Historic Wayside Inn Razed by Fire

AP Wirephoto

BUILT ABOUT 1686 — Fire sweeps through Wayside Inn at Sudbury, Mass., early today destroying the structure and a collection of antiques gathered by the late Henry Ford. Built around 1686 as Howe's Tavern on the Boston Post Road, it gained fame from Longfellow's "Tales of a Wayside Inn."

$147 Million for State Roads

Financial Machinery Rolls to Begin Ford Stock Sale

NEW YORK (AP)—The complex financial machinery to bring the public into ownership of Ford Motors Co. stock for the first time in history rolls into high gear today.

While the Securities and Exchange Commission studied the comprehensive registration statement filed by the company yesterday, brokers reported orders piling up from regular customers and people who have never owned a share of stock.

All Wall Street agreed that there wouldn't be enough shares to meet demand—although the Ford Foundation, which is selling the shares, has boosted the number to be offered from 7,000,000 to 10,200,000.

Filing of the registration statement represented the final step before the shares go on sale.

To comply with Securities and Exchange Commission regulations, the Ford company had to disclose a financial date that it had been keeping strictly to itself, something a privately owned firm can do.

The statistics showed that Ford sales in the first nine months of this year totaled a record $4,042,600,000 and profits $312,200,000. Assets of the No. 2 automaker were placed at $2,483,000,000.

Jan. 18 has been picked as the tentative date for offering the shares to the public. The co-managers of the underwriting syndicate have told the more than 700 participating underwriters that they must assure widespread distribution of the shares.

They're not supposed to sell more than 100 shares to any customer initially. Under some circumstances they may sell more than that, but 200 shares is a top limit.

Here's what will happen when the offering begins:

If you have ordered 100 shares, your broker will fill your order—

Orders Holiday Traffic Control

Gov. Williams Assigns 249 Guardsmen to Aid State Police, Sheriffs

LANSING (AP) — Gov. Williams today ordered special traffic controls over the Christmas and New Year holiday weekends and urged motorists to voluntarily observe the new state speed limit which will not become effective legally until Feb. 3.

Williams said 249 national guardsmen will be assigned to the State Police and to 25 sheriffs departments at their request for extra patrol work.

State Police Commissioner Joseph A. Childs ordered his men on 10-hour patrol schedules the Friday and Saturday before Christmas and New Years.

All available uniformed men were assigned to patrol duty with plain clothes officers taking over desk jobs at the various State Police posts.

Unmarked State Police cars operated by uniformed officers will be used for patrols, with at least one operating during daylight hours in each of the six southern Michigan police districts with the highest accident rates.

Radar equipment will be used by the Flat Rock Post to slow speeders on the treacherous Telegraph road.

Williams said that 35 persons were killed on the highways during last year's Christmas holiday and 13 died on the last New Year's holiday weekend.

"Let's not permit this kind of tragedy to happen again," the governor said.

He reported that 93 persons have died in 87 traffic accidents between Dec. 1 and Dec. 21, compared to 129 killed in 117 accidents in the same period last year.

Jaycees to Pick Top Home Decorations

Outstanding home decorations and lighting displays will be selected tonight when two judging teams from the Pontiac Junior Chamber of Commerce will cover residential areas in the east and west portions of the city.

Winners of the annual Jaycee contest will be awarded $25 government saving bonds. Runnersup will be given honorable mention awards.

Contest Chairman William O'Connor said today that the dividing line between the two sections will be Saginaw St. The judging will extend to the Pontiac city limits.

According to O'Connor, entrants in the contest will not be required to submit applications to be considered for prizes. Two teams of judges will canvass all streets in cars, he said. Judging will begin at dark.

Lut-fish. Harrison's Food Store, 200 Voohels Rd. FE 2-9281.

World Renowned 'Wayside Inn' Burns to Ground

SUDBURY, Mass. (INS) —Historic Wayside Inn, built in 1686 and immortalized by the Poet Henry Wadsworth Longfellow, was destroyed by fire early today while firemen battled in sub zero temperatures to save valuable antiques.

* * *

A boiler explosion was blamed for starting the blaze.

The rambling old red inn, where such renowned men as George Washington, Gen. Lafayette and other historic figures stopped, was the inspiration for Longfellow's "Tales of a Wayside Inn." It was purchased by the late Henry Ford in the 1920s and completely restored. It became a mecca for tourists from all over the world.

The old grist mill, grocery store and colonial church were restored on the rambling acres. At his own expense Ford built a modern highway some distance from the inn so trucks and buses would not mar its scenic beauty. He then gave the highway to the state for $1. The site is now owned by the Ford Foundation, and has been privately leased in recent years.

* * *

Officials said it was impossible to estimate the damage until collectors have evaluated priceless antiques which accumulated through three centuries.

Stevenson's Hurt Son Rushed to Chicago

GOSHEN, Ind. (INS) — Adlai Stevenson's youngest son, seriously injured in a three-vehicle collision which killed two of his companions, was to be moved to Chicago today for further treatment.

* * *

John Fell Stevenson, 19, suffered a fractured lower jaw, fractured knee cap, facial cuts, and loss of several teeth yesterday when his car was boxed in by two oncoming trucks and smashed head-on with one of them on U.S. 20 east of Middlebury, Ind.

* * *

Killed while riding in the front seat with Stevenson were William S. North III, 19, of Lake Forest, Ill., who was thrown from the car, and William C. Boyden, 19, son of a prominent Chicago attorney, who was thrown against the windshield.

Newsprint Pinch Drops Ads Dec. 26 for Denver News

DENVER (AP)—There will be no advertising in the Monday edition of the Rocky Mountain News.

The morning newspaper said the ad-less edition is made necessary by short supply of newsprint. It said the inventory of newsprint is the lowest in the paper's 96-year history.

It blamed the shortage on an unforeseen increase in consumption of newsprint nationally.

Death Count Hits 89 in Algerian Rebel Rampage

Nationalists Step Up Terror Drive as French Postpone State Voting

ALGIERS, Algeria (AP)—The death toll in bloody Algeria soared today as nationalist guerrillas pressed their Christmas terror offensive and the French retaliated with a big military drive.

Unofficial and incomplete reports indicated that at least 89 persons have been killed in clashes since Tuesday. The figure was expected to mount as casualty lists came in from outlying areas.

Written threats were signed by the "Front for National Liberation." They were similar to menacing handbills the same organization had directed against the holding of elections in Algeria.

Premier Edgar Faure has postponed the Algerian voting indefinitely. It otherwise would have been held on the same day next month as the balloting in France.

French judicial authorities advised the Premier that a vote under present conditions of terrorism might put public order in Algeria in even more serious danger.

Algeria is politically a part of metropolitan France. However, with a population of nearly nine million, the Algerians send only 30 deputies to the French National Assembly of more than 600.

The Algerians also complain the present election laws give French colonists a disproportionate share in picking the deputies. Algeria's Assembly seats presumably will be filled at later elections.

The nationalists have passed the word through the native quarters in the larger cities to increase acts of terrorism during the Christmas season.

There was a marked increase in roadside ambushes, bombings, assassinations, burning of isolated farm buildings and schools, and the severing of telephone and other communications lines.

Students Give Up Exchange of Gifts to Offer Needy a Happier Christmas

By WILMA GREENWAY

"It is more blessed to give than to receive."

The truth of the lesson the Great Teacher came to convey was rediscovered yesterday by 642 teenage students of Wever Junior High School.

There was more than a party mood in Wever's 18 homerooms that feted 30 needy children with gifts of toys and clothing. There was a new spirit in the school — spontaneous, infectious, overwhelming — as hundreds of teenagers watched the joyful expressions on the faces of underprivileged youngsters they had worked to make happy.

Children from two to 10 years old were guests at the parties. Wever students had sacrificed their own gift exchange to provide the party and presents.

Some homerooms had one, others had two of the underprivileged boys and girls as their special guests. There were games and carol singing, ice cream and Christmas treats at each party. Then came the big moment, when Santa appeared with his load of gifts.

The idea of giving up their own party in favor of the needy children started with the students themselves. When it was presented by the Student Council, only 7 of the school's 642 pupils voted against it.

The spirit of giving spread, and by the time party plans were complete nearly $400 had been donated to buy gifts for the little guests.

Names of needy children outside the school were obtained and a call was made at each home to discover the specific child's requirements. Students gave money they would have spent on gifts for each other. Then both teachers and students shopped for the gifts, with purchases limited to clothing and one toy for each child.

"Students kept bringing in toys and separate gifts 'on their own'" said Melvyn Staebler, school counselor. "It was impossible to control their enthusiasm . . .

"There is a wonderful new spirit in the school — a changed atmosphere. Other years the feeling at Christmas has been one of hilarity. This year it's deeper, a feeling of joy and increased awareness of the needs of others.

Pointing out that teenagers are often the butt of unfavorable publicity, Staebler said:

"I think the answer lies in what these students are doing. Could one ask better proof of the innate decency of teenagers?"

The Decision May Be Yours

White or Black Christmas?

Will you have a white Christmas or a black one? That ominous question may be decided by how you drive this weekend.

The National Safety Council warned today that Dec. 24 is usually the most deadly day of the year on the nation's highways, and that danger will be almost as great Friday afternoon and night as many start holiday travel.

Here are tips for a white Christmas:

1. Don't drive in bad weather if you can avoid it.
2. Start early to avoid hurrying.
3. Avoid driving after dark if you can.
4. Follow common sense in passing, turning and following other cars.
5. Be courteous to others.
6. Don't drive if you have been drinking.

Cloudy, Light Snow Forecast for Area

The weatherman says that it will be mostly cloudy with occasional light snow tonight and tomorrow.

The low tonight will range from 18-22 and the high tomorrow will be from 30-34 degrees.

The lowest temperature preceding 8 a.m. was 18 degrees. The mercury rose to 28 at 2 p.m.

Fall Snow: 101.3 Inches

IRONWOOD (AP) — Ironwood had an unusually heavy total of 101.3 inches of snow during the fall season, before winter began early today.

Stork Delights Ike With New Granddaughter

WASHINGTON (INS) — President and Mrs. Eisenhower had the Christmas present they wanted most today — their fourth grandchild.

The President was reported "delighted and very, very happy" over the seven pound, two-ounce baby girl born at 4:55 p.m. yesterday to his daughter-in-law, Mrs. John (Barbara) Eisenhower.

With the First Lady he motored an hour and a half later to Walter Reed Army Hospital for his first glimpse of infant, Mary Jean.

Both mother and baby were reported doing very well.

The new baby added a warm note to the Christmas festivities in the White House, which formally gets under way today.

Cigarette Starts Brooklyn Blaze

Four Perish, 4 Injured as Ashes Are Dumped on Yule Wrappings

NEW YORK (INS)—A fire set off by dumping of an ash tray into a carton containing gay Christmas wrappings killed four persons and injured four others today in a 4-story brownstone house in Brooklyn.

Fire officials said the ash tray must have contained a still lighted cigarette butt, which caused the fatal and rapidly spreading fire.

The dead were Mrs. Margaret Murphy, 83-year-old grandmother; Mrs. Eileen Best, 22, and the latter's two daughters, Ruth Ann, 6, and Joyce, 3.

One of those rescued in the burning building was Julia Haynes, an 18-year-old paraplegic and granddaughter of Mrs. Murphy.

Others taken to Methodist Hospital were Valentine McClure, 46, and his son, Robert, 13, in whose apartment, officials said, the fire started. McClure and his son fought the fire and pulled down blazing drapes, but the flames got out of control and they were both burned. They fled and sounded the alarm.

The fire spread from the McClure's first floor apartment through the building, to the fourth floor Best family apartment.

Walter Best, 25, saved Richard, 18 months, and told his wife to follow him to the street. She and the two daughters apparently became confused and were trapped.

Mrs. Murphy lost her life on the third floor where she lived with the family of her son-in-law, Thomas Hynes, 45, a Brooklyn Navy Yard worker.

Two-Lane M15 Addition to Be Opened Tonight

LANSING (AP) — Seven miles of new two-lane pavement on M15 in Saginaw and Bay Counties will be opened to traffic tonight, the State Highway Department said today.

The new stretch runs from Columbus avenue in Bay City south to M18 in Saginaw County. The old pavement will be left in use making that section of M15 a four-lane highway.

Stress Placed on Construction of Expressway

Oakland County Shares in Plans; Pontiac Sees By-Pass on Telegraph

State Highway Commissioner Charles M. Ziegler today announced the Highway Department will spend 75 million dollars more in 1956 than expended this year.

Issuing his annual report, Ziegler said much of the money will be spent for roads, bridges and other structures, reflecting the boom in expressway building.

Already announced plans for Oakland County include construction of a by-pass at the Telegraph road - Orchard Lake avenue intersection on the west limits of Pontiac. Also completion of widening State Highway M24 from Opdyke road, Pontiac, to the south limits of Lake Orion village; possible completion of the Farmington-Brighton Expressway; and, preparation for the extension of Northwestern Highway to U.S. 23 near Fenton scheduled to begin in 1957.

The department said contracts for road construction let this year totaled 72 million dollars—20 million dollars more than the average of the past three years, the biggest road building year in state history.

The record sum will buy the equivalent of 275 miles of 24-foot concrete pavement, 750,000 tons of bituminous pavement, 175 miles of grading and drainage projects and 55 grade separations and bridges.

Ziegler said the state was able to step up road-building this year because of the increased use of bonds to supplement revenue from gas and weight taxes.

SEES FEDERAL FUNDS

He said the "full impact" of the 1955 legislative Highway Act will be felt in 1956. The act increased the gasoline tax by 1½ cents a gallon to finance an arterial network of four-lane superhighways.

"There is little doubt that a tremendous amount of federal money will be available to the states for highway construction," he said. "This federal participation may reach as high as 90 per cent of federal funds to match 10 per cent state funds on the interstate system."

The commissioner said the state has already spent all federal funds allocated to Michigan for the fiscal year ending June 30, 1956, and 16 million dollars of the 26 million dol-

(Continued on Page 2, Col. 3)

Planners Delay Study of Merger

Personnel Lack Slows Analyzing of Proposal to Join Areas

Discussion on the proposed city of Pontiac and Waterford Township merger has been slowed temporarily due to lack of sufficient number of personnel to study the question, Frank H. Marsh, Planning Commission chairman said today.

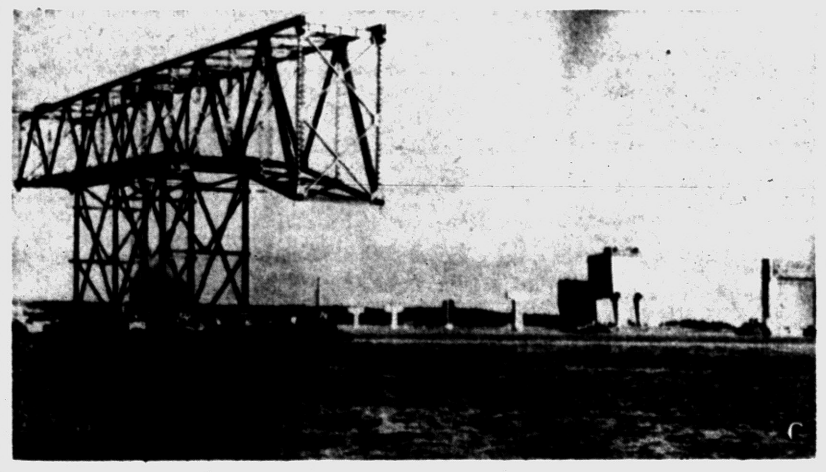

In a 30-minute informal talk on the issue at their closed monthly meeting this week, the Planning Commission expressed the need for additonal help.

"We want to look into it on both sides of the question," Marsh stated. "But at this time we don't have the necessary facilities to study the proposal."

"As soon as we get the staff in shape, we are going to analyze the merger," the chairman declared.

City Manager Walter K. Willman said the city was still attempting to find a planning technician to add to the planning staff.

Bridge Section Towed Into Place

AP Wirephoto

LAST WORK UNTIL SPRING — Huge 750-ton span of the Straits of Mackinac bridge is carried on barges towed by tugs to its resting place between two piers at extreme right. Fabricated ashore, a similar section of the bridge was placed into position earlier near the opposite shore. It was the last big operation of the season as winter closed down on the Straits.

The Coming of the King—A Christmas Story

X—An Angel in a Dream Warns Joseph to Flee

By NORMAN VINCENT PEALE

While King Herod in Jerusalem was ordering a massacre of all the infants in Bethlehem, Jesus slept quietly in the stable of the inn at Bethlehem.

Joseph and Mary slept, too. They were tired after a long and busy day. And while they slept, Joseph dreamed that an angel came to him and said: "Arise, and take the young child and his mother, and flee into Egypt, and be there until I bring thee word: for Herod will seek the young child to destroy him."

Joseph awoke instantly and looked around him. He could see no one. It was still night and there was no light in the stable.

Gently, he woke Mary and told her his dream. She did not hesitate a moment but immediately began to pack their few belongings.

Joseph fed the little donkey which had brought them from Nazareth. Then they woke the infant Jesus and wrapped Him warmly for the journey. Although it was only a very short time before they were ready to flee that place, to Joseph and Mary, it seemed hours.

The Angel Advises Joseph

But, finally, they slung the little they had carried with them across the donkey. Then Mary mounted it and Joseph placed Jesus in her arms, picked up the rope halter and led the donkey toward the town gates.

In those times, towns had walls and there were only a few gates by which people might come in or out. And, at night, these gates were locked and the walls were patrolled by guards.

So, when they reached the wall, they had to call for the guard to let them out. Finally he came and grumbled that it was against the rules for him to let anyone out until morning.

But Joseph was inspired by his fear of what might happen to Jesus if they remained and he argued so well with the guard that the gate was opened for them and they went through it.

Law Useful in Preventing Loss of Dogs

Attention Called to State Statute

Wave of Thefts Causes Officials to Consider Protection Methods

A little-known state law provides a simple and inexpensive method for you to protect your valuable hunting dog or warmly-regarded canine pet from loss or theft.

The statute was called to attention yesterday by four officials who met to discuss methods of stemming a recent wave of dog thefts.

Meeting with Oakland County Prosecutor Frederick C. Ziem were County Dog Warden Dr. Frank R. Bates, Centerline State Police Detective Harold Ernst and First Assistant Prosecutor Robert D. Long.

Persons wishing to insure against losing their dogs can approach almost any veterinarian for an application blank to be sent to the State Commissioner of Agriculture.

He registers the dog for a $1 fee and returns a number to the veterinarian to be tattooed on the animal's ear or one of the rear legs. The cost is $3 or $5 depending on whether an anesthetic is used in the operation.

If the dog is sold the number can be transferred to the new owner's name.

Then if the pet is picked up by another person it's his duty to report the number to the sheriff's office or local police within 48 hours or be guilty of a misdemeanor. Once the number is reported it can be checked through the Agriculture Department and the owner's name and address secured.

The procedure amounts to a protective step taken in addition to regular licensing. A license tag can be destroyed, but a tattooed number constitutes a permanent marking, Dr. Bates pointed out. The law makes it illegal to remove or alter the markings, he added.

* * *

It's difficult to prove that an unmarked dog was stolen, Ziem said. The person who picked it up can claim he found no markings to indicate it had an owner, he explained.

A person who picks up and reports a tattooed animal will receive 25 cents for each day he cares for it before the dog is claimed.

The law, in effect since 1940, has not had the desired result because only an average 75 dog owners in the state have had their animals marked each year.

"If more people would avail themselves of this simple protective measure, loss and theft of dogs could be greatly reduced," Dr. Bates pointed out.

Theft of a tattooed dog valued at under $100 is punishable by up to 90 days in jail, a $100 fine, or both, said Ziem. If the animal's replacement value is more than $100, the penalty could be a year in jail, a $500 fine, or both, he added.

Many persons will offer a large reward for return of a dog whose actual cash value is small, Dr. Bates said. "If they would follow this registration procedure, necessity to pay a reward could be avoided in most cases," he asserted.

Speedy Gal, 74, Confesses All —After Verdict

ROSWELL, N.M. (AP)—A 74-year-old California woman driver paid a fine for speeding and still thinks she got off easy.

After paying it to Justice of the Peace R. Perry Bean, she asked: "Is this case closed now—I mean nothing can change your verdict?"

Bean assured her it was closed.

"Well, in that case," the woman said with a grin, "I just want you to know that the officer who arrested me was wrong.

"I wasn't doing 80 miles an hour. I was doing 90."

The Weather

PONTIAC AND VICINITY—Mostly cloudy with occasional light snow today, tonight and tomorrow. High today 30-34. Low tonight 18-22, high tomorrow 30-34. FORECAST FOR TONIGHT—The Great Lakes region and northern Plains will have some snow tonight while rain will fall over much of the Northwest and along the Texas coast. It will be warmer in the East and over the Ohio valley, with a change to colder in the northern Plains. Forecast for the Pontiac area is cloudy with snow flurries.

Drive for Better U.S. Roads Gets Start in Detroit

DETROIT (AP) — A nation-wide campaign "to alert the 84th Congress to the necessity" of a 40,000-mile interstate highway construction program was started in Detroit yesterday.

* * *

The meeting was under sponsorship of the American Municipal Assn. and was the first of a series planned across the country.

The last session of Congress adjourned without passing any of several proposed multi-billion dollar highway construction programs.

"We are not trying to tell Congress how to do its job," Mayor Albert E. Cobo of Detroit said. "We are merely presenting our needs for a federal highway program to be completed in 10 years."

Senator McNamara (D-Mich) said the Congress recognizes the "need" for an expanded federal-aid highway program, but that differences over the means of financing kept any bill from passing.

McNamara recommended that future meetings being sponsored by the municipal association be devoted to "how to finance a federal highway program."

More than 150 national, state and political leaders and labor, business and civic representatives attended the Detroit meeting.

Gov. G. Mennen Williams called the nation's highways "interstate lifelines which promote prosperity and peace essential to the national interests."

Walter P. Reuther, president of the United Automobile Workers Union, said "the highway situation is one of the most compelling we have to face today" and "it bears on the future growth of the auto industry and is the key to the nation's traffic toll."

"We must," Reuther added, "make our highways adequate before they can be safe."

3 Appointed to Rule on Traffic Light Plea

LANSING (INS)—Gov. G. Mennen Williams has appointed a 3-member commission to study the complaints of Taylor Township mothers, who for weeks staged blockades of Telegraph road in an effort to get a traffic light installed.

The action came after Gov. Williams negotiated a truce with the women, who staged marathon blockades of Telegraph and Cypress.

The commission is headed by Leslie R. Silvernale, professor of driver education at Michigan State University. The other two members are Mrs. Florence Sweeney, of Grosse Ile, and Jerome D. Franklin, city traffic engineer of Grand Rapids.

Spirit of Holiday Slows Lessons in City Schools

The holiday spirit crowded out lessons and study in most Pontiac schools today, as students and teachers prepared for the 12-day Christmas vacation.

Classes in all city schools close this afternoon and will resume Wednesday, Jan. 4.

Classrooms, halls and auditoriums were decorated with window cutouts, special displays and festive evergreen trees in elementary and high schools. Individual homeroom parties, special assemblies and Christmas programs marked the final school day of 1955 throughout the city.

Publishers, Union Reach Interim Okay

DETROIT (INS)—Mediators said today tentative agreement has been reached between publishers and striking AFL-stereotypers on the expiration date of a new contract, one of the two issues blocking settlement.

Tentative expiration date agreed upon was Nov. 30, 1956.

In addition, the mediators said both sides had made counter-proposals on wages, the only remaining issue in dispute.

The publishers reportedly made a wage offer today which was rejected by the union. The union then made a counter-proposal now said to be under consideration by the management.

The meeting was recessed at noon today and mediators said there "probably" would be no further sessions before Christmas. The mediators said they would arrange the next meeting.

* * *

Only comment from conciliators regarding the publishers' wage offer was that it was "some" less than the $3.75 a week which reportedly is included in new pacts agreed to by the pressmen's and plate and paper handlers unions.

The strike halting publication of the Times, Free Press and News entered its fourth week today.

Weatherman Cries Ice

COOPERSTOWN, N. Y. (INS)—Weather Observer Harold Hollis in Cooperstown, where the temperature dipped today to 22 below zero, had trouble performing his job. Hollis said: "Everytime I stick my head out the window to look at the thermometer my eyes water and the tears freeze."

Road Building Plans to Use $147 Million

(Continued From Page One)

lars allotted the state for the fiscal year ending June 30, 1956.

WITH PROVISION

Ziegler reiterated previous statements that he is not opposed to the construction of a Saginaw-Flat Rock toll road "providing such construction can be soundly financed and accomplished without sacrificing the improvement of free highways already planned or being built.

But he said the report of an engineering firm held that the toll road could not be financed unless the department halts construction on "competing" roads.

To agree to halt construction on these roads, Ziegler said, would be "unfair to the three million citizens in the area who are paying gasoline and weight taxes and who are entitled to modern free roads for their money."

Ziegler reported he also expects to complete the "Toledo-North" expressway during the 1956 construction season, a 25-mile dual roadway from Rockwood to US24 near the Ohio line.

Ziegler added two extensions costing 10 million dollars are expected to be completed next summer also. These will connect with Fort Street for a direct route into Detroit through the Detroit River industrial area and the other will connect with US24 and 25 at Sibley Road.

Southfield Woman Waives Examination

Charged with forging $23,000 in checks, Mamie June Smith, 35, of Southfield Township, waived examination in Birmingham Justice Court yesterday and was bound over to Circuit Court Jan. 3.

Justice John J. Gafill returned Miss Smith to jail when she failed to post a $1,000 bond.

The charge was brought when descrepancies were found in the books of a Birmingham contractor's office, where Miss Smith formerly was employed.

Those Kissin' Britons

SAINT-MALO, France (INS) — Officials who have to know about such things said today France has sent 1,713,576 pounds of mistletoe to the British Isles for Christmas through the port of St. Malo. It was 66,000 pounds more than last year's shipment.

Hair Cutting in Snarl

REDFORD (INS) — The South Redford School District will hold a public hearing next month to see whether residents want the school board to continue conducting do-it-yourself hair-cutting classes.

Disaster Strikes Denver Family

Boy Playing With Pistol Accidentally Kills Baby Sister in Crib

DENVER (AP)—It already looked like a cheerless Christmas for Lloyd D. Cook and his wife Louvina yesterday when they set out to buy gifts for their two children.

Cook, 42, a carpenter, last had a job Nov. 14. Bills were mounting, but 11-year-old Grover and blonde Donna Marie, 2, knew nothing of that.

* * *

The parents left their son to baby-sit with his sister and drove off. When they returned less than two hours later, their modest home swarmed with police and neighbors.

An officer whispered to Cook. Mrs. Cook raced toward the house, was held back briefly by three other policemen.

"Where is my baby? What have you done with my baby?" she demanded.

* * *

Someone told the 38-year-old mother her daughter was dead. Grover, playing with his father's pistol, had fired an accidental shot into the youngster's head as she lay in her crib.

His Davy Crockett shirt spotted with blood, Grover had frantically called his aunt, then raced a mile to a doctor's office. He returned home before his parents arrived. Police took him to a parked car and tried to console him.

An officer related the details to Mrs. Cook, sobbing and hysterical. Then she paused in her grief.

"He's just a boy," she cried. "He needs his mother."

Detective Clifford Stanley said the boy would be released to his parents' care.

"It's just an unfortunate accident," said Stanley. "What can you do?"

Ford Stock Sales Ready to Roll

(Continued From Page One)

provided there is enough to go around. If he finds he can't fill all his orders, he will allot his quota.

When all 10,200,000 shares have been sold, the stock will start trading in the over-the-counter market. Since a quick oversubscription is expected, this trading could begin with the same day the shares are sold.

When trading begins, the old economic forces of supply and demand take over. If you want to sell, you'll get whatever price is bid for the shares.

If you want to buy, you'll have to pay the asking price. Whether the price will go up or down when the public offering has been completed, no one can say.

It's expected that around March 1, the shares will be admitted to trading on the New York Stock Exchange. Normally, a stock opens on the "big board" at around the same level it was selling at in the over-the-counter market.

The big question is what the Ford stock is going to cost. Estimates range from $55 to $75 a share. The guess most often heard is around $60.

Examine Pontiac Man on Local Theft Charge

Examined yesterday on a charge of robbery, unarmed, Robert McCallum, 26, of 640 E. Columbia Ave., was bound over to Circuit Court by Municipal Judge Cecil McCallum.

He was placed on $200 bond and will be arranged in the higher court Tuesday.

U.S.-Red China Talks Agree Only on Meetings

GENEVA (AP) — Ambassadors of the United States and Communist China today held the 31st meeting in their five months of secret negotiations here.

As usual, after today's meeting they announced only the date of their next session — Jan. 12, after a Christmas-New Year recess.

Quiet SEC Post Has Hectic Day

Registration of Ford Stock Largest Single Filing on Record

WASHINGTON (AP)—Room 302 of the Securities and Exchange Commission is one of the capital's most unwatched spots. It is in one of those barracks-like shacks the government put up years ago with cheap wallboard and exposed plumbing.

* * *

Here each year 700 to 900 routine registration statements, involving around 12 billion dollars, come to the receiving desk. They get only discreet notices on the financial pages.

But yesterday—

"Biggest fuss we've ever had," Orval DuBois, the commission's secretary said.

FISCAL TIDBITS

Stock in the fabulous empire built by old Henry Ford and his heirs was offered to the public for the first time, and, by law, had to be registered. The registration disclosed such fiscal tidbits as who owns the rest of the stock and how much, where are its profits, and what does it pay its higher priced help.

It was ironic that when the commission reached its biggest news day it didn't have the facilities to handle the story. Room 302 was far too small for the crowd expected. DuBois worked out an arrangement whereby copies would be released at the National Press Club a half mile away.

Francis Reed, senior partner in the New York law firm of Hughes, Hubbard, Blair and Reed, and Robert W. Hefty from the Ford Detroit public relations office had walked into the SEC and unloaded a large pile of papers, handed the receiving clerk, Mrs. Margaret Lamb, a check for $76,500. This meant the stock offering was valued tentatively at 765 million dollars, or quite a few tin Lizzies.

Mrs. Lamb studied the check, and then stamped the first document.

It was exactly 10 a.m.

"Okay, let 'er go," flashed to the newsmen.

* * *

And some of the secrets of one of the world's largest businesses were secrets no longer.

Pontiac Deaths

Mrs. Martha B. Duglay

Service will be held Saturday at 1:30 p.m. in the Sparks-Griffin Chapel for Mrs. Martha B. Duglay of 236 Cherokee Rd. Dr. Milton H. Bank of the Central Methodist Church will officiate.

She died suddenly last night at her home.

Following the service here, Mrs. Duglay will be sent to New London, Mo. for burial.

Mrs. Duglay, a member of Central Methodist Church, and the Clara Swain Circle of her church, had lived in Pontiac 25 years. She is survived by a brother, Harry Bradhear of Minnesota and a niece, Mrs. Sydney Wade of Jefferson City, Mo.

George Haselhuhn

George Haselhuhn, 86, of 422 Midway Ave. died yesterday morning after an illness of 18 months.

He was born in Detroit Oct. 27, 1869, the son of George and Mary Haselhuhn and married Ella Mertz in 1896.

Mr. Haselhuhn attended the Detroit schools. A member of St. Trinity Evangelical Lutheran Church, he came to Pontiac from Rogers City in 1925. He had retired from Wilson Foundry.

Surviving are nine children, Mrs. Elsie Ferell of Auburn Heights, Mrs. Marie Coan of Royal Oak, Mrs. Margaret Del Fose of Big Beaver, Melvin of Pittsburgh, Mrs. Lena Ritzler, Fred, Herman, Harry and Erwin, all of Pontiac.

Two brothers, Henry and Edwin, both of Rogers City, also survive.

Service will be Friday at 1:30 p.m. from the St. Trinity Evangelical Lutheran Church with the Pastor Ralph C. Claus officiating. Burial will be in White Chapel Memorial Cemetery. The body is at the Huntoon Funeral Home.

Diane Warden

Word has been received of the death of Diane Warden, 12 year old daughter of Bert and Jessie Warden of 2446 Francis St., La Crescenta, Calif.

Diane's family lived here for many years before moving to California. Her father had been in the insurance business.

The funeral will be Friday in the Forest Lawn Funeral Home, Glendale, Calif.

Besides her parents, Diane is survived by two sisters, Mrs. Carolyn Dalby of Pontiac and Patty at home; three brothers, Benny Warden with the U. S. Army, John with the U. S. Air Force and Karl of California.

Fishermen caught thousands of sturgeon in Siberian rivers before winter set in. The fish were hung out to dry to provide winter food.

AP Wirephoto

HELD IN CRASH — Frederick Thomas Gill, 29, East Detroit trucker is held in jail in Goshen, Ind., in connection with crash that killed two, and injured the son of Adlai Stevenson.

Curtice Predicts '56 Record Year

GM President Foresees Full Employment; Good Competition in Sales

DETROIT (AP)— Harlow H. Curtice, president of General Motors, today predicted "another year of healthy competition" in the auto industry in 1956.

"This will mean maximum benefits to the customer," Curtice said in a year-end statement.

The statement read:

"1955 was an outstanding year for business in general. It was a record year for the automotive industry.

"I am confident that 1956 will be another year of prosperity for the United States and most of the free world. Among the important reasons for our nation's prosperity in 1955 was the high degree of consumer confidence that existed, coupled with a record level of consumer disposable income. People had money, and they had the confidence to spend it.

"The automobile industry won a record share of this consumer spending because its 1955 products were so outstanding and represented such great values under the conditions of vigorous competition that prevailed. Customers — especially General Motors customers — recognized these values quickly.

Two Receive Jail Terms on Drunk Driving Counts

Two drivers appearing before Municipal Judge Cecil McCallum yesterday were sentenced for driving under the influence of liquor.

Charles E. Stout, 24, of 287 Irwin St., was fined $100 given six days in jail and put on probation for six months. He was also ordered to forfeit his operators license and make restitution for an accident Dec. 3.

Thomas E. Grimsley, 30, of 154 Augusta Ave., was fined $100 and jailed for five days.

Yule Bonuses Voted

CHEBOYGAN (AP) — City Council has voted city employes a Christmas bonus. It averages $20 apiece.

Missionary Bares Terror at Hands of Chinese Reds

CLARK AIR FORCE BASE, P.I. (AP) — "Abominable treatment" at the hands of the Chinese Communists, including torture, was described by American missionary Dr. Homer V. Bradshaw today.

* * *

"They handcuffed me, twisted my wrists and forced me to do strenuous physical exercise," Bradshaw told a press conference.

Bradshaw, 54, and his wife, about the same age, of Pittsburgh, Pa., arrived Wednesday from Hong Kong after five years of imprisonment by the Chinese Reds.

Bradshaw spoke from a wheelchair. He appeared nervous and thin. "I lost about 43 pounds," he said. His wife was not present. U. S. Air Force doctors said "she is still uncertain of her surroundings."

SUFFERS MALNUTRITION

They said Mrs. Bradshaw is suffering more from malnutrition than her husband.

Bradshaw, who spent 27 years in China, said, "It burns me up, the way they treated my wife."

He blamed the Reds for her "mental depression."

* * *

Bradshaw said they were arrested at a hospital home at Linshen in Kwangtung province March 2, 1951, sent to separate prisons and accused of spying and maintaining radio contact with Hong Kong, Manila, Tokyo and the United States.

They were told frequently they would be released, but were transferred to other prisons instead. They spent 264 days in Kukong prison and Jan. 19, 1952, moved to Canton prison No. 1.

Bradshaw said he was tried — "it was a farce" — Oct. 26 this year and convicted of being a counterrevolutionist and sentenced to five years. He said he was asked by the Reds to confess but refused. The sentence took effect the day he was arrested — "I call it kidnap."

TWISTED WRISTS

During his imprisonment he said, "there were irregular periods of questioning and irregular annoyances. I was handcuffed and while two men held me, they twisted my wrists. They forced me to do strenuous physical exercise — despite my poor condition."

Asked about his diet, Bradshaw replied, "Diet, that's certainly a high-falootin' term. It consisted of rice, a little vegetable, meat of some sort, not often," he said.

Asked what fortified his spirit during the ordeal, he replied, "as a missionary, I was in the hand of the Almighty."

He said he served with the U.S. 14th Air Force during World War II in China under Maj. Gen. Claire Chennault.

"The main reason for our treatment was they don't like the American Air Force, especially the 14th," Bradshaw asserted.

Air Force physicians said the couple probably will stay at the base hospital at least two weeks before they are able to fly home.

Mrs. Clarence Booth Succumbs at Age of 83

DETROIT (AP) — Mrs. Clara Coleman Booth, 83, widow of the first treasurer of the Booth Newspapers, Inc., died yesterday at her home in Grosse Pointe Farms. Her husband, who died in 1952, was Clarence H. Booth.

Survivors include a son, George C., and two daughters, Mrs. J. Frazer Whitehead and Miss Frances Booth, all of Detroit.

Funeral service will be held from the home Friday at 2:30 p.m.

The Day in Birmingham

Flooded Rinks May Be Ready for Holiday Use

BIRMINGHAM — Ice skating may be possible for Birmingham youngsters, during the Christmas season, even though construction details are holding up completion of the Eton Park ice rink until mid-January, city officials revealed today.

Last Friday, according to Dana Whitman, assistant city manager, the Forestry and Parks Department began flooding outdoor rinks in Pembroke and St. James Parks, in hopes that ice would be usable during students' Christmas vacation period.

The Recreation Board decided several weeks ago that it would be advisable to operate two or three of the neighborhood rinks this season even though it was anticipated that the new artificial rink would be open. It was believed that the neighborhood rinks would be more attractive to preschool youngsters and also help to somewhat relieve the burden on the new artificial rink facility.

Owen Luckenbach of the firm of O'Dell Hewlett and Luckenbach advised the City Commission last week that it was anticipated that the Eton rink would not be in use until Jan. 16.

Efforts of the city had been aimed, before his report, to push completion so that holiday use could be made of the new rink, according to Whitman.

Superintendent of Parks Charles W. Gale and his forces are attempting to establish a satisfactory rink at Quarton School, but a slight thaw is needed to permit better shaping of the ground for a smooth area.

* * *

A justice court jury yesterday found Howard R. Snyder, 395 Converse, Lake Orion, guilty of driving under the influence of liquor after hearing a state expert on toxicology say Snyder's blood had contained .17 per cent alcohol on the night he was arrested. He was heading north in the southbound lane of Hunter Boulevard.

Dr. Clarence Muhlberger testified on results of an intoximeter test given Snyder here Oct. 28. The .17 per cent alcohol content was above the .15 per cent at which driving ability is normally impaired, said the doctor.

Snyder has appealed to circuit court and was freed on $100 bond, pending a hearing.

* * *

Other justice court cases heard by Justice John J. Gafill resulted in Henry J. Speck, 3016 Prarie, Royal Oak, being given an over-Christmas jail term, after he pleaded guilty to assault and battery, and Gerald Coleman, 1917 Bowers being fined $20 and $5 court costs.

Speck was charged with beating up James Andrews of 6721 Mark Ct., Saturday, near the Birmingham Theater. Coleman pleaded guilty to a drunk and disorderly charge.

* * *

Homeward bound with his loot including two wheels he has admitted taking from a new car he had jacked up on the Harold Turner lot, Clifford J. Brideau, 8086 Harding, Center Line, was arrested in Berkley by two patrolmen on a reckless driving charge.

When they radioed their Berkley headquarters that Brideau's car contained two new wheels complete with tires, and seven hub caps, the Birmingham desk man, Patrolman Arthur D. Birkholz, heard the call. He dispatched patrolmen who found the jacked-up car on Turner's lot and went to Berkley to identify the tires and arrest Brideau for theft.

Mrs. Mabel D. Snyder

Mrs. Mabel D. Snyder, 79, died Wednesday night. She had made her home with her son, Howard V., 330 Cranbrook Crossroad, Bloomfield Village, for several years, coming from South Lyon where she was born and had taught school.

She received her teacher's degree from Central Michigan College. Her husband, Willard M., a retired real estate broker died last year. She belonged to the Eighth Church of Christ Scientist of Detroit and the New Hudson Women's Study Club. She leaves a daughter, Mrs. Gordon Jonas of Ft. Lauderdale, Fla., her son; a granddaughter and one sister, Mrs. Roy J. McCornac of Rochester.

Service will be at 3 p.m. Friday, at Bell Chapel of the William R. Hamilton Co. with burial in White Chapel Cemetery.

Kavanagh Eyes School Knots

Rules Board Has Right to Refuse Tuition Pupils When Overcrowded

LANSING (AP)—Atty. Gen. Thomas M. Kavanagh held today that school boards do not have to admit non-resident tuition pupils to their high schools if they do not want to.

He replied to a question raised by a prosecuting attorney James R. Rood of Midland who reported that two high schools in his county are refusing to accept students from other districts because of overcrowding.

Kavanagh said that school boards have complete discretion in admitting non-resident pupils and that a school board which does not operate a high school has no power to force another school district to accept its pupils on a tuition basis.

"Under present statutes," Kavanagh said, "only pupils resident of a district and of proper age are entitled to educational privileges offered by a school district.

