

Ships Ram, Burn in New York Harbor

Goldfine Foots Bill for Federal Judge

Rare Flower Blooms

ONCE A YEAR — Miss Grace Trembley, 56, 5655 Shore Dr., Orchard Lake, proudly holds a huge Night-Blooming Cereus, which bloomed last night. The white, extremely fragrant flower, which resembles a water lily and is a type of cacti bloom, is 12 inches wide. The bud takes five months to bloom and then only lives five hours. This one died last night at midnight.

Foundation for MSU-O Is Formally Established

EAST LANSING—Formal establishment of the Michigan State University-Oakland Foundation has been announced by D. B. Varner, Vice-President for Off Campus Education at MSU.

The Foundation was legally chartered "to encourage, counsel, advise and promote the establishment by the State Board of Agriculture and the state of Michigan of an institution of higher learning at Meadow Brook Farms in Oakland County, Michigan."

Ground-breaking ceremonies were held May 2 for the first classroom building at Meadow Brook Farms, given to the university by Mr. and Mrs. Alfred G. Wilson. The building is scheduled to be ready for students by the fall of 1959.

Elected president of the Foundation was Harold A. Fitzgerald, publisher of The Pontiac Press, who previously served as chairman of the MSU-O Advisory Board.

Four were elected to the position of vice president. They are: Don E. Ahrens, Bloomfield Hills, retired general manager of Cadillac Division, General Motors Corp.; James C. Zeder, Bloomfield Hills, vice president of the Chrysler Corp.; Mrs. William T. Gossett, Bloomfield Hills, wife of the vice president of Ford Motor Co.; and Paul K. Cousins, Superintendent of Warren Consolidated Schools.

Elected as secretary was Dana P. Whitmer, Superintendent of Pontiac Schools. Elected treasurer was Alfred C. Girard, Pontiac, president of the Community National Bank.

Four committees will be selected, Varner said, to work in (Continued on Page 2, Col. 7)

Covers \$60 Tap at the Waldorf, Probe Discloses

Republicans Return Fire Charging Dem Senators With Profiteering

WASHINGTON (UPI)—The explosive hearings on Sherman Adams' relations with millionaire Bernard Goldfine rocked angrily on today with the disclosure Goldfine paid a \$60 hotel bill for a federal judge.

Republicans, meanwhile, jumped off to a vigorous counterattack on the "influence" front demanding an investigation of how seven Democratic senators profited from "multimillion-dollar" broadcasting holdings.

In a related development, Rep. Thomas B. Curtis (R-Mo) charged on the House floor that the real purpose of the influence-investigating subcommittee hearings was to "defame and degrade."

The subcommittee, slated to question former Securities & Exchange Commission (SEC) Chairman J. Sinclair Armstrong today, skirted the question of whether Goldfine paid expenses for Federal Judge William T. McCarthy of Boston yesterday.

McCarthy presided over an early phase of a SEC suit initiated in May, 1954, against two Goldfine-controlled firms accused of failing to file financial reports with the SEC.

Rep. John B. Bennett (R-Mich) tried to question the subcommittee staff about whether Goldfine ever picked up the tab for hotel bills or entertainment for McCarthy. Acting Chairman John Bell Williams (D-Miss) said Bennett would have ample chance to explore the subcommittee's charges.

Terminal Site Purchase OK'd

Commission Approves Airport Expenditure of \$22,600 for 20 Acres

Negotiations toward construction of a new terminal building at Pontiac Municipal Airport moved ahead last night when city commissioners approved spending \$22,600 to purchase 20 acres for the proposed building.

It is located just off M59 and west of the present administration building at the corner of Airport road and M59 (Highland road). It will have a 100-foot frontage on Highland road.

City Manager Walter K. Willman told the commission that "picking up" the option on the property, at \$1,130 an acre, will complete all negotiations. The vacant property is owned by Mrs. Eva C. Richmond.

Commissioner Milton R. Henry inquired whether the city couldn't get greater federal participation in the land acquisition. Willman answered "no," saying the allocations have already been made.

Purchase of the land for the building is part of the 1957 airport improvement program approved by the commission in February. It also includes lighting of runways and taxi strips and fencing around the field.

Sunken Oil Tanker After Night of Tragedy

IN EAST RIVER—This is a view of the oil tanker Empress Bay this morning with its bow sticking out of the water after it was rammed by the Swedish freighter Nebraska in the East River near New York's Manhattan bridge during the night.

Chrysler Pickets Nearly Beaten

Police, Union Chiefs, Rain, Cause Talk About Returning to Jobs

DETROIT (UPI)—Police, their union superiors and finally rain today turned the few hundred strikers at the Redstone-Jupiter missile plant into a nearly beaten, bedraggled group.

After more than 125 police and sheriff's deputies at times completely barred them from parking lot entrances at the Sterling Township Chrysler-operated plant, a heavy rain drenched the hundred or so strikers on hand.

The members of United Auto Workers Local 1245 had already seen their international union destroy the last bits of their authority by summoning local officers to a meeting this afternoon.

Some of the picket captains tried to drum up support for a mass demonstration in front of the UAW International headquarters near downtown Detroit before the meeting to decide whether the international should oust local officers and take control of the local.

But other striking union members were so dispirited they talked of going back in the plant at noon to save their jobs.

These members were immediately shouted down by others who feel they will be fired in any case and their only hope is to go through with the demonstration and stay on the picket lines.

The UAW held bargaining talks on national contracts yesterday with all-Big Three car makers but no progress was reported. Negotiations with the companies were scheduled again today.

Wolfson's Statement Denies Wrongdoing

NEW YORK (AP)—Financier Louis E. Wolfson denies any wrongdoing in connection with stock of the American Motors Corp.

Wolfson, defendant in a civil court action brought here by the Securities and Exchange Commission, said in a statement from his Jacksonville, Fla., office: "Any charge or accusation of manipulation or fraud by reason of anything I have done is ridiculous and will be proved to be unjustified in due course."

Wolfson added: "I have just returned from a hospital, am now convalescing and for more than a week have had no personal participation or knowledge of stock transactions affecting my interests."

Wolfson said he has not owned any American Motors stock for several weeks.

He was temporarily restrained by Federal Judge Frederick Bryan yesterday from further dealings in American Motors Corp. common stock. The SEC said the company was not involved in the case against Wolfson.

The SEC charged Wolfson had tried to manipulate the price of (Continued on Page 2, Col. 5)

Cornice Crushes Detroit Shopper

Woman, 79, Dies as Section Falls From Top of Downtown Building

DETROIT (UPI)—An 18-foot section of masonry cornice cracked loose from atop a seven-story downtown Detroit building last night and a window-shopping woman on the sidewalk below had only a split second to live.

The masonry crashed down on Mrs. Myrtle Taggart, 79, while she gazed into the window of Winkelman's women's apparel store at the corner of John R. and Woodward.

She died instantly. Two others were slightly hurt.

Mrs. Alvera Casper, 22, of Dearborn was standing next to Mrs. Taggart when the masonry crushed her head, and she was treated for nervous shock. Mary L. Garland, 24, suffered minor injuries when a chunk of the cornice hit her on the foot.

Mayor Louis Mirani ordered building inspector Charles Allen to begin an immediate inspection of all downtown buildings. Police said it was lucky the cornice didn't fall an hour earlier, when the sidewalk was jammed with late shoppers and persons leaving their jobs.

The building is one of the older downtown structures.

Charles E. Allen, chief city building inspector, said the cornice fall was the result of rusting which weakened the supporting rods.

Crew Jumps Into Inferno as Tanker Sinks

Several Men Missing, 37 Hurt; Flames Sear Manhattan Bridge

NEW YORK (AP)—A Swedish freighter rammed a gasoline tanker on the darkness-shrouded East River early today, sparking a towering blast of flames which seared the Manhattan Bridge 130 feet above.

The tanker sank. Two or three men were missing and 37 injured.

The sinking freighter, Empress Bay, spewed its gasoline cargo into the river.

The busy shipping artery was closed to traffic for hours.

Although a wide area of the stream was turned into an inferno shortly after the collision, many crewmen plunged into the water screaming for help.

Rescue craft rushed out to pick up the swimmers. One New York City fireboat was disabled in the task.

The East River, which separates Manhattan from the city's boroughs of Brooklyn and Queens on Long Island, is about half a mile wide at the point in lower Manhattan where the smash occurred in midstream at 12:25 a.m.

Thousands of spectators were attracted to the river banks. Leaping flames provided a grim but brilliant illumination.

For several hours after the tanker sank and the flames subsided, the menace of further explosion or fire from the water-borne fuel led authorities to halt travel by other ships on a seven-mile stretch of the river from Hell Gate south to the Brooklyn Bridge.

SMOKING FORBIDDEN

In addition, police forbade smoking along the waterfront on both sides of the river. All except emergency personnel was ordered away, and firemen stood ready with hoses on piers.

The swirling flames following the collision licked up to the superstructure of the Manhattan Bridge and set off some minor fires. These were extinguished quickly but they burned through some electric cables and brought to a standstill automobile traffic (Continued on Page 2, Col. 4)

Just Waiting for a Clean Start

I am the implacable enemy of the half-cleaned building you see right here.

This is the Oakland County Courthouse. The ravages of time have a slow effect, but I handle things immediately. I am a despoiler of Pontiac's downtown in general. I neither respect people nor property.

I am quiet, efficient and effective. I am friendly and will almost let you touch me. Some people think I'm attractive.

But beware!

I'm a ceaseless worker.

Will the county authorities do something about me? I'm sorry, pal, but they probably won't.

They never have.

Will the city authorities do anything about me as I live mainly on their property? I'm sorry, friend, but they probably won't.

They never have.

So-o-o-o-o-o, greetings. And watch me go to work on this fine old building in my fine old style.

I'm a downtown Pontiac pigeon.

SAND-BLASTING PROGRESSES—Workmen who are cleaning the Oakland County Courthouse are now on the Saginaw Street side, after finishing on West Huron Street. Only two sides of the building will be cleaned.

Wyoming Samples January in June

CHEYENNE, Wyo. (AP)—It was January in June today in southeastern Wyoming. A light snow fell and temperatures dipped into the 30s.

