Plan Talk on Waterford Incorporation

Jaycees Slate Open Meeting for January 10

Discussion Is Expected to Lead to Session on Annexation Later

Community sentiments toward the possible incorporation of Waterford Township into a city will be aired Jan. 10 at a special town meeting arranged by the area's Junior Chamber of Commerce.

The meeting, which will begin in Waterford High School at 8 p.m., will feature a panel discussion between incorporation experts and local government officials.

Although views will be confined to various facets of incorporation, the meeting is expected to pave the way for a similar future conference on the proposed annexation of the township to the city of Pontiac.

Panel moderator will be William Shuck, superintendent of Waterford Township schools.

Panelists will include Victor J. Lams, chairman of Warren Township incorporation efforts; Detroit attorney William Brubaker, who helped draw up a city charter for Livonia; Harry J. Merritt, corporation counsel for Oakland County; and Louis G. Barry, clerk of Waterford Township.

The event will climax a year of studies by the Junior Chamber to determine the various attitudes in favor of and against incorporation.

Stressing his group's neutrality toward the issue, Meeting Chairman Charles Pappas said: "The Jaycees are not trying to push incorporation. We want to present both sides of the question so that the community can decide as a whole."

He stated that the organization is working in cooperation with the Waterford Township Business and Professional Women's Association on a program to contact all of the area's civic, school and church groups to invite them to send delegations to the meeting.

"We want as many residents as possible to come," Pappas said. "Incorporation is a prospect which involves everyone in Waterford. The more who attend, the better chance we will have to find out how people feel about it."

A future discussion on annexation will depend upon the success of the Jan. 10 meeting, Pappas said.

The chairman indicated that, contrary to rumors, the meeting was not set up for the purpose of initiating a petition for incorporation.

Rose Bowl Hero!

Kaiser's Surprising Goal Places Dave on Pedestal

By GEORGE TRUMBULL
Pontiac Press Staff Writer

LOS ANGELES—If he-spectacle Dave Kaiser were to ask for anything in the State of Michigan today, chances are he would get his wish.

For it was this sophomore Michigan State end that took leave from his regular flanker position to boot his team to a 17-14 squeaker over an untiring and determined bunch of UCLA Bruins.

The scene was the 42nd edition of the Rose Bowl played before a sun-baked 100,809 fans in the gigantic Pasadena bowl. The clock showed only 7 seconds remaining in the contest. Many fans had filed out to thousands of waiting cars, taxis and buses. The score read 14-14.

Then the tide turned for the Spartans. Not a soul in the stadium was seated as Kaiser went back for a field goal attempt. MSU fans couldn't believe their eyes.

Where was Gerry Planitis, the regular place kicker? Before their questions could be answered, the ball was in the air,

CONRAD N. CHURCH

Conrad Church Retires as Editor of Pontiac Press

Continues as Director After Long Career as Newspaperman

Conrad N. Church, editor of The Pontiac Press and secretary of The Pontiac Press Company, is severing full time activities with The Press beginning the first of the new year.

His place as editor will be taken over by John W. Fitzgerald, who has been assistant editor.

Mr. Church will continue to act as director and consultant and will do some editorial work although he is surrendering his active post.

John W. Fitzgerald has been with The Press since 1937 and has been assistant editor for the past two years. He is a director and also will become secretary of the corporation.

In relinquishing his post of active duty after more than a quarter of a century, Mr. Church concludes a journalistic career which started in 1919 as a young reporter on the Ann Arbor News. He joined The Press staff in 1924 as a reporter and became managing editor in 1926. He was appointed editor in 1935.

Mr. Church is widely known and a respected figure in both national and state newspaper circles. He has served as president of the University Press Club of Michigan and has been a member for some time of the American Society of Newspaper Editors.

Always active in Michigan where newspaper matters are concerned, he has served as a director and vice president of the Associated Press Editorial Assn.

After graduating from the University of Michigan in 1917 Mr. Church worked at the Detroit News and Free Press briefly before seeing service in World War I. Upon his return to active newspaper work he became vitally interested in Pontiac civic affairs.

During his newspaper work here he has given freely of his time to serve in many civic capacities. He has been a director of the Pontiac Chamber of Commerce, president of the Oakland County Tuberculosis Assn., treasurer of Pontiac Veterans Affairs Council, director of the Urban League, director of the YMCA, a director of the Pontiac Federal Savings and Loan Assn. and president of the Pontiac Kiwanis Club.

Throughout the years Mr. Church has always been on hand to give guidance to any civic group or an individual seeking advice. His years of experience and kindling council have been appreciated by individuals both in and outside The Press organization.

Mr. and Mrs. Church will continue to make their home in Pontiac.

The other officers and directors of The Press are: Harold A. Fitzgerald, president and publisher; Horace F. Brodie, executive vice president and advertising director; Howard H. Fitzgerald, vice president and business manager; and Russell Bassett, general advertising manager and treasurer.

French Foresee Shaky Coalition

Communist Vote Surges Ahead When Moderate Factions Split

PARIS (AP)—France today looked forward to more years of shaky coalition governments as the rival moderate factions of Premier Edgar Faure and ex-Premier Pierre Mendes-France split the majority of returns from the National Assembly elections.

The Communists and Pierre Fostede's tax rebels piled up unexpected gains.

The Reds actually were running slightly behind their 1951 popular vote, but the moderate split-breaking up anti-Red alliances successful in 1951 gave the Communists more seats.

RECORD VOTE

An estimated 25 million voters turned out, a record for France.