"The Legislature has, apparently, left in the local school board the sound discretion to determine whether in view of all circumstances surrounding the district, the admission of non-residents will be prejudicial to pupils or taxpayers of the district and whether the statutory tuition fees will be sufficiently compensatory."

Pennsylvania Rail Strike Due Tonight

PHILADELPHIA (AP)—The Pennsylvania Railroad and the Transport Workers Union meet today in a last-ditch effort to head off a strike of 22,560 nonoperating employes called for midnight tonight.

The strike, originally set for Sept. 2, was postponed when President Eisenhower appointed a fact-finding board.

The board submitted its report Oct. 28 and under the Railway Labor Act, the union had the right to call its strike 30 days after that date.

The fact finders recommended a welfare plan with the union and the company, the nation's largest railroad, splitting the cost. The union wants the plan to cover the worker's family, not just the employe.

The board also recommended seven paid holidays.

Russian Parliament Sets Extra Session

MOSCOW (AP) — In terse front page statements, Pravda and Izvestia announced today the special session of the Supreme Soviet, the Soviet Union's Parliament, would open Dec. 26. No mention was made that it was a postponement from the previously scheduled opening date, Dec. 23.

* * *

The two publications devoted the remainder of their front pages to the return of Premier Bulganin and Communist party chief Khrushchev yesterday from a month tour of India, Burma and Afghanistan.

Western diplomats here believe the Supreme Soviet is being called into session to hear reports by Bulganin and Khrushchev on their tour, and possibly the session was delayed to give them time to work on their speeches.

Parking Garage OK'd

NEW YORK (AP)—The City Planning Commission has approved construction of a giant underground parking garage in Brooklyn, first of its kind in the city. The $2,961,000 project, approved yesterday, would accommodate 682 automobiles. A 3.1 acre park would be built on its roof in the Brooklyn Civic Center.

To Visit Tokyo School

ANN ARBOR (AP) — George G. Brown, dean of the University of Michigan's College of Engineering, and Prof. Wyeth Allen, chairman of the Department of Industrial and Mechanical Engineering, will visit Tokyo's Waseda University next month. They leave Dec. 30.

Israeli-Syrian Issue Faces U.N.

Security Council Today Studies Arab Contention of Armistice Breach

UNITED NATIONS, N. Y. (AP)—Warned by its Palestine truce chief that more Israeli reprisals could touch off another Holy Land war, the U. N. Security Council turned today to Syrian demands for punitive action against the Jewish nation.

* * *

The council planned to take up the explosive Arab-Israel issue again this afternoon. Before it was a report from the scene by Canadian Maj. Gen. E. L. M. Burns, the truce supervisor, branding Israel's Dec. 11 attack on Syrian gun positions along the Sea of Galilee a "deliberate" armistice violation.

ECONOMIC SANCTIONS

Chief Syrian Delegate Ahmed Shukairy was expected to make a new request that the council apply economic sanctions against Israel and even oust her from the U. N. if necessary to prevent a repetition of the raid.

Israel explained the attack as she has others in the past—that it was made in retaliation for past Syrian attacks and in an effort to prevent future ones. Israeli Ambassador Abba Eban circulated among council members what his government claims are photostatic copies of Syrian army orders to fire on Israeli fishing boats on the Sea of Galilee, along which Jesus Christ spent much of his life.

ISRAEL CLAIMS WATER

A Syrian army spokesman in Damascus denied any such instructions had been issued.

Israel claims all the water area of the inland lake. Syrian territory begins only a few miles back from the northeast shore and commands the eastern part of the inland sea.

* * *

Since Shukairy complained to the council last Friday, Arab delegates have been drumming up a campaign to throw Israel out of the world organization. But there appeared little chance they could muster enough support for such drastic action.

Outside Unions Seek Own Unity

Group Outlines Merger for Non-AFL-CIO Units Numbering 6 Million

ST. LOUIS (AP) — A committee of independent unions has announced agreement on plans to bring into one organization the some six million members not affiliated with the AFL-CIO.

The committee recommended a national unification convention be called next May for a proposed merger of the nations 2,500 independent labor unions.

The recommendation came today after a three-day meeting here sponsored by the 1,800,000-member National Independent Union Council (NICU) and the 450,000-member Confederated Unions of America (CUA). Many other unions, most of them oil workers unions, sent representatives.

During the meeting a panel of 30 independent oil workers unions was organized. A spokesman said a convention is planned for Jan. 20-21 at Baton Rouge, La., to launch a combined effort to obtain higher wages and other benefits for the oil workers, comprising about half the membership of the independent unions.

The unification committee recommended the convention be called to adopt a national constitution and elect national president, executive vice president, secretary and 22 vice presidents.

The exact date and place of the unification convention will be determined Feb. 6 at a legislative conference in Washington, it was announced jointly by Roger Rettig of St. Louis, the NIUC national chairman, and Elmo Rogers of Baton Rouge, La., CUA president.

Rettig said these recommendations would be submitted for consideration and action to all local and national independent unions.

Paper Says Ike Should Not Run

New York Post States in Editorial That Strain Too Much for Heart

NEW YORK (AP)—The New York Post said in an editorial that President Eisenhower should not run for re-election.

It said any man of 65 who has suffered a heart attack "cannot be subjected to the emotional and psychological burdens of the campaign and of the presidency without exposing himself to sudden death."

The Post, which in 1952 supported Adlai Stevenson, Democratic candidate, said it recognized that it would be charged with being "afraid" Eisenhower would win again.

But it declared "the men who are promoting the drive to run him again are doing a disservice to both Ike and the country."

"We think it is time to say in public," said the Post, "what many politicians on both sides are saying privately—that this is a ghoulish effort to use Ike as a political front-man, to prevent full and free airing of the campaign issues and to transform the presidency into a part-time job . . .

The Post editorial concluded:

"As a newspaper which supported Franklin D. Roosevelt in 1944 as in earlier campaigns, let us add that we believe in the light of what is now known that he should not have run in 1944, and that those who encouraged his decision to do so were as wrong as those who are stage-managing the current Eisenhower show."

Roosevelt died early in 1945.

System Collects Data on Missiles Not for Humans

PASADENA, Calif. — An automatic electronic tape-recording system that collects test data on aircraft and guided missiles in flight under conditions in which humans can't survive has been developed by a Pasadena company.

The device performs with less than one per cent error, the company claims.

It works like this: Pressure, temperature, altitude, vibration, and acceleration are measured by tiny sensing devices called transducers that are placed at test points.

These convert the measurements into electrical signals, an amplifier boosts the signals' strength, and they are recorded on magnetic tape.

The Indian Tea Planters Assn. is urging double-track rail facilities between Siliguir, North Bengal, and Dhubi, Assam.

Timmy Cook's Cherished Yule Gift Is 3-Day Visit With Family at Home

Courageous 10-year-old Timmy Cook of Waterford Township, who has spent four months in a hospital recovering from burns and expects to spend months more before he can be released, has only one wish for Christmas.

"Get me home for just one day, so I can see my brothers and sister and my dog Cindy," was Timmy's plea to doctors at Pontiac General Hospital.

Timmy, who almost lost his life Aug. 25 when his clothes caught fire while he was playing, used to think the thing he wanted most in the world was a pony of his own. Naturally slight, he is one boy who wants to stay small so that he can "ride horses and be a jockey."

But the long spell in the hospital changed the lad's sense of values. This week he told doctors, "Christmas at home with mom and dad and the family is better than getting a pony," and wept with joy when he was promised that he could go home for not one but three days.

Meanwhile Timmy's parents, Lloyd and Adelaide Cook of 1070 Lochaven Rd., put aside the worry of mounting bills to plan a festive holiday. Tim's sister Joyce, 16, whose quick thinking saved his life, will be there as well as brothers Bill, 19, and Phillip, 14. And, of course, the baby, Michael, 1, whom Timmy hasn't seen since he went to the hospital, will greet him along with Cindy, the dachshund.

Timmy had been left in the care of his sister, Joyce, when the accident happened. He and another boy were playing in the yard, hollowing out logs to make boats, when they decided to burn the interior of the logs and then scrape away the charred wood.

Suddenly there was a flash and a scream, and Joyce ran out to find her brother in flames. She threw him down and told him to roll on the ground, then dashed in for a rug to smother the fire.

Tim went to the hospital with burns covering more than two-thirds of his body. Both legs were charred from the waist down. He was given blood on an average of twice a week, and so far has had six skin grafting operations with more to come.

His courage has gained him the admiration of nurses and doctors. Now his face and arms have healed without scars, and only one leg is bandaged and in a splint. He is beginning to pick up some of the weight he lost during the painful ordeal.

Timmy still has rough going ahead.

After Christmas he will be taken to Ford Hospital in Detroit where he will undergo an operation to replace burned tendons in his right ankle. Weeks of therapy training in the effort to teach him to walk will follow.

But the courageous youth is not afraid—he's a valiant young jockey who already has won the race against death. He figures he'll take this last hurdle right in his stride.

His parents, too, are cheerful and hopeful. They also have hurdles ahead. Blood for Tim has been furnished by employes at the Warren Alloy Division where his father is a tool and die maker. But hospital insurance for the boy's disability runs out this Friday. And there are mounting doctor and medical bills.

But the Cooks know they'll make their hurdles, too. They have a brave son, a heroine to a daughter, and three other children who are equally as fine. As long as they have that, and Tim is recovering, they can't lose.

Pontiac Press Photo

COURAGE PAYS OFF — Timmy Cook, 10, of Waterford Township, who has refused to cry when burns caused him pain during the past four months at Pontiac General Hospital, wept for joy when told that his bravery rated him a three-day visit home for Christmas. With him is his sister, Joyce, whose prompt action in smothering the flames saved his life. Timmy still has an operation ahead and months of hospitalization. More than two-thirds of his body was burned when his clothing caught fire while he was playing Aug. 25. He is the son of the Lloyd Cooks, 1070 Lochaven Rd.

Choirs, Choirs, Choirs

BELTON, S. C. (AP) — The First Baptist Church here has five choirs. There's the Cherub Choir for 6 to 8 year-olds, the Carol Choir for children from 9 through 12, the Vesper Choir for young people 13 through 17, the regular church choir for anyone over 18, and the Marshall choir, an all-male group.

A-Disposal Studied

WASHINGTON — Nearly $1,000,000 a year is being spent by the Atomic Energy Commission to study the problem of disposal of its discarded radio active equipment and atomic wastes. Most of the wastes are now being stored in costly tank farms. Safer and more economical means of disposal are sought.

Red Paper in Red

TOKYO (AP)—The Japanese Communist party daily newspaper Red Flag today appealed for funds to pay its bills. The newspaper, which recently changed its presentation of news to include stories of general interest, said it owed $33,000 and had $147,000 in subscription fees which had not been paid.

Soviet Trade Offense Gains Force

By WILLIAM L. RYAN
AP Foreign Analyst

The Red bloc's trade offensive against the West is slowly gathering momentum. It is still more a political than an economic weapon, offering more in promise than in performance. But a few more years under the goad of Communist boss Nikita Khrushchev's all-out production program can make it a lively factor in the Cold War.

• • •

The offensive serves the Soviet Union in two ways. It provides the lure of a huge market for trade-hungry non-Communist nations and thus a potential wedge to pry apart free world unity. At the same time it seeks out imports for Red bloc which will permit these countries to continue total concentration on their heavy industry sector with the least possible sacrifice.

The beginning of present phase of the Soviet bloc trade offensive can be dated about early 1954. It was then that, under the leadership of Khrushchev and his allies in Moscow, the Soviet Union turned away from the promise of expanding production of consumer goods—turning the satellite nations away from it at the same time—and reverted to the Stalinist program of "production of the means of production."

The decision was followed immediately by a great flurry of Soviet and Communist activity which sent Red delegations all over the world to seek out bargains and dangle lures. A parade of trade delegations in turn went to the Soviet Union and satellite countries from non-Communist nations.

FRENCH, BRITISH GAIN

The accompanying map provides an analysis of what result this activity has had so far, clearly indicating that the Red bloc is concentrating its trade efforts where they will do communism the most good.

French businessmen, for example, exported 106 per cent more to the Soviet bloc in the first eight months of this year than they did in the comparable period of 1954. West German businessmen exported 59 per cent more and the United Kingdom exported 26 per cent more. Yugoslavia, back in Moscow's good graces, has sent 11 million dollars worth of goods to the Soviet area this year. Last year its exports were zero.

While these key countries were increasing their eastern exports, the Soviet bloc's imports from several other European nations fell off.

10 PER CENT HIKE

Although the percentages—both up and down—look large, that is principally because the starting amounts were low. In the 1954 periods the total exports to the Communist area were 550 million dollars. In the 1955 periods, the total exports rose to $609,700,000, an increase of 10 per cent. While the over-all increase was relatively minor, its realignment was considerable.

If these results are examined against the political background, they take on special significance. In advance of the creation of the "Geneva spirit," world Communists were told they were entering a period in which they would be required to woo the "bourgeoisie," the upper middle class business elements in Western countries, and attract it toward the Soviet peace drive by playing on its eagerness to find new markets. The figures seem to indicate they are succeeding.

In early 1955 Western estimates placed the share of the Red bloc including Red China, in world trade at 10 per cent, showing that there is still a heavy concentration of trade among the Red states themselves. But the heavy industry programs and programs of industrialized agriculture are aimed at breaking such logjams eventually. One of the most significant measures in this respect was the Soviet decision to throw open 75 million acres of virgin land in Central Asia and Siberia for intensive cultivation.

Such programs are intended not only to make the Red bloc self-sufficient in the shortest possible time, but to provide the goods that will be ammunition in the rising trade offensive throughout the world. It appears to be part of the long-term Communist plan to make the capitalist world's own "contradictions" work against itself.

Colds Most Expensive

CHICAGO—The common cold is America's most expensive ailment. The 500,000,000 colds caught annually cost the United States an estimated five billion dollars in lost wages, lost production, and medical expenses.

Record Budget Offered

PETOSKEY (AP) — The Board of Estimates has submitted a record $321,385 proposed budget for 1957. The figure is $46,295 higher than the 1956 budget. The Petoskey city charter requires that the budget be submitted a year in advance.

Raises Put Into Effect

GRAND RAPIDS (AP) — The City Commission Tuesday played Santa Claus to 1,100 city employes by giving immediate effect to $361,000 in annual pay raises. The raises will be included in pay vouchers to be distributed after Jan. 1.

MEMBER OF AUDIT BUREAU OF CIRCULATIONS

THURSDAY, DECEMBER 22, 1955

Parking Lot Tax Boost Is Denied by Willman

City Manager Willman rightly has refuted charges that proposed new municipal parking lots will result in an increase in Pontiac taxes.

These charges have been spread in connection with the circulation of petitions for a referendum on the issue.

★ ★ ★

City Commissioner Dugan had complained about the manner in which a group was seeking signatures on these petitions. He said some persons had been told that their taxes would go up if the new parking lots were constructed.

Sam L. Stolorow, spokesman for the group seeking the referendum, insists that the charge about higher taxes is true.

★ ★ ★

City Manager Willman, however, maintains that the new parking lot ordinance makes such an increase in City taxes impossible. As he points out, the ordinance reads:

"The principal of and interest on said bonds" (which are financing the new lots) "shall be payable solely from the net revenues derived from the operation of the system, including future improvement, enlargements and extensions thereof."

Certainly this Christmas season has been a perfect example of the desperate need for added municipal parking spaces. The need exists beyond any doubt that the citizens of Pontiac are entitled to additional lots for their convenience in shopping.

More U.S. Surplus Food to Go to Hungry Areas

One of the most heartwarming stories of the Yuletide season comes from our Federal Department of Agriculture.

It has announced that it will release more surplus food for distribution overseas by American church and welfare agencies. The announcement is additionally timely because food supplies previously made available, mostly dairy products, had become exhausted.

★ ★ ★

The surplus foods now to be released will include wheat, rice, corn and dried beans. These items are especially suited to the diet of Asians. Because products previously made available did not meet the dietary needs of many, distribution had to be limited to certain areas.

As has been the case previously, distribution of this surplus grain will be handled by several church and welfare organizations. Among these are the National Council of Churches, Catholic Relief Services, American Friends Service, Hadassah, International Rescue Committee and CARE.

★ ★ ★

This program obviously can't do much toward reducing our mountains of surplus grains. But it can do a lot to combat hunger among needy peoples of many lands.

Attlee's Successor

The political and economic views of Hugh Gaitskell, who has succeeded Clement Attlee as leader of Britain's Labor Party, aren't familiar to many in this country.

Enough is known about them, however, for the new leader to be recognized as a political moderate of the left. Actually his views would be highly unpopular in this country.

★ ★ ★

In some quarters he is considered to be overfond of economic controls. On the other hand he never is accused of blind belief in the welfare state. He is much too sound an economist to fall into that error.

Young, he is only 49, and a product of Britain's best schools, Gaitskell is a man of cultivation, charm and distinction. Like Lord Halifax and Sir Winston Churchill, he has genuine respect and liking for Americans. In fact he has made many friends during several visits in this country.

★ ★ ★

We Americans have good reason for satisfaction with the vote which made Hugh Gaitskell the successor of Attlee. We also can hope that he will exert the same sensible party control as his predecessor for in the event of a Labor Party victory in national elections, he would be Britain's new prime minister.

A Rolling Home Gathers no Taxes

A news magazine calls attention to one man who has just fitted out a rolling home in the form of a private railroad car.

It has three bedrooms, a 23 foot brass railed observation room with fireplace, and a Turkish bath; cost $125,000.

It is remarkable the lengths to which some men will go to avoid screening in a porch.

The Man About Town

Cubbing Popular

Big 1955 Enrollment in This Branch of Scouting

Newspaper: An object used by men so they cannot see a woman standing up in a bus.

During 1955 the Cub Scout movement surely has gone over great guns in the local Clinton Valley Council of the Boy Scouts. According to

Executive Secretary Edward H. Leland,

over 1,500 cubs have been added to the council's roster during the year. This brings the cub enrollment here to a larger figure than that of the regular scouts. Since the cubs graduate into scouts, it means that the council membership surely will top the 10,000 mark in the not too distant future.

The envelope containing the files of the late

Governor Moses Wisner,

in the Pontiac Probate office has statements about the meals for himself and servant when he was in the Civil War, about buying horses for the cavalry, and other incidents of the times. He built the present home on Oakland Ave. in 1847, was Michigan's governor in 1859-1860, and declined to run again for the office so he could organize the local troops for the Civil War.

Several people whose birthdays are on Christmas day have called up, with the same sentiments as

Mamie Townsend

of Union Lake, who feels doubly fortunate, as she always gets double gifts. They also quite agree with

Mrs. Henrietta Ludermann

of Auburn Heights, who says it is the most highly honored day of the year to be born upon.

A pair of woodchucks dug a hole last fall that wound up in the cellar of

Michael Donohue

on Walton Boulevard. Now they've gone into hiberation in the cellar.

There's something to think about in a letter just received from

Perry Everts

of Flint, in which he says: "While the matter is being chewed over by

George N. Higgins

for the Michigan Turnpike Authority, and

Charles M. Ziegler,

State Highway Commissioner, our desperate highway situation is rapidly getting no better."

Since his master returned from deer hunting, the dog of

Pete Langley

of Rochester has been living on venison scraps. Now they're all gone, and he refuses to eat any other meat.

A phone call from

Mrs. Barlum Swayze

of Pontiac Lake reports that she saw a large flock of wild geese flying north Friday. She wonders if they're mixed in their directions or seasons.

Verbal Orchids to—

Mrs. Anna Zimmerman

of 180 Bagley St., eighty-second birthday.

Mrs. Fidelia Kessell

of Oxford; eighty-ninth birthday.

Return of the Exile

David Lawrence Says:

Soviet Assistance Overtures Force U.S. to Increase Foreign Aid Appropriations

WASHINGTON—To put into perspective the "foreign aid" issue—whether the United States should spend between four and five billion dollars a year for the benefit of dozens of countries in the world—much more information will have to be provided to the American people than they have at present.

* * *

As for "spending" proclivities, the Democrats started it all with the Marshall Plan under the Truman Administration, and it would be inconsistent for them to accuse the Eisenhower administration of extravagance when the latter merely continues what a Democratic predecessor began.

So far as the American public is concerned, it never has been fully persuaded that foreign aid is a good thing. Only when top officials begin to point out that economic and military aid is essential as a means of building American defenses throughout the world and avoiding a war does the subject become palatable at all to the voters in this country.

Four billion dollars a year is a lot of money in terms of what the American people could do with such a sum. It is twice what is spent to help agriculture. It is many times what is spent on highways by the federal government. It is far more than the total spent each year for the operations of all the civilian or nondefense agencies and departments of the government. As for tax relief, four billion dollars would go a long way toward giving taxpayers quite a break.

FIGHTS RED IMPERIALISM

But the answer usually made to all these points is that, if America is plunged into another world war, controls would become necessary, excess-profits taxes would be reenacted and many domestic programs would go by the boards.

Basically, the purpose of foreign aid granted by the United States is to fight the influence of Communist imperialism in all parts of the world. Moscow and Peiping have been trying recently to extend their influence into India and Southeast Asia, the Middle East and North Africa, by promising economic aid. It is being assumed in the Western countries that a kind of "competition" is in progress and that the United States must pay the bill for the contributions made by the West to win over so-called "neutral" countries.

What's happening, of course, is that the West is being played off against the East. The Russians are making a few contributions here and there — just enough to give the impression that they will step in and compete with America. Actually, such a competition is more theoretical than real. For the Russians do not have the resources in commodities or the billions of ready cash to compete with the West, and it would not be surprising if part of the Kremlin strategy is to encourage the West to extend itself with commitments in every direction.

A HUGE SUBSIDY

What Congress now will have to determine is to what extent the whole program is achieving the objectives sought and also whether the curtailment of spending would have any adverse effect on the over-all trade picture.

Much of the money spent abroad creates dollar exchange with which to enable foreign countries to buy goods from other countries, including the United States. In an economic sense, the whole foreign-aid program is a huge subsidy operating as a stabilizing influence in the many-sided trade relationships of several countries in the world.

While America is prosperous at the moment, it is a matter of grave concern whether the world as a whole would be able to get along, economically speaking, without the billions being spent by the United States. An economic crash might ensue if aid were terminated abruptly.

* * *

So the problem is how to cut it down and be sure the other countries have learned how to pull themselves up by the bootstraps they will have been furnished through the current programs. It is perhaps the most complicated issue that any administration in Washington has ever faced.

Daily Constitutional Good for Muscles and Posture

By WILLIAM BRADY, M.D.

The national hurry-up bait, the availablitiy of transportation, the sheer boredom of constantly watching and dodging traffic and the peril if you don't all combine to discourage most dwellers in towns from walking for health, even if they have the time and the inclination.

I'm afraid a lot of people who should and could take a constitutional every day take an aspirin, a highball or a barbiturate instead, or maybe all three.

There is no other general exercise quite so good as a daily walk, not a stroll, but a brisk walk of any distance from half a mile a day to five or six miles a day, which takes two hours or less.

A brisk walk doesn't mean parade drill, stiff posturing or goose-stepping. It means just stepping along at moderate pace. Brisk walking tends to tone all the muscles, and particularly the muscles in the legs.

Slow walking, prolonged standing or slouching in the posture of fatigue is not so good. It seems to impair muscle tone.

Muscle tone is not brawny muscle development, but just firmness and elasticity of the resting muscle.

Thus good muscle tone in the legs, acquired and maintained by daily walking, is the ideal elastic stocking for persons with swollen, prominent or distended (varicose) veins and for persons whose feet and ankles swell toward the end of the day even though no veins are visibly distended.

SAD MISTAKE

It is a sad mistake to use an elastic stocking or bandage in the early stage of varicose veins in the leg without first securing the benefit of daily walking or other special exercises described in the pamphlet on varicose veins.

Either bandage or stocking should begin on the instep at base of the toes and extend up to the small of the leg just below the knee.

Such bandage or stocking should fit snugly but not uncomfortably tight.

A familiar woven bandage whose elasticity is like that of stockinet, satisfactory for many purposes, is unsatisfactory for varicose veins. The bandage or stocking must be rubber elastic.

Incidentally, both hemorrhoids and varicocele are fundamentally varicose veins and they respond to the same general hygiene or treatment as do varicosities in the legs.

Varicocele, however, rarely give any trouble or requires any treatment, unless the unenlightened young man falls into the hands of a charlatan.

Send 35 cents and stamped, self-addressed envelope for Little Lesson 16, The 7 Keys to Vite and the pamphlets Varicose Veins and V. Ulcer, and You Need Not Have Piles.

Signed letters, not more than one page or 100 words long, pertaining to personal health and hygiene, not to disease, diagnosis, or treatment, will be answered by Dr. William Brady, if a stamped self-addressed envelope is sent to the Pontiac Press, Pontiac, Michigan.

(Copyright 1955)

Voice of the People

High School Seniors Reply to Charges Against Teens

Letters will be condensed when necessary because of lack of space. Full name, address and telephone number of the writer must accompany letters but these will no be published if the writer so requests unless the letter is critical in its nature

In response to the letter published last Thursday concerning the teenagers' attitude toward old age, here is the collective opinion of a class of 63 teenagers.

Although many members of the class remarked that they personally never witnessed such disrespectful actions, it was agreed that if complaints are being made, the offense must be taking place, and that it should definitely be corrected.

It is a shame that some older people are subject to such insults, but please for the sake of us teenagers who are next to adulthood, don't classify these few rude mortals as teenagers. They are immature children no matter how old they might be.

Speaking of verbal persecution, I think the table can also be turned. Take this letter for a perfect example. How do you think we teenagers, who are among the 97 per cent never guilty of any delinquency, feel when we are accused of causing suicides, insanity, prisoners and taxes?

How many teenagers do you know, and how many of them would you consider delinquents?

The reference made to mob psychology and letting the lower brain rule can also be applied to adult behavior. Take the recent actions of women concerning the traffic situations on one of our state highways.

Maybe the ulterior motive was right, but this utter disregard for authority was displayed under the keen observance of many children. Why shouldn't they be allowed to act against laws when their parents can do so?

To sum it all up, we want to say that we don't mean to be critical, but every age group has its faults, and we feel that according to percentages our three per cent of delinquents have been definitely overstressed.

High School Seniors

Makes Government Unstable

French Politicians Find Strong Men Worrisome

By CARL HARTMAN

PARIS (AP)—Ever since Napoleon, the French politician has been worried when he saw a strong personality emerging. The impulse of the French legislator is to slap down any rising star who seems to be getting a majority of the country behind him. That is one reason cabinets change so frequently.

* * *

"It's about time we got rid of him," the National Assembly says about a premier — usually after six months. "He may be getting to think he's somebody."

Now Premier Edgar Faure — running for re-election — insists something has to be done about the two-cabinets-a-year system.

"It makes a spectacle of us before the world," he says.

* * *

He specializes in compromises, a necessary talent in French political life — there are so many parties that all cabinets must be coalitions of differing groups. But he might find himself in a position to push some fairly uncompromising policies if — as he obviously hopes — he gets a chance to keep the job.

That depends on the strength his right-of-center coalition can show in the Jan. 2 elections.

* * *

Much less of a compromiser is his chief rival for leadership, former Premier Pierre Mendes-France, who heads a left-of-center group. Mendes-France is the kind of candidate who goes into his own district and argues his case against home distilling of alcohol before audiences of Normandy farmers who scarcely take a cup of coffee without adding a tot of their own applejack.

* * *

It would take a good deal of imagination to see Foreign Minister Antoine Pinay as a strongman. He is a soft-spoken but strong-minded businessman who wears his Homburg like Charlie Ruggles used to in the movies. Pinay was popular with conservative Frenchmen.

There was some doubt of his ability to cope with foreign affairs when Faure appointed him minister but he went after the job with thoroughness and tenacity and became Faure's right-hand man.

* * *

The most colorful, and to some Frenchmen the most worrisome, figure in the current campaign is a rabble-rousing, small-town bookseller from the poor regions of central France. Pierre Poujade doesn't seek a seat himself, and when you hear the names he calls the members of the out-going National Assembly, it's not surprising. "Pirates," "small-time cheats," "rotters" are some of the printable ones.

* * *

Poujade's opponents call him a Fascist, a charge he disputes by showing that he served in the French underground army against the Nazis.

* * *

Though his parties will probably get no more than a dozen seats or so in the 627-seat National Assembly, he may draw enough votes in other districts to change the results significantly.

Case Records of a Psychologist

Fathers Sometimes Make Mistake of Thinking Dollars Replace Daddies

Dads, do you know the one gift which your children prize most? Read the answer below. And every good Dad can offer it to his youngsters. Never postpone this gift, for it is of maximum value while a child is under 12 years of age. And never imagine that $$$$ can supplant Daddy.

By DR. GEORGE W. CRANE

Case Q-328: Harry B., aged 36, is the father of four children.

"Dr. Crane, my youngsters range from 4 to 11 years," Harry said. "Two are girls and two are boys.

* * *

"We don't have very much money to spend on luxuries, so when we buy them gifts, what would you psychologists recommend?"

THE BEST GIFTS

Give them some of your time regularly, for this gift is unexcelled.

Before the Christmas holidays a few seasons ago, four Chicagoans were riding north on an evening commuter train.

They lived in the wealthier suburbs, and each man had a son. One of them boasted that he was offering his boy a new bicycle.

Another bragged about ice skates and other winter sports equipment. The third topped their claim by saying he was getting a Shetland pony for his son.

The fourth father sat silent, so these three finally turned to him and inquired what he was offering his youngster.

* * *

Whereupon he took an envelope from his inside coat pocket and let them read:

"I hereby pledge to give you one full day of my time every month for the next year, either for sports or attendance at ball games, picnics or whatever you like. (Signed) Dad."

And the three boasting fathers were immediately indicted by their own consciences, for they were well educated men and instantly knew he had far excelled everything they had purchased.

For children need camaraderie and play time with Daddy as well as Mother.

* * *

Many shy, sheltered tots are debarred from group games in school

because their Daddies never took time to teach them how to bat a ball or catch a fly.

"Oh, . . . don't want Jimmy on our team," Jimmy's tactless playmates may rudely assert when picking rival ball teams, "'cause he's just a 'butterfingers' and can't catch a ball."

"But, Dr. Crane, how can I ever learn to catch," Jimmy may tragically inquire.

"For I have no brothers to pitch to me and Daddy is always too busy."

Well, Dads, even a Shetland pony can't make up for your personal play time with your kids.

That's doubly true until they reach the age of 12 and turn to their Scouts or Camp Fire Girl organizations.

EDUCATIONAL GAMES

Next to giving yourself regularly for play time, comes the act of giving your children a good example.

Children learn by imitation. Daddy is their great hero, even though he often has feet of clay.

* * *

So at least try to avoid smoking, drinking, cursing, gambling and violating your marriage vows before them. Set positive examples of good conduct.

As for purchasable games, select mechanical sets, dominoes, scrabble, monopoly, athletic equipment and such fascinating books as Classics Illustrated, which present the great novels of English literature in the colorful and dramatic comic book format.

Then play with your children till they become adept in the games and sports of their crowd. Never imagine that $$$$ can supplant Daddy.

And as a helpful little gift for yourself, send for the 200-Point "Tests for Good Parents," enclosing a stamped return envelope, plus 20c. You can even let your children score you on these rating scales.

Always write to Dr. George W. Crane in care of The Pontiac Press, Pontiac, Michigan, enclosing a long 3c stamped, self-addressed envelope and 20c to cover typing and printing costs when you send for his psychological charts and pamphlets.

(Copyright 1955)

Fishermen Get Warning About Their Equipment

Waterford Township Police Chief Frank VanAtta today warned ice fishermen to take their equipment home with them when they lock up their ice shanties for the day.

"Every year we have several larcenies of equipment left in the shanties," Chief VanAtta said. "Fishermen can save themselves money by not leaving it in such accessible places."

Christmas Tree Cost Too Much?

Then Learn the Story Behind the 'High Price' Your Dealer Asks

MARQUETTE (AP)—If you've ever wondered how a 75-cent Christmas tree grows into a $5 one between farm and living room, Upper Peninsula growers can tell you.

* * *

It comes from the "spread of markup" that takes in farmer, trucker, shipper, wholesaler and the man on the corner who finally takes your money.

Another point the buyer may not know—growing Christmas trees is a big business. Michigan uses 1,350,000 Christmas trees each year; 300,000 from the Upper Peninsula, of which 250,000 are sold in lower Michigan cities.

Christmas trees are "wild" and "tame." "Wild" trees in many cases are harvested by farmers from their own land and sold to distributors. Other operators have commercial farms for "tame" trees.

STUMPAGE COST

In winter and summer months the tree raiser spends time pruning and trimming his stock so trees will get sunlight to develop; shearing is used to thicken trees. Cutting starts the first of December.

The price markup base is a "stumpage" price varying from 35 cents to 70 cents. The tree standing in the woods. An additional 10 to 20 cents is charged by the farmer if h ecuts eand hauls it to his farmyard or roadside.

Weather also affects prices. The deep snow this year jumped for "cut" trees price to around $1 and up.

WHOLESALE PRICES

At market, counting transportation at 25 cents th ewholesaler then asks $1.25 and $1.50 a tree.

When the retail buyer pulls out his wallet, he'll pay—for a five to seven-foot tree—an average of $3 for Scotch pine; $2.90 for balsam fir; $1.85 for black spruce; $2.75 for white spruce and $2.40 for red pine. The luxuriant Douglas fir, shipped in from western states, costs from $15 to $30.

The customer who camplains that the markup is too big is reminded by the tree seller of this cold fact: There's no inventory that drops so fast in price as Christmas trees on Dec. 26.

Still Going Strong at 99

COLDWATER (AP)—Relatives will sing "Happy 99th Birthday to You" to William Reynolds, retired farmer, on Friday. Still active although his sight and hearing are falling, Reynolds explains his long life by saying "God was kind to me."

Arrows again were shot from the walls of Saltwood Castle, near Folkstone, England, during an exhibit staged by members of a local archery club.

STAMP FOR BEN — This stamp will be issued Jan. 17 to mark the 250th birthday of Benjamin Franklin. Going on sale in Philadelphia, Pa., the stamp features a reproduction of a painting entitled, "Franklin Taking Electricity From the Sky," by Benjamin West.

Small Turkey Prices Down From Thanksgiving Costs

By THE ASSOCIATED PRESS

Housewives buying meat for this weekend's holiday meals will find a mixture of "ups" and "downs" in prices in many of the nation's food stores.

* * *

Pork and veal, which had been heading lower in recent weeks, reversed their trend in many cities as the onslaught of frigid temperatures tightened the wholesale market. One of the big food chains is marking up center cut pork chops by four to 10 cents a pound, and is raising veal chops around four cents.

There's encouraging news for housewives who still have not purchased turkeys or chickens for holidays. Turkeys are in excellent supply and generally are priced at the same or lower levels than at Thanksgiving time. In some communities, the small turkey, eight to 16 pounds, are three cents a pound or so below the Thanksgiving price. Frying chickens are down about four cents a pound from last week.

Some food stores also are featuring holiday hams and rib roasts. Price tags on rib roasts and leg of lamb have been slashed by six to 10 cents a pound in a few sections, but remain unchanged over much of the country.

MANY BARGAINS

Eggs are generally higher this week. One chain says its prices are up from two to seven cents a dozen over much of the Eastern half of the continent.

There's a wide assortment of bargains this week in produce. The Department of Agriculture has singled out potatoes, onions' turnips and parsnips as outstanding vegetable buys. Listed as good buys are pascal celery, corn, peppers, iceberg lettuce, sweet potatoes, cabbage, egg plant and spinach.

At the fruit stand, good buys include oranges, grapefruit, tangerines, apples and Emperor grapes.

* * *

The Agriculture Department points out that production of grapefruit this year will run more than 45 million boxes, seven per cent over last year. It says the big crop is depressing the price below levels of recent years.

'Porgy and Bess' Troupe Arrives in Soviet Union

LONDON (AP)—Moscow radio announced today the American "Porgy and Bess" troupe arrived in the Soviet Union by train from Berlin for a series of performances.

The troupe from New York will begin its Russian tour Dec. 26 in Leningrad.

It will be the first time since the Bolshevik Revolution that an American theatrical troupe has played on a Soviet stage.

Princess Narriman Thrills the Riviera

CANNES — Staying at the smartest hotel on the Riviera, Narriman Sadek has been cutting a dash and living like the queen she once was.

While she danced, rumors gained be reunited, and this, according to Andre Chardonnens, Narriman's 29-year-old secretary and confidante, would be much to the exqueen's liking.

Narriman was only 19 when she left Farouk two years ago, and it was all her mother's doing, she has been quoted as saying. Now she feels it was a stupid mistake. But the first move must come from Farouk.

Fire Fighter Dies in Refinery Blaze

Others Injured as Blast Rocks Warren, Penna. Petroleum Firm

WARREN, Pa. (AP)—A fire fighter was killed and four or five others injured today by an explosion during a fire at the United Oil Refining Co. plant.

• • •

The blast, about an hour after the fire was discovered at 3:40 a.m., knocked down a low wall at the filter house of the refinery. The men fighting the blaze were showered with bricks and other debris.

Police and company officials said shortly before 5:30 a.m. that the blaze was under control.

• • •

The fire was centered in the filter house where lubricating oils receive part of their final processing.

A company official said only two men were at work in that part of the plant when one of them discovered the fire and both made their way to safety without difficulty.

Firemen from Warren, 46 miles southeast of Erie, Pa., were summoned to help plant employes fight the fire.

• • •

The names of casualties were not immediately available.

A spectacular blaze seven weeks ago caused extensive damage to a United unit about a mile distant.

Dinner Planned for February by Guidance Group

Plans for the dinner meeting of the Oakland Child Guidance Clinic were announced yesterday at the regular monthly meeting, held at the Clinic, 113 Franklin Blvd.

Time and place set for the dinner are Feb. 14 in the Birmingham Community House, according to Dr. Robert J. Mason, chairman of the board of directors.

Speaker for the occasion will be Clyde Simson, M. D., who will head the children's division of the new Lafayette Clinic in Detroit. The general public is invited to attend.

Committee chairman for the dinner is Mrs. Edwin V. Clarke.

Actor Forsythe's Son Makes Broadway Bow

NEW YORK (AP)—The 12-year-old son of stage actor John Forsythe made his Broadway debut last night in "Teahouse of the August Moon," the play in which his father starred for two years.

Dall Forsythe took over one of the juvenile walk-on parts when another youngster became ill. He's expected to perform for about a week.

The elder Forsythe is now in Paris making a movie.

Car Kills Pedestrian on Port Huron Street

PORT HURON (AP) — Allen L. Cuthbertson, 62, of Brights Grove, Ont., was killed last night when hit by a car while crossing a street in downtown Port Huron.

Police said he walked from between two parked cars into the path of a car driven by Edward J. Evenson, 22, of Port Huron. Evenson was not held.

Fog recently caused Durban, South Africa, to declare a state of emergency.

Japanese Wife Arrives for Reunion

GI Mate Missing in Rockies

SEATTLE (INS)—A young Japanese mother and her three small children, stranded in Seattle, faced a bleak Christmas today in a strange land — victims of an incisive stroke of fate.

• • •

Only a few hours earlier, Mrs. Teruko Horan, 25, the wife of Army Sgt. John M. Horan, also 25, of Maynard, Mass., had looked forward to a happy reunion with her husband.

Instead she received word that Horan was missing in the bleak, snow-covered wastes of central Washington, where three groups are pressing a needle-in-the-haystack search for him.

Horan parachuted Sunday from an Air Force cargo plane in which he had hitchhiked a ride to meet his wife and family when they arrived in Seattle on an Army troop transport ship from their homeland.

The paratrooper bailed out of the plane on orders of the pilot when the aircraft began to spin earthward in a violent snowstorm.

PLANE LANDS

Two copilots were about to follow the sergeant from the plane when Maj. Glen Pebles, the pilot, righted the craft and brought it safely to Larson Air Force Base at Moses Lake, Wash.

Horan wore only his GI uniform and a light field jacket under his parachute. He had no food or other survival equipment with him.

Kittitas County Sheriff Robert Dorsey said 20 men and a weasel, a military snow vehicle, are engaged in what so far has been a fruitless search for any trace of the sergeant.

It has been snowing steadily in the area, known as Teanaway Ridge, where the missing man presumably landed. Temperatures fell as low as 15 degrees the night he jumped.

Mrs. Horan sobbed when Commander P. R. Elliott, chaplain for the Military Sea Transport Service in Seattle, met her on shipboard.

Their two children, Michael, 15 months, and Lorraine, 4 months, are too young to realize what had happened. Kenneth, 6, attempted to comfort his mother.

Mrs. Horan wants to continue her journey to her husband's parents home in Massachusetts. She told Red Cross Field Director Sheldon Bergeson at Fort Lawton that she wants to fly there as soon as possible, as she and her husband had planned. Whether the family can reach the east by Christmas is problematical, with airlines jammed with holiday travelers.

• • •

Sheriff Dorsey said two more weasels and 50 more men are due to join the search today, but added:

"We can't really check the country thoroughly because it's too rough. And we can't search by air because of the snow.