Laramie's 34 was the lowest early morning reading. Cheyenne, the state capital, was only one degree warmer. An inch of snow was on the ground at Laramie.

Temperatures were in the 40s elsewhere in Wyoming and northeastern Colorado.

The Canadian-born storm moved in late yesterday. Along with the snow and low temperatures, it produced moderate rain, hail and strong winds.

Denver, 100 miles south of here, last night had gusts of winds up to 55 miles an hour. Power lines were snapped, limbs ripped from trees and windows were broken.

Want Their Bitters

LONDON (UPI)—Police quelled an irate crowd which gathered outside a local pub last night. The crowd complained that the pub had not opened on time.

That's Mackinac Bridge

MACKINAC BRIDGE (UPI)—"Mackinac Bridge" is the official name of the 100-million-dollar span that links Michigan's Upper and Lower Peninsulas, officials of the Mackinac Bridge Authority said today.

Gov. Williams Strolls Briskly Over Our Mackinac Span

Festival Under Way for Bridge at Straits

MACKINAC BRIDGE (UPI) — Gov. G. Mennen Williams, with sea gulls over his head, and a sunflower seed in his mouth, strolled briskly across the rain-drenched Mackinac Bridge today to unofficially open the bridge dedication festival.

Williams made the five-mile stroll in one hour, six minutes, far behind two speed walkers who finished in a dead heat after 45 minutes of Olympic-style walking.

SLOSHES THROUGH

The governor, who wore a raincoat, but no rubbers, sloshed through the St. Ignace toll gate at 9:05 a.m.

Michigan's long-legged chief executive walked with 34 members of the International Walkers Association of America, his State Police bodyguard, two reporters and Larry Rubin, secretary of the Mackinac Bridge Authority.

Williams began to tire a few minutes after the walk began. "I think I'm running out of gas," he said.

"Here, Governor, try this," one walker said. "It's my last one but it should help you finish."

EASTS SEED

It was a sunflower seed. The governor ate it.

Fog, midway across the bridge, was so thick it was difficult to see the sea gulls perched on the bridge cables.

Half a dozen events, highlighted by the walk across the five-mile span and first public sale of the Mackinac Bridge commemorative three-cent stamp, were on the agenda for today.

At noon, scores of Michigan's top

politicians gathered on Mackinac Island for the formal dedication of the commemorative stamp.

Postmaster General Arthur E. Summerfield of Flint spoke on the significance of the bridge and also made stamp album presentations to Army Secretary Wilber M. Brucker, former Republican governor of Michigan; Williams, and other top state and bridge officials.

Meanwhile, thousands of tourists began pouring into the area for the official opening of the three-day spectacular tomorrow.

Dedication officials said visitors should have little trouble finding accommodations within short driving distance of the bridge.

They feared, however, that many persons who planned to come to the festival may be scared away by reports that all accommodations within a 50-mile radius are filled.

"That report is not true," said James Tuttle, a dedication official. "Many motels in the area have rooms available."

Tuttle said reports that half a million or more persons are expected to attend the celebration "are a little exaggerated."

"We are anticipating an attendance of between 100,000 and 300,000 during the three days, depending on weather of course," Tuttle said. "And we'll feel the festival has been a big success if 250,000 persons attend."

Dedication officials kept in close touch with the Weather Bureau for latest forecasts.

"I hope we have had our full quota of rain for the week," Tuttle said, following one of the heaviest downpours of the season yesterday. It brought a halt to all outdoor preparations for several hours.

SCATTERED SHOWERS

The forecast today called for scattered showers and thunderstorms while the outlook tomorrow was for partly cloudy and cooler weather.

Workers were rushing to complete painting the span's 552-foot south tower above the roadway before the celebration opens. They have completed painting the north tower an ivory color.

However, the entire bridge decoration job will not be completed until after the festival. High winds and rain have caused several delays in recent weeks. The span's superstructure will be painted green.

Hundreds of other workers were busy putting up military, agricultural, civic and other exhibits in St. Ignace, Mackinaw City and Cheboygan.

Festival officials, who prefer not to get mixed up in any political hassle that may develop during the celebration, hoped all would go well at the commemorative dedication.

In addition to Summerfield, Brucker and Williams, most members of Michigan's congressional delegation were expected to be on hand for the luncheon at the Grand Hotel.

Summerfield will take part in ground-breaking ceremonies for a new post office at Mackinaw City before going to the island. He will also visit the St. Ignace post office.

Political charges have been flying back and forth between Michigan Republicans and Democrats over the role played by the two parties in the building of the bridge. Republicans claim they were being "frozen out" of the dedication festival.

Friday night, more than 100 members of Michigan's Republican-dominated Legislature will attend a banquet honoring them at Cheboygan. However, they'll share the spotlight with 87 city, county and state queens who will be on hand for the festival.

Other events scheduled for today include dedication of two registered historical markers, a water ski show on the St. Ignace side of the Straits of Mackinac and a joint Navy-Coast Guard helicopter rescue demonstration and tactical drill on the Mackinaw City side of the straits.

Three Navy patrol escort craft with 100 reserve sailors aboard arrived from Great Lakes, Ill., late yesterday and will conduct training exercises in the straits today and tomorrow.

The first major dedication event is scheduled for noon tomorrow when 110 bands, floats and other marching units will stage a three-hour parade through St. Ignace. It'll be the biggest parade in Upper Peninsula history.

Bet It's the First

LONDON (UPI)—Radio Moscow reported today that the Russians have a "confused" citrus tree. The tree is said to bear 30 types of citrus fruits—seven varieties of tangerines, three kinds of lemons, four types each of oranges and grapefruit and 12 other varieties.

OFF TO CAMP—Here is a bus load of some of the 45 crippled children who left for a two-week camping trip this morning. The group, sponsored by the Oakland County Society for Crippled Children, are headed for Camp Grace Bentley, north of Port Huron.

Hard to Decide Freighter Rams Tanker; Manhattan River Ablaze

City's Theater-Trippers Like 'West Side Story,' 'Music Man'

By PETE LOCHBILER

NEW YORK — With last night's impressive, challenging performance of "West Side Story" still fresh in their minds, Pontiac theater-trippers today found themselves divided.

Some found the sensitive, probing musical the best they've yet seen during their initial hours of this five-day holiday in delightful Manhattan.

Others preferred the rollicking, fun-loving "Music Man," which we saw on our first evening here.

While the latter is pure Americana, "West Side Story" is a modern adoption of Shakespeare's "Romeo and Juliet," with a setting reflecting New York's still turbulent tenement house district.

The difference is that in the Leonard Bernstein version, neighborhood gangs are the quarreling parties, not Montagues and Capulets. Yet our theater trip audience felt that the universal theme of love might be the answer — as Bernstein and his author, Arthur Laurents think it could be — to Gotham's juvenile gang war problems.

Tomorrow night, we see our third musical, "Oh, Captain," which is another frolic like "Music Man," but of a more sophisticated quality.

Today, we've got a double-barrel attraction in store for us: Two plays that critics say provide a laugh-a-minute plus a few heart-felt tears.

Yesterday, Pontiac area people discovered New York on their own, and it seemed as if this diversified town had something for each and everyone of us.

(Continued From Page One)

and subway trains using the bridge.

Two of the missing men were crew members of the tanker. They were identified as engineer Tom Erickson and cook Otto Ahrens.

As morning came, operators of the freighter, the Nebraska, said one of its seamen could not be located. Police, however, maintained that the two tanker men were the only ones missing.

The tanker carried a crew of 7, and the freighter 44. Ten or 11 men from the two ships apparently escaped unhurt.

PHOTOGRAPHER DIES

An indirect casualty was William Finn, 52-year-old photographer for the New York Journal-American. He died of a heart attack while covering the fire.

Many of the crewmen rescued were saved by the fireboat which daringly maneuvered alongside the flaming wreckage so that crewmen could leap aboard. The boat later had to tie up for repairs.

Individual acts of heroism saved others. Graphic descriptions were given by eyewitnesses of the collision aftermath.

MUFFLED EXPLOSION

"I heard a muffled explosion," said James Watson, 41, who works nearby.

"I saw a mass of flames that looked about half a mile high and 100 yards wide."

"I could hear men in the water, being swept upstream, yelling for help. The flames were also blown north with the wind."

Hold '58's Last Meeting

The last meeting of 1958 of the Pontiac Memorial Day Assn. will be held tonight at 8 at the Amvets Hall 113, located at 570 Oakland Ave. The election of officers for next year will be the main point of business.

(Continued From Page One)

ject when Goldfine himself testifies Tuesday.

Later Bennett told reporters he was informed Goldfine had paid hotel bills for McCarthy, a Democratic court appointee, before and after the judge was associated with the court case.

But Goldfine's lawyer, Samuel P. Sears, said Goldfine paid only one \$60 hotel bill for the judge. Sears told reporters the incident occurred in February 1954, when McCarthy and his family couldn't find a hotel room for a visit to New York.

Sears said Goldfine or his staff found the McCarthy's room at the Waldorf Astoria, the same hotel where Adams once stayed as Goldfine's guest, and that Goldfine took care of the bill.

Hospital Delays Cutting Wages

Trustees Agree to Hold Off Action Until After Union Meets Thursday

Trustees of Pontiac General Hospital have agreed to postpone action on their \$65,000 wage adjustment plan for hospital employees until after a meeting of the employees' union tomorrow night.

The postponement came last night after the Personnel Committee of the Board of Trustees met in a two-hour session to discuss the plan approved Sunday by the board.

Members of Local 100 of the American Assn. of Federal, State, County and Municipal Employees, AFL-CIO, will learn more about the proposed wage cuts at the Thursday night meeting.

Harold B. Euler, acting director and trustee of the city hospital, said trustees and local officials will meet again Friday at 4 p.m. Euler expressed optimism the plan will still be carried out. It involves reducing the pay for all 647 hospital employees from 20 to five per cent to meet mounting deficits.

Wolfson's Statement Denies Wrongdoing

(Continued From Page One)

American Motors common stock through "fraud and deceit."

Bryan also ordered Wolfson to show cause tomorrow why he should not be temporarily enjoined from continuing the alleged practices.

Wolfson, 46, started with a Jacksonville, Fla. junkyard. His personal fortune now is estimated at close to 100 million dollars. Until recently he was said to be the largest stockholder in American Motors.