With no faction anywhere near a majority of the Assembly membership, three possibilities of a coalition seemed likely:

1. Faure or one of his friends—perhaps Foreign Minister Antoine Pinay—might lure enough Mendes-France supporters to make up a Cabinet team.

2. Mendes-France might work the same maneuver on the Faure-Finay forces.

3. Mendes-France might yield to Communist pressure and take them into a "popular front" Cabinet. He has said he would not seek Red support, but some of his friends thought this might become inevitable.

Drunk Arrests Drop

DETROIT (INS)—Detroit police arrested fewer motorists on drunk driving charges during the New Year's week-end than they did over the Christmas holiday. Only 21 drivers were arrested on the charge during New Year's as compared with 64 taken into custody a week ago.

Hague, considered the last of the nation's old-time political bosses, had been ill for several months. His body was returned here from his Park Avenue apartment.

The mayor of Jersey City for eight successive terms, Hague's political influence was felt in the nation's capital. His body will lie in state today and tomorrow at a funeral home here.

Congress Convenes Today Facing Hassle Over Taxes

WASHINGTON (AP)—Congress members assembled today for the start of an election-year session in which they will battle over taxes, a farm program, foreign aid, school and highway building, among other issues.

The noon banging of gavels wielded by Vice President Nixon and Speaker of the House Rayburn marks the formal convening of the Senate and the House for the second session of the 84th Congress.

Routine formalities and back-slapping good fellowship were the only things on the calendar today.

Once again, the session will put to a test the question of how well a Republican administration and a Democratic-controlled Congress can work together.

The Democrats outnumbered the Republicans 49-47 in the Senate and 239-203 in the House. Two House seats are vacant. They were held by Democrats.

The Republicans, behind the banner of President Eisenhower, swept into power in the 1952 elections, but two years later they lost control of Congress to the Democrats.

In the present session both parties will be trying to write a record that will win votes in November. All House members and one-third of the senators will be up for election. Control of the White House is also at stake.

The biggest unanswered question of the moment is whether Eisenhower, stricken by a heart attack last Sept. 24, will run for a second term. He has given no hint and is not expected to do so before mid-February.

Eisenhower, getting some sun and exercise in Key West, Fla., will outline the administration program in his annual State of the Union message Thursday. He will send it to Congress to be read by clerks.

Four Men Are VIPs in 1956 Congress

WASHINGTON (AP)—Four men who provide a combination of youth and age along with experience and reputations for hard work will guide Congress in 1956.

The "big four" on Capitol Hill during the new session opening today will be: Sam Rayburn, 73, who has been Speaker of the House for more than 11 years in all—longer than any other man.

Lyndon B. Johnson, like Rayburn a Texas Democrat, whose selection as Senate Democratic leader three years ago at 44 made him the youngest ever to hold that post.

Joseph W. Martin Jr., 71, a

Massachusetts Republican who has led his party colleagues in the House for 17 years and served four years as Speaker.

William F. Knowland, 47-year-old Californian whose rise to the Senate GOP leadership in 1953 made him one of the youngest majority leaders in history.

DEMS IN CONTROL

They face a major task in a presidential election year.

The Democrats control both House and Senate by thin majorities. The Republicans hold the presidency and its empire of executive agencies. Not only the White House, but all House seats and one-third of the Senate seats will be at stake in November.

Rayburn and Martin, Johnson and Knowland will have their ranks behind party programs while still encouraging the moderation and compromise that are necessary to legislative accomplishments.

Rayburn has been a staunch sup-

485 Lose Lives Over New Year

345 Killed in Traffic; 69 Burn to Death; 71 Die in Other Mishaps

By THE ASSOCIATED PRESS
The nation's traffic deaths mounted to a record high for a three-day New Year's holiday over the long weekend.

It was the second consecutive holiday weekend the traffic toll hit a new record. The toll over the New Year weekend, however, was far below the record-breaking 609 for the Christmas holiday a week ago. It also was under the predicted 420.

An Associated Press survey showed that in the 72-hour period from 4 p.m. local time Friday to midnight Monday, 345 persons were killed in traffic accidents.

The 69 killed in fires add 71 in miscellaneous accidents brought the over-all total to 485.

The previous high for traffic deaths in a three-day New Year period was 317 in 1953-54. The highest previous over-all mark was 433 in the same year.

The National Safety Council had estimated last week that 420 persons would be killed in motor mishaps during the New Year weekend. But with the death rate running below the estimate yesterday the council said a projection indicated the toll would be around 360.

4 Area Residents Die Over Holiday in Road Mishaps

Michigan Records 23 Traffic Deaths During 78 Hour Period

Four area residents lost their lives in two holiday accidents and county accidents claimed another two lives yesterday.

State holiday traffic claimed 23 lives between 6 p.m. Friday and midnight last night, a 78-hour period. In last week's 78-hour Christmas holiday, 40 lives were lost in highway accidents.

Local dead are James A. Rhea, 55, of Royal Oak; his wife, Marjorie, 53; Miss Nora Lois Peasley, 27, of Birmingham; and Mrs. Stanley Lewis, 46, of 40 School St.

Mrs. Lewis was killed last night on U.S. 23 near Brighton when the car driven by her husband ad-

swiped one driven by Norman Thayer, 19, of Clyde, Ohio. Lewis, Thayer, and Wayne Abram, 46, of Bay City, driver of a third car involved, were hospitalized.

Killed in two Bloomfield Township accidents yesterday within two miles of each other were Mrs. Catherine Maher, 67, of Goshalia, and Mrs. Jeannette Krulewski, 36, of Dearborn.