"We live in hope, but as time goes on the snow gets deeper and hope gets dimmer."

Husband Confesses to Strangling Spouse

LINCOLN, Neb. (AP)—A young husband's signed story that he strangled his wife because she refused his advances and then set a rape scene to throw authorities off his trail has solved the slaying of 22-year-old Mrs. Nancy Parker of Lincoln.

• • •

Details of the confession by Lincoln City Forester Darrel F. Parker were announced early today by Lancaster County Atty. Elmer Scheele.

Mrs. Parker's partially clad body was found in a bed at her home here Dec. 14. She had been strangled with twine, gagged and trussed.

• • •

Her 24-year-old husband had told authorities she was alive when he went to work in the morning and that he found her dead when he went home for lunch at noon after decorating a state capital rotunda Christmas tree.

Melvindale City Hall Rocked by Explosion

DETROIT (AP) — Several doors were knocked off and walls cracked in spots by an explosion which rocked the suburban Melvindale City Hall last night while the city council was in session. No one was injured.

Police Chief George Dragos said the explosion apparently was caused from an accumulation of gas in the basement.

About 30 persons were in the $150,000 building which houses city offices and the police department when the explosion happened.

5 UM Faculty Men to Attend Meeting

ANN ARBOR (AP) — Five University of Michigan faculty men will present scientific papers next week at the 122nd meeting of the American Assn. for the Advancement of Science, Atlanta, Ga.

Anatol Rapoport of the university's Mental Health Research Institute will discuss "The Introphy Concept in Information Theory."

Prof. Lloyd E. Brownell, university chemical and metallurgical engineer, will speak on radiation facilities to process food commercially. The paper was co-authored by research associate John U. Nehemias.

Other talks will be given by Dr. Merle Lawrence of the institute of industrial health and Zoologist Robert D. Allen.

Cleland B. Wylie, editor of the university's information and news service, will participate in a panel discussion on the Salk vaccine announcement last April 12. The panel will be held before the National Assn. of Science Writers.

Skunks brought into close proximity to man at an early age rarely exhibit belligerence later, except occasionally to strangers, says the National Geographic Society.

3 Persons Killed in Flint Wreck

Auto Mishap on U.S. 10 Caused by Stalled Car in Middle of Highway

FLINT (AP)—Two men and a youth were killed last night in a two-car collision on busy U.S. 10 when one of the men started a U-turn to go back and give a stalled car a push.

Killed were James R. Bell, 49, driver of one car; James E. Johnson, 21, the second driver, and J. H. Mayberry, 17, all of Flint.

Three young folk riding with Johnson and Mayberry were injured. They were James Leon Burgess, 17; Mary Jo Burgess, 16, and Jerry Burgess, 10, all of Flint.

Policeman Robert Dakin said Johnson attempted to make a U-turn in U.S. 10 (Dort highway) near the northern city limits to return and give a push to a stalled car along the highway.

Dakin said Johnson's own car stalled in the middle of his turn and that he was hit broadside by Bell.

None of the injured three Burgesses was considered in critical condition.

UM Research Group Receives Study Grant

ANN ARBOR (AP) — Human relations researchers at the University of Michigan have received a $16,675 grant to study the motivations of a scientist.

* * *

The grant, made by the Foundation for Research on Human Behaviour, will support a year's study by the university's survey research center.

Some of the questions that may be answered by the study are:

Is the scientist working at the challenge of his field or is he working toward the goals of the institution with which he's connected?

Does he try to get results by his own efforts or by stimulating and guiding others?

Is he concerned with knowledge for its own sake or for the social recognition that may follow?

* * *

At least 13 business concerns contribute to the foundation to make the research possible.

Drone Plane Designed for Aerial Photography

VAN NUYS, Calif. (AP)—A tiny, radio-controlled photo plane to take aerial survey photos of enemy positions for front-line commanders has been developed by a subsidiary firm of Northrop Aircraft, Inc.

The 12-foot drone is controled from the ground by radio wave and has a top speed of 227 miles an hour. A parachute system permits recovery intact.

Radioplane Co. said it designed the plane for short-range reconnaissance, but a higher speed and longer range can be provided.

Singer Seeks Divorce, Blames Mate for Ulcer

LOS ANGELES (AP)—Singer Toni Carroll, 26, wants to end her two-year marriage to television executive David L. Wolper, 29, blaming him for her ulcer.

She filed suit for divorce yesterday charging Wolper insulted and humiliated her before her friends.

"I lost confidence in myself," the singer said. "I began to stutter and developed an ulcer."

Now for Christmas

NEW ZENITH 80-X

4 TRANSISTOR HEARING AID ONLY $50 COMPLETE

TODAY'S ASSIGNMENT FOR:

JUNIOR EDITORS

Cut out this figure and save until you have all cutouts to make your creche

THE NATIVITY—4
JOSEPH

This is Joseph, the fourth figure for your Christmas crib, or creche. He was a humble man, a carpenter, so his clothing is plain.

Color the picture, paste it on cardboard and cut it out. He wears a dark mantle over a gray robe. But his sash is gay in color—you can make it red or green. And the straw peeping out from under his robe is yellow.

The center of the base folds forward, the outer ends fold back to make it stand. Add this picture to the three figures you have already saved.

One of our best-loved Christmas songs tells us:

Oh, come all ye faithful, joyful and triumphant,
Oh, come ye, oh come ye to Bethlehem:
Come and behold Him, born the King of Angels,
Oh come let us adore Him, Christ the Lord.

TOMORROW: Mother Mary

One Joins Scouts, Cub Pack Gains 19

Cub Scouts of Pack 66 at LeBaron School saw their first graduate receive his certificate to Boy Scout eligibility at Tuesday night's meeting and also watched 19 new members get their first Bobcat awards. A number of gold and silver arrows, as well as Wolf, Bear and Lion badges, were presented Cubs at the court of awards, which included inspection for a new charter.

Graduation certificate went to Bobby Tallon. Proud recipients of Bobcat badges were John Farstvedt, Ronald Hoadley, James Jarrard, Lynn Pierson, Larry Sherfield, Michael Tebeau, Terry Weir, Richard Wisner, William Whitener, Dennis Cox, Denton Carlson, Douglas Duvall, Floyd Black, Courney Clara, Roger Coleman, Daniel King, Ralph King, Frank Reid and Billy Chapman.

Gold arrows were presented to Steve Daniels, Elwin Tater, Donald Bailey, Wayne Daniels, Larry Westphal, Bruce Mann, David Campbell, Allen Mann, Bobby Tallon, Howard Kuhn, Charles Esralian; silver arrows to Wayne Daniels, Billy Midkiff, Phillip Karnoogian, Donald Bailey and Mike Trent.

Bobby Bennett and Mike Koskela received Wolf badges; Steve Daniels and Gary Forester, Bear badges and Lion badges went to George Breadon and William Erkilla.

Law Requires Aliens to Report Addresses

An estimated 2,600,000 aliens will report their whereabouts to the Immigration and Naturalization Service next month when the 1956 Alien Address Report Program will be in effect.

Under terms of the 1952 Immigration and Nationality Act, every alien is required to report his address to the Service each January, according to Commissioner J. M. Swing.

James W. Butterfield, manager of the service's Detroit office, says that 132,000 persons registered in Michigan last year.

Reports are required of every noncitizen in the U.S., except persons having diplomatic status or who are foreign representatives assigned to the United Nations.

Close Chicago Branch

NORTH CHICAGO, Ill. (AP) — Directors of Motor Products Corp. in Detroit have voted to discontinue operations of their deepfreeze appliance division here. The manufacture of deepfreeze products will end March 31.

Bus and streetcar fares have been raised in Montevideo, Uruguay.

4 Dionne Sisters to Spend Yuletide at Parents' Home

Montreal (AP)—The four surviving Dionne quintuplets probably will spend Christmas at their parent's Callander, Ont., home.

A spokesman at Notre Dame de l'Esperance Hospital said Marie and Annette, who have been patients there, were "very, very well now" and will be able to go home for the holiday.

* * *

The spokesman added that their quintuplet sisters Cecile and Yvonne, student nurses at the hospital, can have either the Christmas or New Year's holiday and are expected to choose the earlier one.

Marie and Annette entered the hospital last month to be treated for fatigue. The spokesman said visiting with their sisters had proved a "tonic." Marie had been in a Quebec City convent intending to enter the order and Annette was studying art at Nicolet, Que.

Reds End Red Visits

TOKYO (AP)—East German Premier Otto Grotewohl and his visiting delegation left Communist North Korea for China last night prior to returning home, Peiping radio reported.

Luxury Spending High

WASHINGTON — Nearly 17 billion dollars' worth of luxuries were purchased by the American people during 1954. Largest item was 14 billion for liquor and tobacco—a sum that was within a few billion dollars of total savings for the year and which topped total expenditures on medical care for the year by 3½ billion dollars.

Japs Control Spinning

TOKYO—The Japanese Government has further curtailed cotton spinning by adding another non-working day each month and sealing additional spindles.

Instead of cotton, the Government is urging the production and consumption of synthetic textiles, which can be made without importing raw materials. Japan has a big backlog of cotton goods.

Mobile Power Plant

NEW YORK — A new type of mobile power plant is designed to supply electricity in emergencies to military forces in the field or to cities whose normal power source has been destroyed by enemy action.

The unit, a 5,000-kilowatt gas-turbine plant, is mounted on two railway flat-cars.

A-Program Big Money

WASHINGTON — The nation's atomic-energy program costs $250,000 every hour, or about two billion dollars a year. In the past 12 months the government has invested 12 to 14 billion dollars in the atomic-energy program.

Dogs are meat eaters, but many like fruit such as apples, peaches and grapes.

Bob Considine Says:

Hizzoner Proves Rockne Men Don't Quit

NEW YORK (INS) — People . . . places . . . things . . .

Vice President Richard Nixon on the question of the President's intentions:

The feeling I get is that the President may run again. The words haven't been said, as far as I know. I would say, however, that newspaper accounts of the President's condition have been bearish. Too bearish."

The most modest mayor in our land is George Vergara, the former Notre Dame football star, assistant coach and football official, who unseated Stanley W. Church as mayor of New Rochcelle, N.Y., last Nov. 8.

Church, a Democrat, had been dug in for 16 years. Vergara ran as an independent and won going away.

Former war correspondent Johnny Moroso, who did some work for Vergara, took me to lunch with hizzoner the other day and it was quite an experience.

BORE DEFINED

I asked the mayor to tell me how it all happened. Vergara, a man in remarkable physical condition, said, "you know the definition of a bore, don't you? A bore is a fellow who when asked 'how do you feel?' tells you."

All that Vergara wanted to do about New Rochelle for a long time was live in it.

"I could walk up and down the street all day and the only people who would speak to me were close relatives, and they didn't feel too certain about it, either," the mayor said.

"But one night a couple of people called me and asked me to run for councilman. I talked it over with my wife Allys and she said, 'why not?'

So I ran and only got licked by 61 votes. I guess I tried again because I got licked the first time. People who played for Rockne get that way."

* * *

Vergara felt the full lash of the political arena when, in time, he ran for mayor. "I couldn't charm a starving tiger out of a tree if my neck were festooned with a garland of succulent lamb chops," he once said.

But he got in there and batted against the type of bean-ball pitching which discourages most good men from running for political office. He was classed as an 80-to-1 shot when the campaign began. The local paper supported Church.

There were charges Vergara was (1) anti-semitic, (2) attended three masses each Sunday in different parts of the city, to be seen and (3) claimed to be Spanish. The charges were all false but it took time and sweat and soul-searching to dispel them.

The Spanish charge was the most ludicrous of the lot. Vergara, of Italian descent, lives in a town that has 14,000 fellow Italian-Americans. And only six Spaniards.

Anyway, he made it all the way, showing that (A) it can be done and (B) that Rockne men don't quit.

GREATEST THRILL

What has been John Huston's greatest thrill? He has had plenty, this fellow. Oh, like getting out in front of the Dogfaces at the Battle of San Pietro to make his documentary combat films. And tiger hunts.

Somebody finally asked him the other day.

"Thrill? One night I walked down an aisle at my father's side to pick up our Oscars," he said.

"He had won his for his part in 'The Treasure of Sierra Madre.' I directed him in that picture. I guess things like that can't be topped in a fellow's life."

Smelting Is Improved

TORONTO—After 10 years' research a Canadian firm reports development of a copper-smelting process that saves money and produces a furnace-gas byproduct to make liquid sulfur dioxide. Use of low-cost oxygen produced by a tonnage oxygen unit has eliminated use of coal and coke in the smelting process, the company says.

CLOONAN'S
"Where Quality Counts"
72 North Saginaw St.

HERE'S FIRST MODEL OF EARTH SATELLITE — It's on display at the American Museum-Hayden Planetarium in New York City. Encased in a transparent plastic sphere, the works of the projected artificial moon are clearly visible. Standard subminiature electronic parts are used to show the kind of instruments that may be used in the actual satellites the United States plans to launch within two years. The model, 18 inches in diameter and weighing 25 pounds, was built by Associate Editor Herbert R. Pfister of Popular Science Monthly. He consulted scientists working on the program.

Forrestal's Catapults

WASHINGTON — The new aircraft carrier Forrestal has four plane-launching catapults compared with two in other carriers. They are operated by steam instead of the customary hydraulic power.

The Navy says the Forrestal can launch planes faster than any other carrier in the world.

The second stage of a 3-phase power development at Nairobi, Kenya, has been completed at a cost of $4,000,000.

Betrothal News Lends Romance to Holiday Time

Lighting, Poster Contests Are Held

Highlighting the community projects for the holiday season at Lincoln Heights is the lighting contest to be held Thursday and poster contest judging which took place Saturday evening in the recreation room of the Virgil Myers' home on Lincolnshire drive.

Posters were made by the children in the community, with prizes awarded for the posters best promoting the Christmas spirit and focusing attention on Lincoln Heights Christmas lighting displays.

Prizes for first, second and third places were awarded to two separate groups. The first group included those in the 7th through the 12th grade.

Contest judges were Robert Shepperly, art director for a Detroit advertising agency; Homer Ward of Michigan Bell Telephone Co., John Ardelan of General Motors Truck and Coach Division and Thomas Ardelan of Detroit Edison.

In the junior division, first prize was awarded to Mary Ott and second prize to Richard Wagner. Barbara Meacham and Anne Voydanoff tied for third place.

Barbara Cole received first place in the senior division, with Noel Rise, second, and again a tie for third place by Ronnie Burnstrum and Audrey Lang.

Judging the outdoor lighting displays on Thursday evening will be Ralph Norvell, John Hirlinger and Glenn Griffin.

General artistic arrangement and size, originality, conformity to the Christmas spirit and ingenuity in utilization of the surroundings will be the basis for the decision of the judges.

This is the fourth year that the residents have sponsored these projects that they may contribute to the joy of the holiday season for everyone.

Patrick J. Lawless of Pioneer drive announces the engagement of his daughter, Margaret Jean, to Thomas P. Duross, the son of Mr. and Mrs. Dennis P. Duross of Marquette street. He is a graduate of the University of Detroit. No date has been set for the wedding.

MARGARET JEAN LAWLESS

Choir Presents Music Festival in Hellenic Hall

The second annual Music Festival was given by the St. George Greek Orthodox Choir. The program was presented Sunday evening in Hellenic Hall under the direction of Mrs. Nicholas Samouris.

• • •

Narrating the concert was Paul Pantel. Accompanists were Rose Drakos and Chrysanthy Annas. Patti Govenis and Madeline Rallis were soloists for the evening.

The concert was composed of religious numbers which included the "Lord's Prayer" by Millotte and "Cherubim Hymn" by Tschaikovsky.

Among the semi-classical numbers presented were "You'll Never Walk Alone," "The Desert Song," and "Stout-Hearted Men," which were sung by the men of the choir.

• • •

The last portion of the program was devoted to Christmas carols and songs pertaining to the holiday season, including "The Russian Sleigh Song and "The Ukranian Bell Song.

Mr. and Mrs. L. L. Colbert of Bloomfield Hills announce the engagement of their daughter, Sarah, to A. Grant Noble Jr., son of the Rev. and Mrs. A. Grant Noble of Williamstown, Mass. She is a student at Bennington College in Vermont and he is a senior at Williams College, and plans to enter medical school in the fall.

Should Naughty Children Read Theories of Freud?

Publisher Insists Kiddies Can Civilize Themselves With Psychology Study

By PHYLLIS BATTELLE

NEW YORK (INS)—If your child makes a habit of slugging other children, of stamping on flower gardens, or eating his toys or holding up old ladies with Daddy's six-shooter — do not spank him.

There may be something troubling the little fellow.

Give him, instead of a beating, a copy of a new pocketbook which has just hit the newsstands called "Sigmund Freud for Everybody." The Popular Library folks, who publish it, say it's just the thing to solve the problems of our little folks.

It is a sort of "do - it - yourself" kit on neuroses and, whether the kiddies understand it or not (Pop. Library assures us it's so simple an adolescent can grasp it), at least they will gain awareness of what makes their small, destructive minds tick.

For instance, "Sigmund Freud for Everybody" explains in words of no more than 10 syllables why children like to strike people they hate.

"Every human being," author Rachel Baker points out, "is born with the same savage impulses that our ancestors had millions of years ago."

FEEL BETTER?

This should make both you and the youngster feel better all 'round about the black eyes of the past.

Furthermore, if junior behaves like a "little savage," there is probably greatness in him, Mrs. Baker continues. For very intense feelings are found in most great people.

There now, Aren't you sorry you castor - oiled him for crippling the Jones boy?

In the new Freud study, it is revealed also that children's feelings "are like great rivers, whose power can turn dynamos." To keep the river from drowning the neighborhood, however, the young one must be taught to control his urges and turn his primitive feelings into useful behavior.

The best way, and the easiest on the parent, is to make him understand by reading for himself about his ID, his ego, his super-ego and all his juvenile complexes, say the publishers. This way he can turn his powerful feelings into the kind of energies that create great works, instead of great havoc.

WOULD HE APPROVE?

Well, that is all very well as a sales approach, but I wonder if Freud himself would approve of mama's fiery little boy reading his theories in the dark of night when he otherwise would be studying his multiplication tables or watching people make $64,000.

A thoughtful, sensitive man, it seems to me he might have developed acrophobias and melancholias and possibly even a fixation or two at the thought that his findings were falling into hands that might put the wrong connotations upon them. ....

As for me — I dread the day when a perfectly behaved, former rascal of a child tells me my career is a sublimation.

When that happens, I may forget to turn my primitive feelings into useful behavior.

Dixie Marie Keppel became the bride of William Joseph Hessler Saturday evening in Grace Lutheran Church. The bride is the daughter of Mr. and Mrs. Donald B. Keppel of North Telegraph road, and Mr. and Mrs. Joseph Hessler of Detroit are the parents of the bridegroom.

MRS. WILLIAM J. HESSLER

Dixie M. Keppel Speaks Vows in Grace Lutheran

At a candlelight ceremony in Grace Lutheran Church Saturday evening, Dixie Marie Keppel became the bride of William Joseph Hessler. The Rev. Otto G. Schultz performed the 8 o'clock ceremony in the presence of 250 guests.

• • •

The bride is the daughter of Mr. and Mrs. Donald B. Keppel of North Telegraph road, and William's parents are the Joseph Hesslers of Detroit.

As the bride approached the altar she was wearing a gown of antique white silk with a chapel train. A Juliet cap of white satin secured her fingertip veil of illusion. She carried a cascade arrangement of roses, holly and white pine centered with a white orchid.

Janet Keppel, sister of the bride, was maid of honor. Her gown was of emerald green crystallette in a ballerina length and she wore a feathered headpiece to match. White gardenias and carnations that sprayed from a muff formed her flower arrangement.

• • •

Marcia Guilbert of Lansing, Sue MacLean of Grosse Pointe and Mary Selway of Lansing were the bride's other attendants. Their gowns were fashioned identically to the honor attendant's and they carried red carnations on their muffs.

Dale Bache of Detroit served as best man. Seating the guests were Bill Hayes, Donald Hessler, brother of the bridegroom and Deane Paulson.

Assisting at the reception held in the church parlors were Margie Thayer of Birmingham, Jan Asam of Dearborn, Joan Mahon of Detroit, Joyce Johnson of Livonia, Marlea Atkin of Flint and Jan Elkins.

• • •

Mrs. Keppel chose a brown satin ballerina length dress with white accessories for her daughter's wedding. A light blue ballerina length dress of lace and taffeta was chosen by Mrs. Hessler.

Following a honeymoon trip to Chicago, the newlyweds will make their home in Lansing where the bridegroom attends Michigan State University.

The bride is a graduate of Michigan State University and is affiliated with Delta Delta Delta sorority. He is a member of Sigma Chi fraternity.

Chairmen Named for Plymouth Group

Mrs. George Gaches, president of the Plymouth Group of the First Congregational Church, appointed new committee chairmen at the December meeting. Faye Donelson of Voorheis road was hostess to the group for the recent meeting.

Mrs. Stanley Kipp was appointed missionary chairman; Margaret Steward, ways and means; Lulah McCully, publicity; Mrs. Ray Meiser, program; Beulah Phillips, hostess; Ora Hallenbeck, rummage, and Ruth Tyrer, devotions.

The group voted to send financial aid to the scholarship fund of the Urban League and also to the Mission Board in the Philippines to aid in combating tuberculosis.

There are five pages in today's Women's Section

Newlyweds Visit Chicago Following Royal Oak Rite

Barbara Sue Schroeder and Donald Curtis MacMillan exchanged wedding vows Friday evening in the First Presbyterian Church of Royal Oak.

The bride is the daughter of Mr. and Mrs. Charles Schroeder of Royal Oak. The bridegroom, of Monroe street, is the son of Mr. and Mrs. Carter C. MacMillan of Pittsburgh, Pa.

• • •

For her wedding the bride chose a floor-length gown of Chantilly lace. Her Peter Pan collar was trimmed with seed pearls and the bouffant skirt featured eight tiers of lace.

She wore a headpiece trimmed in seed pearls and carried a bouquet of white roses, stephanotis and ivy. Her only jewlry was pearl earrings, a gift of the bridegroom.

• • •

Mrs. Allan H. Horen of Flint, the bride's sister, served as her matron of honor. Charlene Foster of Royal Oak was bridesmaid and Given Horen, niece of the bride, was flower girl.

They wore floor-length gowns of turquoise, rust and gold taffeta, respectively.

ATTEND BRIDEGROOM

Peter Dunigan of Royal Oak served as best man. Seating the guests were Allan Horen of Flint, Jack Herrington and George Jacobs of Royal Oak.

• • •

For the reception held at the Royal Oak Women's Club, Mrs. Schroeder wore a Wedgewood Blue lace dress with black accessories and a corsage of Hibbard roses. Mrs. MacMillan was gowned in a turquoise faille dress with black accessories. Her corsage was of pale yellow roses.

The bride is a graduate of the University of Michigan School of Nursing and Donald is a graduate of Purdue University and is affiliated with Tau Beta Pi.

When the newlyweds left for their Chicago honeymoon, the new Mrs. MacMillan wore a Wedgewood Blue dress with a white hat and black accessories. Her corsage was of white roses, feathered carnations and ivy. On their return they will reside on Monroe street.

MRS. DONALD C. MacMILLAN

Mrs. Tillson Heads Group

Election of officers highlighted the annual meeting and Christmas party of the January-March Group of the First Presbyterian Church.

Twenty-five members were present for the luncheon held recently at the home of Mrs. William Krekow on O'Riley street.

Elected were Mrs. Tom Tillson, chairman; Mrs. D. E. Reitmeyer, secretary; Mrs. T. McFetridge, treasurer; Mrs. Avery Shearer, industrial chairman; Mrs. William Thomas Jr., missionary education chairman, and Mrs. George R. Eldred, social chairman.

Mrs. Leroy Farnham was welcomed as a new member of the group.

Return From Rite

Mr. and Mrs. Frank Totte of Starr avenue have returned home after attending the funeral of her father, William Swarthout of Jackson.

St. Fred Alumni Outlining Plans for Fifth Dance

Officers and members of St. Frederick Alumni Association are making preparations for their fifth annual Alumni dance. A well-known orchestra will play at the dance Jan. 14 in the Knights of Columbus Hall.

According to Dennis Manko and Neil Ward, cochairmen of the dance, a capacity crowd is expected. Don McCracken is ticket chairman and has announced that tickets may be obtained from association officers and at the door the evening of the dance.

Beverly Humphries is assisting Kay Currier, publicity chairman. Decorations are being handled by Jerry Bradley, and Jim Krause heads the checking committee.

Also helping in formulating plans for the dance are association officers - Dennis Manko, president; Mrs. James Bradley, vice president; Marie McGill, secretary, and James Bale, treasurer.

Others on the planning committee are Bill Brown, permanent honorary member of the board of directors; Mrs. John Dean, Mary Ellen Walker and Gene Wright, members of the board of directors.

Holiday Festivities Galore

Hills Enjoys Party - Filled Yule Season

BLOOMFIELD HILLS — Parties large and small abound in this season's plans, with the E. J. Andersons, the Max Fruhaufs and the Charles E. Stadlers among host couples.

The Andersons have invited about 150 to their Dec. 30 party, for which they'll be having two Christmas trees standing beside the dining table for decor as guests take their cocktails and hors d'oeuvres.

A few friends will be staying to supper after the gathering. The event will resume an Anderson holiday tradition that has not been observed for several years.

Arriving tomorrow to spend the Yule season are the Andersons' daughter and her husband, the Harold J. Stengleins Jr. from Saginaw, and the parents of Mrs. Anderson and Mrs. T. C. LeMeassurier, Mr. and Mrs. Bruce Bort of Chicago.

The Borts will be staying at the LeMeassuriers' home on Barbour terrace, but will be spending Christmas Day, along with 20 others, at the Anderson home on Orchard Ridge.

The holiday gathering will include, as usual at Yuletide, the E. A. Schirmers of the Hills, the R. F. G. Copelands of Bloomfield Village and Mrs. Carl Whirl of Birmingham.

Close friends will be dropping in for open house from 3 to 5 p.m.

Mrs. Stenglein's birthday will be marked Saturday night at the LeMeassurier home. On Tuesday, her sister, Merny, will be departing for Palm Beach to visit the C. G. Edens and daughter, Patty, of the Hills.

HOME FOR YULE

Here for Christmas are Defense Secretary and Mrs. C. E. Wilson, who as usual are planning to host their friends from 11 a.m. to 4 p.m. on Christmas Day at their home, Long Meadow. Among parties during their stay was a dinner given recently by their son-in-law and daughter, Mr. and Mrs. Curtis Matthews, at Bloomfield Hills Country Club.

• • •

The Max H. Fruhaufs are host and hostess to Mrs. Fruhauf's mother, who arrived from Illinois yesterday, and their son, Nicholas Redfield, who arrived from New York where he is a Columbia University graduate student.

• • •

Mr. and Mrs. Earl A. Thompson of Woodridge road are leaving Dec. 27, for Oregon, where they'll spend a month on business and pleasure.

• • •

Kingswood and Cranbrook Schools are having their 12th annual dance tomorrow night, with many pre-dance parties planned by members. Mr. and Mrs. Charles E. Stadler of Urbana, Ohio, are having cocktails and a buffet supper at the Brookside home of Mrs. Stadler's parents, the Marc T. Pattons.

Open house before the dance is being hosted by the Jim Schneiders of Inwood circle, Bloomfield Township.

Allen Schwartz, president of Cranbrook School's alumni, and his wife will entertain friends at cocktails in their Detroit home.

Cochairmen of the event are Mrs. Michael Redfield of 25-year-old Kingswood, and Vincent Anderson, whose school, Cranbrook, is just a few years older. Aiding them are the Joseph Irwins of Oak Park, the Weston Myers, Mr. Redfield and the Schneiders.

FORMING NEW CLUB

Bloomfield Hills Farm and Garden Association members are helping to form a new garden club for areas near but not in Bloomfield Hills or Birmingham. The club's name is Osage, for the osage oranges that grow along Adams road.

President of this new branch of the garden club is Mrs. P. A. Hamley of Orchard Hill, who will be hostessing a membership tea at her home Jan. 9.

Mrs. LeRoy Vandeveer of the Bloomfield Branch had the group to her home on Sussex road for an organizational meeting early this month.

Other officers are Mrs. James T. Ashton, vice president; Mrs. J. Howard Senteney, secretary, and Mrs. Michael Redfield, treasurer.

Most members are newcomers to the area, living in the Charnwood, Hickory Heights and Pine Hill areas just west of Bloomfield.

PLANNING PARTIES

Among host couples in that area for seasonal parties are the Walter Corneliuses of Rouge circle, who will entertain 60 friends, many from Detroit and Oak Park. The Robert Fredericks and the Maurice Meads, both of Pine Hill, will also entertain.

The couples who bowl in the Pine Hill league had their bowling party at the Harry Siegel home last Friday.

The younger set is looking forward to a very busy evening tomorrow. The partying begins with a tea dance from 4 to 7 p.m. for Cotillion Club members and their guests, with dinners later, and then dances for many.

Mrs. Florence Young will be acting as mistress of ceremonies at the tea dance, and prizes for a jitterbug contest will be silver dollars.

A post - dance party is being staged by Chris Winkler, a Kingswood junior from Pleasant Ridge, at the Detroit Golf Club. Among dinners slated is a party at Bill Reid's home on Woodridge for about 20 friends.

Many couples will be going later to the formal dance of TAE sorority at Hotel Statler. TAE sorority has many Birmingham and Bloomfield members.

Mr. and Mrs. Earl Vance of Vinewood avenue announce the engagement of their daughter, Eleanor May, to Cpl. Albert E. Negus Jr., the son of Mr. and Mrs. Albert E. Negus of Detroit. He is stationed with the Army at Okinawa. No date has been set for the wedding.

ELEANOR MAY VANCE

Spiritual Side of Yuletide Emphasized by Speaker

Mrs. Fred R. Walker, spiritual life director of the Oakland County Federation of Women's Clubs, spoke of two great holidays, the birth of the nation and the birth of the Savior, when she addressed members of the Pontiac Women's Club.

• • •

The speaker noted that both are taken too much for granted; that there is death, news and noise, with sacredness lacking in each.

In speaking of Christmas, she said, "Let your children believe in Santa Claus, but be sure to tell them the beautiful story of Christ.

Mrs. Walker presented an original poem, "Song of Faith," written expressly for the organization.

The story of "Silent Night" was related by Mrs. Archie Allen, who also led the group in carol singing. She mentioned that the divine inspiration that quickened the imagination of young Gruber when he wrote the carol, more than a century ago, gave us not only a beautiful anthem, but also a living and lasting memorial to the triumph of Christianity.

She stated further that the music conveys in every measure of the hymn the admonition, "Do not hide your light, but take courage and go with faith to enrich the world."

Mrs. Turris McCully was program chairman for the Monday tea and program held at the YWCA.

Mrs. Fred Bohlman was elected to membership in the organization, and the group voted to provide a Christmas basket for a worthy family.

• • •

Mrs. H. T. Rombough, tea chairman, was assisted by Mrs. William Mustard, Mrs. Nelson Wiley, Mrs. Ray Ward, Mrs. J. Gardner Lewis, Mrs. I. M. Lewis, Mrs. Earl Eddy, Mrs. Allen and Mrs. H. N. Watson.

Oakwood Manor Civic Association Has Meeting

Thirty-five members of the Oakwood Manor Civic Association gathered at the home of Mr. and Mrs. O. E. Rule on Parkinson road Saturday evening for a Yuletide party.

Ray Fixel was chairman of entertainment and conducted the games. A gift exchange completed the program. Assisting were Jack Talbott, Don Norris, Louie and Frank Compognoni.

Refreshments were served at tables decorated in the Christmas motif. Serving on the refreshment committee were Carroll Braid, James Hunt and Mr. and Mrs. Rule. Lester Stanley and Bert Weddle handled publicity.

The Women's Section

THURSDAY, DECEMBER 22, 1955 PAGES 17-21

Pontiac Press Photo

Members of St. Frederick Alumni Association were photographed at a recent session for their fifth annual alumni dance. Shown are (left to right) Jerry Bradley of Center street, Kay Currier of South Jessie street, Neil Ward of Willard street and Marie McGill of East Iroquois road. The dance is scheduled for Jan. 14 at the Knights of Columbus Hall.

Officers Are Elected at Class Meeting

Albright Daughters of Baldwin Avenue Evangelical United Brethren Church held a Christmas party and election of officers at the home of Mrs. Richard Gaddes on Hudson street Tuesday afternoon.

Those elected were Mrs. Frank Roberts, president; Mrs. Fred Lempke, vice-president; Mrs. George Killen, secretary, and Mrs. Gaddes, treasurer.

Mrs. Roberts conducted the meeting followed by a prayer by Mrs. Anna Newberry and devotions given by Mrs. Elva Remington.

Mrs. Don Vincent closed the meeting with a prayer and an exchange of gifts followed. The group enjoyed a luncheon served by the hostess.

Here's an Idea

The lady of fashion can have a complete set to match the lining of her purse, or a collection of conversation-making accessories to tuck in her lucite handbag.

* * *

Pastel leathers (washable, of course) are the latest, and are used for everything from wallets to cigarette cases. Gold and colored Florentine details are used, as well as nailheads, pearls and highly decorated frames.

Club Women Give Gifts to Patients

Mrs. Louis Dorman of Ogemaw road was hostess to the Community Homemakers Club at her home Tuesday evening. Mrs. Neil Ricketts assisted the hostess.

Roll call was answered by "Which Christmas do you remember most?" Christmas gifts were given by the group to be distributed to several patients at the Oakland County Convalescent Hospital.

Mrs. Henry Kline and Mrs. Lyle Stockton gave the lesson on hobby hunting. Mrs. Robert Walters and Mrs. Stockton will be hostesses at the January meeting.

Pictured visiting in Biloxi, Miss., were Mr. and Mrs. George A. Luenberger of Exmoore road, with their two children, Donna Rae and Linda Kae. The Luenbergers have just returned home from a three-week motor tour of the Gulf Coast.

Sign It Properly

Among married couples, it's considered both courteous and correct for the person signing the card to write her or his name last. There are two exceptions, however. The wife's name appears first when the signature is imprinted . . . CAROL and RALPH . . . or CAROL and RALPH ANDERSON. While the husband gets first place, if the names of children are included . . . RALPH and CAROL, PEGGY and TOMMY.

200 Attend Rites Held on Saturday

Barbara Mularoni Weds John Brink in Birmingham

In a full-length gown of organzine taffeta Laurene Barbara Mularoni became the bride of John Einar Brink, Saturday evening in the First Presbyterian Church of Birmingham.

The Rev. W. Glen Harris officiated at the candlelight service in the presence of 200 guests.

Mr and Mrs. Lawrence Victor Mularoni of Bloomfield Hills are the parents of the bride. He is the son of Mr. and Mrs. Einar John Brink of Menominee.

The fitted bodice of organzine taffeta featured a sweetheart neckline trimmed with French Alencon lace and seed pearls and iridescent pearls. A panel of lace embroidered organzine was the highlight of her full skirt which ended in a chapel train. She carried a bouquet with a white orchid surrounded by lilies of the valley.

Serving as matron of honor was Mrs. John Gregory of Menominee. Marcia Clevering of Sturgis, Shirley Singos of Bloomfield Hills and Joan Levely were bridesmaids. Gail Powers of Ferndale was flower girl.

The bridal attendants were white nylon lace ballerina-length gowns sprinkled with silver sequins. They wore silver leaf headbands and white lace gloves and carried bouquets of red carnations and holly leaves.

John Gregory of Menominee was best man. Groomsmen were Fred Ahlborn of Saginaw, Paul La Perriere and Richard Hoeft of Menominee. Lawrence Mularoni of Bloomfield Hills was ring bearer.

The bride is a senior at Michigan State University and is president of Alpha Gamma Delta Sorority. He is a graduate of Michigan State University and is immediate past president of Theta Xi Fraternity.

Following a honeymoon in Michigan, the couple will reside in East Lansing.

Corduroy Aids Teen Wardrobe

Corduroy is the love of teenagers. And, during the dead of winter, when cheery notes seem hard to find, a red corduroy blazer or turquoise party dress can do much to perk up a wardrobe. White corduroy is wonderful for a teener's formal dress.

It comes in prints and all colors imaginable. It's fine for a teen budget because it's inexpensive to buy and generally doesn't have to go to the cleaners.

A soluble coffee plant is to be established in Guatemala, with American capital.

Lush Belts Sparking Fashion of Season

This year, belts are as lush and splendid as the rest of the fashion picture.

They range from positively royal gold leather to calf ones with inset initials, for the price of afternoon tea.

They come in red and peacock blue, black, and what have you. Gold, glitter, scroll work and jewels make them dazzling.

Youngsters Love Homemade Gifts

By ANNE HEYWOOD

Every year at this time I remember the best Christmas present I ever received in my life. It came from my grandfather and grandmother the year I was 9. It was a doll house and they had made it completely.

Grandpa had built the house himself, out of old orange crates and tiny bits of shingle.

He had made the furniture out of wood or cardboard and Grandma "upholstered" the pieces in velveteen.

BUILDING, DECORATING

For months and months, they had spent their evenings building and decorating it and, I learned later, they had had the time of their lives.

* * *

And the fun I had with that doll house! The best part was the fact that they themselves had made every bit of it. That seemed like magic and it still does.

I would recognize the kitchen curtains as a part of Grandma's old worn-out apron or the fireplace mantle as that funny thing Grandpa had been whittling on so mysteriously, last August.

When I hear grandparents nowadays, as I often do complaining that they have nothing to do that they aren't needed, that their grandchildren are spoiled and have everything, I think of that old doll house.

There's not a child alive today who wouldn't rather have a doll house, entirely made by Grandma and Grandpa, than anything in the world.

If you are looking for something to do, get onto a project like that. You could begin now, and have the happiest new year imaginable.

We spend much time on "do-it-yourself" projects for our homes, but this kind of do-it-yourself project can create a real vision of the "good old days" for our children.

(Copyright 1955)

Let's Please the Men

There seems to be a let-the-men-live-too campaign afoot. Or maybe there is a movement under way to keep the men home nights on long winter evenings.

* * *

Anyway you look it it, the trend is toward pleasing the men in home furnishings.

Mr. and Mrs. Roy Allen Kelly were married Friday evening in Silvercrest Baptist Church. She is the former Nora Verna Brewer, daughter of Mr. and Mrs. Omer Brewer of Clarkston. He is the son of Charlie Lee Kelly of Merrimac street.

MR. AND MRS. ROY A. KELLY

Nora Brewer Becomes Bride in Baptist Wedding

The Rev. James Luther of Silvercrest Baptist Church officiated at the Saturday evening service uniting Mr. and Mrs. Roy Allen Kelly in marriage.

The bride is the former Nora Verna Brewer, daughter of Mr. and Mrs. Omer Brewer of Clarkston. The bridegroom, of Watkins Lake road, is the son of Charlie Lee Kelly of South Merrimac street.

The fitted bodice of the bridal gown was of lace over satin and featured lace sleeves. The floor-length bouffant skirt was of double tiers of net over satin.

A crown of sequins secured her fingertip veil of illusion. The bridal bouquet was of pink roses, white carnations and lilies-of-the-valley.

Mrs. Donald Wallace of Lake Orion was matron of honor wearing a gown of aqua. Her bouquet was of red roses and white carnations.

Gail Kelly of Gridley, Calif., Mrs. Reuben Armstead and Edna Brewer of Clarkston were the other bridal attendants. They wore gowns of ice blue, coral and maize, respectively. Their bouquets were of matching colors.

Brenda Patrick wore an orchid floor-length frock and carried a basket of rose petals for her duties as flower girl.

Donald Wallace of Lake Orion served as best man. Seating the guests were Charles Leavens and Dillard Brewer of Clarkston and Reuben Armstead. Omer Dale Brewer, brother of the bride, was ringbearer.

For the reception held at the home of the bride, Mrs. Brewer wore a blue dress with black accessories and a corsage of red roses and white carnations.

The couple will reside on Flamingo road in Clarkston.

Bethany Baptist Circles Conduct Yuletide Parties

The circles of the Women's Society to the Bethany Baptist Church held their Christmas parties and meetings during the week.

Lydia

Mrs. Daniel Owen entertained members of the Lydia Group at her home on Spokane drive. Devotions were given by Mrs. Harry Randall and a story, "Christmas Is for Giving," was presented by Mrs. Hayden Hencley.

Ruth

Mrs. Maurice Wilton and Mrs. Nobel Smith were cohostesses at the meeting of Ruth Circle in the church parlors. The Christmas story was read by Mrs. Grace Steeves.

Martha

A dessert luncheon and gift exchange were enjoyed by members of the Martha Circle. Mrs. Clifford Steffey opened her home on Woodbine drive for the meeting. Devotions were given by Mrs. Aden Thornton.

Dorcas

A cooperative luncheon and gift exchange were held in the church parlors by members of the Dorcas Circle. Mrs. Frank Marsh led the devotions.

Esther

Mrs. Alfred Cole was hostess to the Esther Circle at her home on Whitfield court for a dessert luncheon. "Christmas Lights" was the subject for devotions led by Mrs. Morris E. Boedwin.