The SEC said Wolfson or his agents caused statements to be published which depressed the price of American Motors common stock.

In its complaint to the court the SEC said Wolfson indicated in various statements last winter and this spring that he was maintaining his interest in American Motors when actually he was unloading his entire holding of the company's stock.

Pontiac Delays Reply to Realtor

Commission Holds Off on Paul Kern's Request to Run Hospital

It loomed from last night's Pontiac City Commission meeting that Paul A. Kern Jr. will have to wait a little longer to get an answer to his request to take over Pontiac General Hospital.

City Manager Walter K. Willman said Kern's request to make "a thorough management and financial analysis" of the hospital was turned over to the hospital's Board of Trustees March 18. No answer to the commission has been received, he said.

Commissioners last evening instructed Willman to advise Kern, Pontiac realtor, that as soon as the hospital comes up with an answer he will have his answer from the city.

Kern, of 1977 Long Point Dr., Bloomfield Township, complained in a letter to the commission that he had "waited patiently and long enough" for an answer to his original offer made in February.

Kern's offer for a study received support from Commissioner Milton R. Henry. "I think it would be a good idea for an independent company to perform such a survey," Henry said.

An opposite viewpoint came from Mayor William W. Donaldson. "Are we going to farm out our responsibility?" he asked, referring to Kern's request to lease, manage and operate the city hospital.

The Board of Trustees was forwarded a second letter from Kern questioning certain financial situations at Pontiac General. Commissioners requested an answer within two weeks.

Goldfine Foots Bills for Federal Judge

(Continued From Page One)

ject when Goldfine himself testifies Tuesday.

Later Bennett told reporters he was informed Goldfine had paid hotel bills for McCarthy, a Democratic court appointee, before and after the judge was associated with the court case.

But Goldfine's lawyer, Samuel P. Sears, said Goldfine paid only one \$60 hotel bill for the judge. Sears told reporters the incident occurred in February 1954, when McCarthy and his family couldn't find a hotel room for a visit to New York.

Sears said Goldfine or his staff found the McCarthy's room at the Waldorf Astoria, the same hotel where Adams once stayed as Goldfine's guest, and that Goldfine took care of the bill.

Republican National Chairman Meade Aicorn and his Democratic counterpart, Paul M. Butler, exchanged verbal blasts over the far-reaching hearings.

Butler said the GOP should put on a stage show to question Republicans on whether they got favors or pressured government agencies, and call it "the price is right."

Aicorn retorted with a broadside charging seven Democratic senators "have profited in the multi-million-dollar broadcast business at a time coincident with their political careers and influence in Washington."

"Now is the time for them to step forward and to spread candidly on the official public record just what backstage efforts were made for them or by them as they rose in the lucrative broadcast field," Aicorn said.

Aicorn said the subcommittee already had heard testimony outlining "shadowy Democratic efforts" and "commando tactics" against the Federal Communications Commission in support of or in opposition to television channel applicants.

"A full report from the seven Democratic senators on how they acquired and improved their holdings is very definitely in order," Aicorn said.

The seven Democrats he named were Sens. Lyndon B. Johnson (Tex.), the party's Senate leader; Robert S. Kerr (Okla.), Warren G. Magnuson (Wash.), John J. Sparkman (Ala.), Clinton P. Anderson (NM), Olin D. Johnston (SC) and Joseph C. O'Mahoney (Wyo.).

Kerr said if Aicorn wanted to intimate he "unduly influenced" a commission appointed by Republicans he was "privileged to do so" but there was "no basis in fact" for Aicorn's charges.

Anderson said he made no secret about his investment in broadcasting and he never made any "backstage efforts" to influence the FCC.

The others could not be reached immediately for comment.

Pedestrian Toll High

NEW YORK—Pedestrian deaths account for more than half of all the traffic fatalities in American cities, although since 1940 the ratio of pedestrian traffic deaths has fallen 51 per cent per 100,000 population—from 9.6 to 4.7.

The Day in Birmingham Special Warrant Officer to Be Hired on Fee Basis

BIRMINGHAM — For the first time, Birmingham may soon have a special officer to serve warrants, according to Police Chief Ralph W. Moxley.

City commissioners have approved Moxley's recommendation that a warrant officer be engaged on a fee basis, removing this duty from the Police Department.

Wesley J. Skowron, 30707 Marshall St., Royal Oak, has indicated he will accept the post but final arrangements have not been made, Moxley said.

Skowron, a former Southfield

Township constable, has had considerable experience with this type of work, including some warrants served for the Birmingham Municipal Court.

According to Moxley's suggestion, the warrant officer would receive the three dollars court cost for each warrant served. Under the present plan, this money goes into court accounts but is not sufficient to cover the expenses of a police officer in many of the cases, Moxley said.

Formally Establish MSU-O Foundation

(Continued From Page One)

special areas under the four vice presidents. These will include: finance, under Mr. Ahrens; program development, under Mr. Zeder; continuing education, under Mrs. Gossett; and community relations, under Mr. Cousino.

Trustees of the Foundation, in addition to Mr. Varner and the officers listed above, are:

Clark J. Adams, Waterford, Oakland county circuit judge; Christian F. Beaumont, Birmingham, president of the Michigan Limestone Division of U. S. Steel Corp.; Howard E. Carroll, Mt. Clemens, Macomb county circuit judge; Mrs. L. L. Colbert, Bloomfield Hills, wife of the president of the Chrysler Corp.

Maj. Gen. Robert E. L. Eaton, commander, Tenth Air Force, Selridge Field; Coy C. Eklund, agency manager, Equitable Life Assurance Co., Detroit; William J. Emerson, Pontiac, Oakland County Superintendent of Schools; E. F. Fisher, Brighton, president of Garwood Industries, Inc.; Miss Marion Goodale, Bloomfield Hills, headmistress of Kingswood School, Cranbrook; Fred V. Haggard, Waterford, president of the Oakland County CIO Council.

Delos Hamlin, Farmington, chairman of the Oakland County Board of Supervisors; George J. Huebner Jr., Bloomfield Hills, Chrysler Corp. official; Miss Sarah Van Housen Jones, Rochester, former member of the State Board of Agriculture; Bernard A. Kalahar, Center Line, chairman of the Macomb County Board of Supervisors; Adolph Klein, Royal Oak, president of the Wayne-Oakland Bank; S. E. Knudsen, Bloomfield Hills, general manager of the Pontiac Motor Division, General Motors Corp.

Mrs. Roger M. Kyes, Bloomfield Hills, wife of the General Motors vice president and former Deputy Secretary of Defense; Harold LeFevre, Mt. Clemens, Macomb County Superintendent of Schools; Howard MacGregor Jr., Rochester, president of the National Twist Drill and Tool Co.; Paul W. McKee, editor of the Mt. Clemens Monitor-Leader; Lynn S. Miller, publisher of the Royal Oak Tribune; Mrs. Ralph T. Norvell, Pontiac civic leader; Raymond T. Perring, Bloomfield Hills, president of the Detroit Bank; Harry M. Pryale, Bloomfield Hills, president of the Baldwin Rubber Co.

Thomas R. Reid, Dearborn, director of community relations, Ford Motor Co.; Louis H. Schimmel, Pontiac, president of the Pontiac Board of Education; Ernest W. Seaholm, Birmingham, retired chief engineer of Cadillac Division, General Motors Corp.; Walter K. Willman, Pontiac City Manager; Mrs. Alfred G. Wilson; Theodore O. Yntema, Bloomfield Hills, vice president, Ford Motor Co.; John Gordon, Bloomfield Hills, vice president of General Motors Corp.; Dr. John A. Hannah, President of MSU; and Dr. Thomas Hamilton, Vice-President for Academic Affairs at MSU.

The club's discussion group will take up the matter of lowering the voting age from 21 to 18.

The history of gas, its manufacture and distribution will be the topic of the Senior Men's Club at the Friday meeting at the Community House.

W. A. Hedgecock, district manager for Consumer's Power Co., will illustrate his talk with colored slides.

The club's discussion group will take up the matter of lowering the voting age from 21 to 18.

Four Policemen Sue City, Chief

Take Legal Action in Move to Be Promoted to Higher Ranks

Four Pontiac police officers have taken legal action in a move to be promoted to higher ranks which they say they are entitled to.

Asking yesterday for a writ of mandamus ordering the city and Police Chief Herbert W. Straley to promote them were Sgts. Raymond E. Meggitt and Fred L. Goines, and Detectives Herbert C. Cooley and James H. LaPonsie.

Chief Straley, City Manager Walter K. Willman and the city, all named as defendants in the action, were ordered by Oakland County Circuit Judge George B. Harrick to show cause July 7 at 9:30 a.m. why the writ shouldn't be issued.

The suit was filed by Milton R. Henry, Pontiac attorney and city commissioner.

The suit charges Straley and Willman with refusing to promote the four to vacancies on the force for which they and others competed for by taking oral and written Civil Service examinations last October.

The manager and chief are not complying with the provisions of Civil Service Act 78 which the police force came under by a vote of the people in April of 1957, the suit alleges.

Officers Goines and Meggitt say they placed second and third, respectively, on an eligibility list for three lieutenant vacancies. Lt. William K. Hanger, who placed first on this list, is the only officer to be promoted, the suit says.

Cooley and LaPonsie are shown in the action as finishing second and third behind Det. James F. Bale for two sergeant openings on the force. Bale is not a plaintiff in the suit.

In December, the suit shows, Willman explained the delay in promotions saying he was awaiting completion of the Public Administration Service survey of the department. Results of the study were handed the city last month.

The four officers also seek retroactive pay of the higher ranks.

State Typographers Pick Hull 16th Time

Kenneth Hull of Detroit was re-elected to his 16th term as president of the Michigan Federation of Typographical Unions yesterday at the final session of a three-day state convention held at the Waldron Hotel.

Two of the three other officers selected were also re-elected. They were: Edward Crum of Lansing, secretary-treasurer and Earl Bond of Flint, first vice president.

Melville Simpson of Bay City was elected second vice president. The 1959 convention will be held in Bay City.

Nation's Weather Pattern Remains Almost All Wet

By The Associated Press

The nation's weather pattern of the past several days showed only minor changes today, with more showers and possible storms in many areas.