Rhea and his wife died in a head-on collision on U.S. 133 between Fajino and Clinton. The accident, late last night, also killed James G. Schuler, 36, of Elkhart, Ind.

Miss Peasley, driving with her sister from a visit to their parents in Birmingham, Ohio, died after being thrown from the skidding automobile on Ohio 113 near Milan, Ohio. The sister, Carol J. Peasley, 24, was unhurt.

Mrs. Maher was killed when she apparently lost control of her car on Telegraph road south of 14 Mile road yesterday afternoon.

Redford post State Police said the car jumped the center island, spewed back after hitting the left hand shoulder, and was struck broadside by a car driven by Robert Rhoades, 40, of Detroit.

Three of Mrs. Maher's children, Veronica, 14; Basil, 12; and Jerry, 10, were hospitalized.

Mrs. Krulewski died shortly after an accident on Maple road near Telegraph road yesterday afternoon. The car, driven by her husband, Stanley, 34, skidded on snowy pavement and swung broadside in front of a car containing three Birmingham boys.

Her one-year-old son, Stanley, who suffered a fractured skull in the crash, was reported in fair condition in St. Joseph Mercy Hospital this morning.

The lowest temperature preceding 8 a.m. was 34. The mercury rose to 35 by 1 p.m.

Ike Discusses Finances Today

Tax Cuts May Hamper Prospects of Balanced Budget for Fiscal '37

KEY WEST, Fla. (INS)—President Eisenhower sits down today for a hard look at the spending figures which will determine the prospect of an election-year tax cut.

Budget Director Rowland Hughes was to confer with Eisenhower at Key West on the new budget, scheduled to go to Congress late in January.

Prospects are that the budget for fiscal year 1937, starting July 1, will be balanced, barring tax reductions which cut revenue below expenditures.

Eisenhower also planned to put the finishing touches today on the state of the union message spelling out his 1936 legislative program.

The lengthy message will be sent back to Washington late today or tomorrow for a final going over by the President's speech-writers before it is transmitted to Congress Thursday.

Military spending makes up more than half of the federal budget.

Kaiser a Hero After Game-Winning Goal

(Continued From Page One)

Goal posts tumbled in seconds like match sticks. Then the other goal posts came down.

Green and white pennants, huge banners and hats were flung in the air as State players hurried to the field. Their aim was one Davey Kaiser. They tried to hard to boost the hero of the game to their shoulders that he nearly was tripped under a swarm of jubilant State rosters.

Several Spartan Gridsers lost their jerseys in the scuffle, to demanding souvenir hunters. By this time the goal posts were in a million pieces.

The MSU band, which performed perfectly in all its performances on the Coast, formed in the center of the field. It struck up "California Here We Come," and shouts of "We'll be back in 1936" could be heard throughout the crowd as they marched to the exits.

Amongst these shouts could also be heard many sighs of relief from Michigan State fans. They realized that their team was forced to pull this one out of the bag. They were up against one of the most stubborn teams they had faced all season.

Due to nervous tension of this classic and the tremendous Uclan line breaking through on him, All-America Earl Morrill failed to live up to all the plaudits that had been heaped on him. He did connect for one touchdown pass but for the rest of the afternoon he couldn't hit his marks.

Fabulous Ronnie Knox was just that, today. One can expect him to be a hero in any opponent's side for a few more seasons, he was cool under pressure and proved a stand-out on both defense and offense alike.

And MSU probably will never forget one Sam Brown, as his team will always remember the powerful running of Walt Kowalsky. Planits and the TD catch of "Big Thunder" Lewis.

But one name stands out today and always will be remembered when the 1936 Rose Bowl is discussed. That name: Dave Kaiser.

Collision of Two Cars Injures Youngster, 4

A four-year-old boy was slightly injured in a two-car collision last night on Franklin Rd.

Edward Westenberg was given emergency treatment in Pontiac General Hospital, where he was taken by his father, Walter E. Westenberg, 25, of 815 Northfield Ave. Police said Westenberg's car was struck when another car skidded out in front of him. The other driver was Alphonza F. Hicks Jr., 31, of 501 Fildev Ave., they said.

Khrushchev Breeding Anti-Intellectualism

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—Russian leadership has shifted this way: from intellectual—Lenin and Trotsky, to administrative—Stalin; to non-intellectual—Khrushchev. Khrushchev appears almost anti-intellectual.

His distortion of history on his Asian trip—for example, the charge that the West began World War II—was either contempt for facts and those who know better or it was a twist of facts for propaganda.

Khrushchev acts like an undisciplined peasant. Primitive is the only description for the big drunk he threw in Yugoslavia and his emotional outbursts in Burma.

His performance is bound to raise this question in Western minds: How did he get where he is as secretary of the Russian Communist party and, in effect, the big boss?

From what can be learned of him he got to the top in the Russian meat-chopper by being tough, capable in his assigned tasks, and shrewd. No one ever raises doubts about his faith in communism and its ultimate victory.

His fellow Communists may someday give him the bounce if he makes a mess of it for them by his hi-jinks and his outbursts. There is nothing to indicate that day is soon or that it will come at all.

For, if Khrushchev acts like a politician of low learning, he is not therefore to be dismissed or underrated in the field he staked out for himself on his trips abroad: getting good will for Russia.

He made a double appeal on his trip to Asia: in one way to the leadership, in another to the broad masses of the people.

WHOLESALE BLASTS
In his wholesale blasts at the West in India and Burma, and in his distortions of history, he was not appealing to the intellectual leadership but to the uneducated masses.

