The 2006-07 Oakland Swimming Meida Guide is a publication of the Oakland Sports Information Office. Written and Designed by Phil Hess, Sports Information Director. Printed by Kelly Press of Columbia, Missouri. Photography by Rick Smith, Jose Juarez, OU SID Office and the OU Communications & Marketing Office. Editorial Assistance by Pete Hovland and Jim Norton.

DEPARTMENT OF ATHLETICS MISSION STATEMENT

The Oakland University Intercollegiate Athletic Department shall advance the overall mission of the university by contributing, via competitive sport, to the university's reputation for overall excellence and distinction and thereby to the national eminence of the university as a whole. This will be accomplished in at least the following areas: conducting competition in Division I-AAA of the NCAA; enhancing the quality of student life by assisting in the recruitment of the student population and maintaining wholesome/positive events; and, serving as a point of interest, entry and affiliation with the university for alumni and the general community. The Athletic Department shall provide a wide range of athletic programs, which compete at the regional and national level, while maintaining the welfare of student athletes, the spirit of fair play and with the commitment to equality of opportunity and academic achievement.

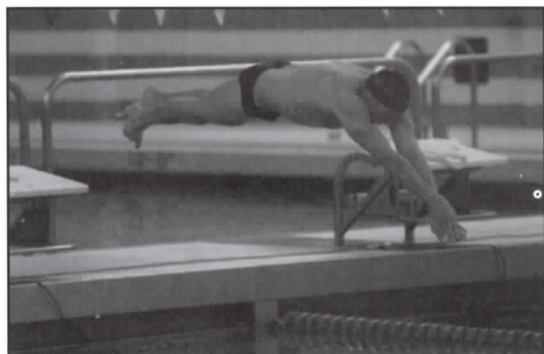

2006-07 Men's Outlook

Oakland's men's swimming and diving team is primed and ready for another run at the Mid-Continent Conference title. The 2006-07 Golden Grizzlies are an unusual mix with freshmen and sophomores comprising 80 percent of the roster. Although the veterans are outnumbered, they bring a wealth of leadership and experience against some of the toughest competition in the country, which they can use to help OU maintain its dominance in the Mid-Continent Conference.

The seven-time Mid-Con champions are predicted to win their eighth straight title and with 18 athletes returning from last year's squad—including nine members of last year's All-Conference team—the Golden Grizzlies are in prime position to realize that goal.

The Golden Grizzlies lost seven swimmers in the from last year's squad, including two-time All-American Chris Sullivan. But this year's team is young and hungry, with the freshman and sophomore classes each outnumbering the combined junior and senior classes.

Seniors **Bryon Tansel** and **John Van Portfleet** will provide leadership on deck as well as in the pool, as both are reprising their roles as team captains. Tansel, the 2004-05 Mid-Con Swimmer of the Year, specializes in sprint freestyle and butterfly. Diver Van Portfleet was on the all-conference team as a freshman.

Junior co-captain Nick Bonucchi

Four juniors—three all-conference performers and a newcomer—bolster the senior leadership. Diver **Ryan Kish** is a two-time NCAA qualifier in both the 1-meter and three 3-meter board, as well as a two-time all-conference selection and was the Mid-Con Diver of the Year in 2004-05. **Zoltan Horvath** has won Mid-Con titles in both the 100 and 200 breaststroke each of the last two years and added one in the 200 individual medley last season. Horvath was named Newcomer of the Year in 2004-05 and is a two-time member of all-conference first team.

Chris Tansel is also a two-time all-conference first team honoree in butterfly and sprint free. Kish, Horvath and Tansel are joined by newcomer **Nick Bonucchi**, a transfer from College of DuPage who also swam at Florida and will be eligible second semester. Bonucchi's strengths are sprint freestyle and breaststroke, and he will serve as a co-captain.

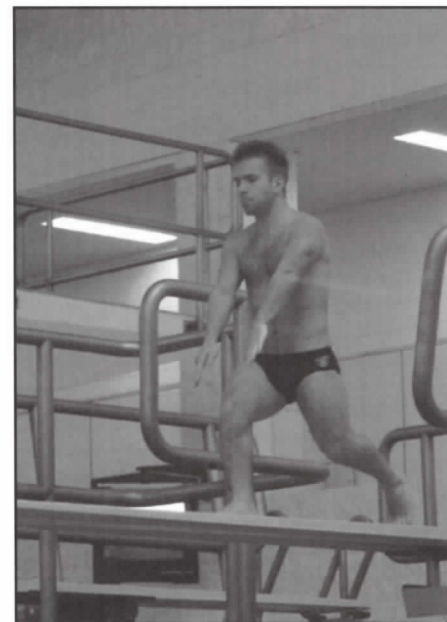

Thirteen sophomores return to the ranks, six of which garnered spots on the all-conference team as freshmen.

Aaron Holdsworth set a Mid-Con record in capturing the title in the 200 butterfly, while **Mike Templeton** was victorious in the 200 backstroke. Both swimmers also compete in freestyle.