Tornado winds and severe thunderstorms struck sections of Kansas and Oklahoma during the night but no casualties were reported. Tornado winds hammered the Arkansas City area, south of Wichita, Kan., near the Oklahoma border, and also in the Salina, Kan., area.

The thunderstorms rumbled across sections from southern Wyoming and Colorado through Kansas, Oklahoma and into Missouri. Heaviest rains were reported in eastern parts of Kansas and Oklahoma, ranging from 1 to 2 inches. Hall and strong winds were reported in many areas. Flood warnings were posted in some parts of east central Kansas.

Hal Boyle Says:

Radio Amateurs Shattering Iron Curtain

STAMFORD, Conn. (AP)—The Iron Curtain seems more easily pierced by air than on the ground. At least radio amateurs of the United States and the Soviet Union find it simpler to communicate with each other on a person-to-person level than do political leaders.

Ham radio station operators in the two countries strike up ether wave friendships freely.

Perhaps a typical example of these new adventures in international understanding is the relationship between Frank Enge and Leo Shiskin.

Enge is supervisor of research and development for the American Machine & Foundry Co. electronics laboratory here. Shiskin is an electrical engineer in Moscow. Aug. 11, 1956, they first made contact via ham radio.

After that they quickly became pen pals. Leo asked Frank for copies of American radio journals, and sent him copies of Soviet radio journals—also some Russian classical phonograph records for Frank's wife.

Frank congratulated Leo on the Soviet scientific achievement when the first Sputnik went aloft, and Leo replied in kind when the United States sent up Explorer I. That was the nearest the Russian ever came to a political remark, Enge said.

Leo Shiskin lost his Soviet radio amateur license "for infractions of the rules," but he wrote Frank: "My absence in the air has no relations to our mailing." He never explained the nature of the violations that cost him his license.

Leo wrote that he made about 1200 rubles a month—the ruble is officially pegged at 25 cents.

"He also said that he only had to pay 50 rubles a month rent," Enge recalled, "but he had to share a communal apartment with four other families. The apartment had only one bathroom, one kitchen and one telephone."

"Leo also wrote that he had to pay a fourth of his salary—300 rubles a month—in income taxes, and that a suit cost him from 400 to 1,700 rubles. He said an old car would cost him 8,000 rubles."

Faith Domergue Gets Maintenance Decree

SANTA MONICA, Calif. (AP)—Actress Faith Domergue has obtained a separate maintenance decree from the husband she says "gets restless being in one place too long."

Miss Domergue, 32, testified in Superior Court yesterday that she wanted to make a home in Southern California, but that film director Hugo Fregonese, 50, "wants to stay in Europe and be a free agent."

The court ordered Fregonese to pay \$900 monthly support for Miss Domergue and their children, Diana, 9, and John, 6.

South Carolinians Choose Governor

By ROBERT McHUGH

COLUMBIA, S. C. (AP)—Ernest F. Hollings, a handsome Charleston lawyer and tireless campaigner, was named South Carolina's next governor yesterday by a thumping 45,000-vote margin over Donald S. Russell. At 36, he will be the state's

youngest governor in modern times.

Hollings, named one of the 10 Outstanding Young Men of the Year in 1955 by the U. S. Junior Chamber of Commerce, won the Democratic primary nomination in a runoff election against Russell, 52-year-old former president of the University of South Carolina.

Starch is found in all green plants and serves as a reserve food supply.

In one year's time U. S. Pullman passengers use 9,000,000 pieces of linen, almost 12,000,000 cakes of soap, and about 110,000,000 paper cup containers.

Small Bank Fails in New Hampshire

CONCORD, N. H. (AP) — The state today closed the nine-year-old Valley Trust Co. in suburban Penacook "to protect depositors" and prevent a run on the financially troubled bank.

Gov. Dwinell described the ac-

tion as New Hampshire's first bank failure in 20 years. State Bank Commissioner Winfield J. Phillips said the small institution's commercial and savings departments had total assets of \$1,850,000 last June 30.

Phillips and his staff began an inventory of the bank's current assets.

Newfoundland is slightly larger in area than Ohio.

Deaths in Pontiac and Nearby Areas

MRS. ORIN E. CARTER

Mrs. Orin E. (Bertha G.) Carter, 80, of 866 Inglewood St. died yesterday after a prolonged illness. She was a seamstress for many years in Pontiac clothing stores.

Surviving are two daughters, Mrs. Kenneth C. Watkins of Lake Orion and Mrs. Clair Folsome of Cambridge, Mass.; two sons, Emory C. and Keith A. Carter, both of Pontiac; 16 grandchildren; 14 great-grandchildren; and two sisters, Mrs. Sibel Stevens of Pasadena, Calif. and Mrs. Nellie Monroe of Pontiac.

Service will be at 1:30 p.m. Friday from the Voorhees-Siple Chapel. Her body will be taken to the Lakeview Cemetery at Clarkston for burial.

CHARLES C. KEHN

Charles Carl Keehn, 55, of 404 Riverside Dr. died at his home yesterday.

He had been an employee at Fisher Body Div.

Besides his wife, Irene, he leaves his father, Carl Keehn of Pontiac; a daughter, Mrs. Charlotte Rowan of Pontiac; eight sons, Arthur with the U.S. Air Force stationed in England; Robert, Edward, Richard, Donald, Arnold, Lavern and Larry, all of Pontiac; three sisters, Mrs. Charlotte Metor of Clawson, Mrs. Hilda Burby of Milford and Mrs. Harry Beal of Keego Harbor; two brothers, Emil and Arthur Keehn of Pontiac.

Service will be at 1:30 p.m. Saturday from the Huntoon Chapel.

MRS. ARTHUR J. MARCUM BABY BOY MARCUM

Service for Mrs. Arthur J. Marcum of 2995 Voorhees Rd. and her infant son will be at 2 p.m. Thursday from the Donelson-Johns Funeral Home. Burial will be in Waterford Center Cemetery.

A registered nurse at Pontiac General Hospital Annex, Mrs. Marcum, 40, died Monday afternoon at the birth of a son in Pontiac General Hospital. The baby lived 30 minutes.

NICKOLAS TRAJKOVICH

Prayers were offered at 4 p.m. Tuesday from the Voorhees-Siple Funeral Home for Nickolas Trajkovich, 72, of 2260 Oxley Dr. A native of Macedonia, Mr. Trajkovich died early yesterday morning after an illness of several days.

MRS. HARRY BRISBOIS

ROCHESTER — Service for Mrs. Harry (Corinne) Brisbois, 70, of Melbourne, Fla., former Avon Township clerk, will be held at 1

p.m. Friday at the Pixley Funeral Home. Burial will be at the Mt. Avon Cemetery.

Mrs. Brisois died Tuesday at her Florida home where she has lived for the past 14 years. Previously, she was a Rochester resident.

Surviving are one daughter, Mrs. Helen Churchill, and one brother, W. Raphael, Compton, both of Detroit.

KENNETH E. FLYNN

COLUMBIABILLE — Service for Kenneth E. Flynn Jr., 6, of 4541 Water St., will be held at 3 p.m. Thursday at Muir Brothers Funeral Home. Burial will be in Mt. Hope Cemetery.

Kenneth drowned yesterday in the Flint River, near his home.

Surviving are his parents, Mr. and Mrs. Kenneth Flynn; four brothers, Gerald, Dale Eugene, Chester; and two sisters, Audrey and Eunice, all at home.

Also surviving are his grandparents Mr. and Mrs. Earl Flynn of Whittier, Calif., and Mrs. John Coulter of Lapeer.

CLEMENT GARRIES

MARLETTE — Service was held yesterday afternoon at the Marsh Brothers Funeral Home for Clement Garies, 62, who died Saturday of a heart attack in the garden at his home, 3205 Wilson St. Burial was in Marlette Cemetery.

Surviving are his wife, Nina; three sons, Robert, Rex and Richard, all at home; and two brothers.

MRS. MILO LAUGHLIN

MILFORD — Service for Mrs. Milo (Glendora) Laughlin, 65, of 4370 LeRoy St., White Lake Township, will be held at 1:30 p.m. Friday at the Richardson-Bird Funeral Home, Milford. Burial will be at the Highland Cemetery.

Mrs. Laughlin died Wednesday at the Red Maple Rest Home after an eight-year illness.

Surviving are her husband, Milo; a son, Dwight (Jack) Laughlin of Pontiac; a daughter, Mrs. Phillip Greisser of Ferndale; a brother, John Badgley; five grandchildren and four great-grandchildren.

RAY A. PERIGO

HOLLY — Service for Ray A. Perigo, 69, of 1223 Gage Rd., will be held at 2 p.m. Friday at the Bendle Funeral Home. Burial will be at the Ortonville Cemetery.

Mr. Perigo died Monday at his home.

Surviving are two brothers, Marion of Ortonville and William of Holly.

CARIS W. SARTOR

ROCHESTER — Service for Caris William Sartor, 60, of 725 Ludlow St., will be held at 3 p.m. Friday at the Pixley Funeral Home. Burial will be in Mt. Avon Cemetery.

Mr. Sartor died Tuesday at his home following a heart attack.

Detroit veterans' organizations, Mr. Schingek leaves his wife, Florence; a sister, Mrs. E. J. Beard of Keego Harbor; and three brothers, Renaldo of Farmington, Carl of Auburn Heights and Archie of Adrian.

Deaths Elsewhere

CHARLOTTE, N.C. (AP)—Mrs. George G. Scott, mother of film star Randolph Scott, died yesterday after an illness of five days. She was born in Luray, Va.

SAN JOSE, Calif. (AP) — Alexander Malcolm (Sandy) Smith, 99, famed Alaskan prospector and explorer, died yesterday. Smith, who had appeared in a dozen movies, was second in command of the Sir Hubert Wilkins North Pole expedition in 1926.

NEW YORK (UPI) — Veteran New York Journal-American photographer William (Red) Finn, 52, died today from a heart attack while covering the collision of a freighter and a gasoline tanker in the East River. One of the first photographers on the scene, Finn had taken several photos of

the burning ships and was preparing to shoot one of the freighter, Nebraska, from a pier when he collapsed. He was pronounced dead at the scene.