Thrift Boxes Offered by Cosmetic Firms

Cosmetics manufacturers understand the thrifty I-can-use-the-box later habit most of us share and give us delightful cases and boxes for our cosmetics.

Most of the boxes and packages make suitable carriers now, but a few special ones are designed to last and last, long after the last sweet-scented drop is gone.

Santa and the Dumdiddy

By Lucrece Hudgins Beale

AP Newsfeatures

SYNOPSIS: Santa, disguised as a chimney sweeper, enters Beanie's room and shows him how to escape up the chimney. But Beanie says he first must rescue the other Gimme Children so that the Gimme Dwarf, who is the Spirit of Getting, will vanish forever.

Chapter 16

THE LOST DUMDIDDY

Suddenly, the Gimme Dwarf knocked at Beanie's door.

"Gracious!" cried Santa, who was disguised as a chimney sweeper. "I must hide!"

"Doesn't he know you are cleaning the chimney?" asked Beanie in astonishment.

Before Santa could answer, the dwarf burst into the room.

"What's going on here? Who are you?"

• • •

"I'm a chimney sweeper," said Santa. "I was cleaning the chimney and I—well, I just dropped in."

The dwarf began to smile. "Ah," he said. "Perhaps you have the Gimmes, too, and you've come to Gimme House to live."

"Well," said Santa. "Perhaps that's so."

"I'm glad you've come," said the dwarf. "You need not spend your life sweeping chimneys. Tell me, did you ever wish for all the money in the world?"

"P — perhaps," said Santa doubtfully.

"You've come to the right place then," said the dwarf happily. "Just follow me. You come too, Beanie, for I can see you're ready to say 'gimme,' too."

The dwarf led Beanie and Santa from the room. In the cuff of Santa's boot rode the little Dumdiddy and he thought to himself, "Mercy me! Has Santa, too, fallen under the power of the Gimmes?"

• • •

Down they went, single file, to the dungeon of the house, and below that to a second dungeon, and, below that, a third.

At last they came to a vault in the wall of the lowest dungeon of all. The dwarf unsealed and unlocked the door and threw it open. There, under the light of a torch, lay countless piles of gold.

"Say 'Gimme,' " cried the dwarf. "Say 'Gimme' and it's yours."

Beanie stared at the gold and then at Santa. Suddenly he threw himself on Santa. "Don't say it!" he screamed. "Don't say it! You'll be his slave forever if you do!"

"Don't worry, Beanie," said Santa gently. "There is a stronger spirit than the Spirit of Getting."

And suddenly Santa thrust out his arm and pushed the dwarf into the vault. Then he slammed shut the door and turned the lock.

"Now get the other children," he cried to Beanie. "Bring them to the chimney."

Beanie dashed up the stairs, falling and staggering in the dark, but never stopping until he came to the upstairs corridor where often he had heard the sound of sobbing children.

He burst through the first door. Here he found a Gimme Child—a girl, enormously fat, with eyes swollen by days of crying. Her room, like Beanies, was packed with toys.

"Who—who are you?" she cried.

"I'm a Gimme Boy—I mean I used to be a Gimme Boy but I'm not anymore. A chimney sweeper is taking me away from here. Do you want to come, too?"

"Oh, yes! Oh, please take me, too!"

• • •

Beanie took her hand and ran to the next room. Here was a boy, pale and sick looking, sitting among his mountain of untouched toys.

"Take me with you," he begged when Beanie told of his plan. "I'm so sick of having everything I want!"

The children ran from room to room until they had gathered two more boys and two more girls. These were all the children of Gimme House.

They ran to Beanie's room and there was the chimney sweeper, who was really Santa Claus, waiting for them. One by one he boosted them up the chimney.

But just as Beanie was about to go up, Santa clapped his hand to his boot.

"Mercy me! Something awful has happened!"

"What is it?"

"Something dropped from my boot," moaned Santa. "It must have been left behind in the dungeon vault with the dwarf!"

"Never mind," said Beanie. "Whatever it is we must leave it and get away from here."

"SAY 'GIMME,' AND IT'S YOURS!" — The dwarf led Beanie and Santa to the lowest dungeon of all. He unsealed and unlocked the door to a vault in the dungeon. There, under the light of a torch, lay countless piles of gold.

"No," said Santa. "I cannot leave it behind."

"Then what is it?" cried Beanie. He was ready to weep with vexation.

"Just a little thing," said Santa, "just a little man made of clay."

Scots' Good Neighbor Program Pays Off

GLASGOW — Wide attention is being attracted in Scotland to a "good neighbor" program started here in the Drumchapel housing project. Washing does not pile up, for instance, in the home of a woman resident who falls ill.

One of the members of the Woman's Guild of St. Marks, which started the plan, calls and takes away the washing, pops it into her washing machine and returns it spotless. Another woman will take care of the children and see them off to school, while a third does the cooking.

The Guild has prepared a register of members willing to help, and when they are available as "good neighbors."

AEC to Adopt New Lease Plan

Group to Give Contracts for Uranium Deposits by Competitive Bidding

WASHINGTON (AP) — The Atomic Energy Commission states it will adopt a competitive bidding system for leasing uranium deposits on lands under its control.

The lands include those purchased by the Manhattan Engineer District—wartime developer of the atomic bomb—and subsequently transferred to the AEC, and also public lands withdrawn from mineral development at the request of AEC.

The commission said, however, it does not expect extensive leasing of the lands because of the high rate of ore production on privately owned properties. It said the deposits on its lands would be considered as a reserve to be drawn upon as required.

Competitive bidding for the leases will replace the present method of selecting leases on the basis of qualifications, including mining experience and financial status.

The AEC announcement said the leases will be awarded to an acceptable bidder offering the highest cash bonus by sealed bid. Other conditions—such as royalty rate and work requirements

In some circumstances, AEC said, leases will be negotiated rather than offered for competitive bidding. This would be done, it said, when negotiation is preferable in the best interests of the government.

The leasing system will be put into effect after detailed procedures are worked out, the commission added.

Safes with keyless locks are offered by a firm in Barcelona.

Michigan Bean OKs Firm's Sale

State Outfit to Operate as Part of Wickes Corp. After Stockholders' Vote

SAGINAW (AP)—Directors of Michigan Bean Co., one of the nation's largest bean processors and distributors, have approved sale of the firm to the Wickes Corp. of Saginaw.

Stockholders will vote on the proposal Dec. 30. Under its terms stockholders would receive 100,676 shares of Wickes Corp. stock with a market value of $1,648,569.

Officials said Michigan Bean would operate as a division of Wickes Corp. with no change in personnel. Albert L. Riedel, Michigan Bean president and general manager, would become vice president and general manager of the new Wickes division.

Wickes Corp. has five other divisions, including a machine shop, boiler company, the U.S. Graphite Co.; the Charles Wolohan Division which operates eight country elevators in Michigan and 10 lumber yards, eight in Michigan and two in Ohio; and the Saginaw Grain Co., which operates a 1½ million bushel grain elevator in Saginaw.

Rail Crash in Scotland

SETTLE, England (AP)—The Scottish express was struck from behind early today by another train as it stood in the station at Heilfield, five miles from here. A railway spokesman said the only casualty was a guard on one of the trains who suffered head injuries.

Turkey Robbery Solved in 3-Way Phone Confab

PASADENA, Calif. (AP)—A telephone rang at the desk of police officer Clyde Stovall and Theodore Ramendick reported that someone had stolen 36 cases of his frozen turkeys.

During the conversation another phone rang and officer John Clapp of the Los Angeles police said he had just picked up two men in a car with 36 cases of frozen turkeys.

In simultaneous conversation over both telephones Stovall made one of the quickest solutions ever to a theft case.

Harvey Johnson and I. V. Perry were booked on suspicion of burglary.

Two Cats and Kitty —and an Angry Wife

LOUISVILLE, Ky. (AP)—Two cats and an empty kitty came to light in municipal court yesterday after Mrs. R. E. Shepherd was charged with uttering a worthless check.

Attorneys gave this version:

Mrs. Shepherd, Bedford, Ky., was determined to buy two Persian cats. Her husband was equally determined she wouldn't buy them. She wrote a $25 check for the cats. Her husband rushed to the bank and withdrew their funds. The check bounced when Mrs. Bera Secuskie, who raises Persian cats, tried to cash it. The warrant was issued.

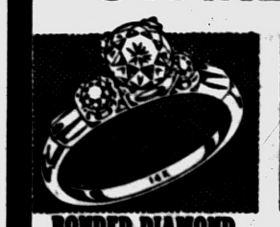

Judge Peter B. Muir amended the charge to a security warrant and Mrs. Shepherd was placed on her own bond for six months.

Germany is importing a considerable number of British TV sets, Bonn reports.

PARIS BEAUTY — Sixteen-year-old Genevieve Janet is "Miss Paris" of 1955. The long-legged beauty was chosen by her city to compete for the title of "Miss France." Shown here in Paris, she has studied classical dancing since she was eight years old.

Indiana GI Gives All His Earnings to Furnish Korean Orphans Shelter

WESTERN FRONT, Korea (INS)—An Indiana soldier with a big heart is bringing the Christmas spirit to 25 Korean orphans—17 of them blind—in the orphanage he built for them with his own hands.

* * *

But Pfc. Fritz Moeller, of Southport, Ind., his money just about gone, is not sure he will be able to throw a Christmas party for the ragged orphans.

Moeller, with the 24th Infantry Medical Bat., bought an acre of ground from a Korean farmer, built an orphanage on the land for the homeless waifs, then got thrown into jail for his efforts.

The Army charged him with being in an off limits area and threatened him with a court martial. But Maj. Gen. G. E. Mason, 24th Division commander, learned of Moeller's plight and set him free.

* * *

Now, with his private orphanage "on limits", Moeller is making plans for Christmas — the first Christmas the war waifs will celebrate under a roof they can call "home."

ORPHANS SHIVER

Moeller said a few months ago the group of orphans were shivering at a riverside bank where Army vehicles were stopped to be washed.

The kids helped wash the jeeps and trucks, he said, for whatever the GIs would give them.

"I saw their needy condition when I went to wash my truck," Moeller explained. "They were living in a tent. Most were blind."

Most had fallen victim to the brutality of war which ripped their country. The majority have sunken and sightless eyes and some have also lost limbs.

Moeller said he has already invested more than $600 of his own funds and estimates he will need at least an additional $400 to build a school for the childfen.

He hopes to be able to teach them to read braille.

The 22-year-old soldier said he will finish his tour of duty in Korea in February, but is hopeful an American Baptist mission in Korea, which is interested in his work, will take care of the orphanage after he is gone.

* * *

Moeller said he is anxious to give the orphans a good Christmas, but does not have definite plans for a Christmas celebration.

PLAN PARTY?

He said he thought members of his medical battalion were working on plans for a party, but he is not sure.

Chaplain Milton J. Kain, of Brooklyn, N. Y., said members of the battalion wrote personal letters to their homes describing the plight of the orphans, and that already some packages and money had arrived.

The chaplain said he was working on a plan to provide the children with a Christmas dinner the same as that which the soldiers will eat.

Chaplain Kain said the medical battalion might sponsor the orphanage, called the "Blind Paiju Orphanage," after Moeller leaves.

Moeller, who studied engineering in college before being drafted into the Army, said he expected to enter business when he returned to Indiana.

Wherever he goes, he said, he will carry with him the memory of the narrow, tile-roofed building he built in Korea and of the shabby little youngsters who ran to greet him whenever they heard his voice.

Cost of Living Is Up Slightly

October to November Gain Is Reported as Tenth of 1 Per Cent

WASHINGTON (AP)—Living costs rose slightly—1-10 of 1 per cent—between October and November, the Labor Department reported today. The take-home pay of factory workers set a new record high.

The Bureau of Labor Statistics reported that November marked the third consecutive month in which take-home pay reached a new record.

* * *

This pay, which is the amount after taxes, was estimated an average $72.85 a week for a worker with three dependents and $65.49 for a worker with no dependents. Both figures were about 80 cents higher than the previous peak registered in October.

The rise, the department said, was due to a 2-cent increase in average hourly pay and a lengthening of the factory work week.

The buying power of the workers also rose to a new record high with the slight increase in the cost of living more than offset by the rise in take-home pay, the department said.

No major wage contracts tied to the cost of living were affected this month.

A further decline in food prices during the month was not enough to offset higher prices for other major categories of family spending, the announcement said. Largest increases were recorded for transportation, medical care and housing.

Date in Circuit Court Set for Richard Beyer

A charge of sodomy was brought against two more persons arrested in the recent police crackdown on immoral activities in the men's lounge of a downtown store.

Of the two, Richard J. Beyer, 18, of 339 Ferry Ave., waived examination in Municipal Court yesterday and was bound over to Ciricuit Court Tuesday.

Judge Cecil McCallum placed Beyer on $100 bond. The other, a 16-year-old youth, was turned over to juvenile authorities.

Prison Holiday

JACKSON (AP) — Freedom for Christmas will be Southern Michigan Prison's gift to 57 inmates by Friday. The men will be discharged or paroled in time for the holiday.

Building Permit Values Show 12.1 Pct. Drop

NEW YORK (AP) — Building permit values in November totaled $428,603,754, 12.1 per cent below the October volume but about equal to November a year ago, Dun & Bradstreet reports.

The survey of building activity in 217 cities was the smallest monthly total since last January. It was, however, a gain of 0.2 per cent over the same month last year.

Despite an easing of the last three months, building permit values for the 11 months of 1955 are the highest on record.

The aggregate for 217 cities so far this year came to $5,622,942,721 (B), a rise of 14 per cent over the first 11 months of 1954.

Here's the Ideal Christmas Gift

Give Yourself to Aid Infirm in the Hospital Where Help Is Needed

Ever since the Magi traveled with their gifts to the crib at Bethlehem, the grace of giving has been an integral part of the celebration of Christmas. Whether you are rich or poor, you seek at this time of year not just any gift, but the perfect gift—one that will mean the most.

The value of the perfect gift is not weighed in dollars, but in thought. One gift perfect not only at Christmastime, but every day, would be to offer your services to a hospital as a volunteer.

All of the city and voluntary hospitals in New York have staffs of volunteers giving their time freely. Indeed, volunteers throughout the world are much the same, devoting themselves to others and their needs.

It's not that volunteers are needed to fill vacancies of nurses and hospital staff workers. They do not substitute for these paid workers. They are needed to fulfill their own functions, functions quite separate from those of the hospital staff. They are needed for the well-being of the patient and his happiness.

* * *

Very few hospitals, certainly no city hospitals, are able to afford a complete staff of medical and administrative workers as well as therapeutic and social workers. It's enough of an expense to cure a patient, without having to pay for his amusement, too. This is where volunteers are so greatly needed.

* * *

It means a great deal to a sick person to realize that there are people who are helping him because they really want to, not because they are being paid to do it —especially in the Christmas season, when loneliness becomes more marked and the need for companionship and warmth is very important. So if you have the free time, why not give yourself as a Christmas present?

Campaign Lowers U.S. Traffic Deaths

WASHINGTON (AP) — The 21-day safe driving campaign which ended Dec. 10 brought the first downward trend in traffic fatalities since last February, the President's Committee for Traffic Safety has announced.

Figures compiled by the group showed 2,069 fatalities during the campaign. This was 75 fewer than during the corresponding period of 1954.

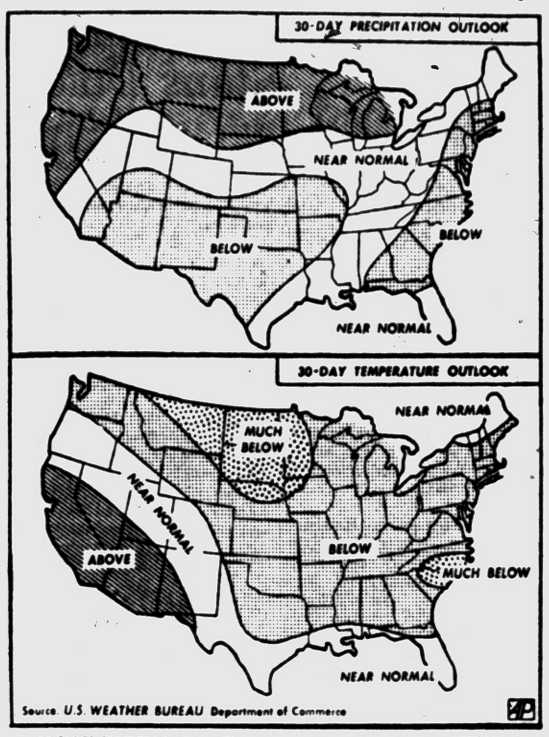

UP until then, the committee said, traffic deaths had been steadily higher than last year. Fatalities last March were 5 per cent, June 7 per cent, July 11 per cent, August 10 per cent and September and October 12 per cent. November totals were not yet available.

Gobel's 'Wife' Makes Up With Real Life Hubby

HOLLYWOOD (AP) — Actress Jeff Donnell, who recently returned to her part as George Gobel's wife on his television show, today is reconciled with her real-life husband, actor Aldo Ray.

Married Sept. 30, 1954, the couple separated a year later.

Both said last night they will try to make a success of their marriage.

30-DAY FORECAST — The above maps, based on those supplied by the U. S. Weather Bureau, indicate expected temperatures and precipitation for the next 30 days.

Soviets Mark Stalin's Birth

Press Hails Teaching, Stresses More Need for Heavy Industry

MOSCOW (AP)—Yesterday was the 67th anniversary of Stalin's birth and the Soviet press splashed big pictures of a youthful-looking dictator on their front pages. This was a departure from the custom of the past two years.

Hailing the teachings of Lenin and Stalin, the press continued to lay the heaviest stress on the importance of developing heavy industry and agricultural production, which has been the policy throughout 1955.

* * *

For more than a year after Stalin's death in March, 1953, the ruling Communist party tended to play down the "cult of Stalin" which amounted to deification during his lifetime. Gradually, under the party rule of First Secretary N. S. Khrushchev, Stalin's name has become more and more prominent. It is used particularly in support of the Stalinist program of all-out concentration on heavy industrial development as opposed to the policy of increased emphasis on consumer goods as initiated by former Premier Georgi Malenkov. Malenkov was toppled as Premier early this year.

Musicale Slated Tonight

The Wandering Travelers will present a musical program at the Bray Temple, corner of Rockwell and Bagley streets, tonight at 8 o'clock.

The Rev. R. A. Britton, pastor of the church, extends an invitation to the public.

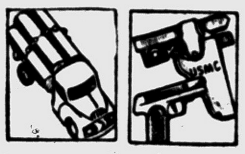

Star Shines Atop Dune

SAUGATUCK (AP) — A volunteer group again this year has placed a 24-foot Christmas star atop Mt. Baldhead, the region's highest dune. The lighted decoration is visible for several miles at night.

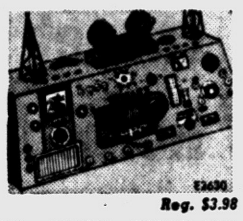

To train dog teams for the forthcoming Antarctic expedition, Sir Edmund Hillary will take them across the New Zealand Alps.

According to the Federation of Malaya Annual Report of 1953, there were 37,515 people employed in its tin mines.

Pay Hike Given to Rail Workers

Wage Increases Range From 10½ to 14½ Cts. for 800,000 Employes

CHICAGO (AP)—Wage increases ranging from 10½ to 14½ cents an hour have been granted to nearly 800,000 of the nation's railroad workers.

* * *

Eleven rail brotherhoods representing some 750,000 nonoperating employes last night signed an agreement with the carriers calling for a pay raise of 14½ cents an hour and company-paid hospital and medical benefits.

* * *

A few hours later the railroads and the Order of Railway Conductors and Brakemen settled their wage dispute with between 25,000 and 27,000 operating workers getting a general pay hike of 10½ cents an hour. The pact also provides an additional 31 cents a day for conductors.

The new wage agreements the railroads estimated will cost the carriers more than 300 million dollars a year.

HIKE RETROACTIVE

The new pay scale for the nonoperating employes retroactive to last Dec. 1, boosts the average to $1.95½ an hour.

The hike for the operating workers, retroactive to last Oct. 1, provides a varying scale. The average annual pay of passenger service conductors has been estimated at $7,220, and of freight service conductors at $6,778. The union on Aug. 15 had asked for raises of $3 a day for passenger train conductors and $2 a day for freight conductors.

* * *

The agreement between the non-operators and railroads, following recommendations of a presidential fact-finding board, stipulates that the carriers will bear the entire cost of a hospital and medical plan beginning next March 1. At present the railroads and nonoperating employes split the cost of these payments. The companies will pay up to $6.80 a month per employe for hospital and medical protection.

The nonoperating unions—embracing telegraphers, clerks and others engaged in work other than actually operating trains — had asked for a pay raise of 27 cents an hour. The carriers offered 10½ cents.

There was no termination date in the agreements. Under the Railway Labor Act, railroad contracts are subject to reopening on 30-day notice.

SWEDISH SANTA LUCIA — Miss Ann-Marie Beite of Stockholm, Sweden, is shown wearing traditional crown of candles after being chosen Santa Lucia by Augustana College students at Rock Island, Ill. Augustana annually recreates Swedish custom of crowning girl as Santa Lucia, a goddess of light, to mark start of the Christmas season.

Competitor Helps Cash-Short Bank

STROUDSBURG, Pa. (AP) — It shouldn't happen to a bank. But it did.

When the Stroudsburg Security Trust Co. opened for business Monday, it was found that the automatic timer device on the vault had been set improperly over the weekend and would not release the lock until Tuesday.

* * *

So, even as you and I, faced with a shortage of ready cash, officials headed for the nearest bank—in this case, the Stroudsburg First National across the street. Sympathetic colleagues advanced the embarrassed applicants $13,000 for the day.

Next morning, bright and early, the loan was repaid. With interest? Nobody's saying.

California Rain Ravages Coast

Dozen Highways Closed as Swollen Rivers Cut Road Travel in North

SAN FRANCISCO (AP)—The heaviest rain storms in northern California in 15 years flooded rivers in all sections of the northwest counties today, closed a dozen highways, flooded parts of two communities and cut off surface travel to the north coastal area.

All coastal rivers, from the Russian River north to the Smith, were near flood stage or already out of their banks.

* * *

Northern Mendocino, Humboldt and Del Norte counties were isolated when floods and slides blocked U.S. Highway 101 from Ukiah north, and shut off travel over Highway 299 running from Arcata, north of Eureka, inland to Redding. Slides blocked the Redwood Highway from Oregon into Del Norte County and falling timber which broke power lines left Crescent City and most of the rest of the county without power.

* * *

Flood drenched western Oregon, hoping for an end to heavy rains both the worst possible news today—another ocean storm is moving in on the state.

The storm yesterday dumped from 2 to 5 inches of rain on the western part of the state, blocking roads, closing some schools and forcing evacuation of families from low-lying areas.

* * *

Inland in southern Oregon, gusts up to 82 miles an hour were recorded at Sexton Summit. Scores of trees were blown down, one of them killing a man, Victor Clarence Flury, 38.

The Coast Highway, the Redwood Highway and the Pacific Highway all were blocked by floods or slides in southern Oregon and northern California.

In Portland, evening traffic was jammed as slides temporarily blocked the three main highways leading west from the business district.

National highway construction activities will top Ecuador's economic development program as outlined for the next 3 to 5 years.

U. S. Students' Ignorance Stuns Dutch Journalist

BATTLE CREEK (AP) — The first few times Herman Besselink visited Battle Creek High School classrooms he was struck by what he "unthinkingly called the students' ignorance."

* * *

It's no wonder, because Besselink was born and educated in the Netherlands, where he went to high school six days a week for five years. Now he's on the editorial staff of the Battle Creek Enquirer and News as a foreign exchange journalist.

Writing in that newspaper of his first impressions of American high school students, he said: "I often thought that, at their age, I knew much more about their country's history and its social and political life than they did."

Besselink learned to speak, write and read English, French and German in high school.

"Geometry, algebra, physics, economics, history, geography — we had to take 13 or 14 subjects for five years. There were no electives," he explained.

PUT ON THE SPOT

Which type of education is better, Dutch or American?

"That is a pretty hard question to answer," Besselink hedged.

His school "didn't offer one single opportunity to whet my mind and to lift my soul in dealing with practicalities of life like campaigning for the class presidency, aiding in preparations for a school dance or playing with some athletics team."

"An American classroom," he added, "mirrors the American community and its way of dealing with life. There one finds all shades and grades of intellect and interests, combined in an effort to learn from one another as much as from books."

Besselink said that if he had it to do over again he'd like to go to a high school where they dispense with learning for learning's sake.

* * *

"I then wouldn't mind doing those five years all over again," he wrote. "And the first thing I would do might be starting a football team and trying out for it myself.

"But I wouldn't run for the class presidency. Dependable sources have informed me it entails too much woman trouble."

Rodents Start Fire

ADRIAN (AP)—Rats were blamed for starting a $3,000 fire at the Virgie Johnston farmhouse. Firecorn cobs into the furnace and the heat set them on fire. Flames swept up an air duct which also was piled with corncobs.

Check New Leads in Death Car Hunt

New leads resulting from telephone tips are being pursued by Pontiac Police in the search for the car which killed a 74-year-old pedestrian in a hit-and-run accident Sunday.

Sgt. Clayton A. Randolph of the Traffic and Safety Bureau said that anyone possessing information about a 1954 or 1955 Ford with the right front fender smashed should get in touch with police.

He said that if the death-car is located, police will be able to find and bring to justice the driver.

Wins Monthly Award at Selfridge Air Base

An Alabama soldier who won the contest twice previously was again named "soldier of the month" for November in the 516th AAA Missile Battalion at Selfridge Air Force base.

Pfc Norman W. Loper, a former high school teacher, received cash prizes totalling $10 and a three-day pass for his achievement.

More men than women are hospitalized for mental disorders in the United States, says a report by statisticians of a life insurance company.

Sen. George Too Old? The Senate Has Others Older

By JAMES MARLOW

WASHINGTON (AP) — At 77 Sen. George is no chicken—there have been complaints in his native Georgia that this Democrat is too old to run again. But he's by no means the oldest man in the U.S. Senate.

Twelve of the 96 senators are over 70. Six of them are older than George. He said yesterday he would seek re-election in 1956 when he's 78. But that won't set any records, either.

Men older than George have sought re-election in the Senate, and won. Even next year George will probably not be the oldest senator trying for another term.

The oldest senator now is Theodore Green D-RI, who is 88. He was re-elected in 1954 when he was 87. He may wind up being the oldest senator in history by a mile.

Judging from what he said during his 1954 campaign—he'll be 93 when his present term ends—he will try to stay in the Senate until he is at least 100. He's amazingly active.

* * *

Here are the 10 other senators, besides George and Green, who are over 70:

Neely D-WVa., 81; Smith R-NJ and Murray each 79; Barkley D-Ky. and Hayden D-Ariz., each 78, Lehman D-NY, 77; Martin R-Pa., 76; Flanders R-Vt., 75; Wiley R-Wis. and O'Mahoney D-Wyo., each 71. Lehman is two months younger than George.

The terms of Hayden, Lehman and Wiley draw toward a close next year—their terms actually seek re-election in 1956 Hayden will be 79, Wiley, 72, and both Lehman and George will be 78.

Neely was 80 when he was re-elected in 1954 but seems shy about telling his age. He does not list his birthdate in the Congressional Directory, where most senators give their ages, nor in Who's Who in America. It took some scouting around to find the date. He was born Nov. 9, 1874.

* * *

Barkley and Murray were also re-elected to the Senate in 1954, Barkley having been out since he became vice president in 1949. Barkley was 77 and Murray 78.

Green is not yet the oldest man who has served in the Senate but, according to men who specialize in Senate history, he is missing the record by only seven months.

Green is 88 years and 2 months old. Sen. Morrill R-Vt. died in office in 1898 at the age of 88 years and 8 months. So if Green lives another 6 months he'll tie Morrill and in 7 months be out in front.

Green has only 2 months more to go to tie Sen. Glass D-Va., who was 88 years and 4 months old when he died in 1946. Senate historians say Morrill, Glass and Green are the oldest senators in history.

But then they hedge it by saying that although they feel certain this is correct, they haven't checked every senator's age all the way back to the first Congress.

Sailors at Training Center Give Children Yule Party

Navy men at the Pontiac reserve training center entertained 60 under-privileged children at a Christmas party today and provide 100 others with toys Christmas Day.

Santa Claus, courtesy of the Tel-Huron Shopping Center, and entertainment by students of a downtown dance studio was on hand for the program at 1:30 p.m.

Ice cream, candy, cookies and fruit were provided by local wholesalers, Chief Petty Officer S. S. Stone said.

He said that old toys made new will be distributed by sailors before Christmas to children whose names are selected by the Pontiac Metropolitan Club. The toys were donated to the center and repaired by station personnel, Stone said.

He urged anyone about to throw away old toys between now and next Christmas to get in touch with him first.

"A lot of toys are being wasted which we could salvage. We'll be glad to pick them up any day of the year," Stone said.

Britain has almost completely denationalized its highway haulage.

This Is a Young Man

Research psychologists say their ideal type of prospective Air Force or Navy pilot is a youngster from a large family who enjoys bodily contact sports, builds and drives "hot rods," likes all kinds of people, believes in some religion, and is daring but not foolhardy.

The distance from London to Bombay is 10,800 miles via the Cape of Good Hope and a little more than 6,300 miles via the Suez Canal.

Gripping Meeting

PARIS (INS)—Europe's ranking national judo experts will gather in Paris Dec. 4 and 5 for a two-day regional championship meet. The individual and team winners of this contest will represent Europe at the first judo world championships to be held in Tokyo May 5, 1956.

New Zealand's food price index recently dropped six points in a month.

Indoor Air Raid Bell

BATTLE CREEK (INS)—Some day most homes in the United States may have indoor air raid systems of their own. Engineers for the Federal civil Defense Administration say that such a home signal device probably will cost home-owners about $10 to install.

An average American family spends 15 per cent of its food budget for milk.

Housewife Helped

OSLO—Six hundred eight-four of Norway's 744 municipalities have established housewife-relief services, a local-State subsidized scheme whereby a trained assistant goes to the aid of a family whenever the housewife is too ill to manage her chores. More than 1,500 of these relief suppliers are now at work.

James Madison, 5 feet 4 inches tall, was the shortest President of the United States.

Chemicals Pass Peak

OTTAWA — Another production record was set by Canada's chemical and allied industries in 1954 when the factory value of shipments reached a gross of $921,100,000, an increase of 4½ per cent over the previous peak, reached in 1953.

About one billion of the world's people suffer from hunger or malnutrition.

Hospital Plans Yule Feast

EARLY START — With Christmas dinner only a few days off, the cooks at Pontiac State Hospital are already preparing ingredients for poultry stuffing. Earl W. Hudnell of Court drive, the butcher at the hospital, is trimming wing tips and readying one of the ninety 22-pound turkeys for the oven. Mrs. Harold Parks of Henderson avenue is cubing bread, while Paul Greer of DeSoto place chops celery. Ready with advice and the cans of seasoning is Mrs. Oswald E. See of Lansdowne. The 250 loaves of bread needed for the dressing tower behind the group.

FRIED CAKE DAY—Norman Warner of Northrup street makes fried cakes for pre-Christmas meals at Pontiac State Hospital. Thirty-four hundred are needed every time they appear on the menu. The automatic doughnut machine drops circles of batter into a huge deep fat kettle. They are turned and removed by hand.

SURPLUS FOOD — Some of the surplus food we hear about in this country is channeled into institutions like the Pontiac State Hospital, where dieticians like Grace Clark welcome it. It means more protein for each patient when 300 pounds at a time are sliced and served. Mrs. Gertrude Erway of Rochester was presiding at the slicing machine when pictures of Christmas week activities in the hospital kitchen were being taken.

Christmas Meals Festive at Pontiac State Hospital

By JANET ODELL
Pontiac Press Home Editor

There's a holiday air pervading even the kitchens of the great sprawling State Hospital. The photographer and I spent more than an hour on Tuesday morning with Grace Clark, hospital dietician, as our guide.

First to the main kitchen, where the noon meal was being prepared. Several of the cooks were already concerned with work on the Christmas dinner, not to be served, of course, until Sunday.

The readying, roasting and carving of some ninety turkeys cannot be done in a day. Miss Clark said that the actual roasting will start about midnight on Christmas Eve. Dinner is scheduled for noon, and many of the patients live in buildings some distance removed from the kitchen.

Dressing is on the Christmas menu all right; but the turkeys are not stuffed. It is easier to bake the dressing separately than it is to stuff the birds, then dig out the baked dressing. Celery leaves and stalks are placed in the body cavities to keep them moist.

Giblets and wing tips are cooked early to make a rich broth used in the dressing. There is, Miss Clark admits, no problem of leftovers.

Hospital patients will have fruit cake for dessert Christmas Eve, plum pudding for Christmas dinner and Christmas cookies for Christmas supper. Each will also receive a stocking filled with fruit, nuts and candy.

In addition to turkey, dressing and gravy, Sunday's dinner will include cranberry sauce, buttered cauliflower, celery and the dessert. Supper calls for oyster stew, Chinese cabbage salad, crushed pineapple and cookies.

Like all baked goods consumed at the hospital, the Christmas cookies will be baked in the institution's bakery. We paid a visit to that busy place smelling so wonderfully of freshly baked bread.

The bakers work only five days a week and make 1,300-1,600 loaves of bread every day. They make the pies that appear on the menu at least once a week. They make other kinds of cookies. And they make doughnuts.

Imagine a deep fat container measuring approximately 2x3 feet! Well, when you fry 3,400 doughnuts in one day, you need that much room for cooking them. The hospital bakery has an automatic doughnut machine among other labor-saving devices.

Do you have any idea how much dressing it takes to feed 3,000 people? Miss Clark gave me the amounts of the various ingredients used.

DRESSING FOR 90 TURKEYS

250 loaves of bread
40 pounds butter
4 gallons chopped onions
8 gallons chopped celery
1½ pounds sage
3 pounds salt
½ pound black pepper
20 gallons turkey stock

Start several days ahead of time to cube the bread and prepare the onions and celery. Mix all together and stuff 90 turkeys, or bake separately.

Freeze Cranberries

Freezing cranberries for all those festive winter dinners is easy. Just wash, sort and package the tasty red berries and pop them in the freezer. Or freeze them in the cellophane bags they're sold in.

Add Glamor to Rice

Stir a little butter and curry powder into hot cooked rice; add toasted chopped almonds and currants. Serve with curried lamb or chicken.

About one-third of all purchases from a typical large department store are delivered by truck, as are about 40 per cent of foods purchased from an average independent grocer.

End Yule Meal With Light Note

For a light but delightful end to the family Christmas dinner, this Cherry-Apricot Bavarian seems about right.

Cherry-Apricot Bavarian

2 tablespoons unflavored gelatin
½ cup water
1½ cups sieved canned apricots
2 tablespoons lemon juice
1 cup water
¼ teaspoon salt
2 cups heavy cream, whipped
1 cup chopped maraschino cherries, drained (about 20 cherries)

Soften gelatin in water. Dissolve over boiling water. Combine apricots, lemon juice, sugar and salt; stir until sugar is dissolved. Add gelatin and mix well.

Chill until mixture is slightly thickened. Fold in remaining ingredients. Turn into 3-cup mold. Chill until firm. Unmold and garnish with additional cherries, if desired. Serves six to eight.

Cherry Rice Delight

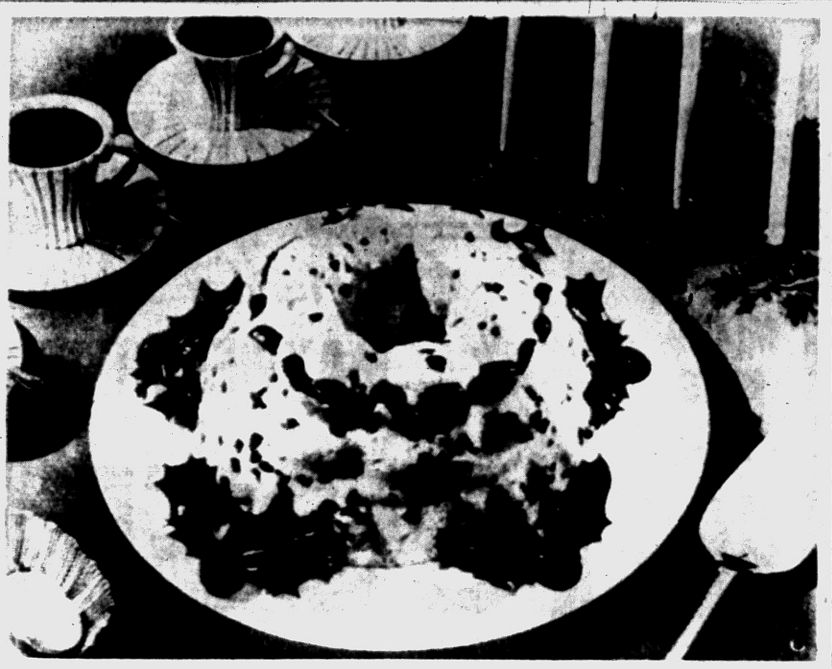

½ cup rice
2 cups milk
¼ cup sugar
¼ teaspoon salt
½ teaspoon cinnamon
½ cup chopped maraschino cherries, drained (about 10 cherries)
½ cup heavy cream, whipped
12 canned apricot halves, drained
6 maraschino cherries, drained
¼ cup sugar
1½ teaspoons cornstarch
¼ teaspoon salt
½ cup boiling water
1 tablespoon butter or margarine
1 teaspoon grated lemon rind
1½ teaspoons lemon juice

Combine rice and milk; cook until mixture boils. Simmer until rice is tender, about 20 minutes. Add one-fourth cup sugar, one-half teaspoon salt and cinnamon; mix well. Cool five minutes; chill.

Fold rice mixture and chopped cherries into cream. Turn into serving dishes. Top with apricots and cherries.

Meanwhile, combine one-fourth cup sugar, cornstarch and one-eighth teaspoon salt. Gradually add water and cook, stirring constantly until mixture is thickened and clear. Add remaining ingredients and mix well.

Chill and pour over apricot-cherry mixture. Serves six.

CHERRY-APRICOT BAVARIAN — For a delightful holiday dessert which is light and colorful, let yourself go with Cherry-Apricot Bavarian. It is the ideal dessert for families that do not care for the heavier puddings.

Bran Muffins Can Be Made Light and Fluffy

Did you know bran muffins could have a fluffy texture? Try these and see!

Feather Bran Muffins

1¼ cups ready-to-eat bran
1 cup milk
¾ cup sifted flour
3 teaspoons double acting baking powder
½ teaspoon salt
¼ cup sugar
1 egg
3 tablespoons butter or margarine (melted)

Soak bran in milk in a medium-sized mixing bowl. Meanwhile sift together the flour, baking powder, salt and sugar onto a piece of paper. Beat egg in a small bowl, enough to combine yolk and white.

When bran has taken up most of the milk, add sifted dry ingredients, lightly beaten egg and melted butter.

Stir only enough to moisten flour; do not beat or muffins will be peaked or humped and have tunnels. Fill muffin cups two-thirds full.

Bake in a hot (400 degrees) oven until a cake tester inserted in center comes out clean—about 25 minutes for medium-sized or large muffins.

If cups measure 3 inches across the top and are about 1 inch deep, this recipe will make eight muffins.

U.S. Asked to Develop New Potato Products

WASHINGTON (INS)—The Agriculture Department's Potato Advisory Committee wants the government to step out with a wide range of new research work on the production and use of the lowly tuber.

Among other things, the committee says the department should try to develop new processed potato products, emphasizing high quality and ease of preparation, and also to improve processing methods of present potato products.

The department has long been sponsoring a wide range of research projects in this field.

Turkey Ends Up in Soup

Leftover turkey can be the beginning of much fine eating. The turkey carcass, of course, means a large pot of delicious rich soup.

Let's turn to "Magic With Leftovers" by Lousene Rousseau Brunner, a new collection of 300 recipes using leftovers. It's a practical and enticing collection. This turkey soup recipe is one example.

Turkey Soup

Turkey carcass
1 bay leaf
½ teaspoon marjoram
¼ teaspoon thyme
¼ teaspoon basil
2 tablespoons butter or margarine
3 tablespoons flour
1 medium onion chopped fine
½ cup minced celery
Salt and pepper
¼ cup raw rice
½ pound mushrooms sliced and sauteed
3 tablespoons Madeira or sherry, if desired, or
1 tablespoon lemon juice

Here is the traditional last appearance of the turkey, and a delicious one it can be. To avoid keeping the turkey carcass on hand for several days, remove all usable meat from it as soon as possible and make the basic broth for turkey soup immediately.

Break up the carcass, cracking larger bones with a cleaver or hammer. Put in a large soup pot with bay leaf and other herbs, and enough water to cover completely, and simmer slowly, covered, for three to four hours.

Strain through a fine sieve so as to remove little slivers of bone, and sort out pieces of turkey and put back in the broth. (At this stage broth can be stored to make soup another day.)

Melt butter in kettle large enough to hold the broth you have and blend in flour. Cook for a minute. Add stock gradually. Bring to boil and add onion, celery, rice, and seasonings to taste.