They could understand his plain language and appreciate that he didn't act like a diplomatic stuffed shirt. There was no need to spend time on them in orations on communism, theoretical or actual.

He wanted to stir up hate for the West and probably did. And when he talked with the Asian leadership he didn't spend time theorizing either. He talked a language not open to arguments: dollars and cents and Russian aid.

The Russians will charge for any aid they give. But if they make some friends in Asia in the process they will probably consider giving them a foot in the door, Khrushchev's trip a success.

FUN AFTER FLOODS

Even in the face of tragedy, this little girl finds time for play. Trying on a pair of high-heeled shoes at the Marysville, Calif., Red Cross headquarters is Shonnie Lee Butler. The two-year-old evacuee from flood-stricken Yuba City added a cheerful note to the scene, where clothing was being distributed to flood victims.

State Police Has Booming Year

Authorized Strength Is Attained; Arrests Jump; New Posts to Be Built
LANSING (AP)—The Michigan State Police had its biggest year in 1955.
In that year it was boosted to an authorized strength of 987 men, an addition of 250 men for the greatest annual increase in numbers since the organization was founded.
The police arrested 158,602 an increase of 35 per cent, plus 8,500 wayward minors and juvenile offenders, a 19 per cent increase.
Of the total increase, 38 per cent was for traffic offenses.
The State Police reported its patrol cars traveled 113,201,786 miles, or 10 per cent more than in 1954.
2,000 DEATHS SEEN
Estimating 2,000 persons will die on the highways in 1955, the police figured there were 60,000 traffic injuries and 193,000 accidents.
This was an increase of 12 per cent in deaths, six per cent in injuries and four per cent in accidents.
However, during the same period, the number of licensed drivers increased six per cent to 2,500,000, auto registrations rose 8.5 per cent to 3,135,000 and total miles traveled in Michigan jumped 8.5 per cent to 29,300,000,000.
The department established its first new post since 1941 in a leased building at Ionia and at the end of the year was planning a second new one in rented quarters at Bridgeport.
The Police said it built two new post buildings at Flint and Center Line in 1955 and plans three more in 1956 at Bridgeport, Grand Haven and Clinton.

Fewer Solons Will Slip While Entering Capitol

WASHINGTON (INS)—Fewer members of Congress will slip on the ice while entering the Capitol Building this winter than ever before in history.
This prediction is based on the concrete fact that new sidewalks have been installed outside the House and Senate chambers. The pavement is designed to prevent ice from forming by making it impossible for rain or snow to collect in pockets.

Veteran Plane Retires

AMSTERDAM (AP)—A veteran plane of the first days of international aviation has been added to a collection being put together for a Dutch aircraft museum. The single engine, eight passenger Fvria Fokker carried freight and people for 30 years without serious mishap and was flown here at 110 m.p.h. from Copenhagen to become a museum piece.

Air Force to Accept 14,000 Enlistments

DAYTON, Ohio (AP)—Brig. Gen. Arno H. Luehman, commander of the 3500th United States Air Force Recruiting Wing, Wright-Patterson Air Force Base, announced that for the first time in six months the USAF is again accepting voluntary enlistments.
Gen. Luehman said the Air Force recruiting service has received authorization to accept 14,000 voluntary enlistments in January—8,000 more than were accepted during December when the monthly quota was held to 6,000 non-prior service recruits. Applicants are to be chosen on a selective basis, he said.
The 3500th Recruiting Wing is responsible for recruiting all manpower requirements for the Air Force, including selection of aviation cadets and nurses. During the past six months, Air Force recruiters had to halt taking enlistments upon reaching their monthly quota.

Serving With a Smile

MOSCOW (AP)—The Soviet Trade Ministry has decreed that starting with this new year service must be with a smile in Moscow restaurants. Three-months training courses are being provided for headwaiters. Buyers may get their supplies direct from farms instead of through the Moscow restaurant trust as in the past and cafes will be redecorated.

Heed Advice for Job Openings

By ANNE BECKWOOD
"I am tired of listening to the
advice given by you and all other
personnel people," an irate woman
writes.

"You all say that the older
woman has to learn to type if she
wants a job. I see no earthly reason
why I should learn to type
and I don't intend to!"

"Can't employers see what the
mature woman has to offer?
Young glamour girls don't have to
type, yet not one would make as
good a worker as I would."

"I am going to keep looking
until I find an employer who values
mature judgment at the re-
ception desk and doesn't expect
typing, too!"

It seems to me that this woman
is going to be looking for a long,
long time.

NOT SHOWING IT
In the first place, if mature
judgment is what she thinks she
can offer, she is not demonstrat-
ing it very well. Her approach to
the matter of typing is, it seems
to me, immature in the extreme.

Young glamour girls, too, are
better off if they can type and the
overwhelming majority of them
can. Furthermore, not to be able
to type makes you look very old
hat.

Today, most people know their

Cherry Puff Is a Good Hot Dessert

Quick Cake Batter
Drizzled Over Top
of Cherry Sauce

By JANET ODELL
Feature From Home Editor
Snowy days, chill winds and
frothy nights together make the
ideal weather for a hot dessert.
What could taste better than Mrs.
Frank Osterhof's Cherry Puff?

Mrs. Osterhof has two young
children to keep her days active.
She loves to sew and her new
home shows the results of her
handwork. She is a member of
Epsilon Sigma Alpha sorority and,
with her husband, a Viennese dance
club member.

