OU to host first annual Virtual Job Fair

Oakland University will host its first annual Virtual Job Fair April 5-16. Students and alumni from any academic major who are interested in an internship, full-time or summer employment can apply for available positions via the Career Services Web site at www.oakland.edu/careerservices.

From April 12-16, qualified candidates can chat with employers through scheduled chat sessions or e-mail to express interest in the position and to discuss career goals and qualifications.

BioConnections, Detroit Medical Center, National City Corp. and Quicken Loans are among the many employers currently registered.

Employment opportunities are available in the areas of business, customer service, engineering, information technology, law, management, physical therapy, sales and science.

For more information, please contact www.oakland.edu/careerservices or call (248) 370-3250.

SUMMARY

Oakland University will host its first annual Virtual Job Fair April 5-16.