Simmer until rice is soft — 25 to 30 minutes — and add mushrooms. Just before serving add Madeira or sherry or lemon juice. Makes 10 to 12 servings.

Be sure to add salt, whole pepper, celery leaves and onion when you are cooking chicken giblets and pieces of bony back for stock.

Try Flaming Fruitcake for Christmas Drama

Flame your fruitcake for dramatic holiday serving. Flaming is easy.

* * *

Soak sugar cubes in lemon extract about five minutes, and they're ready to light. To hold the cubes, cover soft drink bottle caps with foil.

Place four or six sugar cubes on plate around cake in their foil-covered holders, light and serve to "oh's" and "ah's"!

Put Economical Onions in Soup, Stew, Salad

Dry onions are stacked high in the displays at local markets. Consumer marketing information agents recommend using many of these economical vegetables in soups, stews, casseroles or salads.

If the onion odor lingers, remove it from your knife by running the knife through a raw potato; remove it from your hands by rubbing them in celery salt; and chew a little parsley dipped in vinegar to remove it from your breath.

Wreath Pudding Uses Lemonade

For an extra holiday dessert, you might like to try this rich and delicious date-nut pudding.

Christmas Wreath Pudding

1 cup sugar
2 tablespoons flour
2 teaspoons double-acting baking powder
4 eggs (separated)
¼ teaspoon salt
1 teaspoon vanilla
2 packages (6½ ounces each) pitted dates (chopped)
1 cup coarsely broken walnut meats
8 tablespoons frozen concentrate for lemonade (undiluted and thawed)
½ pint heavy cream
Maraschino cherries
Sliced almonds or Brazil nuts

Oil an 8-cup ring mold well; line bottom of mold with waxed paper and oil the paper.

Stir sugar, flour and baking powder together. Beat whites with salt until stiff but not dry. Without washing beater, beat egg yolks slightly; stir in vanilla and sugar mixture, then dates and nuts.

Fold in beaten egg whites. Turn into prepared ring mold.

Bake in moderate (350 degrees) oven 35 to 45 minutes or until cake tester inserted in pudding comes out clean. Run spatula around sides and center of ring mold to loosen pudding; turn out carefully.

Remove paper. Dribble 6 tablespoons of the lemonade concentrate over pudding. Cool.

At serving time, whip cream; gradually fold in remaining 2 tablespoons of lemonade concentrate.

Garnish pudding with whipped cream, cherries and sliced nuts. This pudding is rich so it may be served in small portions.

CHRISTMAS WREATH PUDDING — Lemonade perks up this holiday date-nut pudding and its whipped cream topping. Use the convenient frozen kind.

Rinse for Macaroni Depends Upon Recipe

If you're using a macaroni food in a hot dish, use hot water for rinsing. If it's a cold macaroni salad in the making, use cold water for rinsing.

When you cook more macaroni, spaghetti or noodles than you need for one dish, store the remainder in the refrigerator for another meal. Before using, freshen it by running hot or cold water through it.

Bake Sweet Treats During Yule Season

Re-establish your reputation as as a chef during the Christmas season. Rise to holiday occasions by serving baked goods. They fit in beautifully at your buffets, open houses and "special" dinners.

Vary holiday baking by trying something new. Look for steamed pudding recipes. You'll be pleased when you see how easy they are to make.

Or surprise your family with a foreign Christmas bread. See how many different types of cookies you can turn out. You'll find Christmas baking adds a spicy, homey fragrance to your kitchen.

Stuffing Blends Franks, Rice

How will you stuff your holiday turkey? One certain way of insuring a successful Christmas dinner is to include generous servings of appetizing and tempting stuffing.

• • •

No matter what method you select to cook your turkey, you will find carefully prepared savory stuffing a popular part of your menu. Turkey without stuffing is like a cake without frosting.

• • •

Here's how you go about it: but be sure to remember that stuffing expands during the roasting process. So be careful not to overstuff the bird.

Wild Rice 'n' Franks Stuffing

½ cup chopped onion
4 tablespoons butter
1 cup chopped mushrooms
¼ teaspoon thyme
½ pound skinless frankfurters sliced in strips
3 cups parboiled wild rice
1 teaspoon salt
2 beaten eggs

Note: You may use fresh, canned or dried mushrooms. Dried mushrooms should be soaked overnight and thoroughly washed before using.

Parboil wild rice until it is almost soft. Drain thoroughly. Roasting time will be sufficient to make rice completely palatable.

Saute onion in 2 tablespoons butter until lightly brown and set aside. Cook the mushrooms in remaining 2 tablespoons of butter for about five minutes, stirring constantly, and remove from pan. Beat eggs slightly.

Slice skinless frankfurters in strips, and brown lightly in drippings. Remove from heat and toss all ingredients, including franks, onion, mushrooms, wild rice, beaten eggs and seasonings.

Stuff bird between crop and tail. This will make about 5 cups, enough for a 10-pound, ready-to-serve turkey.

Prepare Snow Bars for Snack at Teatime

Bake wintry Snow Bars for your next teatime snack. Cream together three-quarters cup butter or margarine, three-quarters cup confectioners' sugar and 2 teaspoons vanilla extract.

Mix in 3 cups sifted enriched flour, 1 cup chopped pecans and one-quarter cup water. Chill two to three hours or overnight.

Shape into bars about 2 inches long and one-half inch thick. Use about 2 teaspoons dough for each bar. Place on ungreased baking sheet. Bake in moderate oven (375 degrees) about 20 minutes.

While still warm, roll in confectioners' sugar. Makes about 50 2-inch bars.

CHRISTMAS TREE MOLDS — Simplicity with a flourish might be an apt description of this holiday treat. It's lime gelatin served party style.

Yuletide Trees Come to Table

These charming Christmas tree molds are wonderful holiday treats and so decorative on a buffet table. Simply mold lime gelatin, fruit cocktail and nutmeats into individual Christmas trees and garnish with whipped cream to outline the branches.

• • •

There's nothing to it, yet that extra touch can make all the difference in a world of desserts especially during the merry Yuletide season.

Christmas Tree Molds

1 package lime-flavored gelatin
1 cup hot water
1 cup minus 2 tablespoons fruit juice
2 tablespoons lemon juice
1½ cups (No. 2 can) drained fruit cocktail
¼ cup coarsely chopped nutmeats, toasted if desired
1 cup cream, whipped and sweetened

Dissolve gelatin in hot water. Add fruit juice and lemon juice. Chill until slightly thickened. Fold in fruit and nutmeats. Spoon into individual Christmas tree molds. Chill until firm.

Unmold. Make tree design on top of molds, using whipped cream in pastry bag. Serve with remaining whipped cream and maraschino cherries for dessert.

To serve as salad, garnish with crisp lettuce leaves. Makes eight servings.

Candied Fruits Fill Yule Cake

Currants and candied fruits pop out of this English Yule Cake. Serve it warm for breakfast or tea.

English Yule Cake

2 packages yeast, compressed or dry
¼ cup water (lukewarm for compressed yeast, warm for dry)
1 cup milk
⅔ cup sugar
2 teaspoons salt
½ cup shortening
4 cups sifted enriched flour
½ teaspoon nutmeg
4 eggs
1 cup currants or raisins
½ cup chopped, candied fruit peel

• • •

Soften yeast in water. Scald milk. Add sugar, salt and shortening. Cool to lukewarm. Add 2 cups flour and nutmeg. Mix well. Add softened yeast and eggs. Beat well. Add remaining flour, mixing thoroughly.

Beat five minutes. Cover, set in warm place and let rise until doubled (about 1½ hours). Stir down.

• • •

Add currants or raisins and candied fruit. Mix well. Pour into two greased loaf pans, 4½x8½ inches. Let rise until doubled (about 30 minutes).

Bake in moderate oven (350 degrees) about 45 minutes. Makes two loaves.

Popcorn House Highlights Holiday Scene

Let the youngsters help you make this handsome holiday scene for the Christmas table or mantelpiece. It can be easily prepared with a can or two of popcorn kernels and assorted candies.

* * *

The family can join in the popcorn popping session and with a little help from you in mixing the syrup. Everyone can have fun creating the gaily decorated holiday setting.

To start off, follow these simple instructions for perfect popcorn as recommended by the popcorn canners:

1. Warm up the popper, heavy pan or skillet.

2. Put in one-fourth cup of your favorite cooking oil or shortening.

3. Let the oil get hot — about three minutes. Drop in three or four kernels. When they begin to spin in the hot oil, it's time to start popping.

* * *

4. Pour enough kernels from can to cover the bottom of popper or pan.

5. Cover and shake gently. When you hear the last few pops, remove pan from heat and empty contents into a large bowl.

Popcorn House

1 10-ounce can popcorn
3 egg whites
2 to 3 cups confectioners sugar
2 squares unsweetened chocolate, melted
Candy coated chocolate candies
Gum drop squares (marshmallow centers)
1 frosted cookie
1 peppermint stick
Red candies

Pop three quarts of popcorn. Prepare popcorn as label directs for popcorn balls. Reserve 2 cups of plain popcorn for "roof." Press popcorn ball mixture into greased 10x5x3-inch loaf pan.

* * *

When firm, unmold onto cardboard, mirror or board. cut a piece of heavy cardboard 10x8-inches for roof; bend in half. Cut triangles to fit into side of roof. Tape it securely from underneath.

Beat egg whites until foamy. Add sugar and continue beating until of spreading consistency. Set aside one-third of frosting. Blend chocolate into remaining two-thirds. Use to frost popcorn loaf.

Set roof in place; frost with white. Add popcorn, and candy "shingles." With the rest of white, stick on gumdrop "chimney" (use toothpicks as you build up chimney), windows, cookie door and wreath.

Popcorn Christmas Trees

Butter, margarine or shortening
Cone shaped paper drinking cups (8 to 10)
1 10 ounce can popcorn
Peppermint sticks
Large gumdrops
Toothpicks

Grease 8 to 10 paper cups; set aside. Pop 3 quarts popcorn. Prepare popcorn as label directs for popcorn balls. Push popcorn ball mixture into paper cups and set a piece of candy stick into bottom of tree to serve as a trunk.

Set three gumdrops close together to form a triangle; insert picks to hold together. Pull or cut paper from tree. Set on candy cane trunk into triangular gumdrop base. Repeat until 8 or 10 trees are made.

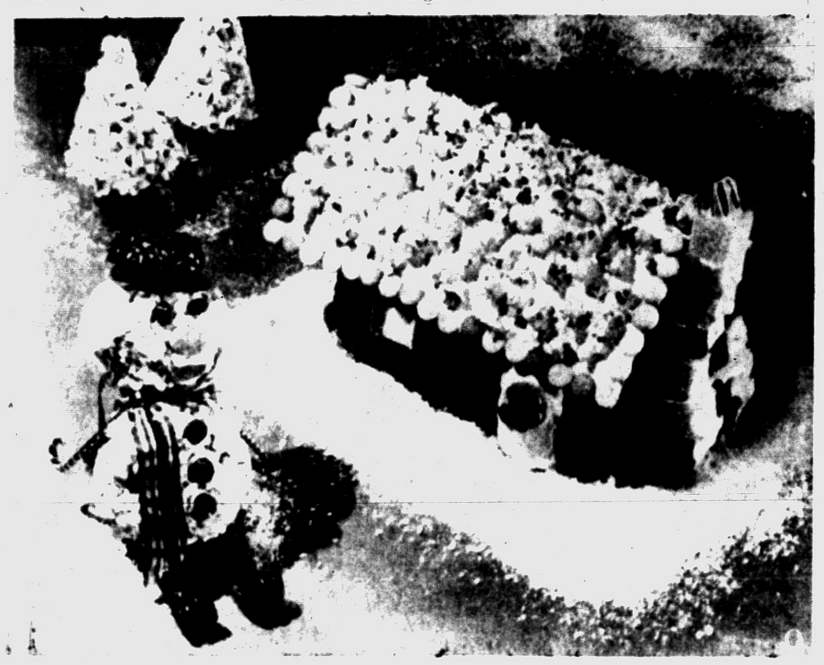

Popcorn Snowman

1 10-ounce can popcorn
Confectioners sugar
12 licorice sticks
6 marshmallow topped cookies
12 peppermint candy patties
Gum drops
Semi-sweet chocolate bits
12 small candy canes
Ribbon

Pop 3 quarts popcorn. Prepare popcorn as label directs for popcorn balls. Form six large balls for bodies and six smaller ones for heads. With confectioners' sugar and water mixed to thick paste stick head to body.

Stick on features, ear muffs. With wet knift slip marshmallow cookie toward the back so that it looks like a cap. Stick cap in place.

With picture wire turn ends of licorice sticks to look like skis—stick snowmen on skis. Tie on scarf (ribbon) and add ski poles (small candy canes). Repeat for six snowmen.

POPCORN HOUSE — You've heard of and perhaps made gingerbread houses. This year make a popcorn house for the youngsters. It's very simple to construct and will be a conversation piece all during the holidays.

Show Yule Spirit With Chewing Gum

Want to hear a lot of people say "Thank You" during the holidays without spending a lot of money? It's the easiest thing in the world. Just get a supply of chewing gum, keep plenty where it's handy, and dole it out with a free and easy spirit.

* * *

Pass sticks or packages of gum around to friends you meet and those who come a-visiting. Put a few packages in the children's Christmas stockings. Have some right in view in your living room, so the family can help themselves.

Serve gum after holiday meals, as a refresher when the heavy eating is over. It's a pleasant aid to digestion and a treat that is enjoyed by young and old alike.

* * *

Remember, Mom, you can buy a lot of chewing gum without straining the family budget and it fits right in with that holiday spirit. So get plenty.

Milk absorbs odors readily; so do eggs. Keep refrigerated milk and eggs covered. Never wash eggs before storing.

Old-Style Pumpkin Cake Topped With Ginger Icing

The holidays are a nostalgic time of year. The family gathers and the members of the older generation recall the comforting warmth of that old black stove and the pleasant smell of freshly baked breads and cakes hot out of the oven.

* * *

You can relive this last memory if you resort to Grandma's method of baking . . . with baking soda. Modernize a bit, however, and instead of using the soda-sour milk combination for leavening which was the common procedure in Grandma's day, pair soda up with vinegar.

* * *

This method, which has recently been perfected after several years of experimentation, assures you that your cakes or breads will never take a tumble. They'll be light and tender, for vinegar has a much more stable content than sour milk.

Pumpkin Cake

2 cups sifted cake flour
1 teaspoon baking soda
1 teaspoon salt
½ teaspoon ground cinnamon
¼ teaspoon ground cardamon
½ teaspoon ground cloves
½ cup shortening
½ cup granulated sugar
¾ cup firmly packed brown sugar
2 eggs
½ cup cooked, pureed pumpkin
¼ cup vinegar

Sift together flour, baking soda, salt, and spices. Cream together shortening and sugars thoroughly. Add eggs, one at a time, and beat until mixture is light and fluffy after each addition.

Blend in pumpkin and vinegar. Mix in sifted ingredients, beating mixture until thoroughly blended.

Pour equal amounts of batter into two greased and floured 8-inch layer cake pans. Bake in a 375-degree (moderate) oven about 25 minutes.

Cool before frosting with Ginger Icing. Garnish with sliced candied ginger, as desired.

Sandwiches Star Shrimp and Cheese

Serve this broiled open sandwich for lunch, supper or an evening company snack.

Shrimp-Cheese Open Sandwiches

1½ cups (8 ounces) cooked and peeled and deveined shrimp
1 package (6 ounces) pasteurized process Swiss cheese food
¼ cup mayonnaise
Juice of ½ lemon (3 to 4 teaspoons)
½ teaspoon paprika
½ teaspoon onion powder
1 teaspoon Worcestershire sauce

Put shrimp and cheese through fine blade of food chopper. Mix with mayonnaise, lemon juice, paprika, onion powder and Worcestershire sauce. (Makes about 2 cups.)

Spread mixture over slices of bread, covering edges well. Broil until hot and lightly browned. Cut in triangular halves and serve at once.

Give Yule Fruitcakes Festive Glazed Tops

Give your holiday fruitcakes a festive finishing touch by glazing them. To make a glaze for three loaf-type cakes, combine 1 cup sugar, one-half cup corn syrup and one-half cup water. Cook until mixture forms a soft ball (about 230 degrees). Cool slightly.

Spread on cake. While moist, arrange a garnish of candied fruits and nuts. When firm, wrap cakes in moisture-proof wrap or store in covered containers.

Quartered apples, cooked in a sugar syrup to which small cinnamon candies have been added, taste delicious with roast prok.

Give the small fry a thrill by cutting their sandwiches like jigsaw puzzles, then let them rearrange the pieces before they eat them.

Jellies Now Keep True Flavor, Color

The food industry has perfected ways of retaining the true flavor and color of jellies and preserves.

Through a complex method of recovering essential volatile ingredients, the natural flavors are put back in the product before filling and sealing in containers.

* * *

Strawberry preserves which soon will be on the market offer an outstanding example of the strides taken towards preserving natural color.

The field-fresh berry red was captured by maintaining a definite level of anthocyanin pigment. Additional experiments along this line are being made on vacuum concentrations at lower than usual temperatures.

Relax! It's Christmas, Use Quick Cooking Tricks

By JANET ODELL
Pontiac Press Home Editor

This week you're far too busy to read any lengthy articles on food. We think, however, you may have time and may like a few ideas for meals this coming weekend.

Cranberries and poultry of any kind are a perfect pair. Open a can of cranberry sauce and vary it for serving with chicken or turkey.

You can add a large cored apple and ¼ lemon (rind and pulp) ground up. Mincemeat and chopped walnuts (¼ cup of each) make another interesting combination.

When you need a quick supper dish this week—or any time—cook green noodles according to package directions. Heat a can of mushroom or any favorite spaghetti sauce with one small can of deviled ham. Mound noodles in ring on serving dish and fill center with piping hot sauce.

You may have plenty of venison in the freezer. But if your nimrod came back empty handed try this recipe for a pleasing substitute.

Mock Venison Steak

Allow 4 lbs. veal steak to serve 6. Heat ¼ lb. salt butter in large fry pan or electric skillet. Add about 12 mushroom caps, peeled and sliced; saute gently. Place veal steak on mushrooms, sear and turn.

Add ½ cup dry sherry. Season with salt, pepper and ½ teaspoon oregano. Lower heat, cover, cook 12 to 15 minutes, according to taste. Serve with slightly thickened cream gravy, combining pan juices with top milk or cream.

Serve Mashed Yams

Lots of butter and honey to taste make mashed sweet potatoes taste especially delicious. Pile the mashed yams into a pie plate and heat and brown in the oven or under the broiler. Nice with chicken, ham or turkey.

Are pancakes on your menu at any time during the holiday weekend? Vary them by adding ½ cup well-drained canned crushed pineapple and a dash of ground cloves to the batter. Serve with sausages or fried ham.

For a dip that is different add diced fresh grapefruit sections to a tangy mayonnaise made with fresh lemon juice. Serve with potato chips.

Have a wonderful Christmas. Don't work yourselves to death getting meals ready. Do-it-yourself might well be your motto for the family. They'll fare just as well, and you'll fare better!

Use Jam as Filling

Use some of that homemade strawberry preserve you've just put up as a filling for sponge cake layers. Serve topped with prepared vanilla pudding folded into whipped cream. If you have a nutmeg grinder, pass it with the dessert.

Eggnog, Fruit Cake Are Good Partners

For extra special occasions, serve this eggnog with fruit cake—a wonderful twosome.

Apple Juice Eggnog

3 eggs, separated
4 tablespoons sugar
3 cups apple juice, chilled
Dash of nutmeg

Beat egg whites until stiff; gradually add sugar, beating constantly. Beat egg yolks until thick and lemon colored; add to egg whites. Gradually add apple juice, mixing constantly.

Serve in punch cups. Sprinkle each with nutmeg. Yields eight servings.

Italy wants to export fresh frozen raspberries, strawberries and blueberries.

Bake Banana Velvet Pie for Next Guest Occasion

Combine the delicate flavor of tropically grown bananas with the velvety texture of quick-cooking rice cereal and the airy lightness of beaten egg white.

Serve a piece of it at your next bridge luncheon or company dinner and we'll guarantee that you'll have a conversation piece and many requests for the recipe. It's exotic and delicious.

Banana Velvet Pie

1 cup milk
½ teaspoon salt
¼ cup quick-cooking rice cereal
9-inch unbaked pastry shell
2 tablespoons soft butter
2 eggs, separated
½ cup sugar
1 ½ teaspoon nutmeg, optional
¼ cup water
2 tablespoons lemon juice
1 cup well-mashed ripe bananas, about 2

Heat milk and salt in top of double boiler over boiling water. Sprinkle in rice cereal and cook, stirring constantly, until thickened. Cover, lower heat, and continue cooking for about 10 minutes. Remove from heat and set aside to cool.

Meanwhile prepare pastry shell. Blend together soft butter, egg yolks, one-quarter cup of the sugar and the nutmeg. Combine with slightly cooled rice, mixing well. Combine water and lemon juice and slowly blend into the rice mixture. Stir in the mashed bananas.

Beat egg whites until stiff but not dry; gradually beating in the remaining one-quarter cup sugar. Fold beaten egg whites into the rice mixture.

Pour into unbaked pastry shell. Bake in moderately hot oven (375 degrees), until lightly browned, about 45 minutes. Cool to room temperature before serving. Makes one 9-inch pie.

Note: If you have an electric blender, place water, lemon juice and bananas in container and blend until smooth, about one minute, and stir into the rice mixture.

For Sunday Brunch

Sunday brunch benefits from waffles served with a honey sauce and crisp bacon. To make the sauce, just heat a half cup of honey with a half cup of butter or margarine.

Jerimoth Hill is the highest point of land in Rhode Island. It is 812 feet above sea level.

British Pressuring for Baghdad Pact Causes Fall for Jordan Governments

By JOHN H. MARTIN
INS Foreign Director

British efforts to get Jordan to join the anti-Communist Baghdad Pact has caused the fall of two governments in Amman within a week.

* * *

Behind the rioting this week are several factors — Arab hostility to Israel, resentment of British influence in the Arab world — and, of course, the new Soviet Communist drive against the Bagdad Pact in the Middle East.

Premier Said El Mufti resigned last week during defense talks with British chief of the imperial staff, Sir Gerald Templer.

Britain was understood to have offered new heavy arms and jet fighters if Jordan would join the five-power pact of Britain, Turkey, Pakistan, Iraq and Iran.

Young King Hussein then named Premier Hazzah Mahali, who is considered Jordan's outstanding advocate of Jordanian association with the Baghdad Pact.

This former mayor of Amman, a lawyer now in his middle-forties, was a natural because the young king is a backer of the pact — If he can find enough courageous men to take cabinet posts in the seething Jordanian politics.

Renewed mob action has forced Premier Mahali to resign and Hussein to dissolve parliament to make way for new elections. This in effect will be a plebiscite on whether Jordan joins the Baghdad powers.

British influence is very strong in Jordan, although not so strong in the Middle East as it once was.

Hussein, the 20-year-old monarch, is, for instance, British-educated. He and his cousin, King Faisal II of Iraq, also British-educated formally assumed their thrones May 2, 1953, when both reached the age of 18.

GENERAL GLUBB

The well-equipped Arab Legion of Jordan is commanded by Hussein. But actually an old World War I veteran, Gen. Glubb Pasha, is the commander.

General Glubb, a Briton, is a short, rounded, white-haired man who has served the Legion for 25 years in a little country which has no oil, little fertile land and no discovered mineral deposits.

Jordan's economy actually is built around the small but well-trained Arab Legion. The British taxpayers shell out for the Legion to the tune of approximately $21,000,000 yearly.

* * *

If the British withdrew their support, the economy of Jordan would sink fast.

Cleric Says Juvenile Must Share Guilt, Too

RICHMOND, Va. (AP)—The concept which places the blame for juvenile delinquency entirely on parents doesn't ring true to a noted Catholic educator.

This philosophy of excuse ignores the possibility that human selfishness may still exist, says Monsignor Daniel T. McColgan, executive director of Nazareth, a home for dependent children in Boston. He says delinquents must accept some personal responsibility for their offenses.

Speaking to the teachers institute of the Catholic Diocese of Richmond, Monsignor McColgan said a sense of guilt is necessary or there will be no reformation. He added that good human behavior and religion are intrinsically related.

A South African air line organized a special air lift for fire fighters battling a blaze in the Orange Free State's Harmony gold mine.

20 Escape Fire in Grand Rapids

Two-Story Apartment Structure in Flames; Causes $50,000 Ruin

GRAND RAPIDS (AP)—More than 20 persons—many clad only in night clothes—escaped a fire which caused $50,000 damages yesterday to a two story store-apartment structure on Division avenue.

Several firemen received oxygen to counteract dense smoke that filled the building as they battled the blaze in freezing weather. No one otherwise was injured in the fire.

Police blocked off the street and routed hundreds of rush-hour autos around the area as 11 fire department units arrived on the scene.

Fire Chief Frank H. Burns said the blaze broke out about 6:30 a.m., and was brought under control about two hours later. Firemen still were at work at 10 a.m., investigating the cause.

Burns said a fire in the same structure caused similar damage in 1947. He said today's fire apparently started at the rear of the second floor, swirled through a false attic and spread across the building before firemen were able to operate.

The building, in a commercial-residential neighborhood on the city's south side, housed five business places and the second floor living quarters.

Calcutta police have launched a drive against car thieves, arresting 16 persons.

MINK TOOTHBRUSH — Joy Talbot of San Mateo, Calif., tries out the mink toothbrush she received for Christmas. Inscribed "For one who has everything," the regal gift sells for less than three dollars. Joy, 22, laughingly says she doesn't know how she has been able to get along without one up to now.

Britain remained the world's leading exporter of automobiles in the first quarter of 1955 with the shipment of 105,792 cars abroad. Automobile exports in 1954 totaled 366,000, largest in the world.

Japanese Christmas Embraces Our Santa

TOKYO (AP)—A frosty night, a jolly little man and a sleigh flashing across the moon going east—it's Santa Claus San headed for the land of the sun goddess.

And with him will come Japan's unique and joyous celebration of the Yuletide—borrowed from the Western world and stripped in most cases of its religious significance.

This year the old, old fairy tale of Christmas will live in probably more homes of this predominantly Buddhist and Shinto nation than ever before, although tailored carefully to limited resources.

For days children have been prattling about Santa San, singing "Jingle Bells" and "Silent Night" and taking goggle-eyed walks with their parents into the lavish Christmas wonderlands of Tokyo's department stores.

There curvaceous girl Santa Clauses direct crowds into elevators, giant spangled Christmas trees rear two and three stories high and gifts of pearls, silks and artwork are amazingly cheap.

The decorations do not carry over into the average home. Only the rich can afford a tree, largely because of the approaching, more traditional New Year's holiday which requires special ornamentation of its own.

Christmas morning children will pop out of bed to find a present or two waiting for them. Later in the day the family may dine out, perhaps on chicken. For the children there will be ice cream and cakes.

To the average fun-loving Japanese, Christmas — an imported custom — is a good chance to have a good time. Lavish amounts of liquor are consumed.

For Japan's more than 500,000 Christians there is a more reverent note. Church services on Christmas Eve, prayers, a choir singing Christmas hymns and a sermon are normal activities.

Japan's Christmas always has had strong commercial roots. In the early 30s merchants began promoting it to boost year end business. The custom gradually spread. Now even geisha girls and the lusty big city cabarets promote the season to increase profits.

Events Mark Christmastime in County Churches

Barker-James Rite Read in St. Paul's Methodist

ROCHESTER—St. Paul's Methodist Church in Rochester was the scene of the Saturday evening wedding of Euphemia Barker and Charles James. The immediate families and relatives were present for the ceremony.

* * *

Euphemia is the daughter of Mr. and Mrs. Keen H. Barker of Oakdale, Ky., and Charles is the son of Mr. and Mrs. Samuel W. James of Lutz, Fla., formerly of Rochester.

For her wedding, Euphemia chose a ballerina length gown of Chantilly lace over satin. Her fingertip veil was caught by a tiara trimmed with seeded pearls and sequins. She carried a white Prayer book with white roses. Her only jewelry was a single strand of pearls, a gift from the bridegroom.

Oneita Barker of Rochester served her sister as maid of honor. The bridegroom's brother, Jack of the U.S. Army was best man.

A reception for approximately 125 guests was held in the American Legion Hall of Rochester.

* * *

Following a honeymoon in Florida, the newlyweds will reside on Lehigh Road in Rochester.

MRS. CHARLES JAMES

Deaths in Nearby Communities

Sidney A. Colyer, Sr.

MILFORD — Service for Sidney A Colyer Sr., 41, 228 Cardinal, will be held at 10:30 a.m. Saturday at the Commerce Community Methodist Church with burial in Oakland Hills Memorial Gardens. Mr. Colyer died Tuesday.

He is survived by his wife, Barbara; five sons, Sidney, Robert, Johnny, Steuart and Ronald at home; one daughter, Harriet at home; his mother, Mrs. Harriet Colyer of Kansas City, Mo., one sister, Mrs. Henry Billman of Kansas City, Mo. and a brother, John, of Prairie Village, Kan.

Arthur Proctor

MARLETTE—Service for Arthur Proctor, 66, was held Monday. Burial was made in Zion Cemetery, Watertown. He died Friday.

He is survived by his wife, Emma; five daughters, Mrs. Albret Strickler of Peck, Mrs. Herbert Potter of Brown City, Mrs. John Redmond of Marlette, Mrs. Russell Alles fo Grosse Pointe Woods, and Mrs. Robert Makie of Detroit; three sons, Renton of Brown City, Melton of Marlette and Gary Lee at home; 30 grandchildren and two great-grandchildren; three sisters, Mrs. Lydia Hanson, Detroit, Mrs. Bernnard Bartz and Mrs. Walter Hohf both of Melvindale, and a brother, Herman, of Wayne.

Paul Gill

DRYDEN—Service for Paul Gill, 16, will be held at 9:30 a.m. Friday at the Sacred Heart Church in Imlay City with burial to follow in Mt. Calvary Cemetery. Rosary will be said tonight at 9 at Muir Brothers Funeral Home. Paul died Tuesday from injuries received in an automobile accident Sunday near Romeo.

He was a student in Dryden High School and a member of both basketball and football teams.

He is survived by his parents, Mr. and Mrs. Ervin Gill; four brothers, Anthony of Lincoln, Neb., George of Camp Pendleton, Calif., John of Great Lakes Naval Training School and Irvin at home; three sisters, Mrs. Max Fogg of Pontiac, Rosemary and Carol at home.

Charles G. Bissett

LAPEER—Service for Charles G. Bissett, 68, 5090 Lippencott Rd., will be held at noon Saturday at Donelson-Johns Funeral Home with burial in Mt. Avon Cemetery Rochester. Mr. Bissett died Wednesday.

He is survived by his wife, Mabel; four sisters, Mabel Bissett of AuGres, Mrs. Blanche Donelson of Pontiac, Mrs. Grace Reilly of Elba and Mrs. Maude Chauvin of AuGres and a brother, Grover, of Detroit.

Mrs. Margaret DeSmith

KEEGO HARBOR—Service for Mrs. Margaret DeSmith, 74, 3142 Varjo, will be held at 10 a.m. Saturday from Our Lady of Refuge Church with burial in Mt. Hope Cemetery. Mrs. DeSmith died early this morning. Recitation of Rosary will be at 8:30 p.m. Friday at Donelson-Johns Funeral Home.

She is survived by two daughters, Mrs. Fred Kemp with whom she made her home and Mrs. Margaret Long of Pontiac; two sons, John of Ft. Wayne, Ind., and Robert of Pontiac; two brothers, John Ford of Pontiac and Thomas Ford of England and a sister Mrs. Helen Teer also in England; four grandchildren and one great-grandchild.

John H. Fennix

ROCHESTER—Service for John H. Fennix, 68, 3231 Enmons, will be held at 10 a.m. Saturday from St. Andrew's Church with burial in Mt. Avon Cemetery. Rosary will be said at 8:30 p.m. Friday at the William R. Potere Funeral Home. Mr. Fennix died yesterday afternoon.

Survivors include five daughters, Mrs. Mildred Todd, Mrs. Doris Moore, Mrs. Ila Cole, Mrs. Gayle Cole all of Rochester and Mrs. Shirley Michel of Lum; three sons, Harvey, of Rochester, Joseph of Farmington and Henry of St. Clair Shores; four brothers, John of Bay City; August of Essexville, William of North Branch and George of Linden; two sisters, Mrs. John Peters of Hillman and Mrs. Joseph Bogart of Essexville, and 23 grandchildren.

Mrs. Dela Cope

FARMINGTON TOWNSHIP — Service for Mrs. Dela Cope, 87, 24770 Powers Rd., will be held at 8 p.m. tonight from Farmer-Snover Funeral Home, with burial to follow in Clare. Mrs. Cope died yesterday.

She is survived by one nephew, Claude Cope of Owosso.

Vacated City Office to Be Storage Site

Relief is in sight for Oakland County Clerk Lynn D. Allen, who has experienced increasing difficulty in finding suitable places to store the county's voluminous legal documents.

Completion next year of the new health building under construction at the County Service Center off N. Telegraph Rd. will see the Health Department moved from its present quarters behind the courthouse in downtown Pontiac.

"The prosecutor's office will then be moved from the courthouse basement into the old health building and we'll have space for the clerk's files where the prosecutor's office is now located," said Robert Y. Moore, chairman of the Board ofAuditors.

Marlette School Gives Christmas Program

MARLETTE — The auditorium of Marlette High School was the scene of a Christmas program recently when Beverly Ann Blazier, music director, presented the fifth and sixth grades in "The Birth of Christ." The characters were Mary, Joseph, the wise men, shepherds and angels.

School Holds Parties

LEONARD — Christmas parties are being held by each room individually this week at the Leonard School. A program and Christmas tree will climax the school festivities Friday evening. The PTA will furnish candy for the affair.

Rochester to Observe by Candlelight

Tell Traditional and Special Services

ROCHESTER—Nearly all Rochester Churches have scheduled Christmas Eve services. Several in this area held their Christmas Cantatas on Wednesday, including St. John's Lutheran Church.

* * *

Christmas will be ushered in at St. Phillip's Episcopal Church with the traditional Christmas Communion service on Christmas Eve, Saturday, at 10:30 p.m.

Preceding the Communion Service at 10 p.m. will be an organ prelude on the memorial organ, by the organist, Mrs. Leonard J. Harding. The adult choir, under the direction of Mrs. George Ross Jr., will sing old traditional carols and special musical settings for the service.

On Sunday, Christmas Day, there will be two services of Holy Communion, one at 9 a.m., and the other at 10 a.m., with the combined junior choir of 50 voices singing the carols and special Christmas music.

At 11 a.m. the traditional Holy Baptism will be held for the new babies in the parish or any other children. Parents desiring to have children baptized are asked to contact the rector, the Rev. Edgar A. Lucas, as soon as possible.

There will also be a service of Holy Communion on Tuesday at 10 a.m. Private Communions to the sick and shut-ins will be gladly administered upon request by calling the church office, OL 6-1661.

First Congregational

At 11 p.m. Saturday there will be a special Candlelight Community Service in the First Congregational Church. The public is invited. The Rev. John Yuells will speak on the topic, "To All the World." The adult choir, under the direction of Worth Mallory, will render "Glory to God," "There's a Song in the Air," and "Birthday of the King."

On Sunday morning at 10:45, there will be a special Christmas service with the adult choir presenting in music, narration, and kodachrome slides, the story, "The Other Wiseman" by Henry VanDyke. Included will be "O Holy Night," "There Shall a Star Come Out of David," and "Gesu Bambino" with Bonnie Axford as soloist.

The pre-nursery children through kindergarten department will convene at the same hour. The Rev. Mr. Yuells announces that, as the 10:45 service is a family service, older children should accompany their parents. A Christmas baptism service will be administered at the same hour.

At St. Andrews

At St. Andrew's Catholic Church the traditional Christmas Eve service will be held beginning at 11:15 with Christmas carols sung, with Solemn High Mass at midnight, followed by Low Mass of Thanksgiving.

On Sunday, Low Masses are scheduled for 7, 8:30 a.m. and noon. Solemn High Mass will be said at 10:30 a.m., followed by Solemn Benediction of the Most Blessed Sacrament.

The Rev. Kenneth Burgess has arranged a special service Christmas Eve, beginning at 11 p.m. through to midnight. His topic will be "They Offered Gifts." The adult choir, directed by Frank Irish will sing Christmas music. The Christmas Day worship service will be at 10 a.m.

Six Tableaux to Tell of Birth

Church Members to Participate as Featured Players

ROMEO — "The Coming of the Christ Child" in six tableaux will be presented at 7:30 p.m. tonight at the First Congregational Church, here.

* * *

Members of the church will be the featured players, under the direction of Mrs. H. A. Miller and Doris Vos. The setting is by Mrs. David Ross, assisted by Mrs. Ted Moore.

The junior choir will provide traditional Christmas background music. A trumpet solo, "O Holy Night", will be played by Gary Shovan. Mrs. Ross will also be featured soloist in her portrayal of Mary.

This church will also be the scene of a Candlelight Service at 11 p.m. Christmas eve.

A Christmas vesper service will be held at 4:30 p.m. on the holiday in place of a morning worship service.

Christ Lutheran Plans Services

Both Youth and Senior Choirs Will Sing for Worshipers

WATERFORD TOWNSHIP—Two traditional Christmas Eve Services will be held at Christ Lutheran Church, Airport road and Williams Lake road, announced pastor, the Rev. Arvid E. Anderson. Two candlelight services will be held at 8 p.m., and 11 p.m. The Rev. Mr. Anderson will preach at both services on the theme, "The Living Light has Come."

Music at the 8 p.m. service is under the direction of Mrs. John Wiley, who will direct the youth choir in the traditional, "The First Noel" and "Under the Stars." The junior choir will also sing, "O Little Town of Bethlehem" and "Canon for Christmas" by Malmin.

The music at the 11 a.m. service is under the direction of Mrs. Martin Wager. The senior choir will sing a concert of Christmas anthems at the beginning of the service, and will include "Hasten Swiftly, Hasten Softly" by Kauntz, and "Carol of the Little King" by Caldwell. Soloists at the service will be Emma Olson and Gary Waltz.

On Christmas Day there will be a worship service at 11 a.m. with Sandra Williams as organist and Mrs. John Wiley as soloist. The choir will sing, "Christmas Day" by Anderson.

Gang of Eight Boys Admits 35 Breakins

WARREN (INS) — A gang of eight boys ranging in age from 15 to 18 has admitted breaking into 35 Macomb County gas stations in the last month.

Detective Lieutenant Anthony Winters of Warren Township police, said seven of the boys were arrested early yesterday at a gas station at Hoover and 9½ Mile Roads. Another boy was arrested later at his home.

The boys said they got only $500 and small items from gas station robberies in Center Line, Roseville, St. Clair Shores, Utica and Warren Township.

Plan Metamora Parties

METAMORA — Christmas parties will be held in each room at the Metamora grade school on Thursday forenoon, and in the afternoon there will be a puppet show by the Taits of Lake Orion. Vacation starts after the parties.

Christmas Tree Crop Is Good Money Maker

ANN ARBOR (AP) — A University of Michigan forest management expert says that Christmas trees can be a good crop for farmers who want to build up their land and still make money.

Prof. Kenneth P. Davis of the university's school of natural resources says the trees aid in soil and moisture conservation and are also good land utilization.

Many owners, he said, realize large money yields per acre. In Michigan this year the demand for trees has reached one and a half million, while more than 30 million are expected in the nation.

Eroded hillsides and gulleys, rocky land or small stretches of other land can be made use of by the planting of Christmas trees, he says.

Farmers now own two-thirds of some 200,000 acres in the nation, now devoted to Christmas tree plantations. The best trees are Norway spruce, Douglas fir, Scotch pine and balsam fir, he adds.

PLANT IN SPRING

Prof. Davis indicates that 8 to 12 years are needed between planting and harvesting for a tree between six and eight feet. The best time to plant is the spring after the last frost.

In a Christmas tree, the important consideration, Prof. Davis says, are needle retention, shape and limb strength, color, odor and pliability of branches.

Farmers of Ottawa County, almost wiped out by logging and forest fires in the 1880's began to replace their virgin pine. With sand blowing across crop lands, they planted Scotch pine, white and Norway spruce.

"Today," he says, "these farmers stand to make more than $300,000 in the Christmas tree market."

Party Marks Holiday

MARLETTE — The Social Hour Club held its Christmas dinner and party at the Hughes Cafe Friday evening. Gifts were exchanged.

REUNION IN BELGIUM — Mrs. Orie Hathaway of Lapeer has just returned from a several months trip to her native Belgium, the first in the 48 years since she left her home in Ghent at the age of 19. On her tour of her home country, she visited the convent where she had attended school and located one of her teachers, now 89 years old, and about 25 of her former classmates.

Schedule Senior Dance

WATERFORD TOWNSHIP — "Silver Bells" is the theme of the senior dance slated for Friday from 9 p.m. to 12 in the high school gymnasium.

Second in importance to the prom, the affair will feature a University of Michigan band.