CHERRY PUFF
By Mrs. Frank Osterhof
1 egg (No. 2) tart red cherries
1/2 cup sugar
1 tablespoon quick tapioca
Red food coloring
2 egg whites
1/2 cup flour
1/2 teaspoon cream of tartar
1/2 cup sugar
1/2 cup butter
1 tablespoon sifted cake flour

Drain cherries, reserve juice.
Combine cherries, 1/2 cup cherry
juice, 1/2 cup sugar and tapioca.
Simmer 5 minutes, stirring con-
stantly. Use food coloring if de-
sired.

Beat egg whites until foamy,
add salt and cream of tartar.
Beat eggs to soft peaks. Grad-
ually add 1/2 cup sugar, beat
until stiff. Beat - yolk until
thick and lemon colored. Fold
into egg whites, then fold in
flour.

Pour hot cherry mixture into a
wide 1 1/2-quart casserole. Pour
batter on, or drizzle in strips over
the top. Bake 30 minutes in a 350
degree oven. Serve warm. Makes
six servings.

That Right Hat: Here Are Hints to Proper Choice

The right hat can balance the
shape of the face and help to
make even the square face and
the round face appear to be more
like the ideal oval. Some of the
hints the article gives, for each
face type, are:

Square — Choose a hat with
bulk and preferably one that
comes forward over the face.
Long — Should never, never
wear a high crown. Shallow
crowns and wide brims minimize
the face length.
Triangular — Takes to small
hats. Bulky hats are out.
Round — Taboo are tiny hats,
perched high on the top of the
head. Something dangling and
jutting at the side is good.

Swimsuits of 1956— Most Imaginative Yet

Swimsuits for 1956 have a won-
derful fashion story to tell. First,
elasticized suits have a brand new
character. No matter what the
yarn or fiber is in the elasticized
process, the effect is cotton.
Add to this the design effort to
produce true dressmaker details in
elasticized swim wear, and the
result is some of the most imagi-
native bathing suits ever shown.

'56 Features Bustle News for Fashion Paris Is First in Promoting the New Styles

PARIS (INS)—We're in for a
"bustle season."

Not necessarily more scurrying
around than usual, but youthful
Parisian Designer Hubert de Giv-
enchy is out to make girls look
like the coquettish, bustled beauties
of 1880.

Givenchy has just shown his
latest 1956 designs for bus-
tled, modish fashions, for the first
time presenting ready-to-wear
clothes for next spring bearing the
"Givenchy University" label.

The fashion news in these clothes
is a very feminine and new line.
The tops are simple, often collar-
less and with a shallow square or
boat neck. But the skirts have a
gentled silhouette which bustles
out below the waist. They will call
for new petticoats with back full-
ness.

PARIS DERRIERE
These skirts look slightly flar-
ring from the waist down in front.
At the back a bustle effect bulges
out of a four-inch-deep waist-yoke
for a curved "Paris Derriere." A
white cotton eyelet dress, for ex-
ample, is cut with a jumper top, a
fitted waist and a discreet bustle
trilled out from a red satin ribbon
trimming.

Givenchy shows the same 1956
effect on printed cotton dresses
and on a formal number of black
lace with a wide-strapped top.

Since these 1956 "bustles" draw
the silhouette interest to the back,
Givenchy puts the really deep de-
colletes also at the back. Thus a
girl will look high-necked, demure
and untrussed when viewed from
the front but with all the frilly, low-
decollated and bustling femininity
visible when she's retreating.

Juanita Neidrick Speaks Wedding Vows Saturday

Juanita Mona Neidrick became
the bride of Donald R. Davenport
Saturday in a rite performed at
All Saints Episcopal Church.

The bride is the daughter of Mr.

For her wedding Juanita chose
a ballerina-length gown of white
tulle. Her bouquet was composed
of white carnations and red
roses.

Henrietta Neidrick attended her
sister as bridesmaid in a ball-
erina-length gown of pink net. Red
and white roses formed her bou-
quet.

Performing the duties of best
man for his brother was Howard
G. Davenport, while William Mc-
Murphy, cousin of the bridegroom
and George Neidrick, uncle of the
bride, seated the guests.

For her daughter's wedding
Mrs. Neidrick wore a white
white dress with black acces-
sories. Mrs. Davenport also wore
winter white accented with black.

For going away the new Mrs.
Davenport chose a black suit ac-
cented with a white carnation
corsage.

on typing and teach herself right
at home.

The woman who totally refuses
to learn is either lazy, stubborn
or just naturally ornery. When
people have real difficulty with
typing, it is almost never due to
lack of finger dexterity.

It is almost always some per-
sonality flaw, some resentment at
the idea of having to type, which
stands in their way.

California Design Taking to Stripes

The girls of the golden west who
are doing the designing of the el-
egantly casual California sport-
wear and separates have taken to
color in cossetti size doses . . .
taken to stripes in wicket wide ban-
ders and taken to comfort in
major league steps.

Throughout the new collections
shown in California fabrics flash
their own brilliant color concepts
. . . look singularly new and im-
portant in wide, slim, broad or
narrow stripes, look very much at
home in traditional plaids in utterly
untraditional color combinations,
and look blatantly bright in the
gleaming cotton satin which is used
with great effect as a foil for con-
trast hued striped cottons.

High Heel Shoes Enhance Wardrobe

High heel shoes continue to make
news. A good many of them high-
light a matching heel and vamp
motif, studs, stitching, embroidery,
stacked leathers, etc.

Leathers include everything from
the plain and simple aniline and
matte calf, through the fine grains
and printed leathers in almost any
design conceivable. Suede leathers
make a comeback particularly in
the new soft pastel shades.