IONIA (AP)—Fred D. Keister Jr., 57, publisher of the Ionia County News, died today in Ionia Memorial Hospital. Keister for 27 years was supervisor of the city's second ward. He was active in Republican politics, once serving on the party's state central committee.

White Lake Woman Finds Husband Dead

Norton J. Nichols, 45, of 10115 Joanna-K St., White Lake Township, was found dead in his garage by his wife Betty yesterday morning.

His wife found him hanging from a rope and cut him down but was too late to revive him.

Of the entire land area of the world, 85 per cent is north of the equator.

For the only home he ever owned

... Lincoln chose a Hartford policy

It was February, 1861. Abraham Lincoln was about to leave Illinois to become President of the United States. But first, he insured the Springfield home he loved so much.

We're proud that Mr. Lincoln chose to insure in the Hartford ... then, as now, one of the oldest, strongest, and most dependable insurance companies in the nation.

And as local agents of the Hartford Fire Insurance Company, we are proud to offer you — without obligation — a facsimile of the famous Lincoln policy. It's yours for the asking.

TRUE FACTS ABOUT O-JIB-WA BITTERS

Mrs. Russell

Mrs. Rena Russell, 31660 Five Mile Rd., Livonia reports: "Before I discovered O-JIB-WA BITTERS, I suffered for a long time with arthritis pains in my arms and shoulders. I am glad to tell you that the very first bottle stopped the suffering. O-JIB-WA helped my stomach too, as I no longer am bothered with gas or indigestion and my nerves are much more relaxed. Because this fine medicine helped my husband's arthritis also, I recommended it to a friend barely able to walk, who is all better now and teaching school. I sure recommend O-JIB-WA BITTERS to all of you who suffer from rheumatism or arthritis and have not yet found relief."

Board Moves to Enter Negotiations for Detroit Water in Farmington

FARMINGTON TOWNSHIP — The Farmington Township Board last night moved to enter into negotiations with the City of Detroit for water.

The motion by Trustee Wendell Brown followed a statement by Supervisor Frank J. Stephenson that the board has reached the point where it must make a definite commitment to Detroit if it hopes to obtain water from that source.

Detroit has agreed to run a 54-inch main to Inkster and 8 mile roads, thereby saving the township \$200,000, Stephenson said.

"The dry areas of this township should have had water two years ago, but there has been one delay after another," Stephenson said. "We are now in a position to proceed with a definite program, except for a few minor details."

He added that almost all water petitions have been certified but noted that district 7 is still short of its required 51 per cent. Completion of preliminary work on the proposed water system is awaiting certification of petitions in this area.

Stephenson urged haste, noting that "the bond market was never better."

The board was split 4 to 3 on a

motion to table action for further study on a proposed dismissal of two men from the township assessor's department.

One of them is Axel Petersen, a former Detroit city assessor, who was hired last week by Stephenson on a monthly basis at an annual salary of \$5,750. "The other is a youth hired for the summer months."

Trustee Fred Westlake asked the board to dismiss Petersen on grounds that board members had not been consulted.

Stephenson angrily pointed out

that it is the province of the supervisor to hire personnel for the assessor's office, and that money for the assistant in this office was approved last spring.

"I have promised the people in the township in meeting and after meeting that we would have tax equity within 12 months," Stephenson declared. "I have found eminently qualified men to do the job and for the first time in the township's history some people are going to carry their fair share of the township load."

He added that if Westlake wanted to run the assessor's office he could answer to the citizens.

Brown said it would be unwise for the board to dismiss "one of the best qualified men in the Detroit area" and moved that the matter be tabled.

After some discussion as to whether the township could afford Petersen and the notation that there had been no final approval of the budget, the board agreed to table the issue and meet for budget discussion Monday at 7 p.m.

In final action the board agreed to close the township offices Friday at 5 p.m. instead of 8:30 through July, August and September.

Window Smashings Investigated in Utica

UTICA — Romeo State Police are investigating a rash of broken store windows early Tuesday in Utica.

Large plate glass windows were broken in the Utica Dress Shop, 4741 Van Dyke; Cities Service Gas Station, 4057 Auburn Rd.; and Auburn Fruit Market, 1920 Auburn Rd. Damage was estimated at several hundred dollars.

In two instances, large rocks, apparently used to break the windows, were found close to the scene, police said.

Marlette Industry Plans to Expand Operations

MARLETTE — William Stieler, manufacturer of draperies for house trailer factories in Marlette and Elkhart, has announced he will build a 42 by 100 foot factory

on Marlette road at the east edge of the village.

Stieler has been employing 11 women fulltime in a section of the Cook Implement Building on

M53. When production is moved into the new plant, 20 women and 2 men will be employed, he said.

The Village Council authorized Stieler's purchase of a 132 by 300 foot site for \$1,000.

Pontiac City Affairs

Commission to Seek More Insurance Bids

City commissioners last night agreed to re-advertise for bids on the renewal of insurance policies on city-owned vehicles after some bidders "misunderstood" the last deadline for bids.

City Clerk Ada R. Evans was instructed to advertise the new deadline for 5 p.m. next Tuesday, July 1.

She explained to commissioners that the old deadline was Monday, June 23, at which time only one bid had been submitted. Several came in yesterday, she said, with the companies saying they understood the deadline to be then.

Saying the city's "primary interest is getting the best rate possible on a competitive basis," Commissioner Philip E. Rowston moved for the re-advertisement.

The one bid that came in for renewal of the city's workmen compensation insurance, on Department of Public Works employees, from the Michigan Mutual Liability Co., was accepted.

Commissioners, in other action, called for public hearings next Tuesday on special assessment rolls to finance sanitary sewer stubs on Perry street from Huron east to the city limits, and for a curb replacement and resurfacing project on Telegraph road from Huron to James K boulevard.

Several such hearings for other city projects were conducted last evening without public opposition. Payments were set on nine other projects.

It was agreed to add construction of a five-foot sidewalk on Robinwood avenue to the 1958 public improvement program. Residents had petitioned for the work.

A request for rezoning several lots from residential to commercial on Howard street was re-

ferred back to the applicant for necessary petitions.

City Attorney William A. Ewart was handed a claim for damages from a woman who said she fell and was injured on a city sidewalk.

Commissioner John A. Dugan offered as a public necessity construction of a sidewalk on the north side of Baltimore avenue from Stirling avenue to Melrose avenue.

PATRICIA ANN LOHFF

A bachelor of arts degree was awarded to Patricia Ann Lohff of 6370 Transparent Dr., Clarkston, by Valparaiso University in Valparaiso, Ind. She was one of 360 June graduates at the Lutheran university, 45 miles south-west of Chicago.

DANIEL O'BRIEN

President of the Michigan Future Farmers of America, Daniel O'Brien, 19, son of Mr. and Mrs. D. E. O'Brien of Davisburg, is in Cincinnati taking a course in farm leadership and public relations. Graduated from Holly High School last year. Robert was one of 40 young farmers from Ohio, Wisconsin and Michigan, eligible for the course. They were selected for good scholarship and interest in progressive farming.

Demote Police Hero for Breaking Rules

DETROIT — A police detective who helped break up an international dope ring has been demoted to patrolman for using narcotics illegally to catch dope peddlers.

A police trial board yesterday found Victor DeLavalla, 37, guilty of conduct unbecoming an officer and of disobeying departmental orders.

DeLavalla admitted he took \$600 worth of heroin from the police property room, planning to trade it to an informer for evidence on dope operations.

"Your ambition along this line is admirable," Police Commissioner Edward S. Piggins told the officer. "But your method was wrong and cannot be condoned."

Michigan Made Pure Sugar

LIFTS UP YOUR ENERGY—
YET HELPS HOLD DOWN YOUR WEIGHT

Thanks to new clinical research, modern, sensible diets call for cutting down on food without cutting out fast-acting energy-producing foods. That's because the calories which your body uses up are now known to be non-fattening.

When your body needs energy, the calories from sugar supply it fast—faster than any other food. Actually, a level teaspoonful of Michigan Made Pure Sugar contains only 18 calories. Just enough to sustain you through 7½ minutes of normal activity.

Get Big Chief or Pioneer Pure Sugar. Both are Michigan Made brands. Both give you just 18 calories to a level teaspoonful.

Donna Jean Scott Weds in Rochester

MRS. WAYNE O. HARLESS ROCHESTER—The First Congregational Church in Rochester was the scene of the marriage Saturday evening of Donna Jean Scott of Rochester and Wayne O. Harless of Dearborn. Performing the candlelight rite was the Rev. E. John Yuells.

The bride is the daughter of Mrs. Lester C. Scott of 430 Oak St., and the late Mr. Scott. She was given in marriage by her uncle, Fred D. Gray of Regina, Saskatchewan, who also did the same for her mother, 40 years ago.

The bridegroom is the son of Mrs. Lloyd Ashley of Chippewa Falls, Wis., and the late Mr. Ashley.

For her wedding, the new Mrs. Harless chose a gown of silk bombazine fabric with a fitted bodice, long tapered sleeves and scalloped neckline of French lace re-embroidered with iridescent sequins. The bouffant, floor-length skirt ended in a chapel sweep.

Her fingertip veil of pure silk illusion was secured to a headpiece

of lace re-embroidered with seed pearls. Her bridal bouquet was a centered white orchid, encircled with white roses and stephanotis.

Maid of honor was the bride's sister, Mrs. Douglas C. Brown of Birmingham. Attendants were another sister, Mrs. Charles W. Woodson, also of Birmingham, and Mrs. O. L. Hopper of Rochester. Junior bridesmaid and flower girl were the bride's nieces, Jane and Lynn Woodson.

The best man was Charles W. Woodson of Birmingham and ushers were Douglas C. Brown of Birmingham, O. L. Hopper of Rochester and T. A. Weber of Kitchener, Ont.

The reception was held at Sylvan Glen Inn, Rochester.

After their honeymoon at Pompano Beach, Fla., the newlyweds will make their home on Adams road in Birmingham.

The bride attended Greenbrier College in Lewisburg, W. Va., where she was affiliated with Zeta Mu Epsilon sorority. Her husband was graduated from the University of Wisconsin and is a member of Sigma Alpha Epsilon fraternity.