In charge of arrangements are: Renna Goshke and Thomas Hepler, co-chairmen; Nancy Shaack is decorations chairman; Nancy Johnson, publicity; Pat Kline, invitations; Betty Morris, tickets; Marjorie Willard, band; Eleanor Harmes, refreshments and Mary Gillow, favors.

Faith Baptists Prepare for Sunday Programs

WATERFORD — The entire Sunday School Department of the Faith Baptist Church will present a program at 10 a.m. Chirstmas day.

* * *

Each department will have a part in the production. Department heads supervising include; nursery, Mrs. Harold Weil; beginner, Mrs. Robert Griffen; primary, Mrs. Floyd Holden; junior, Robert Parrish; intermediate, William Campbell; and young people, Robert F. Griffen. The program will be under the direction of Mrs. William Campbell and Mrs. Holden.

Worship service will begin at 11. The choir will sing special Christmas selections and the Rev. Al Kasten will present the Christmas message.

At 7:30 Sunday evening the colored sound film, "The Nativity" will be presented in the church. The choir will sing immediately following the service there will be a fellowship and carol "sing."

Farm Bureaus Adopt Program

Plan to Raise Income of Farming Families; Expand Demand

CHICAGO, Ill. — Voting delegates of the State Farm Bureaus at the 37th annual meeting of the American Farm Bureau Federation here set forth a detailed program to improve the net incomes of farm families by balancing total production with effective demand for farm products.

They also adopted plans for making the demand bigger through expansion of markets at home and abroad.

These were the major actions culminating months of policy development study and discussion throughout the country.

Resolutions on national policy adopted at the Chicago meeting are now national policies of all Farm Bureaus.

STOCKPILE FERTILITY

In adopting a "soil bank" policy, the voting delegates of the state Farm Bureaus spelled out for the first time exactly how the organization proposes "stockpiling fertility in the soil for use in emergencies" rather than storing surpluses in government bins.

The plan has these purposes:

1. To reduce our overexpanded agricultural plant.
2. To build up a fertility reserve in the soil.
3. To cut government-held stocks of surplus commodities.

The resolutions comprise Farm Bureau's program to improve farm income and raise rural living standards. They also embody Farm Bureau's broader objectives in the public policy field.

Sunday School Holds Annual Yuletide Party

MARLETTE — Mrs. Donald Hager chaperoned the young people of the Grace and Grit Sunday School class of the Bethel Church when they held their Christmas party in the church recreation rooms, Tuesday night.

About twenty-five members were present. Games were played and gifts exchanged. The committee in charge included Norma Putman, Lillian Turner and Larry Davis, who served the lunch.

Christmas at Thomas

THOMAS — Thomas School will have its Christmas tree and program tonight at 8 at the school. The public is invited.

County Births

Seymour Lake

Mr. and Mrs. Edward Baller, 5561 Delmas Rd., are the parents of a daughter, Allana Marie, born at Pontiac General Hospital.

Imlay City

Mr. and Mrs. Stanley Copenhauer are the parents of a daughter, and Mr. and Mrs. Pedro Galbon are the parents of a son.

Clarkston

Mr. and Mrs. Merle Riddle of Route 1, Clarkston, announce the birth of a daughter, Nancy Elaine.

CAROL JEAN LAWRENCE

Mr. and Mrs. Kenneth A. Lawrence, 5175 Rochester Rd., Troy, announce the engagement of their daughter, Carol Jean, to Donald A. Fosmoen, son of Mr. and Mrs. Alfred Fosmoen, 3984 Crooks Rd., Troy. No date has been set for the wedding.

Imlay Church Baptizes Eleven Children Sunday

IMLAY CITY — The following children were baptized by the Rev. John H. Balfour in First Congregational Church, Sunday morning: Amy Lynne, daughter of Mr. and Mrs. Neil Dodge; Debra Dee, daughter of Mr. and Mrs. Harold Dodge; Carolyn Joy, daughter of Mr. and Mrs. Richard Matthews; Patricia Kay, daughter of Mr. and Mrs. Nelson Schaaf.

Others were: Kathleen Ann, daughter of Mr. and Mrs. Merlin Eineder; Douglas Harry and Kathryn Jeanne, childre of Mr. and Mrs. John Hobolth, and Connie Jean, Peggy Jo and Walter Steven, children of Mr. and Mrs. Walter Clark.

Changes Sermon Hour

SEYMOUR LAKE — The Rev. Edward Pumphrey will deliver his Christmas sermon in the Seymour Lake Methodist Church Sunday morning at 10 instead of the usual time.

Drayton Church Features Choirs

United Presbyterians to Hear 'Keepers of the Inn' Sunday

DRAYTON PLAINS — "Keepers of the Inn" will be the sermon theme for the 11 a.m. service Sunday at the Community United Presbyterian Church.

Special music by the adult choir will include a group of traditional Christmas Songs, "Angels We Have Heard on High," "When Christ Was Born," and "In the Silence of the Night."

The choir is under the direction of Charlotte Baird and the accompanist at the organ is Mrs. Clark Morgan Jr.

Other Christmas music will include an organ and piano duet by Mrs. Morgan and Marlynn Keasey. The junior choir, under the direction of Mrs. H. R. Trexler, will sing "Songs in the Night."

Bible School will be held at 9:45 a.m.

Lapeer Pair Critical After Auto Accident

LAPEER—Ernest Paddison, 68, and his wife, Jennie, 65, of 745 Calhoun St. here, are in critical condition in Lapeer County General Hospital after being involved in a crash near Lapeer on M21 at 9 p.m. last night.

Returning from St. Joseph Hospital, Flint, where they had visited a school teacher friend, police said Paddison attempted to pass a truck and crashed headon into a truck coming from the opposite direction. Owned by the Sweetland Ice Cream Co., it was driven by Gottlieb Krous, 24, of Flint.

Paddison has concussions, serious neck and back injuries and multiple contusions. His wife suffers from severe face lacerations, hand injuries and possible concussion.

The injured man is the former owner and operator of the Commercial Milling Co. here, and former operator of a milling firm at Richmond. The Paddisons have one son, William, of Birmingham.

Receive Word of Death

LEONARD — Word has been received here of the death of Mrs. Retta Nettleton Coleman, 86, of Prescott, Wis. She died of a heart attack. Mrs. Coleman was a former teacher in Leonard School before her marriage.

Township Redevelopment for Royal Oak Launched

ROYAL OAK TOWNSHIP — Dr. L. L. Friedland of the Wayne University Department of Public Administration has been retained by Royal Oak Township to analyze its fiscal structure, resources, and potential as the first step in establishing a foundation for the new township government.

* * *

Elwood Dickens, township supervisor, stated that Dr. Friedland will be asked to also serve as advisor and consultant on governmental organization and operations to assist township officials in setting up adequate facilities and services for the township.

Representatives of the Chicago office of the Housing and Home Finance Agency advised township officials last week that its approval of the township's application for federal funds for redevelopment was now being held up pending submission of the report being prepared by Dr. Friedland.

The township's redevelopment program and application were initiated prior to the separation of Madison Heights from the township. The federal agency wants assurance of the township's ability to fulfill its obligations should it receive federal funds for redevelopment. The recent division of the township will not affect the program although it is now apparent that the federal agency has been marking time on the township's application pending the outcome of the recent charter election.

* * *

Dr. Friedland came to Michigan as Deputy Director of the War Manpower Commission in 1944 and has been at Wayne University since 1947. He is governmental consultant to many municipalities in the Detroit region and his book "Personnel Administration in Michigan State Government" was published in 1951. He is presently serving as the acting director of the newly created State Fair Employment Practices Commission pending the appointment of a director.

THE BERRYS By Carl Grubert

Eden Announces Cabinet Shakeup

LONDON (AP) — Prime Minister Eden has announced a wholesale reshuffle of his government but British newspapers gave the changes a mixed reception.

Eden put seven Cabinet portfolios into new hands, raised one department to Cabinet rank and dropped another from the inner fold.

* * *

Nine of Sir Anthony's inmost official family stayed where they were and actually only three new men joined the Cabinet. Even some Conservative papers expressed doubts and Laborites—naturally—jeered at what they interpreted as a game of political chairs.

These were the most important changes:

1. Richard A. "Rab" Butler went from chancellor of the exchequer to government leader of the House of Commons. In effect he becomes deputy Prime Minister, the post for which he has been slated ever since the general election last May.

2. Foreign Minister Harold Macmillan succeeded Butler at the Treasury.

* * *

3. Defense Minister Selwyn Lloyd takes over the Foreign Office from Macmillan, and Sir Walter Monckton—who has been Labor minister—succeeded Lloyd in the Defense post.

4. The Works Ministry was raised to Cabinet status and Patrick Buchan-Hepburn, chief Conservative floor leader in Commons, was named minister to replace Nigel Birch. The Ministry of Pensions was dropped from the Cabinet.

Those removed from the Cabinet—generally men above 60—either went to the House of Lords or to higher titles if they already had peerages.

* * *

The shakeup was Eden's answer to increasingly shrill criticism—spearheaded by the Labor opposition—of inflation on the home front and failure to cope with stepped-up Communist pressure abroad.

* * *

The United States and other British allies were mainly interested in Macmillan's replacement by Lloyd at the Foreign office.

* * *

After serving as foreign secretary for eight months, Macmillan was under considerable fire even from many Conservatives. His critics accused him particularly of indecisiveness toward the growing crisis in the Middle East, where the Communists are making an all-out bid to muscle in on the diplomatic and economic fronts.

Unknown Visitors

LAKE PLACID, N. Y. (AP)—The Lake Placid Chamber of Commerce planned to send Christmas cards to the 1,93 1 persons who signed its guest register this year but only 681 names were legible.

GIs Like Milk Best

CHICAGO (INS) — An Army Quartermaster survey showed 45,000 GI's preferred milk ahead of coffee, fried chicken and even steak. Of course, the survey didn't check on beer.

Red China Tries to Grow Its Own Coffee Now

TOKYO (AP)—Communist China is going to try to raise its own coffee.

Peiping radio says the first 200,000 coffee plant seedlings will be set out next year in the "subtropical region" of Yunnan province, in southwest China. The first harvest is expected within three years.

Cattle Values Drop

OTTAWA—The value of cattle and calves on Canadian farms fell in 1954 to $106 a head from $125 in 1953, the lowest level since 1948 and considerably below the 1951 peak of $191. It was higher than all years prior to 1949, however, and compared with a low of $22 in 1934.

No. 16 in a series of RARE CREATURES:

THE WISTFUL HUNCH

plays by ear and lets his mind take a holiday

The HUNCH is a manufacturer who says advertising is an art – so why try to be scientific about it?

He bets on horses by the sound of their names, draws to inside straights, and always uses a putter when driving off a tee.

He's an amateur's amateur.

Fortunately, the HUNCH is a rare creature. Most advertisers realize that there is a degree of science in all human endeavors – and advertising is no exception.

Most manufacturers carefully weigh their markets and advertise accordingly. They watch their competition closely – and throw in shock troops when sales are threatened. They time campaigns to meet seasonal opportunities. They saturate markets to gain sales supremacy.

Naturally, they use newspapers. Because with newspapers they can pin-point any market, really *cover* any market. More so now than ever before . . . because U. S. daily newspaper circulation is highest in history – 55,072,480.

Their national advertising starts at the *local* level – in newspapers!

All business is local...and so are all newspapers!

This message prepared by BUREAU OF ADVERTISING, American Newspaper Publishers Association, and published in the interests of fuller understanding of newspapers by

Pontiac Tackles Edsel Ford Tonight

MSU, UM Win in Limited Big 10 Cage Action

Spartans Defeat Irish 84-78 in Overtime for 3rd Straight

BY THE ASSOCIATED PRESS

Michigan State remained the Big Ten's only unbeaten basketball team by disposing of Notre Dame last night 84-78 in an overtime game.

The victory was the Spartans' third of the new campaign. They previously had defeated Southern Illinois university 99-71 and Pittsburgh 82-81. The loss was Notre Dame's fifth in seven starts.

Julius McCoy set a Michigan State record by hitting 45 points, 10 more than the old mark set by Al Ferrari against Indiana last season.

McCoy swished 10 field goals in the first half as the Spartans took a 35-34 lead. The game remained close all through the last half with John Smyth, Notre Dame forward, hitting a basket the last 24 seconds to tie the score 74-74 and force the game into overtime.

McCoy added two more baskets in the extra session as the Spartans — who hit 47 per cent of their shots — pulled away.

Minnesota captured third place in the University of Kentucky tournament by walloping Utah 90-77. The Gophers hit 52 per cent of their field attempts and never were threatened after taking a 49-37 edge at the half. Jerry Dommeyer with 22 points and Dave Tucker with 20 topped Minnesota.

Northwestern, seeking its first victory, had a late rally fall short in losing 63-61 to Oregon State. Don Mast scored 32 points for the Wildcats and led them into a 55-55 tie with 3:10 minutes to go.

But Oregon State pulled away and despite four more points by Mast in the final minute, Northwestern failed to close up the gap.

Michigan salvaged the only Big Ten decision in the two-day meet in Oregon, by trimming the University of Oregon 81-71, at Eugene.

Big Ron Kramer, Michigan's football end, led the Wolverines to victory and took scoring honors with 30 points. Michigan led most of the game but Oregon tied the score four times in the closing half, the last deadlock at 55-55. But Kramer and Tom Jorenson got the points to put Michigan in front.

Invite Competition

Russia Seeking Muscle Test Prior to Olympics

MOSCOW (INS) — Russia would like to test her muscles against the U. S. next summer prior to competing against her chief rival for Olympic honors at Melbourne.

But so far only two contests are in the works, says Mikhail Peslyak, vice chairman of the USSR physical culture and sport committee.

Russian weightlifaters will go to the U. S. in February to reciprocate the visit of American weightlifters to Moscow and Leningrad last summer.

Peslyak said negotiations also are well advanced for a contest in free wrestling, probably in February or March. The site still has to be chosen.

The PC&S committee spokesman added that they will invite the U.S. to send divers to the Soviet Union in May and an American Hockey team in December, 1956.

Meanwhile, the Russians are awaiting an answer from Dan Ferris of the National Amateur Athletic Union to a suggestion sent a month ago. They would like to discuss Track and Field meets between the two countries during the coming season.

Those are all the angles the Russians are working on the present, but Peslyak adds:

"If other proposals appear, we would consider them with pleasure."

A year ago the physical culture and sports committee, high commission of sports in the USSR, was trying to set up a similar schedule of meetings with American athletes.

They sent proposals for weightlifting, wrestling, gymnastics and track and field. Only the weightlifting panned out.

Hamtramck Net Juniors Enter Florida Meet

MIAMI BEACH, Fla. (AP) —Jerry Dubie and Phyllis Saganski, both of Hamtramck, Mich., are among 220 entered in the Orange Bowl junior tennis championships starting Monday.

Dubie is top-ranked in junior boys in the Midwest. Miss Saganski is No. 1 seeded in the Midwest in the girls division.

The championships are in four major divisions — junior boys and girls (16-18 age group) and boys and girls (13-15 age group).

Fucci Takes Post as Kentucky Aide

LEXINGTON, Ky. (AP) — Dominic Fucci, a defensive halfback with the pro Detroit Lions this past season has been named an assistant football coach at the University of Kentucky. He replaces Bill Moseley who resigned yesterday.

Fucci was an unofficial aide to Kentucy head coach Blanton Collier in 1954 after suffering a broken arm in early action with the Lions.

Fucci is a former Kentucky football star.

North-South Teams Primed

Dixie Stars Favored in Eighth Game Played for Shrine Benefit

MIAMI, Fla. (AP) — Coaches Art Lewis and Bernie Crimmins welcomed three Army football stars today and for the first time the Yankee squad was at full force for the Dec. 26 Shrine North-South All-Star game.

* * *

The Cadets flew in last night: Don Holleder, who will play his old end position instead of quarterback; Pat Uebel, fullback who had a big hand in Army's upset of Navy; and Ralph Chesnauskas.

The North squad planned to choose team co-captains prior to today's workout.

* * *

South Forces elected their co-captains yesterday. They chose the stellar passing battery of quarterback George Welsh of Navy and end Harold Burnine of Missouri. Both were tops in the nation in their specialties.

* * *

Welsh came in for some heavy praise from South Coach Wally Butts for his split-T ball handling.

Although the South, which holds a 5-1-1 edge in this series, is a slight favorite, North Coach Crimmins said his squad is really hustling and wants to break the "Southern jinx."

Auburn Fined by Conference for Recruiting

Assistant Coach Gives Prep Prospects Money to Enter School

BIRMINGHAM, Ala. (INS)—Auburn has been slapped with a $2,000 fine because an assistant football coach paid $500 each to twin high school stars to enter the Southeastern Conference school.

Conference commissioner Bernie Moore, who announced the penalty yesterday, said the fine was the maximum he could impose. He added:

"We have gone into this case thoroughly and I think I got all my facts. My decision is based on those facts."

According to Moore, the payments were made by assistant coach Hal Herring to Harry and and Robert Beaube, who starred on the Emma Sansom high school team at Alabama City, Ala.

The twins were ruled ineligible to compete in Intercollegiate athletics for Auburn, but could play for other conference schools.

This concession was made because the recruiting was reported within a few hours and because no part of the money was spent.

The boys reported the incident to their father, the Rev. Albert W. Beaube, who turned the money back to an Auburn alumnus.

The twins—both six foot and 175 pounds—said they were considering scholarship offers from several schools, including Miami, Oklahoma and Southern California.

Moore said a complete report on the incident is being made to the conference executive committee, which might take further action.

Under conference rules, athletic scholarships are restricted to room, board and $15 a month for laundry.

RECORD HOLDER — Pontiac High School coach Bob Boyce congratulates Bob Keavy after the Chief swimmer set a new pool 100 yard breast stroke record in the meet against Flint Central yesterday. His time was 1:03.9. The old mark was held by Don Ridgway in 1949 at 1:04.4. Pontiac won the meet 54-33.

Chiefs Shoot for Third Win at PHS Gym

Van Ryzin Reshuffles Lineup for Game With Dearborn Thunderbirds

Hoping to rebound from an 80-58 drubbing by Central's Indians at Flint last Friday, the Pontiac High School basketball team encounters an inexperienced quintet from Dearborn Edsel Ford tonight in the PHS gym.

Feeling in an experimental mood, head coach Art Van Ryzin will revamp his starting lineup for tonight's game with the express purpose of utilizing as much height as the Chiefs can muster.

* * *

Van Ryzin will take advantage of tonight's non-conference situation to conduct the reshuffling experiment. Art feels that something valuable may be put to good use in later basketball wars against Saginaw Valley Conference foes.

Hudson Ray and Jim Skinner, Pontiac's two centers who have been alternating at the pivot post in the 1st three games, will both start tonight's contest. The 6-3 Skinner will be employed as a forward and Ray, who stands 6-4, will stay at his center position.

Willie DeWalt, the Chiefs' leading point-maker thus far, will move from forward to guard in combination with diminutive Larry Peet or Terry Zellhart. Rod Treais will remain at his forward spot.

Edsel Ford's Thunderbirds, a 'green' squad short on height, are not given much of a chance against the Chiefs. The new high school, which did not inherit any varsity athletes from Dearborn High School, is competing in interscholastic athletics for the 1st time.

Coach Ed Kotlarczyk, whose cagers have been decisively beaten by Jackson, Ecorse and Hamtramck, says "We're definitely in a building program here and time will be required to bring us a winner."

Bill Knipp, at 6-1 the rangiest member of the team, will start at center for Edsel Ford. Gary Joachim, a six-footer, and Don Smith will fill the forward positions and Ron Jernigan and Jim Garibardi will start at guards.

Tonight's varsity battle gets under way at 8 o'clock. The reserve squads meet in the preliminary at 6:30 p.m.

This game will end cage play for the Chiefs until after the Christmas vacation when they tackle Bay City here in an SVC tilt Jan. 6.

Boyd Wins Easily Over Scortichini

ST. LOUIS (AP)—Bobby Boyd, with six straight boxing victories, stayed on his road up the middleweight ladder today after getting past Italo Scortichini's troublesome crouching style.

* * *

The lanky Chicago fighter turned in a unanimous decision over Scortichini in a 10-round bout at the St. Louis Arena last night, losing no more than three rounds on the cards of the referee and two judges.

Referee Jim Parker gave the bout to Boyd 53-47 while Judges Fred Connell and Howard Hess both scored it 54-46. The Associated Press had Boyd on top, 55-45.

Boyd lost the seventh round on a low blow. He weighed 159 to Scortichini's 154½.

Boyd, who moves about the ring easily with his height, was bothered by the Italian fighter's squatting style.

* * *

"He can make any good fighter look bad," complained James Divito, Boyd's co-manager.

Divito said he'd never seen a boxer fight from so low a crouch and said Boyd was instructed to just stay in and punch.

"You can't knock out a man who's in there just to keep from getting kayoed," he said.

Boyd's next opponent? Divito said he would like him to have a shot at the winner of the Eduardo Lausse-Milo Savage fight on Jan. 6. Boyd is ranked ninth in the division.

* * *

There were no knockdowns in the national and locally televised bout and neither fighter was marked.

Scortichini left right afterward for New York, with Carmine Tarantino, his co-manager, who complained of wrestling tactics by Boyd during the fight.

Bruins Battle Rangers to Tie

Hergesheimer Scores 100th Goal for N Y Last Night

By THE ASSOCIATED PRESS

Hard-luck Wally Hergesheimer scored his 100th goal for the New York Rangers last night, but the Broadway Blues had to settle for a 3-3 tie with the pesky Boston Bruins after apparently having the game in the bag.

* * *

Late in the 1953-54 campaign Hergy fractured his leg, but returned to action for the following season. Then, after scoring four goals in 14 games he fractured the same leg again. It looked as if his playing days were over, but the doctors did an excellent surgery job and Hergesheimer reported this year for another try.

The Madison Square Garden crowd gave him a big hand when he scored at 16:33 of the second period to give the Rangers a 3-0 lead over Boston. The 45-footer was his 13th of the year, along with eight assists.

* * *

However, with less than a minute left in the second period, Murray Costello scored for Boston, with an assist going to Bill Quackenbush.

In the final period, Boston tied the count with less than 3 minutes gone. Flemming Mackell got the second Boston goal in 41 seconds, and Leo Labine tied the score at 2:51.

Pontiac's Swimmers Down Central in Valley Meet

Pontiac's High School's strong swimming team opened its Saginaw Valley Conference campaign Wednesday afternoon in the PHS pool by submerging Flint Central, 54-33.

* * *

The Chief tankers captured six of nine events and took five 2nds in recording their impressive Valley win.

Bob Keavy, star breaststroker, set a new pool record in the 100-yard breaststroke. Keavy recorded the time of 1:03.9, breaking the mark of 1:04.4 set by Ron Ridgway in 1949.

* * *

Ace backstroker Tom Cross swam the 100-yard backstroke in 1:04.2, the best time so far this season. Dennis Simonson's effort of 1:19.7 in the individual medley was only one second away from the pool record.

* * *

Yesterday's victory was the 2nd of the season for the PHS tankers. The Chief's next opponent is powerful Ann Arbor on Jan. 6.

Summary:

50-40 yard Freestyle—Won by George Bergstrom (P); Bob Howse (P), 2nd; Kirchner (P), 3rd Schultz (F), 4th. Time—30.7.

100 Breaststroke—Won by Bob Keavy (P); Tilley (P), 2nd; Cornforth (P), 3rd; Catlin (F), 4th. Time—1:03.9 (pool record).

200 Freestyle—Won by Danton (P); Hosner (P), 2nd; Wayne Ostrander (P), 3rd; Ted Wiersma (P), 4th. Time—2:27.2.

100-yard Backstroke—Won by Tom Cross (P); Ken Bogard (P), 2nd; Karr (F), 3rd; Martin (P), 4th. Time—1:04.2.

100-yard Freestyle—Won by Kirby (P); Dennis Simonson (P), 2nd; Fred Roeser (P), 3rd; Elmer (F), 4th. Time—62.0.

120-150 yard Individual Medley—Won by Dennis Simonson (P); Bob Keavy (P), 2nd; Hosley (P), 3rd. Time—1:19.7.

Fancy Diving—Won by Berryman (P); Anton Simson (P), 2nd; Hellenberger (P), 3rd; Gideon Robarge (P), 4th.

160-180 yard Medley Relay—Won by Pontiac (Tom Cross, Ken Bogard, Bill Hampton, and Wayne Ostrander). Time—2:33.5.

200-160 yard Speed Relay—Won by Pontiac (Ted Wiersema, Bruce Mumbrue, Fred Roeser, and George Bergstrom. Time—1:22.1.

Cadets' Holleder Gets Nelson Award

BOSTON (AP)—Army's Don Holleder, a great competitor who sacrificed chances for All-America honors as an end to aid his team, is the 10th winner of the annual Nils V. "Swede" Nelson Sportsmanship Award.

* * *

Holleder, a 20-year-old senior from Webster N.Y., was named by the Gridiron Club of Greater Boston last night for "willingly sacrificing individual glory by moving from end to quarterback to help the Army team."

Miami Halfback Named to Play in Senior Bowl

Buddy Parker Coach of North Squad in Annual Game

MOBILE, Ala. (AP)—Whitey Rouviere, Miami's great halfback, was named today to the South team for the seventh annual Senior Bowl game Jan. 7.

The 183-pound speedster was a four-year regular on the Florida team although handicapped by injuries during the past season.

Rouviere will replace Ray Taylor of Texas Christian in the South backfield. Despite his injuries, the Buckner, Ill., youth gained 309 yards on 67 rushes last season, caught 10 passes for 154 yards, returned 7 kicks for 90 yards, intercepted 3 passes for 34 yards, and scored 3 touchdowns.

The North team will be coached this year by Buddy Parker of the Detroit pro Lions.

Paul Brown of the Cleveland Browns is shifting from the North to the South side, replacing Steve Owen, Rebel coach in all six previous games. Brown won 3 and lost 1 as North Coach.

Sooners Take Favorite's Role for Orange Bowl

MIAMI (INS)—This is the season for giving and football coaches Jim Tatum of Maryland and Bud Wilkinson of Oklahoma are right in the swing of things.

Each has publicly bestowed upon the other the gift of the "favorite's" role in the Jan. 2 meeting of their two clubs in the Orange Bowl, where the mythical national championship will be decided.

Tatum points to the Sooners' No. 1 ranking among college elevens, their speed and their ability to control the ball. It's a great team and a great challenge and Oklahoma should be the favorite," Tatum declares.

The odds makers are inclined to agree and give the Sooners a 7-point edge, much to the outward dismay of Wilkinson.

"Maryland has a bigger line, it's defense is terrific and psychology is on their side," the Oklahoma tactician counters.

Statistics, if not the oddsmakers, back up at least a part of Wilkinson's argument. The second-ranked Terrapins had the best defensive rushing record in the country this year, holding 10 opponents to 75.9 yards per game, and were second in over-all defense, giving up an average of only 169.1 yards to each foe.

The Sooners on the other hand were the top offensive team with an over-all average of 410.7 yards per contest.

End Harold Burnine of Missouri, who experienced action against both squads, likes Oklahoma in the forthcoming clash. Missouri lost to Maryland 13-12 while the Sooners trampled the Tigers 20-0.

Burnine, who will play in the North-South all-star game in the Orange Bowl on Dec. 26, gave credit to Maryland quarterback Frank Tamburello and fullback Ed Vereb but rated Sooner halfback Tommy McDonald "the best back we faced all year."

McDonald accounted for 16 touchdowns and 96 points during the season, completed 17 out of 24 passes and gained 720 yards in 103 tries rushing while losing only 18.

Cleveland Best in AL Fielding

Indians End Three-Year Reign of White Sox Defensively

NEW YORK (AP)—The Cleveland Indians last season ended the three-year reign of the Chicago White Sox as the American League's top defensive team.

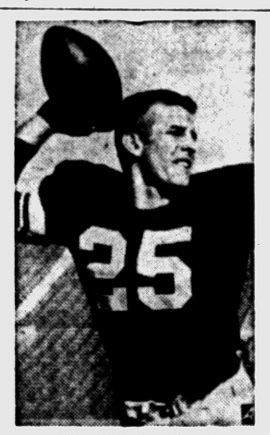

The Indians fielded .9814 to Chicago's .9813, the official averages showed yesterday. Cleveland committed 108 errors and the White Sox 111.

The Indians also had three individual leaders—shortstop George Strickland, outfielder Gene Woodling and catcher Jim Hegan. Woodling also played for Baltimore.

* * *

Strickland fielded .976 and Hegan .997. Woodling, with .9952, just managed to beat out Mickey Mantle of New York with .9948 and Jim Delsing of Detroit with .9945.

The other leaders were: First base — Norm Zauchin, Boston, .9951; second base — Gil McDougald, New York, .985; third base — George Kell, Chicago, .9763 and pitcher — Johnny Schmitz Washington, 1.000 on 48 chances.

ON TARGET—Getting his arm ready for the Orange Bowl is Oklahoma halfback Tommy McDonald who scored 16 touchdowns during the regular season.

Quantico Cagers Hand Akron 1st Loss, 94-74

QUANTICO, Va. (AP)— Quantico's host Marines and Mt. St. Mary's of Maryland will collide tonight for the second annual Christmas collegiate basketball championship.

The Marines advanced to the finals last night by whipping previously unbeaten Akron 94-74. Mt. St. Mary's moved into the showdown game by turning back Ball State (Ind.) 86-79 in overtime.

Warriors Remain on Top in NBA

By THE ASSOCIATED PRESS

The Philadelphia Warriors held a commanding 3½-game lead atop the Eastern Division of the National Basketball Assn. today on the strength of a sizzling third period.

The high-flying Warriors trailed the Rochester Royals 45-40 at the end of the first half last night, but came on strong in the next quarter to outscore the second-place Western Division club 31-23, putting together a string of 9 straight points to defeat the Royals 96-92.

Wake Forest Wins Carrousel Classic

CHARLOTTE, N. C. (AP)—Wake Forest's hot-shooting Deacons, rolling after losing their first three games, justified the confidence of experts who had picked them to win the inaugural Carrousel Basketball Classic by clipping Clemson, 98-79, in last night's finals.

Wake Forest's three straight sweep in the tournament extended its winning streak to four and tonight the Deacons go after even bigger game when they take on Brigham Young, No. 5 in the nation, at Winston-Salem, N. C.

Nashua With 58 Others Nominated for Handicap

MIAMI, Fla. (AP)—Nashua and 58 other thoroughbreds have been nominated for Hialeah's $100,000-added Widener Handicap to be run on Feb. 18.

* * *

Charles J. McLennan, Hialeah racing secretary who announced the list of nominations yesterday, said the number is the same as nominated a year ago, and all except a few of the horses already are in Florida.

* * *

Nashua, bought by a Leslie Combs syndicate Dec. 15 for $1,251-200, leaves Kentucky today and will arrive here Saturday. If he wiins the Widener and the $50,000 McLennan two weeks earlier, he will surpass Citation's record earnings of $1,085,760.

Robert S. Lytle's Correlation, winner of two $100,000 races in 1954 and third in the $35,000 Tanforan Handicap Saturday, was a surprise nominee in the Widener.

The race also drew six from Argentina, four from England, two from Ireland and one each from France and Australia.

Among the foreign-breds are El Chama and Prendase from Argentina, now Venezuelan-owned; the Irish Blue Choir and Prince Morvi from Australia.

In addition to Nashua, top entries from the United States include Social Outcast, Sea O'Erin, Sailor, Platan, Chevation, Hickory Hill and Mister Black.

MILLION DOLLARS RUNNING FREE — Nashua, the famous thoroughbred who was sold for a record price of $1,251,200, romps around the blue pasture of Kentucky far from the thick carpeted banking offices in New York where a sealed bid changed his colors.

Washington, Lincoln Gain Junior League Victories

Washington and Lincoln junior high schools gained narrow victories in nip-and-tuck Pontiac Junior High League basketball games.

Em Ghianni's Braves opened defense of their league championship by edging visiting Eastern, 33-31, for their 11th consecutive triumph and 2nd this season. Henry DeWalt netted two buckets in the last 40 seconds of play to climax an uphill climb by Washington, which trailed by three points going into the final quarter.

DeWalt paced the Braves with 10 points and teammate Harrison Munson scored nine. Bill Hayward led Eastern's cagers with nine points and Gene Gidcumb and Mike Walker each had eight.

Adolphus Houston dumped in 10 points to lead Washington's reserves to a 24-22 squeaker over the Indian JV's.

Lincoln's Railsplitters overcame a two-point halftime deficit to nip the Jefferson Warriors, 34-31, for their 2nd league win.

John Bandy collected 15 points and John Cox tossed in 10 to spark the winners, but Jefferson's Larry Douglas tallied 16 points for scoring honors.

Loop action will resume after Christmas vacation on Thursday, Jan. 12, when Jefferson invades Washington and Eastern visits Wever.

Jewelers Keep Rolling Along

Shaw's Jewelers continued on their merry way in Adult City League basketball play Wednesday night, routing Booth Homes, 72-43, in an American loop game at Pontiac High.

The Lakeside Royals nipped General Motors, 51-49, in another American league tilt last night at the PHS gym. In Class D action at Lincoln Junior High, the Aces crushed Slaybaugh's, 73-30, and the Wolverines handed the Police Association its 1st setback, 57-51.

Four members of the undefeated Jewelers' quintet reached double figures in the scoring column, headed by Dave Sebring who poured in 25. Shaw's jumped off to a 21-4 1st-quarter lead and was never threatened. John Sherwood made 13 points for Booth.

GMC and the Royals battled nip-and-tuck in their engagement, neither team gaining a commanding advantage at any time. The two clubs were tied at 41-41 entering the last period. Felix Brooks and Bob Rush each tallied 19 points to spark the winners while the Coachers were paced by Bill York's 18 points and Ron Woodhull's 16.

Jackson Business Man Seeks Tigers

CHICAGO (AP)—A Jackson, Mich., business executive J. W. Mortell, said in Chicago last night that he definitely is interested in buying the Detroit Tigers.

Mortell, connected with the Vibradamp Corp., is the head of a three-man syndicate. The others were not identified.

Jackie Robinson has played at four positions in world series games.

Buckeye Cager Leads Country in Scoring

NEW YORK (AP)—Robin Freeman, a 5-11 sharpshooter for Ohio State, gained considerable ground over Darrell Floyd of Furman in two games last week as the two paced the nation's major college basketball scoring leaders.

* * *

In games through Dec. 17, the NCAA Service Bureau reported that Freeman outscored Floyd by 25 points. Both played in two games.

Freeman averaged 37.2 points, with 186 points in 5 games, while Floyd's average was 31.4 on 157 points in 5 contests. Freeman's biggest output was 40 points against Oklahoma, the third time he had scored 40 or more in a game.

* * *

George Washington's Joe Petcavich, successful on 22 of 30 field goal attempts during the week, replaced Angelo Lombardo of Manhattan as leader in field goal accuracy with .690 per cent.

Best free throw mark is .926 per cent by Vic Molodet of North Carolina State, who has missed only 4 in 54 attempts.

In team scoring, Morehead State (Ky.) has an average of 99.5 points per game, moving past Memphis State as offense leader. Mississippi is second with 98.7, and Memphis State third with 97.

* * *

Dartmouth has supplanted San Francisco in team defense, yielding 48.4 points per game. San Francisco is fourth with 51.7, following Creighton at 49 and Xavier (Ohio) with 51.

Michigan Weather Takes Deer Toll

LANSING, Mich. (AP)—Biting cold weather and deep snow have already forced Michigan's deer herd into swamps and low areas, generating fear that starvation losses will be heavy this year.

Temperatures are below zero in the Upper Peninsula, with at least two feet of snow in most areas.

In the severe winter of 1950-51, some 50,000 deer died of starvation in Michigan.

Spartans, Uclans Speeding Up Tempo

By ROBERT E. VOGES

PASADENA, Calif. (AP) — Another tough contact session was scheduled for the Michigan State football squad today as the Spartans stepped up the practice tempo in preparation for the return Rose Bowl date with UCLA.

* * *

Coach Duffy Daugherty was more cheerful after his second day of all-out scrimmage.

Spectators thought the Spartans looked sharp in their session of head-bumping. Daugherty also was better satisfied than with the first scrimmage.

"It was a good workout," he admitted. "Maybe our poor showing the first time was because we weren't accustomed to using those particular defenses."

Daugherty was particularly happy about the defense showing because the scouting team running UCLA plays was not able to score on the varsity.

UCLA also worked at full speed, concentrating on pass defense. Coach Red Sanders doesn't plan contact work for today.

* * *

Ronnie Knox, the question mark Bruin passer still was in sweat clothes and just limbering up as his injury comeback continued.

With a third day of heavy going planned, the Spartans have been scrimmaging more in preparation for bowl battle than they did after the regular season started.

The second and third outfits fought each other during the season but the varsity was spared from the sparring to cut down on injuries.

* * *

"It's just like starting a new season again," said one of the MSU coaches. "It takes a little of the rough stuff to get them in shape after a month's layoff."

The rough stuff resulted in a few minor injuries for Michigan State. Guard Dale Hollern of Ashville, Pa., was spiked in the right shin but went right back in again after he was sewed up with 12 stitches.

* * *

Guard Cliff Larose of Grosse Pointe, Mich., pinched a shoulder muscle but also didn't let it stop him from working.

* * *

End Larry Harding of Detroit was expected back today after being down with the 24-hour flu.

Guard Arch Matsos of Detroit with a bruised tendon, end Bob Jewett of Mason, Mich., with an ankle sprain and halfback Jim Wulff of Chicago with a thigh bruise were still among the cripples but expected to be ready again within a few days.

Dayton Beats Kentucky

Four Highly Ranked College Cage Teams Among Latest Quints to Fall

By THE ASSOCIATED PRESS

Dayton's aptly-named Flyers had the Kentucky Invitational title tucked away in their well stocked victory bag today and with an apparently clear path ahead they're likely to remain unbeaten for some time.

Dayton made it eight in a row last night by defeating Kentucky, the tourney's host team, 89-74. The fourth-ranked Flyers moved into an 11-point lead early in the game and led the rest of the way.

* * *

From now on the Flyers have it comparatively easy—for a while anyway. They'll take on fair-to-middlin' Washington & Lee (2-4) next Wednesday and that'll wind up their year's work. In January, they're booked against Iona, Canisius, Duquesne, Villanova, Xavier (Ohio) and Louisville.

By that time they could well have moved ahead of San Francisco, North Carolina State and Utah, the teams they trail in the national rankings.

Utah's position (No. 3) already is something less than secure. The Utes dropped a 90-77 verdict to unranked Minnesota last night in the consolation Kentucky Invitation tilt. The setback came on the heels of another to Dayton Tuesday night.

San Francisco was idle. But second-ranked North Carolina State continued undefeated by rolling over fifth-ranked Brighham Young 95-81. The Wolfpack pulled to a 45-39 halftime lead and then coasted to their eighth triumph of the season and 20th straight over two years as Ron Shavlik wound up with 28 points and Vic Molodet with 25.

* * *

Eighth-ranked Vanderbilt rang up its sixth victory without a defeat by trimming Nebraska 66-48 with Al Rochelle netting 22 points. Nebraska led three times in the first half, but Vandy rallied to take over at the half 30-27.

* * *

Louisville, with Charlie Tyra collecting 35 points, pulled one of the surprises of the night, trampling Marquette 84-68. The Warriors, ranked 13th in the nation, never could get going against Louisville, which hit on three quick baskets in the first minute of the game.

Rice had to go to double overtime to squeeze by Auburn 82-80 for its eighth straight victory. The Owls blew a 12-point lead in the last 6 minutes but King Hill and Joe Durrenberger sank field goals in the second extra session to win it.

* * *

Kansas came to life in the second half and used an effective zone defense to upset Southern Methodist 62-58. It was SMU's second loss in eight games. Kansas is 4-2.

Dartmouth had its five game winning streak ended by Stanford 56-55. The Easterns came with a rush in the closing minutes but couldn't quite make it.

Houston rallied from a 47-46 halftime deficit to defeat Kansas State 86-79 for its fifth straight triumph. Don Boldebuck paced the winners with 23 points.

British Title Go Gets Okay From Bout Federation

TORONTO (AP) — The Canadian Boxing Federation will recognize a Jan. 9 Toronto fight between James J. Parker of Barrie, Ont., and South African Johnny Arthur as a title match for the vacant British Empire heavyweight championship.

Merv McKenzie, Ontario Athletics commissioner, said today he received word of the federation's saction of the 12-round bout.

Parker weighs 215, Arthur 225. The British Empire title was left vacant by the recent retirement of Don Cockell of London.

Zuppke Showing Fast Improvement

CHAMPAIGN, Ill. (INS) —Former University of Illinois football coach Robert C. "Bob" Zuppke, 76, was reported today to be making rapid improvement from a severe stroke and may be home by Christmas.

Zuppke suffered a mild stroke on Dec. 12 and another more severe stroke last Friday.

His personal physician, Dr. Jack Hull, reported from Cole Hospital in Champaign that the speech paralysis which accompanied the second stroke apparently has disappeared and that Zuppke was in a cheerful mood.