'Soft Look' Sought

Designers are striving to achieve
the "soft look" in the '56 silhou-
ette. To interpret this, they are

using many of the new soft woolen
fabrics that combine wool with
the precious for fibers such as
Angora, mohair, beaver, cash-
mere.

Elliott Accepts Nebraska Head Coaching Post

Ex-Michigan Grinner Leaves Oklahoma for 3-Year Contract

MIAMI, Fla.—Pete Elliott, assistant coach at the University of Oklahoma, is accepting an offer to head the University of Nebraska football coaching staff, it was announced today by Bill Orwig, Cornhusker athletic director.

Elliott received the Nebraska bid Dec. 4 from Orwig, but asked to delay his decision until after Oklahoma's appearance in the Orange Bowl game yesterday.

Orwig said he and Elliott will meet the University of Nebraska board of regents in Lincoln Saturday, Jan. 7 to formalize terms of Elliott's selection as successor to Coach Bill Glassford, who resigned.

Orwig said he will ask the regents to approve a salary of \$12,000 annually for Elliott on a three-year term basis.

"We were agreed that Pete Elliott was the man we wanted," Orwig said. "I'm mighty happy to announce his acceptance."

"His abilities as a coach and his wholesome qualities as a leader of young men are well recognized," Orwig said. "He comes to us as having been a great player and leader in his collegiate days and more recently as a member of a successful coaching staff."

Elliott has been at Oklahoma five years. He will become the 23rd football coach Nebraska has had since the sport was started at the Cornhusker school in 1890.

Elliott expressed a note of regret at leaving the staff at the University of Oklahoma.

Favored Netter Begins Defense of Crown Today

TAMPA, Fla. (U)—Top-seeded Eddie Moylan of Trenton, N.J., makes his debut in the Dixie Tennis Tournament today in a match with George Winchell of St. Petersburg.

Defending champion, Moylan was idle in the opening round yesterday while second-seeded Sidney Schwartz of New York and Bryan (Bitty) Grant of Atlanta worked.

Schwartz had easy going with Joe Warshaw of Tampa, winning 6-1, 6-2, but Grant, in a display of stamina, had to catch up to down Don Hanna, also of Tampa 3-6, 6-1, 6-0.

Schoendienst's Dad Dies

BRESEE, Ill. (U)—Joseph Schoendienst of Germantown, Ill., whose six sons include second baseman Red Schoendienst of the St. Louis Cardinals, died in a Breese hospital yesterday at 66.

The elder Schoendienst, a guard at the Menard State Prison Hospital near Chester, had been ill for two months.

THE V IS CONSTANT—Keep the wrist stiff throughout the backswing, and the V grip will be unchanged at the top, as the sketch shows. Notice that the thumb still points to the left, toward the body, and the grip is firm, but not tight. Stiffen the wrist when you place your thumb and fingers into the

holes, and concentrate on keeping the wrist stiff all the way up, down, and to ball release.

Maintain the same hand position, and the thumb will come out of its hole first at ball release, ahead of the fingers. Don't be anxious to get rid of the ball. It is swing, feeling the weight of the ball, that results in a smooth arm lift at release, with the fingers applying spin. Forget speed. Swing is the thing.

Oklahoma Speed Smashes Terps

MIAMI, Fla. (U)—Speed, speed and more speed... Oklahoma had it and Oklahoma used it from the starting whistle to the final gun. That was the story of the 1956 Orange Bowl football game.

The swift-striking Sooners spotted Maryland a touchdown and then rallied brilliantly for three second-half scores and a convincing 20-6 victory over the frustrated Terrapins yesterday.

Tommy McDonald, the national champion Sooners' All-American halfback, supplied the spark that started Oklahoma rolling—and thereby fulfilled a prophecy of Maryland Coach Jim Tatum.

Before the game, Tatum remarked: "That McDonald will hurt us more with his punt returns and kickoff returns than anything else."

Maryland's big line, tops in the nation on rushing defense, was primed for McDonald and limited the Sooners' access to a net of only 13 yards in 11 carries.

But in the third quarter, with Maryland out front 6-0 thanks to Ed Vereb's 15-yard scoring swing

around end, McDonald pulled in a punt and returned it 33 yards to Maryland's 46. Then fullback Billy Frierer plowed for 5 and halfback Bob Burris got 4, then 9. McDonald added 2, then hit Burris with a 19-yard pass at the 7. McDonald hit left tackle for 3 and scored on the next play with a 4-yard sprint around end. Frierer's boot was good and Oklahoma was ahead to stay.

Both Tatum and Sooner Coach Bud Wilkinson tabbed McDonald's punt ruckback the turning point of the game.

The victory extended Oklahoma's winning streak to 30 games. It was Maryland's first loss in 16 games. The Terps, ranked 3rd nationally, had been hungry to avenge their upset 7-0 loss to the Sooners here two years ago when Maryland was top-ranked and Oklahoma was No. 2.

But McDonald and his mates were unwilling to cooperate. After the All-America halfback's touchdown, Oklahoma's second stringers moved 51 yards for a second score, quarterback Jay O'Neal sneaking over from the 1. And late in the game, second-string halfback Car Dodd pulled in a Lynn Beightol pass and sped 82 yards for the final TD.

Maryland players readily acknowledged they had been outshined by the Sooner swiftness.

"They came out so fast we couldn't adjust our defenses to meet them," agreed Bob Pelligrini, the Terps' All-America center who stopped what could have been another Oklahoma scoring drive with a pass interception at the Terp 4 in the final minute.