Marlette Hospital Wins 2 Awards at Convention

MARLETTE — The Marlette Community Hospital took two awards in competition at the Michigan Hospital Assn. convention at Mackinac Island.

A \$100 prize and plaque was given to the hospital for its drug handling system and its innovations in the central nurses station. The new system, developed by Mrs. Carrol Brown, staff nurse, and Jack W. Croes, hospital administrator, saves about three hours a day of pharmacists' time.

The hospital also was awarded an honorable mention certificate for its bookkeeping methods, developed by Mrs. Aldona Burnison, chief bookkeeper.

About 250 hospitals from throughout the state entered the competition, which was divided into four classes. The Marlette hospital was in the smallest category, for those having up to 99 beds.

Faces Trial Thursday for Shooting His Wife

LAPEER — The trial of Gerald E. Chapman, 31, of Columbiaville, charged with assault with intent to murder in the shooting of his wife, Iris, 30, will begin Thursday in Lapeer Circuit Court.

Mrs. Chapman was shot April 12 at the home of a friend, Mrs. Joyce Shurtan, when she failed to return home soon enough after an evening of drinking. Wounded in the abdomen and elbow by a shotgun blast, she was in the Lapeer County General Hospital for several weeks.

Attorney for the defense is T. C. Taylor of Lapeer. George D. Lutz is prosecutor.

Romeo Rotary Club Installs New Officers

ROMEO — Roy C. Davis was installed as president of the Romeo Rotary Club during last night's regular dinner meeting at the Romeo Community Youth and Civic Center. He succeeds Thomas J. Schultz of Washington.

Installed with Davis were Thomas Raymond, vice president; Donald Giese, secretary, and Louis Verellen, treasurer.

New member of the Board of Directors is Philip M. Stone. He joins the Rev. Peter Vos, Joseph C. Gelsch and James H. Winborn, who with the officers, comprise the present board.

Couple Sues Oak Park for \$80,000 After Fall

OAK PARK — An Oak Park couple is seeking \$80,000 damages from the city as the result of injuries suffered when the wife suffered a fractured spine as the result of a fall while entering the municipal ice rink Jan. 4.

Samuel and Ruth Rich of 21950 Marlow St., in a suit filed yesterday in Oakland County Circuit Court, claim the city was negligent in not having guard rails leading from the "club house" to the rink.

Boy, 6, Drowns in Flint River

Attempt by Father to Rescue Son Who Fell Off Bridge Fails

LAPEER — Six-year-old Kenneth Flynn drowned yesterday in the muddy waters of the Flint river near his home in Columbiaville despite the efforts of his father to rescue him.

He was the son of Mr. and Mrs. Kenneth Flynn of 4541 Water St.

The boy fell five feet off the Marathon Road bridge while playing with his younger brother, Dale. Looking for them, their father had arrived just as Kenneth was going under the water.

He dived in fully clothed but couldn't locate the boy. Sheriff's deputies recovered the body at 12:55 p.m., a little more than an hour later.

Kenneth was one of seven small children. His body is at Muir Brothers Funeral Home in Lapeer.

To Picnic at Ortonville

ORTONVILLE — The annual Baptist Sunday School picnic will be held June 28 at Richfield Park, beginning at 10:30 a.m. Each family will bring its own table service and a dish to pass. All children attending without their parents have been asked to bring a sack lunch. There will be games, contests and prizes.

Schank-Hare Rite Performed at North Branch

NORTH BRANCH — Marriage vows were exchanged Saturday evening at the North Branch Baptist Church by Carole Lynn Hare and Stanley A. Schank, both of North Branch. Performing the rite was the Rev. William Richards, pastor.

The bride, whose parents are Mr. and Mrs. Ralph Hare, wore a ballerina-length gown of white lace over satin. She carried a bouquet of red and white roses. Her only attendant was her sister, Mrs. June Morris of Mayville.

The bridegroom, who is the son of Mr. and Mrs. Edgar Schank,

had his brother, Robert of Detroit, as his best man. The reception was held at Rich Township Hall. The newlyweds are making their home on Fox street in Lapeer.

A pressure of from eight to 15 pounds is required to break a normal egg. It takes 18 per cent more pressure to break an egg on the small end.

16 Boats Cruise to Canada

Sixteen boats from the Family Cruise Club of Pontiac have made a first organized trip to Dresden, Canada.

The "flotilla" of cabin cruisers and smaller yachts embarked near Fair Haven for the 70-mile journey to Dresden and arrived there Sunday afternoon. The trip up the Sydenham River took five hours.

Several hundred Canadians were on hand to greet the American cruisers as they docked and escorted them to the Dresden Boat Club's dock.

The visit was arranged by the Dresden Boat Club. The Dresden Chamber of Commerce also participated in welcoming activities.

PICNIC GIVEN
Dresden Boat Club members transported the American yachtsmen to Kinsmen Park for a picnic following their arrival. Later, the group was taken on a guided tour to points of interest in the town, including the site of Uncle Tom's Cabin.

Dick Carlson is cruise master of the Pontiac club with Halvey Hyatt serving as assistant cruise master. Commodore of the group is Robert Littlefield.

The Pontiac Family Cruise Club is planning an overnight cruise on July 12.

Hostess at her Lone Pine road home for a farewell picnic for the American Field Service was Mrs. Martin L. Butzel (center). Discussing the latest in American fashion accessories are Dulce Espinosa of

the Philippine Islands (right) and Christian Platow of Norway. Christian was the Butzels' guest for the year, and Dulce stayed with the Lester Olmsteads of Orchard Lake.

Class of '38 Has Reunion

First graduating class from St. Michael High School, the class of 1938 held a banquet Saturday night at Parish Hall. The program included looking at old snapshots and reading the class will and prophecy.

Honored guests were the Rev. Michael O'Reilly, Rev. Richard Thomas, Rev. Francis Orlin and Rev. Norman Thomas.

Present were Mrs. Louis Petruska, chairman and president of the class, and her committee Mrs. Albin Hus, secretary; Gerald Verno, Mrs. James Harrington, Mrs. Garnet Smith and Mrs. Byron Carrier.

Thirty-three attended, including 17 members of the class that originally had only numbered 30. Other members of the 1938 class who attended were Mrs. John DePinio, Mrs. Lee Fenner, Edward Fisher, George Hylla, James Shoots, James Mason, Mrs. Martin Engler, Mrs. Glen Zolman, Lloyd Dell, Allen Gillis, and Mrs. David St. Dennis.

Class members who were unable to be present included Mrs. Dan Henry Jr. of Jacksonville, Fla., Mrs. Robert Gale of Falls Church, Va., Tech. Sgt. C. R. Coons who is stationed in Spain, and M-Sgt. Donald La Rivers who is stationed in California.

At Farewell Picnic Exchange Students Feted

Mr. and Mrs. Martin L. Butzel of Lone Pine road were hosts to 50 guests at a farewell picnic Tuesday evening for the staff of the American Field Service, exchange students and their American families in Oakland County.

This year 17 exchange students sponsored by The American Field Service were here from Japan, France, Norway, Italy, Germany, Denmark, Turkey, Portugal, Austria, Finland and the Philippine Islands.

The students stayed with families in Oakland County and attended local high schools. Volunteer staff members of the project attending the picnic and swimming party were Mr. and Mrs. Norris Host, Mr. and Mrs. Elroy Sandberg, both of Birmingham, and Mr. and Mrs. Frank Wickham of Walnut Lake.

Birthday Observed

The birthdays of Evelyn Travis and Betty McDonald were celebrated at a party held at Old Mill Tavern, Alice Neuman, Mary Jean Sloan, and Eileen Howe attended the Thursday affair.

Hospital Unit Feted

Mrs. Howard S. Christie, newly elected president of the Women's Service Committee of William Beaumont hospital, entertained the hospital directors, the board of directors and the chairman and co-chairman of the various projects at tea at her home on Southfield road Friday.

The communicable disease center of the U.S. Public Health Service is located in Atlanta, Georgia.

PRESS BOX

The Pontiac Sports Car Club will hold its 2nd annual time trials Sunday at the Oakland County Sportsmen's Club. Trophies will be presented to class winners and all participants will gain dash placques. The event starts at 10 a.m.

Los Angeles, Baltimore and Milwaukee have announced recent signings. New Dodgers are UCLA grads Ernie Rodriguez and Conrad Munatones, Ron Cutler, formerly of Wilmington, Ohio College and Southern California student Ron Fairly, who had been sought by 14 other clubs. Catcher Ken Buff inked an Oriole pact while the Braves added two backstops, Dan Newman of Lafayette, Pa., and John Redway, So. Norwalk, Conn.

Michigan State football coach Duffy Daugherty is in Europe to conduct a series of grid clinics for the U. S. Air Force. The clinics will be held in Wiesbaden, Germany in early July.

Iowa grid coach Forest Evanshewski and Indiana hoop mentor Branch McCracken will head the staff of a three-day coaching clinic at Wisconsin State College, Superior, July 17-19. Michigan will be among four states with coaches attending. Pete Fusi, Bessemer football coach, and Ed Helakowski, coach of Chassel's unbeaten basketballers, will be state assistants on the staff.

The Motor City Handicap will be the feature race at the Detroit Race Course Saturday. It will have a \$5,000 purse.

Tommy Heinsohn, No. 2 scorer on the Boston Celtics last season, has signed for the 1958-59 NBA season.

Leader in Softball League Is Upset, 5-4

Church Softball League leader First Baptist was held to five hits as Joe Blackshire of 8th place Liberty Baptist took a 5-4 decision yesterday.

A 4-hitter by Walt Sadler of St. Johns was enough to beat First Presbyterian 4 to 3 and a home run by Russ Poole broke up an 8-8 tie to give St. Johns a victory over Central Christian.

In another game Church of Brethren defeated First General Baptist, 4-2.

Another Forest Lake Chapter Unfolds in Women's Open

Whitewashing 11th for Baltimore

Foytack Blanks Orioles, 5-0

DETROIT (AP) — The Baltimore Orioles cannot afford a late-season letup if they are to eclipse one of the American League's most durable and dubious records.

To date the Orioles have been shut out 11 times. Their latest whitewashing came last night. Paul Foytack of the Detroit Tigers did the job with a 5-0, five-hit effort at Briggs Stadium.