MEMBER OF 400 — Willie Hartack holds a trophy presented to the 110-pound jockey at Tropical Park, Coral Gables, Fla., when the 22-year-old Pennsylvanian became the second American in history to ride 400 or more winners in a year. The other is Willie Shoemaker.

Hartack Adds 4 Winners to End Year With 412

MIAMI, Fla. (AP)—Jockey Willie Hartack, the nation's leading rider, gave his followers some Christmas money at Tropical Park yesterday, then headed upstate to Cypress Gardens and a few days of water skiing.

* * *

The flashy 23-year-old saddlesmith brought in four winners on the nine-race program to run his total for the year to 412.

His winners were Mr. Blue Sky ($9.80) in the first, Snare ($7.20) in the fourth, Yock Tom ($5.00) in the fifth and Sharp Tack ($14.10) in the eighth.

Willie finished last on Worthy Option in the ninth and called it quits until Jan. 1.

Hartack returned to action at Tropical Park Monday after serving out a 10-day suspension for allowing his mount to bear out during a race early this month.

* * *

Before the suspension began, Hartack rode his 400th winner of the year on Dec. 3, ran his score to 404 before the layoff, and came back Monday to win two more races. He rode two again Tuesday and climaxed it with yesterday's brilliant performance.

He is Tropical's leading rider with 25 winners, 13 seconds and 7 thirds in 71 mounts.

This is the third bowl game for Mitchell, a quarterback, and Brooks, the star guard, will be in his fourth when he goes against Pittsburgh, Jan. 2, at New Orleans.

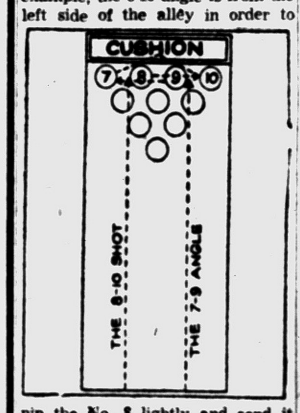

Bowling Clinic

By BILLY SIXTY

SPLIT ANGLES

Some splits are tougher to convert than others, such as the wide 7-10, 7-9, and 8-10 in the back row of the set-up, and the 4-6 in the second row. But they can all be made from the proper angle.

To make the back pin splits, for example, the 8-10 angle is from the left side of the alley in order to

nip the No. 8 lightly and send it over to get the 10. The No. 9 must be slid over to get the 7, and the 7-10 conversion is made on a kick-back off of the cushion—a freakish one-in-a-million shot.

By all means, try for every split in the back row. They've all been made, over and over, and believe me it's a terrific thrill to see them go down.

(Copyright 1955, John F. Dille Co.)

Repeats as Top Rusher

DETROIT — Lew Carpenter led the Detroit Lions in rushing for the 2nd straight time during the '55 season.

The Milwaukee Braves will play 11 exhibition games in Bradenton, Fla., next spring. It's their home base again.

Yanks Best, Weiss Says

NEW YORK (INS) — General manager George Weiss feels that the New York Yankees have the strongest club in the American league "on paper" and that they probably will not make an important trade this winter.

NFL Officials Set Up Shop

LOS ANGELES (AP)—Officials of the National Football League set up shop today and it's a safe bet one of the first matters to intrigue them is the condition of the treasury for Monday's title game between the defending champion Cleveland Browns and the Rams of Los Angeles.

Daniel F. Reeves, chief owner of the Rams, could give them good news. Advance sale for the nationally televised struggle is the highest in the club's history.

League Commissioner Bert Bell will not be able to attend the game, because of his health—he'll be out for the league meeting next month—so representing him is his assistant, Joe Labrum.

The exact status of the box office was not disclosed to the public but chances are bright that the record for a league playoff gate receipts will be exceeded.

The mark is 58,346 persons established when the New York Giants and the Chicago Bears met in the Polo Grounds in 1946.

Cleveland and the Rams appeared before 105,000 fans in the Los Angeles Coliseum in 1950.

If good weather continues and prevails at kickoff time of 4 p.m., (EST) both marks should be smashed. The surprising Rams are a hot article in this football conscious town.

Paul Brown, the master of the Browns, doesn't lead his squad into Los Angeles until Saturday. The club, from all reports, has had a rough time trying to prepare for the big game because of the extreme cold.

* * *

The Rams have been lucky, weatherwise. Otherwise, No. Coach Sid Gillman is still planning to use a transplanted tackle, Bob Cross, as offensive center, a position Cross has never played.

There is still a slim chance that the regular center, Leon McLaughlin, sent to bed with the mumps, might get into play. The Rams are proceeding on the theory that this is very doubtful.

* * *

Asked if there would be much of a drop from McLaughlin to Cross Gillman replied with some understatement:

"Considerable."

The Gift of the Gods—Destiny

By GRANTLAND RICE

If I may call you friend, I wish you this—
No gentle destiny throughout the years,
No soft content, or ease, or unearned bliss
Bereft of heartache where no sorrow nears —
But rather, rugged trouble for a mate
To mold your soul against the coming blight,
To train you for the ruthless whip of Fate
And build your heart up for the bitter fight.

If I may call you friend, here's to the flame
That burns you into truer, stouter steel —
Here's to the savage struggle of the game
That rips and hammers, as you sway and reel,
Until at last you stand on shattered ground,
Feet firm upon the blood-stained sod below,
Laughing at fear, through all the storms around,
Roughshod and ready for the next hard blow.

If I may call you friend, I wish this, too,
As you grope blindly out the narrow beat,
That you may have one old-time dream come true,
Which is one more than most men ever meet;
That you will hold this worthy as a prize
For all the traps with which the course is lined,
Not scorning it with too ambitious eyes
That look for something you can never find.

(Copyright, 1955, A. S. Barnes & Co.)

Shrine Drills Get Dampened

Coach Woody Hayes Works With East 11 at Santa Clara

SAN FRANCISCO (AP)— Practice for the East-West Shrine game Dec. 31 is under way — and over wet.

About the only consolation for East Coach Woody Hayes of Ohio State or West Coach Jess Hill of Southern California is that the other is getting the same soaking.

Two-a-day practice sessions opened yesterday with Hayes giving his squad a split-T pattern at Santa Clara University and Hill unfolding the USC multiple offense to the West at Stanford University.

Ohio State star back Howard (Hopalong) Cassady got out of bed and sniffled his way through both practice sessions, shaking off a cold and a touch of the flu.

Dallas Country Club Appoints Cary Middlecoff

DALLAS (AP) — The professional golfing staff of Dallas' New Riverlake Country Club will be bolstered with appointment of Cary Middlecoff to the staff, Doak Walker, club president, said yesterday.

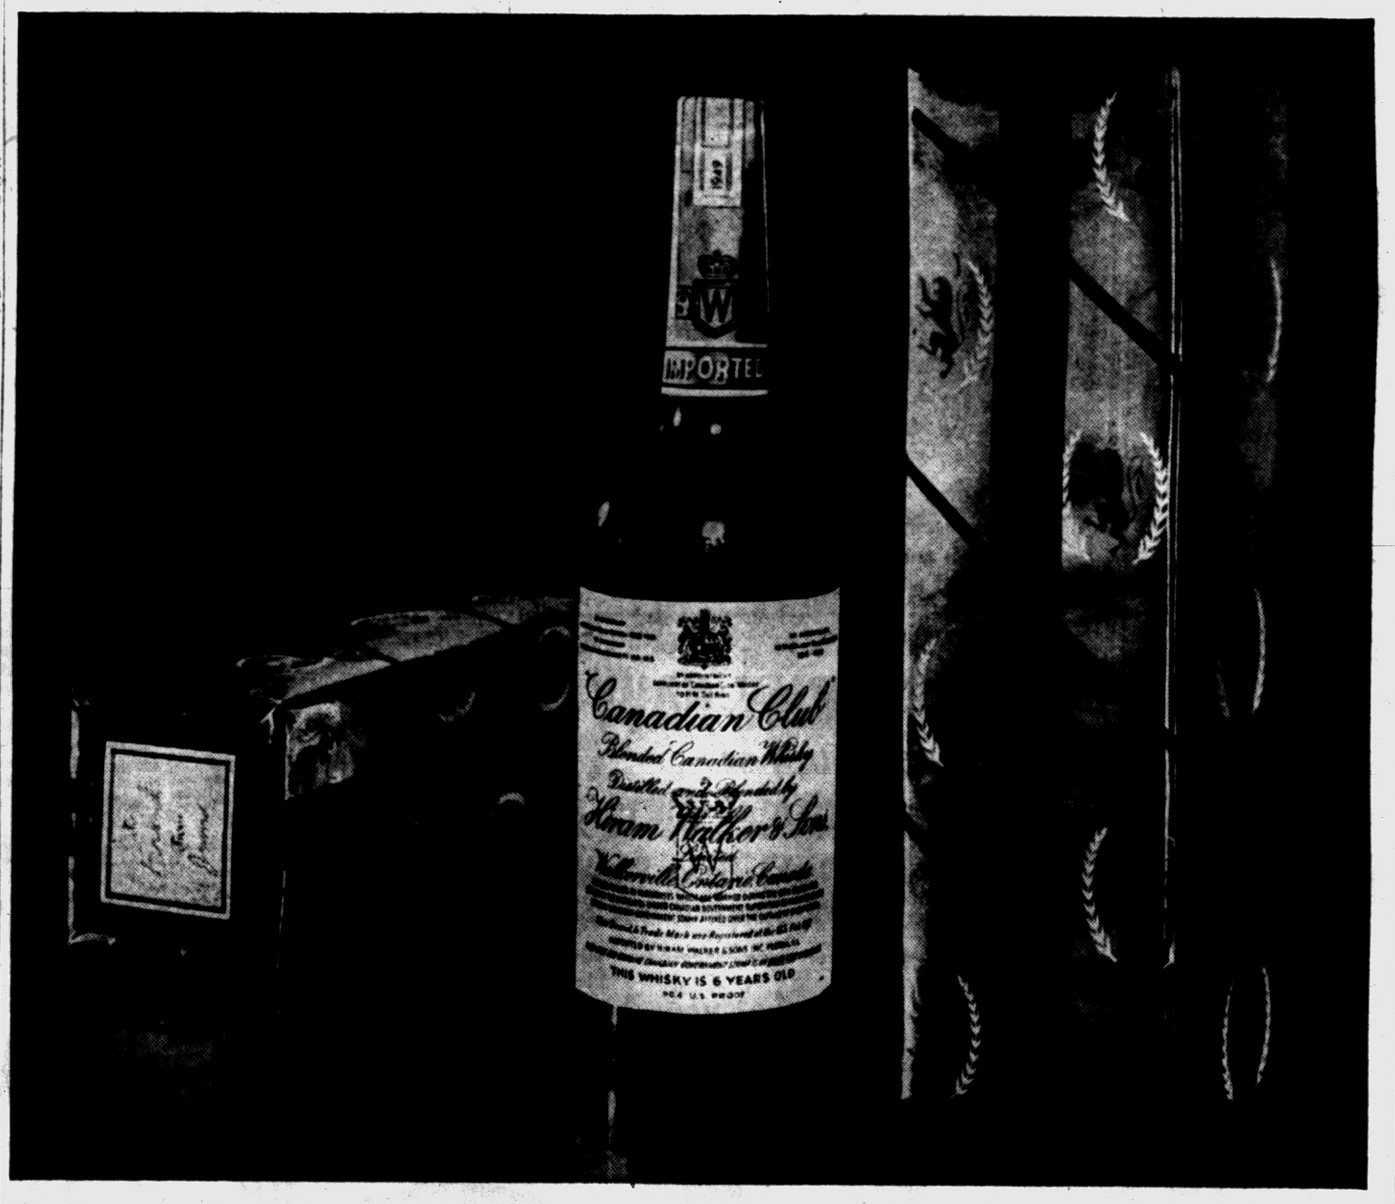

Middlecoff said at his home in Memphis, Tenn., that Harry Todd, Dallas professional, will be named head of the new club's pro staff. The golfing dentist has taken 29 tournaments since 1947.

Middlecoff said he will remain active in tournament play and will register as circuit professional of the Riverlake club. He is due to arrive in Dallas Friday en route to the Los Angeles Open.

Sets Passing Record

DETROIT — Harry Gilmer set a Detroit Lions passing record in the final game of the '55 season by attempting 49 passes. Bobby Layne's career high mark is 45 pass attempts.

Here's how "The Best In The House" comes luxury gift-wrapped

You just sign it... and give it!

You buy it all wrapped up! No extra charge for the distinctive gold foil wrapping with the elegant ribbon. No waiting to have your purchase gift-wrapped. Browns in 'Deep-Freeze' for Title Tilt

CLEVELAND (AP) — Sickness and minor ailments combined with the weather today to plague the Cleveland Browns in their preparation for the National Football League title game with the Los Angeles Rams.

Horace Gillom, who handles the punting for the defending champions, and John Petitbon of the defensive backfield have been hit by the influenza bug and missed the first regular practice of the week yesterday.

Abe Gibron and Maurice Bassett, both hampered by pulled leigmuscles, and middle guard Bob Gain, who has a weak ankle, took it easy during the hour-and-a-half workout in the snow.

All five, however, are expected to be ready for the title clash in the Los Angeles Coliseum Monday.

* * *

The Browns got no encouragement from the weather forecast, which calls for more snow and temperatures below the freezing mark today. They have had to contend with the snow and cold since starting preparations for the championship game after closing out the regular season against the Chicago Cardinals here Dec. 11.

Coach Paul Brown said yesterday that efforts to find an indoor arena with a dirt floor for practice sessions had failed and so the team would have to struggle along as best it can.

* * *

"I might talk about these things," he said, "but, down deep in my heart, it had better not make any difference. We're going to try real hard and we're going out with the purpose of getting it done."

Brown, feeling that too much California sunshine would sap the strength of his players, decided to keep the team here for most of its practice for the contest with the Rams. Full-scale workouts are planned today and tomorrow.

* * *

The Browns will leave for California at 7:30 a.m. (EST) Saturday in a chartered plane and are scheduled to arrive at 2:55 p.m. (EST). They plan to get in regular drills at Brookside Park in Pasadena Saturday afternoon.

* * *

Coach Brown is making no changes in preparations due to the injury reports emanating from Los Angeles.

* * *

Paul (Tank) Younger, Ram Fullback, has been declared out of action for the title clash because of a neck injury. Center Leon McLaughlin, who is suffering from the mumps, has been placed on the doubtful list.

* * *

Younger will be replaced by Dan Towler, who has not played much this season but was one of the National League's top ground gainers for the past four years. Bobby Cross, one of the biggest of the Rams at 6-4 and 250 pounds, is expected to replace McLaughlin.

* * *

Brown and his staff had been working on the assumption that Coach Sid Gillman of the Rams would alternate Younger and Towler at the fullback post against the Browns.

Ezzard Charles Meets Albright

Ex-Heavyweight Champ Still Hoping for Title Shot at Marciano

SAN FRANCISCO (AP) — Ezzard Charles, the aging fighter with a yen to come back, takes on young Bob Albright tonight, hoping big for another shot at Rocky Marciano and the heavyweight title he once held.

Charles figures to win the scheduled 10-rounder although he probably will be giving away about 25 pounds. Albright is a walk - in swinger, a good target for the more deft Charles.

Albright, of Los Angeles, is the sparring partner who lost his job when he knocked down England's Don Cockell last June while Cockell was getting ready to meet—and lose to—Marciano. He has a record of 23 wins, 2 losses and 2 draws and has never been dropped.

Charles, however, insists he is the best challenger available for the title despite his 34 years and four losses this year out of nine bouts.

Six High School Grid Fatalities During '55

CHICAGO (INS) — The National Federation of State High School Assns. reported today that there were six fatalities during 1955 due to injuries suffered in high school football games.

"The number of fatal high school football injuries for the 1955 season was considerably below the average for the past 10 years," the federation said.

"Since the number of high school football players is approximately 660,000, this shows an incidence of 9 per 100,000 players. The average incidence in the past 10 years is 1.34. Either of these figures is lower than for any other organized group playing football."

The surveys involved reports from 1,011 high schools with a male enrollment of 250,000 and high school football players numbering 49,500. The conference studied methods to reduce fatalities further.

"Four of the fatal injuries, the federation continued, "resulted from severe concussions due to striking the head on the ground or striking the knee or another helmet. One resulted from a fractured vertebra during a tackle. One resulted from an operation following a ruptured kidney.

Placid Bobsled Run

LAKE PLACID, N.Y. (AP) — Although the temperature has been in the neighborhood of 25 below zero the past few days, there isn't enough snow to bank the curves on the Mt. Van Hoevenburg bobsled run.

The opening of the run, scheduled for Dec. 24, was postponed yesterday for a week or 10 days.

AP Wirephoto

MUMPS CAUSES SHIFTS — When Center Leon McLaughlin came down with the mumps the other day, Coach Sid Gilman of the Los Angeles Rams decided to replace him with Tackle Bobby Cross (left), who's never played the position in his life. Rookie Glenn Holtzman (right) was promoted to Cross' vacated tackle spot on the offensive team and will start next Monday in the championship playoff game against Cleveland—unless McLaughlin makes a swift recovery.

Olympic Track Member in Milwaukee Hospital

MILWAUKEE (AP) — Don Gehrmann, a member of the United States' 1948 Olympic team is in Milwaukee Hospital for treatment of a slipped disc.

Dr. Bruce Brewer said Gehrmann, once one of the nation's top milers, may undergo surgery if traction treatment fails to correct the back injury.

Syracuse Switch Gets Okay From Loop President

SYRACUSE, N.Y. (AP)—The president of the International Baseball League has approved the sale of the Syracuse Chiefs franchise to Miami, Fla., interests.

* * *

Frank Shaughnessy yesterday sent a telegram to Martin Haske, the former owner saying "I think ou had no alternative but to protect yourself" by accepting the offer of the Florida group.

Haske sold the team on Monday to Sidney Saloman Jr. of Miami when a civic group seeking to keep the club in Syracuse did not present contract papers by a 5 p.m. deadline.

Earl Signs Up for Trip to Tour Soviet Russia

By EARL WILSON

NEW YORK—It's getting quite chic to go to Russia, so the Beautiful Wife ordered me weeks ago to take her to Moscow for our 20th anniversary.

"But how would it look—you eating 4 meals a day?" I said, after looking into it a little.

★ ★ ★ ★

I flashed the instructions issued by Intourist, the official Russian travel agency, showing that "De Luxe Class"—$30 and up a day—provides for four meals. You also get your hotel, auto conveyance, and a sightseeing car with a guide-interpreter, all for the $30. This is cheaper than some Florida hotels.

BUTTONS

"You get your meals with your hotel?" the wife said.

"That's what it says."

"And do you know what they call that?"

"In Florida, they just say 'meals with'."

"Dope," she said, "it's called 'American Plan!'"

"Not in Moscow, it ain't," I offered to bet.

★ ★ ★ ★

Scads of the Jet Set are going: MacKriendler of the 21 Club is already back after residing in Moscow in an old imperial palace now called the National Hotel. He had cavier for breakfast. (Ira Gershwin and Harold Arlen are due in Moscow for "Porgy and Bess.")

So the wife and I popped in on Gabriel Reiner of the Cosmos Travel Agency and ordered a trip as an anniversary present to ourselves.

"The Russians are very accommodating," Reiner said. "Visas take 3 to 5 weeks to get; the applications are sent to Moscow."

★ ★ ★ ★

He himself was leaving by Swissair for Prague, then on by Airfiota to Moscow, on travel business. He didn't fear the cold; the "wodka" helps.

We filled out our applications. You are asked whether you have any relatives in Russia, but the only Red I know is Buttons.

"Then," Reiner said, "you pick out one of the 15 tours."

We chose No. 14 . . . to Leningrad, Kiev, Odessa, Sochi and Moscow, $627.50 each (2,510 rubles) for 16 days, 25 per cent down. That just included travel inside the U.S.S.R. Third class (3 meals) is about $10 a day.

"You'll probably want to go on to Yalta and I doubt if you'll want to leave Moscow after only two days there," Reiner said.

MARLA

"How cold does it get in Russia?" the wife asked.

"Oh, maybe 20 or 30 below," Reiner said.

I could see the next one coming but I couldn't duck it. "You know what I'll need for the trip, dear," the wife said. "Russian sables!"

THE MIDNIGHT EARL . . .

Benny Goodman got in the wrong Cadillac at the "Benny Goodman Story" premiere and lost the clarinet he needed for a big Harwyn party. Ethel Merman gave up face powder on acct. of her Denver tan . . . Gant Gaither may produce Louis Bromfield's first musical . . . Marlon Brando's a regular U.N. visitor . . . Julius La Rosa took Perry Como's sec'y to Birdland . . . Marla Vernay's being tested as a WABC-TV commercial spieler.

Rocky Graziano will get a featured spot in a Jimmy Stewart movie . . . The actor playing the district att'y on a TV show will have to miss two weeks' work—he was called for jury duty . . . Actor Mark Stevens may junk his planned nightclub act. Rex Harrison's son, 21, is England's hope in the Olympic ski event.

★ ★ ★ ★

EARL'S PEARLS . . .

Denise Lor says that women drive as well as men—but she can't figure out why they'd want to admit it.

WISH I'D SAID THAT: Rene Plachner defines an accountant as a guy who can look at a girl measuring 36-23-36 and say, "She adds up to 95."

TODAY'S BEST LAUGH: "When some bank tellers want to get away from it all, they take a lot of it away with them." —Dancer Jose Reyes.

★ ★ ★ ★

Bill Bishop explained to Army Archerd why he's a bachelor: "Every time I see a girl I like, she's married to Tommy Manville, engaged to Rubirosa or separated from Artie Shaw." **That's earl, brother.**

(Copyright 1955, the Hall Syndicate, Inc.)

Lausche Seeks Seat in Senate

Ohio's Dem Governor Plans to Battle GOP's Sen. Bender

COLUMBUS, Ohio (AP) — Gov. Frank J. Lausche has ended speculation about his future political plans. He announced yesterday he will seek the Democratic nomination for U.S. senator from Ohio at the May 8 primary election.

* * *

Lausche's 23-word announcement was really no surprise. Recently he had said he would be a candidate for senator or seek a sixth term as governor.

The 60-year-old "wonder boy" of Ohio politics—no other governor has served more than three terms in the state—told newsmen in making the announcement:

"Don't ask me any questions. There is your statement. This is all I'm going to say."

* * *

Republican Sen. George H. Bender of Ohio, who recently announced for re-election, was asked in Washington if he thought he could beat Lausche in a senatorial contest.

"I'm the senator," replied Bender. "Can he beat me?"

He added: "I knew all along that he would decide to try for the Senate. I am not surprised."

* * *

Last week Lausche announced he will be an Ohio "favorite son" candidate for president at the Democratic National Convention next August.

Some Southern Democratic leaders have called him an excellent prospect for national nomination in event of convention deadlock.

Lausche is the only Ohio Democrat to announce for the senatorial nomination.

* * *

The governor lunched with former U.S. Sen. Thomas J. Burke prior to issuing his announcement. This heightened speculation that Burke, a Cleveland Democrat defeated by Bender in 1954, might become a candidate for governor.

Pulitzer Poet Hillyer in Coma After Crash

WILMINGTON, Del. (AP)—Robert S. Hillyer, 60, Pulitzer Prize-winning poet, was reported in critical condition early today, after undergoing emergency surgery for a possible skull fracture suffered in an auto accident last night.

* * *

Hillyer's auto collided with a truck near Newark. He is in Wilmington General Hospital, where physicians said he had lapsed into a coma.

The truck driver, Clayton Briggs, 55, of Bloomfield, N.J., was treated for a back injury and is in good condition.

* * *

No accident details were available.

Hillyer won the coveted literary award in 1933 for his "Collected Verse of Robert Hillyer."

He is a native of East Orange, N.J., and has been a professor of English literature at the University of Delaware at Newark since 1953.

Former Rose Queen Marries in Pasadena

PASADENA, Calif. (AP)—Marilyn Smuin, 20, last year's Tournament of Roses queen, was married last night in a double ring ceremony to Wells F. Martell, 21, a dental student at the University of Southern California.

Five members of the honey blonde's New Year's Day court acted as bridesmaids. The ceremony was performed in th eChapel of Roses by Bishop Harry J. Haldeman of the Church of Jesus Christ of Latter-Day Saints.

Formosa Cleans House

TAIPEI, Formosa (AP)—Forty-two persons were arrested in Formosa from July through November on charges of Communist conspiracy, Gov. C. K. Yen said in a report to the Provincial Assembly.

Over Surplus Ship Purchases

Onassis Settles Arguments — Pays $7 Million in Fines

WASHINGTON (AP) — For about seven million dollars in penalties, fines and other charges, Aristotle Socrates Onassis has settled government claims growing out of his purchase of surplus ships.

* * *

The companies the Greek-born shipping magnate now controls were allowed to keep the 23 ships, purchased between 1948 and 1951, on condition that a majority of the stock in the firms be transferred to American citizens within 4½ months. Onassis himself may keep a minority interest.

BOTH ALIENS

The settlement announced by the Justice Department yesterday differed in that respect from one reached four months ago with Onassis' brother-in-law Stavros Niarchos. Eleven of the 19 vessels Niarchos and his companies bought were kept by the U.S. government.

* * *

Both men are aliens. They and their companies were charged with conspiring to defraud the United States in buying the surplus ships in violation of a law restricting the sale of such ships to American citizens.

CHARGES DROPPED

Six companies which Onassis controls pleaded guilty to the charges yesterday in U.S. District Court and were fined a total of $160,000. Similar charges against Onassis personally and other individuals associated with him were dropped by the government.

* * *

Settlement of a 20-million-dollar civil suit by the government was announced on terms which include payment by the Onassis firms of $6,600,000 in cash as a penalty for illegal use of the vessels. In addition, the firms released claims of about $400,000 against the Maritime Administration, and agreed to pay about $500,000 cash to make up arrears in principal and interest payments on the vessels. They still owe the government about 5½ millions of the purchase price.

The Justice Department said it agreed to leave the ships with the firms so they would continue in use and not deteriorate in idleness.

Hollywood Headlines

Filmdom Will Recall 1955 as Year of Tragic Loss

By BOB THOMAS

HOLLYWOOD (AP) — This was a year of tragedy in Hollywood.

Filmtown is accustomed to losing a number of its names each year, usually those who have reaped their fame and passed their prime. But in 1955, death took three players whose promise had scarcely been realized.

* * *

On Sept. 30, death on the highway removed the brilliant, provocative figure of James Dean. No actor in recent years had captured the public fancy so quickly. After three starring films, his career was over but his mark will long be seen.

This month a poll of 15 million moviegoers named his performance in "East of Eden" the best of the year. The Academy may well do the same next March. Dean died at 24.

* * *

On Aug. 5, cancer killed Suzan Ball, whose fight against the dread disease had captured the nation's heart. The 21-year-old actress had twice thought she had won the battle—first when the cancer appeared to be arrested by treatments, then after a leg had been amputated.

She returned to show business in an Indian movie and a night club tour with her husband, Richard Long. But cancer returned and claimed her life.

* * *

Robert Francis, the boyish Willie Keith of "The Caine Mutiny," met sudden death in the crash of an airplane he was piloting July 31. His promising career ended at 25.

Hollywood received another shock on the day Suzan Ball died. A heart attack stilled the vivacious Carmen Miranda at 41. She had no inkling of heart trouble and had performed on a Jimmy Durante TV show the previous night.

Another luminary stricken in the prime of life was John Hodiak. He fell dead of a heart attack Oct. 19. He also was 41.

* * *

This is how other aspects of Hollywood's year 1955 looked to this observer:

Best pictures: "East of Eden," "Marty," "Mister Roberts," "Oklahoma!" "Guys and Dolls."

Best male star performances: James Dean, "East of Eden"; James Cagney, "Love Me Or Leave Me"; Ernest Borgnine, "Marty"; Frank Sinatra, "The Man With the Golden Arm"; Cary Grant, "To Catch a Thief."

Best female star performances: Anna Magnani, "The Rose Tattoo"; Susan Hayward, "I'll Cry Tomorrow"; Katharine Hepburn, "Summertime"; Jennifer Jones, "Love Is a Many Splendored Thing"; Rosalind Russell, "Picnic."

Most promising newcomers: Kim Novak, Fess Parker.

Louis, Beautician Will Wed on Yule

NEW YORK (AP)—Former heavyweight boxing champion Joe Louis and Rose Morgan, a beauty shop operator, obtained a marriage license yesterday and plan a Christmas Day wedding.

* * *

Louis, 41, although No longer active in the ring, listed his occupation as boxer. His bride-to-be gave her age as 42.

* * *

Louis was twice married to Marva Trotter and twice divorced. A previous marriage of Miss Morgan ended in divorce in 1945.

Commented Louis: "I'm very happy. Now I've got somebody to come home to."

Longenecker Elected

BOSTON (AP) — The Assn. of State Savings and Loan League Managers yesterday announced election of Grant Longenecker, secretary-treasurer of the Michigan League, as treasurer.

Westinghouse Halts Strike Negotiations

PITTSBURGH (AP)—Westinghouse Electric Corp. abruptly broke off its negotiations late yesterday with the striking AFL-CIO International Union of Electrical Workers, charging Union President James B. Carey with making an obscene attack on the company's chief negotiator.

* * *

Robert D. Blasier, Westinghouse vice president and head of the firm's negotiating committee, said the talks ended because of "an obscene, unprintable reference to the head of the company's negotiating committee by the IUE president (James B. Carey)."

Blasier said:

"It was impossible to preserve any semblance of reasonableness or decency. There can be no other excuse for this conduct except a deliberate calculated plan to bring about an end to negotiations."

He added that Westinghouse "is anxious to settle the IUE strike and is willing to meet whenever the union is ready to discuss the issues instead of the people on the company's committee."

* * *

A union spokesman said Carey declined to comment on Blasier's charge that obscene language was used. The spokesman added that the language used at the meeting "is common in all negotiations."

State to Open Christmas Day

City Theater to Feature Cinemascope, Changed Building Interior

A completely remodeled State Theater, 38-40 S. Saginaw St., will reopen Christmas Day after remaining closed for nearly two years, officials of W. S. Butterfield Theaters announced yesterday.

The building is currently undergoing extensive renovation and is being completely re-equipped according to Arthur Sanford, Pontiac manager for the Butterfield chain.

The main new feature of the opening, Sanford said, will be the addition of CinemaScope and other technical improvements for the projection of wide-angle photography.

One of three Butterfield theaters in operation in the Pontiac area, the State seats 1,200 persons. It will be open daily from 11 a.m. until midnight, and from 1 p.m. until midnight on Sundays and holidays.

The theater was closed during March of 1954.

Hike in Vessel Passage Noted on Detroit River

WINDSOR, Ont. (AP) — Lighthouse keepers on the Livingstone Channel in the Detroit River report 24,575 vessels passed through the waterway during the navigation season just ended.

The three men said 12,300 ships sailed upbound and 12,275 downbound in the 36-week season.

The 1955 season topped the 1954 season by 5,114 vessel movements but in the 1953 season 27,409 vessel movements were recorded. The season extends from April 1 to Dec. 15.

Water shortage is forcing power rationing in Sao Paulo and Rio de Janeiro, Brazil.

Insects Make Dye

MEXICO CITY—In ancient Mexico lasting dyes were made from plants and insects. In many parts of the country these primitive dyes are still preferred by weavers. The favorite has always been a rich scarlet derived from the dried bodies of an insect, the cochineal.

Size of Audience Decides Laughter Effects of Jokes

SAN FRANCISCO (INS)—If a man is the "life of the party" but his jokes land with a dull thud in the quiet of his own family, there is a good psychological reason.

* * *

And it is also psychologically sound to assume that the more persons who are watching a comedian, the more chance there is that they will laugh at his jokes.

This was shown in a study done by Dr. Leslie F. Malpass of Southern Illinois University and reported to the American Psychological Association convention in San Francisco under the title of "Social Facilitation as a Factor in Reaction to Humor."

* * *

The study proved what professional showmen have long believed—that people react to humor and comedy more intensely in groups than the same individuals would react if alone.

Seventy-eight college students were the subject for the study.

Six judges selected 90 jokes and 90 cartoons out of several hundred and divided them into three classes—whimsical, aggressive or sexual in theme material.

The jokes were tape-recorded and the cartoons were projected on a screen, to be certain that all subjects of the experiment saw or heard them in the same way.

The humor tests were then presented in several ways; in large groups of 24 to 30, in small groups of six or seven, and individually. Each subject was asked to report each joke or cartoon on a seven point grading system, ranging from "one of the funniest jokes I ever heard" to "not at all funny."

Shepherd's Crook Gives Royal Lesson

EDINBURGH — A Highland shepherd's crook caused a crisis in the royal nursery. The cromeg, to give it its proper name, was brought to Balmoral Castle by a friend of the Queen as a gift for Prince Charles — specially made in small size by an expert in this ancient art.

The Queen, however, diplomatically told her guest the gift could not be accepted. She has a firm rule that her children are not to be "dressed up" in miniature editions of national dress. "It makes the children look like dolls in a sideshow," she says.

But Charles had caught a glimpse of the small cromeg and demanded it. "Daddy uses one, why can't I?" he insisted, until his father took him to his study. The Prince emerged, red-faced and silent.

Brisk Trading Advances Stocks

NEW YORK, (AP)—For the second straight session, the stock market advanced today with continuing brisk trading in the early afternoon.

Aircrafts were leaders in the rise, but most major groups gave good support. These included the steels, motors, railroads, oils, chemicals, radio-televisions, and the rubbers. Gains of 1 to 3 points were found in most divisions. Losses seldom reached a point.

Trading was so fast that the ticker was unable to keep up in reporting the progress of business. The lag lasted only a few minutes. This is the first time such congestion at higher prices has appeared for some days. The pace matched that of yesterday when 2,540,000 shares changed hands.

U. S. Steel was a higher feature on news that it plans to add 2,500,000 tons of ingot capacity to its production.

Westinghouse Electric, on the other hand, was moderately lower as a new break developed in labor negotiations aimed at getting the strike-bound company operating again.

At noon the Associated Press average of 60 stocks was up 80 cents at $180.30. It was up $1.30 yesterday.

The average now is posting a challenge to its old record high mark of $181.50 scored on Sept. 23 just before the market slumped on news of the Presidents' illness. It reached that same level again early this month.

Department of Agriculture) — Live poultry steady to firm; receipts in coops 1,034 (yesterday 1,337 coops, 123,744 lb.); f.o.b. paying prices unchanged to higher; heavy hens 22-26; light hens 16.5-18.5; broilers or fryers 22-23; old roosters 14.5-15.5; capunettes under 4½ lb. 25-28, over 4½ lb. 29-32; hen turkeys 37-39; tom turkeys 27-30; geese 24-27.

Livestock

CHICAGO LIVESTOCK

CHICAGO, Dec. 22 (AP)—Salable hogs 10,000; moderately active an duneven, barely steady on butchers under 230 lb; steady to strong on weights over 230 lb. and sows; fair shipping demand and complete clearance; most mixed grade lots U.S. No. 1 to 3s 180-220 lb. 10.75-11.50; a few hundred at 11.75, these mostly No. 1 and 2s but with a No. 3 end; virtually nothing available like most hogs which brought 12.00 on Wednesday; around a 60 head lo tmostly No. 1 and 2s 11.85; most No. 2 and 3s 230-260 lb 10.00-10.75; a few No. 1 and 2s 230-235 lb to 11.00; bulk 260-330 lb. 9.25-10.00; most sows 350-600 lb. 8.25-9.25; a few lighter weights to 9.50.

Salable cattle 2,000; salable calves 200; yearlings and light steers under 1,100 lb. and heifers steady; other steers steady to weak; cows steady to weak; bulls about steady; vealers strong to 1.00 or more higher; stockers and feeders about steady; few loads and lots mainly choice grading steers and yearlings 19.00-22.50; latter price for a load of high choice and prime 1,150 lb.; a load of mostly prime around 1,425 lb 20.25; good to low choice steers 15.00-18.50; a few mostly choice heifers 18.50-22.50; good to low choice 11.50-18.50; commercial 12.00-15.00; utility and commercial cows 10.25-11.50; canners and cutters 9.00-10.25; utility and commercial bulls 13.50-16.00; good to choice vealers 20.00-26.00; odd head prime up to 27.00; cull and commercial 10.00-19.00; medium to good stockers and feeders 630-1,050 lb 14.00-17.00.

DETROIT LIVESTOCK

DETROIT, Dec. 22 (AP)—Hogs—Salable 125. No early sales; undertone strong.

Cattle—Salable 75. Generally steady market, receipts mostly cows. Compared last Thursday slaughter steers and heifers slow, but good clearance small supply, mostly steady, cows scarce, 50 cents to $1.00 higher considering quality; bulls firm; stockers and feeders weak to 1.00 lower; around 40 head mostly prime 1,060 to 1,074 pounds steers 22.50; bulk good and choice fed steers 19.00 to 22.00, mostly 21.00 to 22.00 for choice under 150 pounds. High commercial and low good short fed steers 17.00 to 19.00; few good and low choice heifers 16.50 to 18.50; bulk utility and commercial steers and heifers 11.00 to 15.00; cutter kinds down to 9.00; bulk utility cows 10.00 to 11.00; canners and cutters mostly 8.00 to 10.50; utility and commercial bulls mostly 12.50 to 15.00; load choice 524 pound stock steer calves 20.00; part load choice 613 pound steer yearlings 19.75; bulk good and choice stockers and feeders 16.00 to 19.00.

Calves—Salable 25 generally steady

U.S. Coal Leader

CHARLESTON, W. Va. — More coal than is mined in any other state is being produced by mines in West Virginia. Production since 1865 totals some 5.6 billion tons, about 20.8 per cent of total American production since 1800.

STRUGGLES AFTER SENTENCE TO DIE — Richard Carpenter fights with police and bailiffs in Chicago criminal court, Nov. 22, after he was sentenced to die in electric chair March 16 for murder of policeman. Carpenter, captured in one of Chicago's most intensive manhunts, had to have six bailiffs hold him in a chair and quiet him during his outburst at the session. The 26-year-old gunman was carried into courtroom to hear denial of his attorney's plea for a new trial.

U.S. Estimate Lowers Wheat

CHICAGO (AP) — A government estimate that the winter wheat crop may be larger next year caused selling that pushed wheat prices downward in early Board of Trade dealings today.

Soybeans mostly were firm again on prospects of heavy exports. Corn was about steady after observing some hedge selling, with receipts heavier today at 72 cars. Oats showed little change in extremely light trade.

Near the end of the first hour wheat was ¾ to 1 cent lower, March $2.08¼; corn was ⅛ lower to ¼ higher, March $1.30; oats were ⅛ lower to ⅛ higher, March 65⅝; rye was ¼ to ½ lower, March $1.19 ½; soybeans were ½ higher to ¼ lower, January $2.39, and lard was 8 cents a hundred pounds higher to 2 cents lower, January $11.15.

The government estimated next year's winter wheat crop, based on Dec. 1 conditions, at 735,438,000 bushels, compared with 705,372,000 bushels harvested this year. At this time last year, the government had estimated this year's winter wheat production at about 700 million bushels.

Solons Muffed Budget Briefing

Wilson's Warning Over Foreign Aid Cost Lost in Hubbub, Notes Say

By JOHN SCALI

WASHINGTON (AP)—The White House is reported to have found in its records what it considers evidence that congressional leaders were told in advance of a plan to ask for $4,900,000,000 in new foreign aid money.

But officials who related this today conceded the information apparently did not get across.

A critical part of the news—that dealing with a tripled request for military aid funds—was said to have been provided just as the Dec. 13 White House briefing broke up.

The key words spoken by Secretary of Defense Wilson, said officials who may not be named, could have been lost in the closing hubbub.

White House aides checked their files yesterday after some senators and representatives complained they had been misled about the foreign aid program. Sen. Mansfield (D-Mont), for example, had accused the administration of breaking faith with congressional leaders.

A number of congressmen who attended the White House meeting said they got the impression the administration would seek for foreign aid about the same amount Congress voted this year—$2,700,000,000.

Secretary of State Dulles has termed it "a genuine misunderstanding." He said the administration sought to stress that, although appropriations requests would go up, the money actually to be spent during the years beginning July 1 would be only slightly more than the $4,200,000,000 estimated in this fiscal year.

No stenographic record was kept of the White House briefing, informants said, but a White House aide made detailed notes which were reviewed after the surprised congressional reaction.

They said these "minutes" show that:

1. Wilson talked about foreign aid plans briefly after devoting most of his remarks to the Defense Departments domestic budget. Just as the legislators prepared to leave, he is reported to have mentioned the precise figure the administration would ask for military aid, $3,024,000,000.

2. Dulles briefed the meeting on economic aid, telling the congressmen the administration wanted 100 million dollars more for economic assistance than was asked last year, or about $1,900,000,000.

WALTER A. GUTHRIE

Name Area Resident to Socony Sales Post

The appointment of Walter A. Guthrie to the post of sales manager of the Socony Mobil Oil Company's Pontiac District was announced this week by Division Manager Harry J. Peckheiser, who recently left the position after serving three years.

Guthrie, a native of Oakland County and a resident of Bloomfield Hills, comes to Pontiac from a similar position in Socony's northeastern Michigan district with headquarters in Saginaw.