Ol' Miss Upsets TCU in Cotton Bowl

DALLAS (U)—A jarring tackle on the first play and a 25-yard run by talented Eagle Day, the quarter Cherokee Indian lad, were most important happenings in the Cotton Bowl yesterday. They gave Mississippi a 14-13 victory over Texas Christian and handed Coach Johnny Vaught his first major bowl victory in three tries.

The tackle was put on by Dick Goche, huge Mississippi lineman, and it sent Chuck Curtis, the Tex-

as Christian quarterback who had been the heart of the offense, to a hospital for repairs. It sorely crippled TCU for its battle with the Rebels.

Day, voted outstanding back of the game, cut loose with the 25-yard run with less than 4½ minutes to go and it set up the touchdown that gave Mississippi an upset triumph. That one play—a run made after Day had faked a pass—was pointed to as the most decisive of the game. Seconds later, Billy

Warriors Regain Lead With Win

By THE ASSOCIATED PRESS
The Philadelphia Warriors, who suddenly found their supremacy in the Eastern Division of the National Basketball Assn. challenged by the Boston Celtics, didn't take long to move back into undisputed possession of first place.

The Celtics, riding a seven-game winning streak, tied the Warriors for the top spot Sunday night but last night Philadelphia again took over first place with a 130-100 victory over Rochester. The Celtics were idle.

Fort Wayne's Pistons dropped a 95-89 decision to Minneapolis in the first part of the doubleheader at St. Louis but held to their three-game lead in the Western Division since Rochester lost and St. Louis fell before Syracuse 94-82.

Appendectomy Gets MSU Fan Sidelined Seat

PASADENA, Calif. (U)—Fifteen-year-old Jack Hornbeck nearly missed seeing the Rose Bowl game after coming here from his home in Pittsburgh, Pa. But he finally got one of the stadium's best seats.

Stricken here Friday night with appendicitis, the youth underwent an appendectomy Saturday. He had resigned himself to spending yesterday in his hospital bed.

But his father, also Jack Hornbeck, who played football years ago for Michigan State, called Michigan State coach Duffy Daugherty. Daugherty arranged for a sideline pass for the young fan.

Jack's physician, Dr. Samuel Benbrook, agreed to let him be taken by ambulance to the Rose Bowl with an intern keeping an eye on him. Jack saw the game from a wheelchair on the sidelines.

He plays on his high school team in Pittsburgh. And hopes to do the same at Michigan State.

Berrios Scores TKO Over Fading Marcune

NEW YORK (U)—It was the old story of the ring in St. Nicholas Arena last night when peppy Miguel Berrios of Puerto Rico stopped fading Pat Marcune of Brooklyn in 1:52 of the eighth round of a television 10-rounder.

A left hook, followed by two rights, all to the head, dropped the 26-year-old Marcune, a one-time featherweight contender, for a nine-count in the eighth round. Referee Ray Miller examined the glassy-eyed vet closely when he got up and then stopped the fight.

Hill 'Hanged' in Effigy on Bears' Campus

BERKELEY, Calif. (U)—Southern California Coach Jess Hill, whose West squad lost to the East 29-6 in the Shrine game in San Francisco Saturday—was found hanged in effigy on the University of California campus here yesterday.

The California Bears were not represented in the game.

A sign on the dummy read: "East 29-West 6. Jess Hill. Hill is all wet without Arnett." Jon Arnett, USC Trojan halfback and a junior, was not eligible.

more with his punt returns and kickoff returns than anything else."

Maryland's big line, tops in the nation on rushing defense, was primed for McDonald and limited the Sooners' access to a net of only 13 yards in 11 carries.

But in the third quarter, with Maryland out front 6-0 thanks to Ed Vereb's 15-yard scoring swing

around end, McDonald pulled in a punt and returned it 33 yards to Maryland's 46. Then fullback Billy Frierer plowed for 5 and halfback Bob Burris got 4, then 9. McDonald added 2, then hit Burris with a 19-yard pass at the 7. McDonald hit left tackle for 3 and scored on the next play with a 4-yard sprint around end. Frierer's boot was good and Oklahoma was ahead to stay.

Both Tatum and Sooner Coach Bud Wilkinson tabbed McDonald's punt ruckback the turning point of the game.

The victory extended Oklahoma's winning streak to 30 games. It was Maryland's first loss in 16 games. The Terps, ranked 3rd nationally, had been hungry to avenge their upset 7-0 loss to the Sooners here two years ago when Maryland was top-ranked and Oklahoma was No. 2.

But McDonald and his mates were unwilling to cooperate. After the All-America halfback's touchdown, Oklahoma's second stringers moved 51 yards for a second score, quarterback Jay O'Neal sneaking over from the 1. And late in the game, second-string halfback Car Dodd pulled in a Lynn Beightol pass and sped 82 yards for the final TD.

Maryland players readily acknowledged they had been outshined by the Sooner swiftness.

"They came out so fast we couldn't adjust our defenses to meet them," agreed Bob Pelligrini, the Terps' All-America center who stopped what could have been another Oklahoma scoring drive with a pass interception at the Terp 4 in the final minute.

A penalty on a try for extra point lost the game for TCU just as much as Cothren's accuracy in putting the ball between the goal posts won for Mississippi. It was after the second TCU touchdown that Harold Pollard, Horned Frog fullback, kicked the extra point only to see it taken away because the Christians were in an illegal formation. After the penalty Pollard tried again and this time his kick was wide.

Slate Annual Church Meeting

First Congregationalists of Rochester Prepare for 129th Event

ROCHESTER—The Women's Fellowship of the First Congregational Church is preparing for the 129th annual meeting of the church on Thursday, Jan. 12.

