equipment in New York, entered the water at 7:45

a.m. Monday and emerged at 8:07 a.m. Tuesday, bettering the previous record, set last year in Florida, by 20 minutes.

Sign Chico's Relatives

TAMPA, Fla. (U)—Two of short-stop Chico Carrasquel's relatives were signed Wednesday by the Chicago White Sox.

Domingo and Manuel Carrasquel, brother and cousin, respectively, were assigned to the Sox' Madisonville, Ky., farm in the Kitty League.

Mexico's Macias Captures Bantam Title

Babe Herman Quits

GLENDAL, Calif. (U)—Babe Herman, one of baseball's better sluggers, is retiring as scout for the New York Yankees, effective April 1. He has been a coach and scout for the last 10 years, with Pittsburgh and the Yanks.

RIGHT ON THE KISSER — Raul Macias of Mexico lands a solid left to the mouth of Thailand's Chamrern Songkritrat in 6th round of last night's scheduled 12-round bantamweight title bout in San Francisco's Cow Palace. Macias was the winner on a TKO when the referee stopped the fight in the 11th. Songkritrat had been knocked down several times and was bleeding from the mouth when the bout was halted.

Mauled by Fans Worse Than by Ring Opponent

Two-Fisted Assault Puts Thailand Fighter on Canvas for TKO

SAN FRANCISCO (U)—Raul Macias of Mexico, who took more punishment from his fervent fans after it was over than he did from Thailand's Chamrern Songkritrat while he was winning it, is the world bantamweight boxing champion today as far as the National Boxing Assn. is concerned.

Macias won the title, which the state of California firmly refuses to recognize, with a blistering two-fisted assault that caused Referee Fred Apostoli to stop the one-sided scrap at 2:38 of the 11th round last night at the Cow Palace.

A flock of screaming Mexicans clamored into the ring after it was over. Police were unable to stop the mad scramble. Macias, "Little Mouse" to his compatriots, was swallowed up in the blustering throng, to emerge moments later perched astew on willing shoulders.

Anyone who thought bantamweights lacked punching power received as rude a jolt as the Thailander last night. Macias, using a lightning left hook and jab mixed with a bruising right, had Songkritrat on the floor four times, twice in the sixth round and twice more in the 11th.

Macias, unbeaten in 12 pro fights, was in full charge all the way. He lost only one round, the first, on all three cards. Apostoli had it scored 60-50 through the 10 full rounds, Judge Jack Downey 63½ to 46½, and Judge Eddie James 61½ to 49½.

Wildfowl Signal Spring's Arrival in Detroit Area

LANSING (U)—Two sure signs of the approach of spring were reported today by the state conservation department.

Ducks, geese and swans are arriving on open water on both sides of the Lower Peninsula. Smelt already are concentrating in shoal waters of lower Lake Michigan and an early dipping season is predicted.

The department said canvasbacks and redheads by the thousands are moving into the duck waters of the Detroit area.

Upwards of 6,000 geese have been reported in southwestern Michigan and whistling swans are arriving in Lake Erie.

Waterfowl experts said the big flights will soon be on in full force and the peak of the migration will be reached in mid-April.

The smelt season has been predicted to be one of the largest on record.

Young Defenseman Signs With Red Wing Club

DETROIT (U)—Defenseman Larry Hillman, 20, has signed a contract with the Detroit Red Wings.

Hillman, of Kirkland, Ont., is the youngest player to sign with the Wings since Gordie Howe joined the club at the age of 16. The National Hockey League rules have been amended in recent years and now make 18 the signing age.

Hillman will be eligible for the Stanley Cup playoffs. He played the last three games with the Wings on an amateur tryout basis.

Homer Hex in NL

MILWAUKEE (U)—Milwaukee's County Stadium had a "homer hex" for four National League sluggers. Duke Snider of the Dodgers, Rip Repulski of the Cardinals, Frank Thomas of the Braves and Ernie Banks of the Cubs hit home runs in every park except the home of the Braves.

Kiner Faces Battle

Indians Not Standing Pat With '54 Champs, 4 Rookies Given Good Chance

TUCSON, Ariz. (U)—There is a mistaken idea, says Manager Al Lopez, that the American League champion Cleveland Indians will stand pat on their 1954 outfit.

"We're not set like a lot of people think," he explained as the Indians met the Chicago Cubs today in the first of their exhibition games. "There are several positions yet to be decided. There are several young fellows we have to look over."

Newcomers given strong chances include catcher Hank Folles, first baseman Joe Altobelli, outfielder Rocco Colavito and, of course, left-handed pitcher Herb Score. All four spent 1954 with Indianapolis of the American Assn.

Lopez would like a strong left-handed pitcher to go with right-

handlers Bob Lemon, Early Wynn, Art Houtteman and Mike Garcia on the front line. Score might fill the bill, but Don Mossi, an outstanding southpaw reliever last season, would like that starting assignment. Rookie Hank Aguirre, up from Reading, Pa., is getting attention and veteran Lefty Bill Wright, who played for San Diego last season, isn't counted out. Veteran right-hander Bob Feller counts on another good season with spot assignments.

At first base Vic Wertz is No. 1 as expected but Dale Mitchell, previously an outfielder, makes a bid along with Altobelli.