Anthony Serio and **Dawid Tatarczyk** also earned spots on the all-conference first team. Serio is a distance freestyle specialist while Tatarczyk swims all freestyle events, concentrating on middle distance. **Luke Ortego** swims sprint free, placing second in the 50 free at the Mid-Con to garner all-conference first team mention. **Jason Manasseri** was a member of the all-conference second team after a second place finish in the 200 butterfly. He also races in the IM, finishing fourth in the 200 at the Mid-Con as a freshman.

Andy Kellogg is a sprinter, swimming freestyle, breast-

stroke and the IM. He placed third in the 100 breaststroke at the Mid-Con last year and looks to improve upon that his sophomore campaign. **Garrett Baringhaus** also posted a third-place finish as a freshman, with his coming in the 200 butterfly. In ad-

Senior co-captain John Van Portfleet

dition to fly, Baringhaus swims all the freestyle events. **Steven Catala** looks to improve on a strong freshman season in which he logged three top-ten finishes at the Mid-Con in the breaststroke events and the 200 IM.

Nate Zonenberg, **Justin Veneklas**, **Alex Brinks** and **Ben MacColl** will provide depth for the Golden Grizzlies across the spectrum. Zonenberg is a backstroke whose best performances in the 100 and 200 as a freshman were in the Miami Invitational. Veneklas swims sprint freestyle and turned in his top times in the Miami Invitational as well. Brinks concentrates on sprint freestyle and butterfly events, posting his best times at the Miami Invitational. MacColl is a freestyler and did not see any action last season.

The Golden Grizzlies bring in 12 freshmen this season, eight of which are swimmers and four divers. A pair of Canadians highlights the class, as

Senior co-captain Bryon Tansel

Patrick Downing and **Eduardo Toro** were both ranked in the top 10 in Canada in the 200 IM last season. Downing also rated in the top 20 in the backstroke while Toro was among the top 30 in the breaststroke.

Beau Austin joins the Golden Grizzlies after a four-year career with West Ottawa High School. The Holland native recorded the eighth best time in the 50 freestyle and the 10th fastest time in the 100 freestyle at the state meet his senior campaign. Bloomfield Hills native **Steve Clemons** was All-State and All-American in the 200 and 500 freestyle as a senior at Lahser High School.

Kyle Kellar comes to Oakland from Fenton High School where he was All-League his junior and senior years. Kellar swims middle distance freestyle, placing 16th at state in the 200 free as a junior and 14th as a senior. Shelby native **Travis Lyons** is a backstroker and was a member of the All-County Dream Team as a senior. **Anthony Sall** helped guide the Zeeland West Dux to a second place finish at state his junior year and fifth place his senior campaign. Sall swims the IM, sprint free and breaststroke.

Marcin Unold will reinforce Oakland's lineup when he joins the team for the

winter semester. Unold is currently rated among the top swimmers in his native Poland in the backstroke and sprint freestyle events.

Adam Ralph was a two-time All-American and three-time All-State recipient at Lahser High School. The Bloomfield Hills native was voted Michigan Inter-Scholastic Swim Coaches' Association Division II Diver of the Year and set a DII record as a senior. **Tory Dantuma** was also a two-time All-American and three time All-State diver for East Kentwood High School. Dantuma set a school record his senior campaign with a score of 448.95.

Mike Ledesma joins the program from West Ottawa High School, where he helped his team to a sixth place ranking in the state as a junior. The Holland native averaged scores between 220-250 and also ran track at West Ottawa. Freeland native **Nick Miller** dove at H.H. Dow High School, helping the Chargers to rankings of sixth place as a sophomore, third place as a junior and second place as a senior. Miller was named All-Valley and All-Academic as a senior and holds the school record with a score of 455.35 (11 dives).

2006-07 Women's Outlook

Oakland's women's swimming and diving team looks to continue the success it has enjoyed since its inception more than 20 years ago. The Golden Grizzlies have won seven straight Mid-Continent Conference Championships since joining the league and are predicted to win their eighth title this February.

The Golden Grizzlies return 15 swimmers from last season's roster, including eight All-Conference swimmers and three previous Mid-Con Newcomers of the Year. OU loses six athletes from last year's squad, including Mid-Con Swimmer of the Year Melissa Jaeger and Diver of the Year Linda Keskey. Indeed, diving has taken a hit as first team All-Conference Andrea Endres was lost to graduation as well. Eight newcomers will join the fold and attempt to leave their mark in Oakland history.

The classes are split fairly evenly with the underclassmen outnumber the upperclassmen by a slight 13-10 margin. Three seniors, seven juniors, five sophomores and eight freshmen comprise the 2006-07 Golden Grizzlies, an effective balance young and talented newcomers learning from the seasoned veterans on the team.