Thus, the Orioles have 92 games in which to absorb 19 shutouts that will give them the new record. The 1909 Washington club was blanked 29 times. The Major League mark is 33, set by the 1908 St. Louis Browns.

The way Foytack was pitching it is doubtful if even the most prolific batters in the league could have damaged him extensively. He yielded two singles in the first inning and two walks in the second. He had easy pickings the rest of the way, never permitting more than a single batter to reach base in any subsequent inning.

Though the Tiger attack was not a rousing one, it provided him with eight hits including Gail Harris' fifth home run. The first baseman smacked one of 19-year-old Milt Pappas' pitches off the screen that protects the bleacher fans in upper right center field. It came in the second inning.

The Tigers added four more runs off five hits in the fifth inning and wrecked Pappas' hometown debut before 20,023

spectators. The youngster from Detroit Cooley High School departed after the fifth inning and George Zuverink was in command the rest of the distance.

Pappas struck out four in his brief stint and took his second loss compared with four victories. The bubble gum-chewing right-hander struck out Harvey Kuenn twice but it was a single by Kuenn that ruined him in the fifth.

Red Wilson singled leading off and Foytack sacrificed him to second. Pappas got Frank Bolling for the second out but Ozzie Virgil singled Wilson home and took second on the throw. Kuenn singled to center and it ruffled the kid.

Then came a double by Tito Francona and a two-run single by Al Kaline before Pappas got Harris for the third out. The Tigers got only one hit off Zuverink after that.

Foytack had no difficulty after his early spots. He struck out five batters and faced only 19 batters—one over the minimum—over the last six innings.

BACK IN GROOVE—After losing three straight games, Milwaukee pitcher Warren Spahn got back in the groove yesterday when he defeated

the San Francisco Giants on three hits, 2-1. A homer by Joe Adcock (left) helped the cause and Spahn to his 9th victory against four losses.

SPORTS

Yankees Whip Wynn and Chisox

By United Press International
The New York Yankees broke out of their recent doldrums last night with a neat display of power hitting and power pitching that carried them to a 6-2 victory over the Chicago White Sox.

Mickey Mantle, Jerry Lumpe and Norm Siebern crashed homers to spark a five-run fourth-inning rally and then relief ace Ryne Duren "bombed" the White Sox with a six strikeout rescue job over the last 2 2/3 innings. Duren's performance preserved Bob Turley's 11th win of the season—high for any Major League pitcher.

The Senators scored two seventh-inning runs to gain a 2-2 tie with Kansas City before rain finally halted the contest an inning later. The game will be replayed in its entirety.

Lane May Fight Champion July 23 in Texas City

HOUSTON, Tex. (AP) — Contract signing for a title fight between lightweight champion Joe Brown and challenger Kenny Lane was reported at hand today.

Early Wynn was the victim of the three Yankee homers and suffered his sixth loss compared to seven victories. The Yankees had lost five of their previous nine games, four of them shut-outs.

Vic Power, who had driven in all of Cleveland's runs with a single and a two-run homer, let in the Red Sox' winning run with a ninth-inning error.

Doctoring Your Golf

By DR. CARY MIDDLECOFF
PATIENT'S COMPLAINT: Too Many Putts.
DIAGNOSIS: Wrong Putting Grip.
Treatment: It's possible to putt well with any of a number of different putting grips. But the vast majority of good putters use the reverse overlap.
Place the left thumb straight down the shaft. Grip the club with the last three fingers of the left hand. Leave room for the right hand to go under the left index finger.
Put the right thumb straight down the shaft, also. Fix the hands so that the back of the left hand faces directly toward the hole. Check the illustration.
That's the reverse overlap grip. But don't forget that it's good only for putting. It has proven to be the best method of getting the two hands to work as a unit, which is what you want in a putting stroke.
How tightly do you grip. Gently but firmly is the best answer I can give.
(Copyright 1958, John F. Dille Co.)

2nd Title for Veteran Golfer Dawson Seniors' Champ

Bob Dawson has done it again! Pontiac's 78-year-old veteran campaigner of the links is the proud possessor of his 2nd Western Seniors' Assn. championship, Bob has a 14-inch long, handsomely engraved silver tray, as proof of his prowess.

Dawson, who will be 78 July 25, won the divisional title for Class A (75 and over), with a pair of 86s in the event at Tulsa, Okla. He won his first title at Milwaukee's Blue Mound course several years ago.

"It rained all during the tourney," Dawson reports, "but that didn't stop us."

Next summer, says Bob, "I'm going to make a big try for the seniors' triple." The "triple" includes the Western, the U.S. Seniors and the Michigan Seniors' titles, a real feather in any golfer's hat. "I'd sure like to turn that trick," Dawson commented.

Dawson began playing golf in 1923, won the Pine Lake CC crown in 1933 and has been at the game ever since, usually shooting in the 70s and low 80s.

Teeing Off

By BILL CORNWELL

Did Billy Casper's practice rounds at Warwick Hills Golf and Country Club earlier this year give him any help in winning the \$52,000 Flint Open golf championship Monday?

Yes, according to Casper himself. Billy freely admitted that his previous trial runs around the mammoth 7,280-yard course offered him a slight advantage over his fellow professionals.

"It was bound to give me some kind of an edge," said Casper, who visited Warwick prior to the start of the Western Open at Red Run and made two tours of the par 36-36-72 layout.

Casper proved to be a poor prophet when he won the rich tournament with a 72-hole score of 265. Based on his experiences during the May warmups, Billy figured that par 288 would win it or maybe even 290.

In his early tuneups, Casper opened with a 78, then fired a 71 on the 2nd attempt. He confessed Monday, however, that strong winds were buffeting the course at the time, which made the going much tougher.

Billy shot a pair of 71's in the stretch after beginning with 70 and 73 to win the nation's richest tourney and pocket the fattest

check of his young career—\$9,000.

The most money Casper had ever earned previously in a single event was \$5,000 for winning the LaBatt Open in 1956 and another five grand in this year's Tournament of Champions at Las Vegas where he finished 2nd.

His "gold strike" at Warwick enabled him to pass Arnold Palmer as the leading money winner on the tour. Casper has now earned a total of \$31,277.23 compared to Palmer's \$28,530.84. Tommy Bolt and Ken Venturi are 3rd and 4th, respectively.

Casper, who observed his 27th birthday yesterday, turned pro in April of 1954. Billy has a wife and two children and the Caspers live in suburban San Diego, Calif. He plays from nearby Apple Valley.

SHORT PUTTS

Quarter-Midget Races Slated Thursday Night

The Wolverine Quarter-Midget Racing Association, Inc., will hold special exhibition races Thursday evening at the new Miracle Mile track off Telegraph near Square Lake road on the shopping center side of the highway. Starting time is 6:30.

Tomorrow night's races are being staged for the benefit of racing fans who cannot attend the Sunday-afternoon programs held every two weeks. Quarter-midget competition is run in four age groups among boys and girls from 4 to 15 years old.

50%-100% more POWER

MUSTANG

"precisioneered" high-compression engines for Ford, Mercury, Chevrolet: cars, buses and trucks.

Big car performance and small car economy are yours with a Mustang High-Compression Engine. Increased bore and stroke, light-weight pistons, automatic valve lifters, 3/4 grind camshaft and many more quality custom features give you 50% to 100% more horse power—longer engine life—greater fuel economy.

With a Mustang High-Compression Engine under your

hood, you have all the power you need... never have to push your car to the limit, saves on engine wear for thousands of extra miles. Mustang engines carry a new-engine guarantee—can be installed in a few hours.

Have tomorrow's engine today for more driving pleasure and efficiency. Stop in, ask about the Mustang High-Compression line.

CRACK UP—It was just like the Indianapolis Speedway when the Detroit Metropolitan track opened the season in Mt. Clemens Sunday. On the first turn 13 cars became involved in a pile-up which sent three drivers to the hospital with minor injuries. Butch Marshall of Pontiac driving No. 59 which is owned by Max

Traxler of East Highland was one of the auto casualties. Marshall escaped with face lacerations. Ralph Donaldson of Jackson driving racer No. 91 however also piles up and he is shown unconscious in car as workers check the drivers of involved cars. Tomorrow night six Pontiac area drivers will

compete in stock car races, headed by Joy Fair, the top driver in Michigan last year. The track is now operated by former Pontiac Speedway manager Ed Jones of the city.

Nip Pirates 2-1 as Giants Bow

Cards Take Over 2nd in NL

By The Associated Press

Those St. Louis Cardinals, finding a new hero for each series, have slam-banged into second place in the National League race on a month-long ride from the depths.

It was Joe Cunningham's late-inning belts that gave the Cards a split in four games at Cincinnati last week. Then it was Ken Boyer's bat that beat the first place Braves in two of three at And now it's Curt Flood doing the job against Pittsburgh.

The 20-year-old center fielder, with four hits in Monday's success, killed the Pirates again last night, breaking up Ronnie Kline's shutout bid with a two-run homer in the ninth for a 2-1 victory that extended St. Louis' winning string to four.

The Cards, who were in seventh place, eight games behind, a month ago, have been winning at a .643 (18-10) since and now are .002 percentage points ahead of the San Francisco Giants, who skidded to third with a 2-1 defeat at Milwaukee.

In the other NL games, rookie John Briggs won his first in the majors with an eight-hit shutout as the Chicago Cubs defeated Philadelphia 3-0. And the last

place Los Angeles Dodgers swept a tough two-night pair at Cincinnati, winning 13-10 in 10 innings and 7-2 in 11.

Flood, batting 6-for-9 with three RBI in the two games at Pittsburgh, slugged his fourth homer after a walk to junk Kline's five-hit shutout. Phil Paine won his fourth in relief and now is 9-0 in the majors since coming up with the Braves in 1951.

The Pirates, scoring their run on an error in the first inning against Sam Jones, now have lost four straight and trail by 5 1/2 games.

Warren Spahn, who had lost three in a row, stopped that nonsense with a three-hitter against the Giants, getting the runs he needed on a pair of homers, Ed Matthews' 15th and Joe Adcock's ninth. Rookie Felipe Alou had two of the Giants hits, one his third homerun in the sixth inning.