In his new position, Guthrie will be in charge of all petroleum product sales to Mobilgas stations in southeastern Michigan except metropolitan Detroit. He will also be responsible for sales to car dealers, fuel oil users, commercial consumers and rural residents.

Except for three years at Ann Arbor, where he graduated from the law school, and a three-year term in the army during World War II, Guthrie has always been employed by Socony. Starting in 1930 as a service station employe, he served the company successively as merchandiser, salesman and real estate expert until his transfer to Saginaw in 1952.

Small Firms to Pay Unemployment Taxes

Thousands of small firms and businesses, presently exempt from paying jobless pay taxes, will come under the unemployment insurance program Jan. 1 because of 1954 changes in the Federal Unemployment Tax Act.

Starting at the first of the year, every employer with four or more workers on his payroll will be subject to taxes. The minimum coverage formerly was eight.

Extension of federal coverage has brought on a rush of new state unemployment legislation; many have cut coverage provisions, while 20 have amended laws to agree with the federal provisions, according to Commerce Clearing House, national reporting authority on tax and business law.

Stock Split Is Proposed by Johns-Mansville Corp.

NEW YORK (AP)—Johns-Manville Corp. announced yesterday that it would submit to stockholders a proposal to change the number of authorized shares of common stock from 4,500,000 of no par value to 25,000,000 shares of $5 par value.

L. M. Cassidy, board chairman, said that the proposal by the directors would be voted on by the stockholders at the annual meeting March 9 in New York City.

Cassidy said that establishment of a $5 par value for the stock would effect savings in transfer taxes for stockholders.

Youthful Crash Victim on Way to Recovery

A 6-year-old Waterford Township boy, struck by an automobile Monday, is in good condition in Pontiac General Hospital today.

Thomas Vas Shattuck, 3480 Watkins Lake Rd., suffered a concussion and fractured leg when he was hit while waiting for a school bus.

Motion Picture Camera Stolen From Building

A $149 motion picture camera was stolen from an establishment at 57 W. Huron St. Tuesday, Pontiac Police said.

They said there are no suspects in the theft, which occurred in the back room of the building.

Ford Reveals Plans for Passenger Line

WASHINGTON (AP) — Ford Motor Co. said today it plans to introduce a new passenger car line within the next few years.

A passing reference in the prospectus filed with the government on proposed sale of Ford stock said:

"The company plans to introduce a new passenger car line within the next few years. This involves substantial risks because of the expenditures required for styling, engineering, special tools, and plant facilities.

"It also requires the development of an additional retail dealer organization and involves many other problems and expenditures inherent in the introduction of a new line."

Company Moves Offices to Bloomfield Hills Site

General offices of the Palmer-Bee Co. were consolidated recently when the firm moved into its new building in Bloomfield Hills. Site of the structure is along Opdyke Rd near the tracks of the Grand Trunk Railroad.

The move was hailed by company officials as "another important step in an extensive expansion and relocation program."

Manufacturing activities will continue at the company's plant in Hamtramck, although certain operations will be transferred to Marysville when new facilities there are completed.

Reveals Stock Dividend

GRAND RAPIDS (AP) — The Jarecki Corp. has announced a 2 per cent stock dividend to be paid Feb. 1 to stockholders of record Jan. 15. Clare F. Jarecki, president, said the dividend was declared to conserve the cash position of the corporation, now engaged in a $2,000,000 expansion at its metal stampings and assembly division.

EDWIN T. HERBIG

Edwin Herbig to End GMC Sales Career

Edwin T. Herbig, 62, of the GMC Truck & Coach Division, will retire from his post as national fleet sales representative next month, company officials announced today.

A veteran of 26 years with the firm, Herbig began his career with GMC Truck in 1929 and the following year was appointed branch manager at Boston, Mass. He was promoted to Eastern Regional sales manager in 1932.

Among Herbig's activities was the planning of the annual "GMC Evening," a highlight of yearly American Trucking Association conventions.

He and Mrs. Herbig plan to build a home in Sarasota, Fla., early next year. They presently live at 15 E. Kirby St. in Detroit.

His retirement will become effective Jan. 1.

Left FBI for Job With Ford

Bugas Made Smart Switch

WASHINGTON (AP)—Old FBI associates of John S. Bugas read with interest today that he's done quite well financially.

* * *

Bugas, a big, quick-moving man with a soft voice, quit as agent-in-charge of the FBI office in Detroit in May 1944, to go with the Ford Motor Co.

Bugas was getting $6,500 a year when he quit the FBI. By now, had he stayed on, he would be doing better since pay has gone up—maybe as much as $12,000.

But Ford disclosed Wednesday, in making public its financial affairs for the first time, that Bugas is beating FBI salaries from Detroit to his hometown of Wamsutter, Wyo., and back again.

Ford listed 1955 "aggregate direct renumeration" for Bugas at $183.785. Bugas is Ford vice president for industrial relations.

HAD STOCK OPTION

But even this failed to tell how well Bugas has done financially. Ford listed him as among key officials who received options to buy Ford stock in 1953. Based on the new classification of stock, these officials have options to buy the stock at $21 a share.

If he exercises all of his options, Bugas will pay $1,260,000 for 60,000 shares. The stock now is believed to be marketable at about $75 a share. On this assumed value Bugas stands to make a profit of nearly 3¼ million dollars.

JOINED FBI IN '35

If he sells any of the stock, Bugas would have to pay a long term federal capital gains tax of 23 per cent of the difference between what he paid for it and what he sold it for.

Bugas, 47, was born in Rock Springs, Wyo., but his family moved to Wamsutter when he was a boy. He attended the University of Wyoming where he received a law degree. He was with a Cheyenne law firm briefly before he joined the FBI in 1935.

An agent who worked on many cases with Bugas, including kidnapings, described him as a "good guy who hasn't gone high hat." He still drops around FBI headquarters to see old friends when he is in town.

While agent-in-charge at Detroit, he had many opportunities to come into contact with the present management of Ford.

* * *

Harry Bennett, close associate of Henry Ford I, was ousted and Ford needed a man to handle labor relations.

Bugas got the job and within a year or so he was vice president in charge of industrial relations. This job includes dealing with unions in contract negotiations.

Dividends

NEW YORK (AP)—Continental Can Co. has declared a 100 per cent common stock dividend payable Feb. 15 to stock of record Jan. 10.

The company also announced that at the regular dividend meeting next month the board proposes to place the quarterly dividend on the increased shares at 45 cents per share.

This would be equal to 90 cents on present stock which has been receiving 75 cents quarterly.

AKRON, O. (INS) — Firestone Tire and Rubber Co. reported today net income for the fiscal year ended Oct. 31 of $55,378,916, equal to $6.81 a common share. This compared with $40,509,994, or $5.02 a common share, in the preceding year. Sales increased to $1,114,870,187 from $916,047,040 the year previous. Harvey S. Firestone, Jr., chairman, declared the company is looking forward to the 1956 fiscal year with "confidence and enthusiasm."

NEW YORK (INS) — Kelsey-Hayes Wheel Co. reported net income for the three months ended Nov. 30—the first quarter of its fiscal year—of $1,678,225, equal to $1.24 a common share. This compared with $978,027 or 80 cents a common share, in the same period last year. Sales increased to $39,933,401 from $25,726,323 in the 1954 period.

B. EARL PUCKETT

Allied Stores Head Named Top Retailer

B. Earl Puckett, board chairman of Allied Stores Corp., has been named 1955 winner of the Tobe Award as "Retailer of the Year," sponsors of the annual prize announced this week.

Known as the "Oscar" of retailing, the award is sponsored by Mrs. Tobe Coller Davis, widely-known fashion and merchandising consultant. The presentation will be made at a banquet in New York City next month.

Allied Stores, of which Pontiac's Walte Department Store is a member, is the largest organization of its kind in the world.

News in Brief

Pleading guilty to a charge of reckless driving, Donald S. Lum, 25, of 2325 Maplecrest Ave., was committed to jail yesterday after he failed to pay $25 fine and $10 costs imposed by Sylvan Lake Justice Joseph J. Leavy. Lum was also fined $10 or 10 days in jail for having no operators license on his person.

West Bloomfield Township Justice Elmer C. Dieterle jailed Clifford Beaty, 37, of South Lyon, when Beaty failed to pay $100 fine and $25 costs after pleading guilty yesterday to a charge of driving under the influence of liquor.

Richard Pringle, 21, of Detroit, pleading guilty before Farmington Township Justice Allen Ingle on a charge of driving under the influence of liquor, was jailed yesterday for 10 days and ordered to pay $25 costs.

Two hubcaps were stolen from his car yesterday while it was parked in the Pontiac Motor Parking lot, Joseph H. Vanderfoef 2690 Horton Rd., reported.

While parked at the Tel-Huron shopping center last night, two hub caps were stolen from his car, Malcolin Stoglin, 700 Joslyn Rd., told police.

7 Teenage Offenders Set for Off-the-Record Court

Seven teenage offenders were slated for hearings today in Oakland County's unique off-the-record court, the largest one-day total to date, said Chief Assistant Prosecutor George F. Taylor.

The court, started 27 months ago by Taylor and Prosecutor Frederick C. Ziem, allows youthful law violators to be placed on unofficial probation, giving them a chance to straighten themselves out and avoid acquiring a criminal record.

Only teenagers whose background and personality indicate they will benefit from the procedure are asked if they wish to come before the court.

So far 197 youngsters have been placed on probation by Taylor. Only three have had to be brought back and sent through regular Juvenile Court channels.

"Police throughout the county are becoming more and more enthused over the court's results," said Taylor, "and it's use is constantly increasing."

A registration statement has been filed under the Federal Securities Act of 1933 with respect to these securities. They may not be sold nor may offers to buy them be accepted before the registration statement becomes effective. This advertisement shall not constitute an offer to sell or the solicitation of an offer to buy the securities in any State in which such offer or solicitation would be unlawful prior to registration or qualification under the laws thereof.

Scot Marriage Site on Block

Smithy at Gretna Green, Scotland, Is Famous for 5,000 Marriages

WASHINGTON — The smithy at Gretna Green, Scotland, famed not for its iron but for the 5,000 marriages it has forged, is up for sale.

The smithy actually did become a marriage house about the start of the 20th century, says the National Geographic Society. The owner decided there was more profit in matrimony than in blacksmithing. Eventually he incorporated his new business and hired a licensed clergyman to perform the rites. The clergyman, faithful to tradition, masqueraded as a blacksmith.

It was at Gretna Hall that John Peel, the song-celebrated huntsman ("D'ye ken John Peel?") married Bonnie Mary White. Officiating was the most illustrious of Gretna's "clerics," enormous, hard-drinking Joe Paisley. A "twenty-five-stone mass of fat irrigated by brandy," Paisley once, when marrying two couples simultaneously, transposed the brides and grooms on the certificates. "Awell," said he, "just sort yersel's oot."

Finally, in 1856, Lord Chancellor Brougham, himself a Gretna Green elopee, drafted a law requiring a 21-day Scottish residence for either bride or groom. The Bishop's marriage house came tumbling down and once again became a private mansion.

Now a honeymoon inn, Gretna Hall has preserved its marriage register listing 1134 couples, many of exalted rank. Also intact is the original bridal chamber with its extra wide, crinoline-accomodating entrance, the sliding panels in the door, and diamond-scratched initials on the windowpanes.

Tari Island Reveals Hidden Tribesmen

AUKLAND, N.Z.—In the rugged highland of Papua northwest of Tari, a recent reconnaisance patrol discovered still another group of hitherto unknown tribesmen — the Duna. The men are bearded and wear wigs of human hair, making them look like Biblical figures.

However, their noses are pierced and they use primitive stone axes. They are typical mountain dwellers—short and sturdy, with big chests and thighs. The Dunas are not cannibals, the report stated. They fight with bows and arrows.

Some of the arrows terminate in a needle-like point ringed with a shallow cut to insure that they break off in the wound. Others have sharp teeth cut into the sides. Perhaps the most dangerous type is an arrow tipped with a broad bamboo blade sharpened on both sides.

Paul D. Stewart Struck While Crossing Street

A Pontiac man, crossing the street at the corner of E. Huron and N. Perry Sts. yesterday, is in Pontiac General Hospital after a driver "took her eyes off the road," according to Pontiac Police.

Paul D. Stewart, 36, of 104 Douglas St., whose wrist was fractured, is in fair condition, hospital authorities said.

The driver, Janie C. Brown, 26, of 225 Mechanic St., told police she was watching an approaching car when she struck Stewart.

Tademy Appeals Case to Circuit Court Level

Found guilty yesterday on a charge of driving under the influence of liquor, Cleveland G. Tademy, 31, of 268 W. Wilson St., appealed his case to Circuit Court.

Municipal Judge Cecil McCallum released Tademy on $200 bond until his case comes up in the higher court Jan. 9. Tademy faces a $100 fine and five days in jail if his appeal is denied.

Receives Jail Term

Arraigned yesterday on a charge of leaving the scene of an injury accident, Robert Pena, 17, of 14 S. Parke St., pleaded guilty before Municipal Judge Cecil McCallum.

'Washington Crossing the Delaware' Once Again Becomes National Favorite

WASHINGTON CROSSING, Pa. (AP)—The painting which dramatizes America's own Christmas story — Washington's crossing of the Delaware in 1776—enjoys high favor again, historians say, after a long lapse into neglect and even ridicule.

* * *

"For the first 100 years after the event, on that Christmas night 179 years ago, the story was a national favorite," said Mrs. Ann Hawkes Hutton, member of the Washington Crossing Park Commission.

PAINTING DERIDED

Among those impressed by it was a young man named Emanuel Leutze. Born in Germany, he spent most of his early years in Virginia and was educated there and in Pennsylvania. He steeped himself in the Washington story. He went to Valley Forge. He came to this crossing and visualized the preparations for the passage across the river which culminated in the Battle of Trenton. In 1851, after studying art in Germany, he put his big inspiration on big canvas—21 by 12 feet.

* * *

Many critics derided the painting. They said Leutze was too Teutonic to interpret so basic an American theme, that his river resembled the Rhine more than the Delaware, that even allowing an artist the right of arranging his figures for purposes of composition Leutze shouldn't have had Washington standing in the boat, that he used the American flag before it was adopted, that the ice cakes in the river were too big.

PUBLIC ACCLAIMS

For all that, the public acclaimed Leutze's work. By the turn of the century the painting had become the best known historical work of its kind both in Europe and in North America.

* * *

Yet even then its general popularity was falling off. Partly because "modern" art critics were unrelenting in their assaults.

But a change became apparent in the 1940's. Mrs. Hutton said and a regrowth of patriotism during World War II obviously helped to bring it about.

COPIES APPEAR

Mrs. Hutton a few years ago helped persuade the Metropolitan Museum of Art in New York to lend the Leutze painting on contract until 1957 for exhibit at the park here. Since then millions of visitors from all parts of the world have been drawn to the park.

* * *

In the last year or two, Mrs. Hutton said, reproductions of the painting again have appeared on magazine covers, postcards, souvenirs, Christmas cards, pocketbook medallions and even on fashionably decorated living room walls.

Polio Stricken Mom to Get Diploma — After 33 Years

BANGOR, Mich. (AP)—The path to a college education has been a long one for Mrs. Mildred Correia—33 years, in fact.

* * *

She is completing the difficult journey to a degree despite the barrier of polio, which left the attractive mother of two daughters with both legs paralyzed.

When she receives her diploma at the mid-term from the University of Illinois, Mrs. Correia will barely finish ahead of her 20-year-old daughter Betty, a junior at Northwestern University. Her other daughter, Barbara, 23, already is a college graduate and now is an airline hostess.

Mrs. Correia has done most of her studying through correspondence and extension courses, starting in 1943. That was the year she was stricken by polio which hospitalized her for more than year.

During the long months of confinement, she decided to resume the college studies she had abandoned in 1924 after two years of classes.

She took courses from Western Michigan College that she couldn't get through the mails from University of Illinois. Her husband manages a Bangor coal and feed store.

Correspondence courses aren't easy, Mrs. Correia has found. She says:

"There are no professors to explain things at home, but the exams are just as tough."

Troupe to Entertain for GIs Near Soviet

ANCHORAGE, Alaska (AP)—A Hollywood troupe on tour of Alaska military installations will give a New Year's Eve show almost within earshot of Russian-held territory.

The show will be performed before a small group of American servicemen in a remote defense outpost at Wales, on the western tip of the Seward Peninsula. It is less than 30 miles across the Bering Strait from Soviet-occupied Big Diomede Island.

Comedian Ben Yost heads the 16 entertainers.

Kid Phone Calls Are Old Story for Mrs. Claus

ALBUQUERQUE, N.M. (AP)—Mrs. Willis S. Claus says the kids who phone her home each year about this time "aren't very original."

"Most of the callers are older kids trying to have a little fun," she says. "They don't really bother us. This has been happening in the family for years."

Her daughter Marilyn, 11, had a little fun of her own this Christmas season. She took a call from a youngster who seemed to be in earnest. Marilyn said it certainly was Santa's home and she was a helper. She took the youngster's order.

Car Skids, Rolls Over After Attempted Stop

A Milford couple escaped serious injury last night when their car skidded off West Maple Rd. and rolled over.

Mrs. Donelva Hotchkiss, 23, was treated for back bruises and released from Pontiac General Hospital. Russell S. Hotchkiss, 27, who was driving, was uninjured. State Police said, Hotchkiss told troopers that he applied his brakes too suddenly and lost control of the car.

Christmas Pilgrims Sense Uneasy Peace in Holy Land

AMMAN, Jordan (AP)—An uneasy peace settled over the Jordan-held areas of the Holy Land today and preparations were stepped up for the annual Christmas influx of pilgrims to the Baghdad Pact linking Iraq, Iran, Turkey, Pakistan and Britain.

* * *

Jordan's caretaker government moved quickly to restore order after six successive days of rioting against moves to bring this Arab kingdom into the Baghdad Alliance. A statement from newly named Prime Minister Ibrahim Hashim was interpreted as assurance from the government that it would not join the Western-sponsored pact linking Iraq, Iran, Turkey, Pakistan and Britain.

A PLEBISITE

Hashim announced his government "will not deal with any political questions, nor will it bind itself to any treaties or obligations. We appeal to the people collectively and individually to cooperate with us."

King Hussein already had announced that parliamentary elections to be held within the next four months would be considered a plebiscite on the Baghdad Pact issue.

* * *

A curfew established in Bethlehem was lifted and troops called in to quell violence began to leave riot-hit cities. Barbed wire which had been thrown across streets in key sectors of Amman was removed. Lights came on in shopping districts as business places were reopened.

* * *

The government also announced the release of all persons arrested in the riots. Opposition groups had demanded they be freed as a condition for ending demonstrations and strikes. Striking civil servants were urged by their leaders to return to work. Schools were ordered reopened.

West Bloomfield Library Adds 18 New Books

WEST BLOOMFIELD — The following new books have been added to the West Bloomfield Library, Stella S. Travis, librarian, announced.

Fiction: The Tontine by Thmoas B. Costain; The Golden Journey by Agnes Sligh Trumbull; Midpoint by Isabella Holt; The Angry Hills by Leon M. Uris; The Queen's Cross by Lawerence Schoonover; Roxana by Marion Castle; Shad Run by Howard Breslin; Miss Morissa by Mari Sandoz; The Rising Storm by Marguerite Allis; Slow Dies the Thunder by Helen Topping Miller.

Non-Fiction: The Edge of the Sea by Rachel Carson; Cancer and Common Sense by George Crile Jr., M.D.; Papa Married a Mormon by John D. Fitzgerald; The Secret of Happiness by Billy Graham; Bare Feet in the Palace by Agnes Newton Keith; Year of Decisions by Harry S. Truman; The Pit and the Century Plant by Pati Hill; Wheels West by Homer Croy.

The library will be closed Dec. 24, for the Christmas holiday.

Detroit Youth Jailed for Leaving Accident

An 18-year-old Detroit youth was jailed here last night, charged with leaving the scene of an accident, after he allegedly forced a State Police car off the road during a chase south on Woodward avenue.

John Mulverhill was apprehended at home by Detroit Police after Troopers Harold Wade and Richard Gordenier sent out a radio call for help. They were uninjured in the accident.

Kalamazoo Supervisors Study Property Taxation

KALAMAZOO (AP)—The Kalamazoo County Board of Supervisors, which opposes basing taxes on the state's equalized assessment, has named a committee to investigate what it terms "exorbitant property taxes."

The board favors levying against property on locally-set values.

A Birmingham, England, man has been rewarded $8,400 damages because he cannot enjoy a good morning kiss from his wife. A motorcar accident has robbed him of feeling in his lower lip and chain.

$10,000 Blaze Engulfs Oil Well Near Midland

MT. PLEASANT (AP) — An estimated $7,000 to $10,000 damage was caused last night when an oil well caught fire midway between Mt. Pleasant and Midland.

Firemen brought the blaze under control after a two-hour fight with fog producing equipment.

Major damage was to pumps and equipment.

The well is known as State B No. 1 and is owned by the Michigan Oil Co., of Saginaw. It produces an estimated seven barrels a day and is located in Greendale Township of Midland County.

Charles Shepherd of Mt. Pleasant, manager of the field in which the well is located, said he suspected the fire was started by someone attempting to steal so-called "drip gas" from the well.

Gas Tank Explodes After Autos Crash

Two drivers escaped serious injury last night when a gas tank exploded following a two-car accident on Opdyke Rd.

Jerry D. Stoll, 29, 1545 Stirling Ave., was released after treatment in Pontiac General Hospital for a cut lip, suffered when he rammed his car into the rear of a trailer.

The driver towing the trailer, Harold T. Ackerman, 60, of Lake Orion, was uninjured although the gas tank of his car exploded, Oakland County Sheriff's Deputies said.

Youth Violates Parole, Is Returned to Home

A 16-year-old Pontiac youth, one of three minors arrested Tuesday for possessing beer, was found to be violating parole from Oakland County Juvenile Court and returned to the Children's Home yesterday, Sgt. Henry O. Hoyt, Juvenile Officer, said.

Hoyt said the youth violated his parole by being out of doors after 8 p.m.

TOWNSHIP OF INDEPENDENCE
COUNTY OF OAKLAND,
STATE OF MICHIGAN
ORDINANCE NO. 15

Amendment to Independence Township Zoning Ordinance.
Adopted December 20, 1955
Effective January 21, 1956

TITLE: An Ordinance to amend Section 13.7 and Sub-section (2) of Section 12A, and the Zoning District Map of Ordinance No. 2, as amended, of the Township of Independence.

The Township Board of Independence Township of the County of Oakland, State of Michigan, Ordains:

Section 1. Section 13.7 of Ordinance No. 2, the Independence Township Zoning Ordinance, as amended, is hereby amended by the addition of the following paragraph:

"The Board of Appeals shall have the power to permit the erection and use of a building, or an addition to an existing building, of a public service corporation or for public utility purposes, in any permitted district to a greater height or of larger area than the district requirements herein established, and permit the location in any use district of a public utility building, structure or use if the Board shall find such use, height, area, building or structure reasonably necessary for the public convenience and service and provided such building, structure or use is designed, erected, and landscaped to conform harmoniously with the general architecture and plan of such district."

Section 2. Sub-section (2) of Section 12A of Ordinance No. 2, the Independence Township Zoning Ordinance, as amended, is hereby amended by the addition of the following new Sub-section:

"Section 12A (2) (1). No machinery or equipment shall be operated, and no trucks, trailers, or other conveyances shall be loaded or unloaded in a Gravel-Sand District during the hours between 7:00 o'clock p.m. and 7:00 o'clock a.m. when such use shall be offensive, because of noise, smoke or dust, to adjoining areas zoned for residence use. Noise emanating from a Gravel-Sand District shall not exceed 70 decibels when measured 5 feet above the ground at any point along any boundary line of such Gravel-Sand District."

Section 3. The Zoning District Map of Ordinance No. 2 the Independence Township Zoning Ordinance, as amended is hereby amended as follows:

The North 60 acres of the West half of the Southwest quarter of Section 26 is hereby re-zoned from Suburban Farms to Residence I, that part of the South half of the Southeast quarter of Section 14 lying West of Motdoch's Subdivision, and the South half of the Northwest quarter of the Southeast quarter of Section 14 is hereby re-zoned from Agricultural to Residence I; the Northeast quarter of the Southwest quarter, and the Northwest quarter of Section 26, and the South 60 acres of the East half of the Southwest quarter of Section 27 except the East 416 feet of the South 1040 feet thereof, is hereby re-zoned from Suburban Farms to Residence I, the East 416 feet of the South 1040 feet of the Southwest quarter of Section 27 except the East 200 feet of the South 300 feet thereof now zoned Commercial is hereby re-zoned from Suburban Farms to Commercial.

Passed this 20th day of December, A.D. 1955 by the Independence Township Board.

Yeas: Andrews, Tucker, Snader, Doebler, Rolfe.
Nays: None
Passed.

HAROLD J. DOEBLER
Independence Township Clerk
Dec. 22, 1955

NOTICE IS HEREBY GIVEN THAT ON the 6th day of January 1956 at 2 o'clock p.m. at the Mobile Gas Station John R and 15 Mile Road, Oakland County, a Ford Dump truck, serial number 37680 will be sold for cash to the highest bidder. Inspection may be had at 1921 Birchwood Street, Troy Township, Oakland County, Michigan, the place of storage. Signed, Benjamin T. Martins, 1942 Perry Park, Detroit 8, Michigan.
Dec. 21, 22, 1955

NOTICE
To Property Owners, Qualified School Electors and all other interested parties of Clarkston Community Schools, Oakland County, Michigan, and of Waterford Township Schools, Oakland County, Michigan.

NOTICE
Of proposed alteration of boundaries of Clarkston Community Schools, Oakland County, Michigan, by detaching the following described lands, to-wit:

1. Section 28—All of the South ½ of Section 28, T4N, R9E, Independence Township.
2. Section 29—The East ½ of the Southeast ¼ of Section 29, T4N, R9E, Independence Township.
3. Section 32—All of the South ½, also the East ½ of the Northeast ¼ and the Southwest ¼ of the Northeast ¼ of Section 32, T4N, R9E, Independence Township.
4. Section 33—All of the South ½ also the Northwest ¼, also the West ½ of the Northeast ¼ of Section 33, also the South 10 acres of the West ½ of East ½ of Northeast ¼, also the South 8 acres of the East ½ of the East ½ of Section 33, T4N, R9E, Independence Township.
5. Section 34—Northwest ¼ of the Southwest ¼ and the Southwest ¼ of Northwest ¼ of Section 34, T4N, R9E, Independence Township, Oakland County, Michigan.

to Waterford Township schools, Oakland County, Michigan, and adding the same to Clarkston Community Schools, Oakland County, Michigan, on the 8th day of January, 1956, at 4:30 o'clock p.m. to consider the advisability of detaching the above described territory from Waterford Township schools, Oakland County, Michigan, and adding the same to Clarkston Community Schools, Oakland County, Michigan.

The County Board of Education will determine:

1. Whether the proposed alteration of boundaries shall be made.
2. The effective date of the transfer, if ordered.
3. Whether or not any personal or real property is to be transferred and, if so, the equitable consideration therefor.

Any interested parties will be given an opportunity to be heard at the time and place above quoted.

Dated at Pontiac, Michigan, this 16th day of December, A.D. 1955.

OAKLAND COUNTY BOARD OF EDUCATION
By W. J. EMERSON, Secretary
Dec. 22, '55, Jan. 3, '56

STATE OF MICHIGAN—In the Probate Court for the County of Oakland. Juvenile Division.

In the matter of the petition concerning Victor Wood, minor. Cause No. 14303.

To Josephine Wood, mother of said child.

Petition having been filed in this Court alleging that the present whereabouts of the mother of the said minor child is unknown and the said child has violated a law of the State and that said child should be placed under the jurisdiction of this Court.

In the name of the people of the State of Michigan, you are hereby notified that the hearing on said petition will be held at the Juvenile Court, Oakland County Service Center, Court House Annex, 1260-B West Blvd., in the City of Pontiac in said County, on the 4th day of January A.D. 1956, at nine o'clock in the forenoon, and you are hereby commanded to appear personally at said hearing.

It being impractical to make personal service hereof, this summons and notice shall be served by publication of a copy one week previous to said hearing in the Pontiac Press a newspaper printed and circulated in said County.

Witness, the Honorable Arthur E. Moore, Judge of said Court, in the City of Pontiac in said County, this 20th day of December A.D. 1955.

Seal ARTHUR E. MOORE, Judge of Probate.
A true copy
GEORGIENA R. MURTHA,
Probate Register, Juvenile Division.

ORDINANCE NO. 1299

Amendment to Weed Ordinance No. 448 Requiring Weeds to be Cut and Destroyed by July 1st each year.
Adopted: December 20, 1955
Effective: December 30, 1955
The City of Pontiac Ordains:
Section 1.
That Sections 1A and 1B of Ordinance No. 448 be and the same is hereby amended to read as follows:
Section 1A.
The Director of Parks and Recreation is hereby appointed Commissioner of Weeds pursuant to Act 359 of Public Acts, 194... It shall be the duty of said Director to give general notice to the owners of property or occupiers of any land in the City of Pontiac wherein noxious weeds are growing. Said notice shall order the cutting and destroying of such noxious weeds which shall be by publication in the Pontiac Press at least one week previous to July 1st of each year. If any weeds so ordered to be cut and destroyed by July 1st, as aforesaid, are not removed by the owner or occupier of the premises then the Director of Parks and Recreation is hereby authorized to enter upon the land and destroy said weeds at the expense of the persons failing to comply with said published notice.
Section 1B.
If any person herein requested to cut or destroy noxious weeds shall fail or refuse to destroy said weeds by July 1st then the Director of Parks and Recreation shall enter upon the land and cause such noxious weeds to be cut down or destroyed with as little damage to the premises as may be.
Section 2.
All ordinances or parts of ordinances in conflict herewith are hereby repealed.
Section 3.
This ordinance shall take effect ten (10) days from and after its final passage by the City Commission of the City of Pontiac.
Made and passed by the City Com-

Death Notices

Priest Reveals Trial as Red China Captive

COLUMBUS, Ohio (AP) — A graying missionary priest says his 25 months' imprisonment in Communist China ended with a mock trial and a summary sentence to "leave China immediately."

The Rev. Frederick A. Gordon said a Mass of thanksgiving here yesterday, and said his thoughts and prayers were also with the Chinese faithful still under Communist rule.

The missionary, a native of Somerset in Perry County, arrived here last Tuesday. He spent two months in a Hong Kong hospital after his release Sept. 18.

Two other Dominican priests were interned with him. "I wasn't ever actually mistreated," he said. "I found out later the others were."

He said his major concern is for the Chinese people. "They say they have religious freedom and for a time we thought they did. Now, they're arresting Chinese bishops and priests, and the people in mass arrests."

State Expert Joins Hunt for Omaha Coed's Killer

OMAHA (AP)—Dr. Lemoyne Snyder of Lansing, Mich., criminologist, yesterday joined police in the hunt for the slayer of Omaha University Coed Carolyn Nevins.

Dr. Snyder is medical-legal officer for the Michigan State Police. He was called in as a consultant on the case at the request of Police Chief Harry Green and a private detective agency retained by the university.

Miss Snyder was found shot to death on a snow-covered University road Dec. 10. Investigation has failed to produce the slayer or motive.

An 80-room deluxe hotel is planned for Amman to add to Jordan's tourist lure.

Video Charms Soviet People

Former Senator Benton Compiles Information About Red TV

By CHARLES MERCER

NEW YORK (AP) — Practically nobody knows anything about the nature and extent of television inside the Soviet Union today — except some Russians.

* * *

So it's worth listening to William Benton, former assistant secretary of state and senator from Connecticut, who recently returned from Russia with what appears to be the most extensive information yet available on the subject.

He spent a month collecting material on entertainment and the arts for the Encyclopedia Britannica, of which he's the publisher.

"The Communist leaders shrewdly realize," he says, "that television is the most effective medium for propaganda ever available. They'll use it to its fullest effects, for the Russian people are infatuated with television.

* * *

"One can't help but be frightened by Russia's technological advances and the effectiveness of its indoctrination techniques. They pose an element of real danger to the people of the United States."

ONE MILLION SETS

These are some of the things Benton learned:

There are now about one million TV sets in use apart from those in factories and public places where groups gather to watch.

There are more than 36 million in the United States.

* * *

There are now 11 stations operating independently of one another. There are 425 TV stations in 264 American cities.

By 1958 the Russians plan to have 51 stations and six to seven million sets in operation. In Moscow there will be two black and white stations and one color station.

Relay points will tie all stations to Moscow. U. S. industrial sources expect at least 50 million sets in use here by 1958.

* * *

The average Russian TV set has about a 12-inch screen. This costs a comrade about $325. Nevertheless, nearly every family wants a set. So the demand vastly exceeds the supply.

EVENING HOURS

Television programing in Russia is confined to the evening hours. No daytime idling is the rigid order of its society.

* * *

But the evening viewer sees the best entertainment the Soviet Union can offer: Feature-length films released to TV before they appear in movie houses; the best of Russia's 30 big ballet companies; the best plays of its 570 full-time theater companies.

There are no advertisements of commercial products. But there's heavy advertisement of communism and the latest propaganda line.

Russian television is, in short, completely the instrument of the Soviet government.

Felon's Yuletide Plea Fails to Sway Judge

JEFFERSON CITY, Mo. (AP)—Circuit Judge Sam C. Blair was surprised yesterday to receive a Christmas card from an inmate at the Missouri State Penitentiary.

A close look showed the convict was attempting to appeal to the compassionate side of the law. J. Johnson, the prisoner, had neatly penciled his request for writ of habeas corpus on the back of the card.

Judge Blair was untouched by the sentiment. He denied the writ.

TV BOUND — Actress Lauren Bacall is due for another TV spectacular, "Blithe Spirit," with Noel Coward on Jan. 15. Although live TV gives her the jitters, she says you can't ignore it. Besides, she adds, it's good training if you have little stage experience.

Painter Suing Baltimore Head

Artiste Whose Work Mayor Ordered Move Out of Exhibit Files Suit

BALTIMORE (AP)—Mayor Thomas D'Alesandro today faced a $7,500 damage suit by an artist whose painting he ordered removed from a municipal exhibit.

Glenn Walker, whose "In a Room" won two prizes in the Peale Museum Exhibit, asked Judge Cornelius P. Mundy to issue a temporary injunction restraining the mayor from interfering in any future exhibitions at the same time as he filed the damage suit yesterday.

* * *

The judge signed an order giving the mayor until Jan. 23 to show why the injunction should not be issued.

D'Alesandro last month described Walker's painting as "obscene," "morally objectionable" and unfit for public viewing. The picture shows a man and a woman, both nude, lying on a bed.

The painting was taken from the exhibit and placed in the director's office, where it was still available for viewing on request. At a meeting, the trustees of the museum declined to order the canvas out of the building.

* * *

Other paintings were removed from the Peale Museum, however, when several artists withdrew their works from the show to protest the mayor's action.

* * *

The painting has been bought by a Baltimore restaurateur, who plans to exhibit it soon in his place of business.

Kalamazoo Girl Killed

KALAMAZOO (AP) — Judith Imus, 16, of Kalamazoo County, was killed yesterday when the car in which she was riding skidded on a snow-slicked hill and hit a tree eight miles west of Kalamazoo. Police said the driver was Donald DeVries 16, of Mattawan.

Seek to Change Hurricane Path

Weather Bureau to Use Dry Ice in Clouds to Steer Wind

WASHINGTON (AP)—The Weather Bureau is planning to use dry ice seeding next year in an effort to change the path of at least one hurricane.

* * *

The experimental idea was outlined to the Washington Meteorological Society last night by Robert Simpson, who heads a new, special study group set up to learn more about how hurricanes develop and move.

If it works, the experiment could steer the hurricane away from a populated area, or perhaps keep it entirely away from land.

Simpson said the study group has one possible method in mind, based on a close study of energy exchanges and wind movements in a hurricane.

Seeding clouds with dry ice has been used in some artificial rain-making experiments. As applied to hurricanes, the idea is to set off a freezing reaction in the moisture-laden hurricane winds. The release of heat as the moisture freezes, it is hoped, will upset the pattern of energy which moves the storm and cause it to veer.

* * *

To date, Simpson said, studies indicate that a moving hurricane sometimes carries with it large amounts of liquid water, as distinguished from ice particles.

They indicate also, he said, that the conformation of winds around a moving hurricane changes in such a way that it may be possible to seed this atmosphere with dry ice, to get freezing of the moisture started.

* * *

Once started, the freezing should continue. And, Simpson said, if the seeding is done at the proper time, in the proper measure and place, the storm's own wind circulation should carry the reaction far and wide. Changing of so much water to ice would release vast amounts of heat — energy — upsetting the "energy budget" or pattern of energy which moves the storm. This, Simpson said it is hoped, would give man a way to use some of the hurricane's own energy—far more energy than man can command in any other way, even with a hydrogen bomb—to change its course long enough at least to spare lives and property in its path.

Marine Fliers Lost Off Island of Hawaii

HONOLULU (AP) — A flare was sighted in storm-tossed seas off the big island of Hawaii last night and hope rose for four Marines down in a Navy twin-engine Beechcraft. The plane failed to arrive yesterday on a 216-mile hop from Honolulu to Hilo.

The air sea rescue service said the flare was sighted 15 miles south of Kailua on Hawaii's west coast. An SA16 search plane was circling the area to guide the destroyer-escort McGinty to the scene, which was south of the direct flight route where the McGinty had been searching.

TV Addict's Wife Blames Viewing for Her Divorce

LOS ANGELES (AP)—Her living room television set couldn't legally be named corespondent in a divorce suit, but Mrs. Annette Stoica, 33, blamed it for the break-up of her marriage.

She testified yesterday in winning a divorce from Eli M. Stoica, 38, on cruelty grounds that he:

"Watched TV constantly. I begged him to pay some attention to me, but when the set was on I was forgotten.

"He spent so much time watching that he had no time to change his clothes. He even fell asleep watching TV. It was as if his life depended on it."

Superior Judge Samuel Blake awarded her the family home, including the television.

Canadians Jam Stores to Buy Yule Luxuries

TORONTO (AP)—Canadian shoppers have been storming the stores with bulging wallets this year.

A survey shows retailers through out the country look for their total business this season to be 10 per cent above any year's since World War II, and most shoppers, they say, are operating on the luxury level.

* * *

Television set sales are brisk in Victoria, B.C. One dealer ordered "all the $2,000 color TV sets we can get." A Toronto shop sold four mink coats before 10 a.m. one day. A Vancouver store owner says he can't keep up with the demand for electric organs—price about $1,200.

* * *

You can buy an old-fashioned street organ that plays 12 tunes for $395 in Toronto, or a $129 doll in Montreal. Other merchants are offering $46 "Kiddillacs" and $32 toy diesel engines.

Files Suit for Divorce

LOS ANGELES (AP)—Mrs. John Allen Andre, 33, daughter of the late movie cowboy Tom Mix, filed suit for divorce yesterday, charging cruelty. Andre, 33, member of a Doylestown, Pa., family, is a screen writer. The couple met in Tokyo in 1952 and married a year later.

Killed in Train Crash

JACKSON (AP) — Elzie W. Wilson, 56, a Jackson County farmer, was killed yesterday in the collision of his automobile and a train at a crossing in Leoni, a village seven miles east of Jackson.

Follow That Goat!

SANDUSKY, Mich. (AP) — Police officers pulled Billy — a bearded station wagon, solving a list of complaints ranging from the goat dashing across lawns to trying to force his way into homes.

When last seen, Billy was nibbling merrily away at the rear door of the jail.

When a man's back garden blaze kept on burning for days, residents of a Woking, England, housing estate learned that they have a layer of peat a half mile long just beneath the surface.

African Exports Up

PRETORIA, South Africa—South Africa's vigorous efforts in the past few years to win a share of the market in other African territories is bearing fruit. These territories have become the Union's second biggest market, buying more than 21 per cent of her exports. Only the United Kingdom, which takes 30 per cent, is a larger customer.

Berit Hansen has become Norway's first woman blacksmith, Oslo reports.

Heavy Down Payment

PLANT CITY, Fla. (AP) — D.T. Moye of Lakeland made the $1,550 down payment on a new automobile with 50-cent pieces—in a basket so heavy it required two men to carry it. Moye said he started saving the half dollars in 1949 and intended to save the full price but the hoard got too heavy.

The most common type of banana is musa sapientum — "fruit of the wise men." Nearly all bananas eaten in this country are a variety of this species.

The American Way

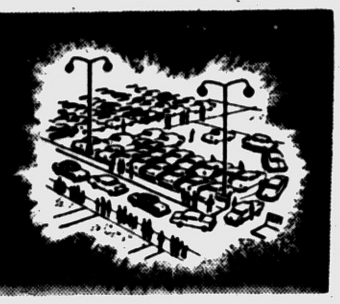

BELLVILLE, Tex. (AP) — Frank Zeiske, editor of the Bellville Times, noticed a display of three thermometers in a store. They were side by side. One recorded the temperatures at 72 degrees, one 70 and the other 68.