Al Rosen at third and George Strickland at shortstop appear secure. The same is true of Bobby Avila at second when he signs.

The outfield is filled with talent so an interesting battle develops. Home run hater Ralph Kiner from the Cubs probably has the hardest fight of his career for a regular job.

Larry Doby in center and Al Smith in an adjacent field appear well assured. But fighting for the other spot along with Kiner are the rookie Colavito, veterans Dave Pope and Wally Westlake plus Harry Simpson, trying for a big league comeback after spending 1954 with Indianapolis. Dave Philley, currently a holdout, played in 133 games last season, so can't be counted out.

Packers Sign Pair of Gridders for '55

GREEN BAY, Wis. (U)—Head Coach Lisle Blackbourn of the Green Bay Packers announced Wednesday night the signing of Sisto Averno and James Jennings to 1955 contracts with the National Football League club.

Averno, a native of Paterson, N.J., played offensive guard for the Baltimore Colts last season. He stands 5-11 at 238 pounds. A 5-year veteran of professional football, the 1954 season was his third at Baltimore.

Jennings, an offensive end from the University of Missouri, is still in college. He is 6-foot-3 and weighs 205 pounds. He was the Packers' 26th draft choice in January.

Detroit Policeman Nears Eighth Title

TAMPA, Fla. (U)—Harry W. Reeves of Detroit, a police inspector, appeared on the way today to his 8th national midwinter pistol championship.

Reeves won the .22 caliber pistol title yesterday and gained 884 points in the four .22 caliber matches, two points more than William C. Joyner of the Border Patrol at El Paso, Tex.

First Lt. David C. Miller of the All-Army squad was aggregate winner in the expert class with 871 out of a possible 900 and Capt. Sidney Hinds Jr., a 3rd Army team member, had 866.

Detroit Track to Use TV as Check on Races

DETROIT (U)—The probing eye of television will offer a new wrinkle to Detroit racing fans this summer.

A closed circuit television system—the 1st of its kind—is being installed at the Detroit Race Course to give fans and officials close-up shots of the races.

At least eight TV cameras will be placed at strategic positions around the mile track, enabling fans and stewards to follow the complete running of the races.

Boris Karloff's Really Not Bad

British Actor Lost Out on Other Type Roles After 'Frankenstein'

NEW YORK (AP)—Boris Karloff likes doing television for a special reason.

"As often as not I'm a respectable character who's on the right side of the fence," explains the gaunt, British-born actor who spent most of his movie career playing sinister roles.

Karloff says he became typed when he did Frankenstein's Monster and two sequels.

"I haven't played the monster since 20 years ago but the impact wouldn't wear off," he says. "It even hindered his getting other types of roles."

On the other hand, he says, the Frankenstein Monster brought him to prominence in the first place. "And you can't have it both ways."

Karloff now is in rehearsal for the role of King Arthur in Max Liebman's Saturday night production of "Connecticut Yankee" on NBC-TV, one of a number of video engagements he has had in recent months.

He spent all last winter in London making the filmed Colonel March series for American television. Off camera Karloff is the anti thesis of the sinister type which made him famous. Mild and friendly in manner, he gives the impression of a polished, poised gentleman who thoroughly enjoys life and a good laugh.

State's Top Doctor Cites Achievements

DETROIT (AP)—Michigan's "foremost family physician" says two developments stand out among all those he has seen in his 62 years of practice.

The two, says Dr. Duncan J. McColl of Port Huron, are the use of antibiotics and the work of bone surgeons.

Dr. McColl, 66, is in town to receive official recognition as the state's outstanding doctor of the year.

He said yesterday that antibiotics have made diphtheria, small pox and other diseases "almost unknown."

And he said bone surgeons can mend bones even in elderly persons now and get good results.

Dr. McColl said the two most pressing ailments to conquer now are heart trouble and arthritis.

Still active in practice despite his age, he delivered babies on four successive days last week, all between midnight and daybreak.

Illinois Driver Killed in Crash Near Saginaw

SAGINAW (AP)—Joseph Hilliard, 47, of St. Clair County, Ill., was killed last night in a traffic crash on M13 southeast of Saginaw.

Sheriff's officers said Hilliard's car went out of control and skidded into a truck driven by Fred Kelly, 47, of Saginaw.

Another trucker, unidentified, lighted flares which officers said set fire to both Hilliard's car and Kelly's truck. A deputy, Paul Vlak, pulled Hilliard's body out of his blazing car.

Gary Crosby Signs Up as Tennessee's Sidekick

HOLLYWOOD (AP)—Gary Crosby's got a new job.

He starts out as Tennessee Ernie's radio sidekick. From there he'll go to a network solo show, according to CBS authorities, who disclosed yesterday that Gary had signed an exclusive radio and television contract with CBS.

His TV chores will consist of guest spots on network shows. Gary, Bing's oldest son, quit Stanford University to go into show business. He's 21.

Runs in the Family

JASPER, Ind. (AP)—Henry Brames, 35, was arrested on a drunken driving charge. Twenty-four hours later, his wife, Catherine, 30, was arrested on the same charge. They appeared in court together and drew 30-day sentences each.