Stu Miller (1-4) lost it. Briggs, 24, a right-hander with a flock of bone chips in his elbow, struck out six and walked four—blanking the Phils on two hits over the last five innings. Al

Dark's single, a sacrifice and an error gave the Cubs the big run in the sixth off Jack Sanford, now 5-6, and rookie Sammy Taylor

hit his fourth homer, with one on, in the seventh.

The Dodgers, who have won four of their last five, blew leads in both games. They nailed the opener with three in the 10th on homers by Gil Hodges and Joe Pignatano off old pal Don Newcombe, the loser in relief for a 1-7 record. Duke Snider and Hodges homered for an early lead in the nightcap and then drove in three runs between them in a five run 11th as Bob Purkey (8-4) lost his third straight. Sandy Koufax (5-3) won the opener in relief and saved the second game for rookie Dick Williams (3-1).

Walter Dropo, purchased from the Chicago White Sox earlier in the day, got the Reds started in the nightcap with his first National League homer, off rookie Bob Giallombardo in the sixth inning.

Snider was 6-for-9 and drove in six runs in the doubleheader.

Hudson Coach Quits

HUDSON (AP) — Coach Jack Schiels has resigned from Hudson High School where his athletic teams helped make school records. He quit yesterday to become assistant basketball and football coach at Battle Creek High School.

Brother vs. Brother in Waterford Loop

Two brothers, each backing a National League softball team in the Waterford Recreation circuit, collided last night, with Hubert Walls' Service defeating brother Jim's Service 8-7 in a hot, extra-inning contest. Phillips' double in the bottom of the 8th scored pitcher Glen Sheffield with the tie-breaking and winning tally. Two were out at the time.

This was the 2nd of a double-header for the Nationals. Drayton Drugs taking a 10-0 win over Eagles with the 10-run rule invoked to halt the game after 4 1/2 innings. Dennis Kind and Terry Kaines each had 3-for-3, to lead batters.

In other games, Little Leaguer Pankey's Hangar Grill defeated Lakeland Hardware, 21-0, and Lakeland Pharmacy defeated New Bright Plating, 8-3, with a tie-breaking (3-3) five runs in the top of the 7th.

Race Finish Changed by Review of Films

NEW YORK (AP) — Princeton was placed fourth and California fifth in the Intercollegiate Rowing Assn. varsity championship after officials reviewed films Tuesday of Saturday's race at Syracuse. Princeton Coach Dutch Schoch suggested a review when his oarsmen told him they were certain they had beaten California. The two crews raced in adjoining lanes.

Union Lake Wins 3rd

Big Charley Leneschmidt pitched the Union Lake Anglers to their 3rd straight triumph by blanking Commerce 3-0 last night in a Walled Lake Babe Ruth League game. Loser Mike Buffmire allowed only three hits but gave up several walks.

NOW! ENJOY THE LIGHT BEER THAT'S REAL BEER!

Now Pfeiffer brings you a light beer without sacrificing real beer character!

Now Pfeiffer brings you a great new beer of premium quality that's refreshingly light without sacrificing real beer satisfaction.

• In independent laboratory taste tests, today's new Pfeiffer was the winner, by a wide margin, over five higher-priced national premium beers.

• In the trend toward lighter beers, real beer qualities have often been lost. Perhaps you have found some of today's beers bland, watery or lacking in the complete satisfaction only a balanced real beer can deliver.

• New Pfeiffer Premium is pleasantly light, but it's real beer, too! You'll enjoy a wonderfully fresh and clean-tasting beer when you try it. And we urge you to compare it with any beer at any price.

• Try new Pfeiffer Premium and see if it isn't your kind of beer. If you like real beer you'll like Pfeiffer, the finest beer we've ever brewed!

New Pfeiffer Premium sells at Local Beer Prices!

Social Security Hike Predicted

Expert Says Congress Will Boost Payments 10 Per Cent This Year

By RAY HENRY

ANN ARBOR, Mich. (AP)—One of the nation's top Social Security experts today predicted Congress will raise Social Security payments for 11 million people by 10 per cent this year.

Dr. Wilbur J. Cohen, frequent consultant to congressmen on Social Security legislation and a University of Michigan professor, made the prediction in an interview.

Cohen returned here from Washington a few days ago where he attended the hearing of the House Ways and Means Committee which is considering Social Security changes.

Secretary of Welfare Folsom last week told the committee at its opening meeting the Eisenhower administration opposed major changes in Social Security this year. But he hinted the administration wouldn't object to a cost of living increase in payments, if Congress saw fit to make one.

Cohen also predicted Congress would raise the amount of wages on which employers, employers and self-employed persons must pay tax from \$4,200 to \$4,800 a year and would make dependents of disabled Social Security recipients eligible for payments.

An increase in the taxable wages, he said, would have these three main effects:

- 1. Immediately raise from \$94.50 to \$108 a year the tax a worker and his employer would pay if the worker received \$4,800 a year in wages; raise possible retirement and disability payments for workers from \$108.50 to \$130 a month and hike the possible payments to survivors of a deceased worker from a high of \$200 a month to between \$250 and \$300.

GOP Opposes Him but Langer Wins

FARGO, N.D. (AP)—North Dakota's colorful veteran Sen. William Langer won Republican nomination for a fourth term without party backing in a race with Lt. Gov. Clyde Duffy, the GOP choice, in yesterday's primary election.

Duffy conceded in a telegram in which he wished Langer the best of luck in the fall election. With 471 precincts of 2,331 reported, Langer had 15,089, Duffy 10,773.

Langer's bid for re-endorsement was spurned by the GOP State Convention this spring in favor of Duffy, Devils Lake attorney.

Entering the race as an independent and relying on a following built up through more than 40 years in state politics, Langer made only a handful of campaign appearances. Although showing effects of a recent illness, the 71-year-old senator claimed his health was not a campaign issue. He read a statement from a Maryland hospital saying he had recovered completely.

Ice Cream Man Case Held Up in Pontiac

BENTON HARBOR, (P)—Billy Harris, 18, of Coloma, was killed by electric shock Tuesday when he brushed a high tension line while trimming trees on U.S. 12 near Benton Harbor.

This situation arose yesterday after Oakland County Circuit Judge H. Russell Holland postponed hearing on a test case until Aug. 6.

Last month the stage was set intentionally for the long-awaited case when Sam Wineman, 59, of 3835 Duane St., volunteered to test the city's move to have its ordinance upheld by a Circuit Court ruling.

Both Wineman's attorney and Pontiac City Attorney William A. Ewart called for an early hearing of the Wineman case in order to test the constitutionality of the law. The city naturally believes it is constitutional, while most vendors disagree.

The law requires that an assistant to the driver be with each truck selling in Pontiac to help youngsters escape traffic hazards. It also prohibits the sounding of any device, such as bells, to attract children.

Generous Milkman Goes All Out for Customers

ALBUQUERQUE, N. M. (P)—How to win friends — and customers:

Frank Thornton, a milkman, bakes anniversary and birthday cakes for customers he happens to learn have a celebration coming up.

That's not all. On his day off he gives children on his route rides in a two-wheeled chariot pulled by a pony.

Sophia Loren Just Had to Have That Handbag

By EARL WILSON

MADRID — When we go out shopping around this part of the world, we're often reminded of the time that Sophia Loren admired a handbag that the wife was lugging around Spain.

"I must have just such a bag!" Sophia exclaimed. "They have such wonderful things in America!" breathed the Italian star. "When you go back home, you must send me one!"

When the wife returned, she shopped for one for Sophia. The bag was big, black and bulky, with a compartment which you locked and in which you could carry jewelry, in case you had any jewelry. It weighed eight pounds empty and, so it turned out later, some of the most famous women in America, like Betty Furness and Dagmar and Eleanor Holm and Molly Berns, carried one—or had some escort carry it for them, since the thing was so heavy.

Sophia found it so expensive that she allowed her movie company to pay for it. That being the case, she was happy about it until some pecksniffian accountant, going over expense bills, wondered whether Sophia shouldn't pay for it.

How that came out, we never learned. However, the bag, being very heavy even when empty, put a big strain on the handle, and one day the strap weakened. Sophia had to get the bag repaired. It was so valuable that she couldn't cast it aside.

Sophia sent the bag off to her favorite shop in Rome, her home town.

"America makes such wonderful bags!" exclaimed Sophia. "Why don't you make something like this?"

"THIS is our bag!" the man retorted. He pointed proudly to his label. Sophia not only could have bought the bag in her home town, but being Sophia Loren and a friend of the manufacturer, she could have had a gross of them for nothing.

THE MIDNIGHT EARL IN N.Y. . . .

Walter Chiari's latest token to Ava Gardner: a Fiat . . . Ex-Pres. Perez Jimenez of Venezuela visited the N.Y. cafes, handed out \$50 tips . . . Art Carney's lined up a batch of TV guest appearances for the fall. (Meanwhile, he's collecting about \$1,500 a week for the old "Honeymooners" re-runs) . . . Pretty Mollie Ann Bourn was a national magazine's Girl of the Month.

Bob Hope's brother George read about Kathy Crosby's kidnap threat, and wrote Bob: "I'd like the job as Kathy's bodyguard — but I can pay you only \$15,000 a year." . . . Mary Martin's daughter, Heller Halliday, will study nursing . . . Author Evan Hunter, who sarcastically labeled suburbanites "the crabgrass set," returned to his Connecticut home and found someone had dumped a load of crabgrass on his lawn . . .

TODAY'S BEST LAUGH: They tell of the TV star who had to quit visiting his psychiatrist — he couldn't think of anything to say without a teleprompter. That's earl, brother.

Detroit Police Hunt 2 Frustrated Bandits

DETROIT (P)—Two bandits who were frustrated in their attempt to rob a Bank of the Commonwealth branch office were sought today by police.

Carl R. Rehahn, 61, manager of the bank branch, said one of the bandits came up to him yesterday with a gun under a folded newspaper. Rehahn said the other man stood near the door.

Rehahn said the gunman told him "Cooperate and nothing will happen."

Instead, Rehahn nodded to his secretary, Mrs. Lillian Jacques, 39, of Mt. Clemens, who got up from her chair and went to an empty teller's cage and pressed an alarm button.

The bandit at the door panicked, shouted, "They pressed the alarm. Let's go! Let's go!" at his partner and fled. The other man followed.