Dinner will be served at 6:30 p.m. in the parish hall. Reservations are being taken this week by Mrs. Robert Brown.

The annual reports of the church and election of church officers will be on the agenda.

The evening's program will include a speaker from Olivet College and a report on the Philippine Mission.

Four of the Women's Fellowship Guilds will hold meetings today and Thursday the Bethany Guild will meet at 8 p.m. at the home of Mrs. Edwin Forbush, 312 Highland.

North Branch Church Circle Plans Meeting

NORTH BRANCH—The Christmas meeting of the Wesleyan Circle, WSCS, was held in the home of Mrs. Hollis DeGow this week. An auction procedure featured the exchange of gifts.

The next meeting is planned to be held jointly with the Senior Circle Thursday, Jan. 26.

Except on the grain farms in the corn belt where it is a cash crop, corn is primarily a feed crop.

Poinsettias at Fireside Is Setting for Wedding

OXFORD—Mildred Unger and Ray Forman exchanged wedding vows Thursday evening at the home of the former's brother and wife, Mr. and Mrs. Edmund Unger.

In the presence of thirty guests Rev. Robert Harrison performed the ceremony before the fireplace, which was decorated with palms and green foliage plants with bouquets of pink poinsettias and white mums.

For her wedding, the bride chose a floor-length, white gown with a lace bodice, and a beautiful skirt of net over satin. She carried a bouquet of white carnations centered with a white orchid. She wore a three-strand pearl necklace.

Marilyn Unger, niece of the bride, served as her maid of honor. Little Jennifer Graves was the flower girl, and Bobbie Forman carried the ring.

Bruce Forman, son of the bridegroom, was the best man.

A reception for 250 guests was held in the parlors of the Congregational church afterward.

To Hold Election at Annual Meet at Walled Lake

WALLED LAKE—The Rotary Altar Society of St. Williams Church will hold its annual meeting and election of officers following Holy Hour at the church Thursday evening.

Members of the nominating committee are Mrs. Edward Garland, Mrs. Charles Ware, and Mrs. Victor Green.

Members are reminded that dues are payable to Mrs. Harry Mohr prior to the meeting. Refreshments and a social hour will follow the meeting.

If you think you can't afford a big-bodied, big-powered, big-muscled Buick like the one shown here—we'd like to set the matter straight.

If you can afford any new car, you can afford this strapping and stunning Buick SPECIAL Sedan—and no kidding.

For this Buick is tagged within a few dollars of the well-known smaller cars—and actually costs less than some models of those very same cars. The price we show here proves it.

So maybe you can understand why Buick—for two years running now—has outsold every other car in the land, except two of those well-known smaller cars.

But low price is just part of the picture.

Big reason for Buick's soaring sales sweep is that folks are finding here a lot more automobile for the money—more style boldness, more power thrill, more ride stability and more solid structure than the same dollars buy elsewhere.

Just ask yourself: wouldn't you rather go traveling with the lift and life and pace and poise of a stunning new Buick—when it's all yours at just about the price of a smaller car?

If your answer is yes, then the time is now—right now.

Drop in on us this very week—tomorrow would be fine—and we'll seat you at the wheel of the biggest and most beautiful bundle of high-powered Buick ever offered in America's low-price field.

- WHAT'S NEW in the '56 Buick SPECIAL
- NEW 322-cubic-inch V8 engine of 8.9 to 1 compression ratio—highest ever for this bedrock-priced Series

Radioactivity Seen Cause of Ocean Rock Convulsion

By KENNETH TAYLOR
AP Science Reporter
LOS ANGELES (U.P.)—Radioactivity causing slow convulsions in the rock formations underlying the oceans? A scientist who specializes in studying the seas believes this may be so.

Two clues picked up by researchers in the last five years point in this direction, Dr. Roger Revelle, director of the Scripps Institution of Oceanography, told the American Physical Society.

Individual samples of rock from under land areas contain more "hot" or radioactive atoms than rocks from beneath the oceans, Dr. Revelle reported, but, astonishingly, the average amount of all radiations from undersea rocks is a little greater than the average for those from beneath the continents.

INDICATED BY TESTS
This was indicated, the scientist

said, by two dozen measurements of heat flow made by Scripps researchers at widely separated points under the Pacific, and dozen similar measurements by British investigators under the Atlantic.

A plausible explanation, he said, may be that the rocks under the waters, even though they contain fewer hot atoms per cubic yard, may produce more total radioactivity because they may extend deeper into the earth. This is the first clue.

The second came from heat measurements in two particular spots in the Pacific. One was in the Great Acanthos Trench, a canyon in the ocean bottom off Central America. The other was 500 miles to the west, where a mountainlike ridge rises from the ocean floor.

The heat in the rock beneath the trench was comparatively low, while that in the ridge area was twice as great as for the under-ocean area as a whole.

Dr. Revelle said this could mean that cold rock masses were moving downward under the trench and warm rock areas moving upward under the ridge.

The convulsing movement is very slow, possibly at the rate of one mile in a hundred thousand years, the scientist reported.

Police Find Light Gone After Nabbing Spot Thief

MOUNT HOPE, W. Va. (U.P.)—It was the night of the Mount Hope-Oak Hill football game when a man told police he saw someone take a spotlight from a car.

The alert policemen apprehended the culprit soon afterward, and used the field's public address system to announce that the owner could claim his light. No one showed up, but the cops found the owner's identity when they went to their squad car after the game—their spotlight was missing.