Oakland is led by senior co-captain

Senior co-captain Tracy Caruss

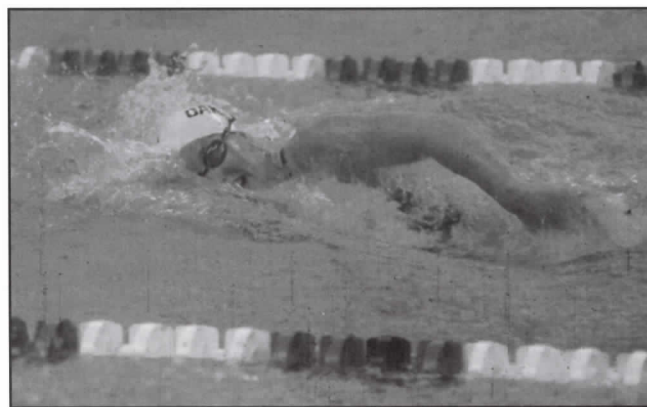

Amanda Burwell, a three-time first team All-Conference selection as well as 2003-04's Newcomer of the Year. She is the league's reigning champion in the 400 individual medley, setting the school record with a time of 4:24.61 en route to her third straight win in the event at last year's Mid-Cons. She also claimed titles in the 200 backstroke and the 200 IM while posting the league's top times in both events.

Elaine Shalla and **Tracy Caruss** round out the senior class for OU. Shalla is a two-time All-Conference first team honoree and finished second in 50-, 100- and 200-freestyle at Mid-Cons as a junior. Caruss will serve as a co-captain along with Burwell. She specializes in sprint free and butterfly and logged her best times in the 50- and 100-free and 100 fly as a junior.

Junior co-captain **Riley Rigoli** captured Mid-Con crowns in the 50- and 100-free last season, logging the league's fastest times of the year in each event, and is a two-time first team All-Conference honoree. **Chrissy Hager** joined Rigoli on the All-Conference first team each of her first two seasons. She swims sprint free and fly, recording her best times at the Mid-Cons last season.

Kim Bacon is the league's titleholder in the 200 breaststroke and is a two-time All-Conference swimmer as well as the 2004-05 Newcomer of the Year. **Carolyn Routh** has also garnered All-Conference recognition each of her first two years at Oakland and is the reigning champion in the 200 free. Routh swims all distances of free and achieved personal bests in the 50, 100, 200 and 1000 as a sophomore.

Rachel Beardsley, **Katie Wilke** and **Lauren Parker** round out the Golden Grizzly junior class. Beardsley swims sprint free and fly, clocking her best times at last season's Miami Invitational. Wilke swims all freestyle events, recording her top times at every distance last season. Parker

Junior co-captain Riley Rigoli

swims the 200 butterfly in addition to all distances of free, logging personal bests in each event her sophomore campaign.

Sophomore **Sophia Gustafsson** was named last season's Newcomer of the Year after winning the 500- and 1,650 free at the Mid-Con championships, breaking the meet record in the latter with a time of 17:06.13. She also posted the fastest time in the conference in the 500- and 1,000 free and earned a spot on the All-Conference first team. **Tara Baxter** also claimed a spot on the All-Conference first team her freshman campaign, winning the 100 back at the Mid-Cons in 58.84, the top time in the league. She also swims sprint free and the 200 IM.

Julie Hintermeister placed third in the 200 fly at the Mid-Con championships, registering her best time of the year. She also earned top five finishes in the 200- and 400-IM. **Alex Tereszczenko** swims sprint and middle distance free, as well as fly. She recorded her top times of the year in the 50-, 200- and 500-free at the Miami Invitational.

Senior co-captain Amanda Burwell

Mandy Stark provides depth in the sprints, specializing in back while also swimming free and fly.

Oakland's freshman class is a well-rounded group, covering nearly every stroke and distance. **Ashley Bronkema** swam distance free at Zeeland East High School earning All-State, All-Area and All-American accolades three straight years. Minnesota native **Rachel Girard** also swims distance free and was an All-State and three-time All-Conference pick with John F. Kennedy High School in Minneapolis. Additionally, she won five state championships in the mile and two in the 1,000 free for her club team.

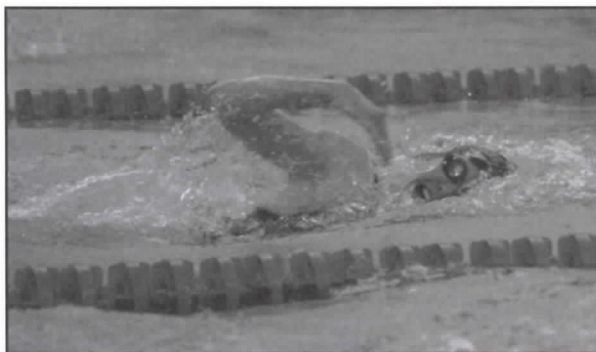

Kristen Hamilton swam for Upper Arlington High School, helping lead the team to three state championships in her four-year career. The Columbus, Ohio native was a six-time All-American at Upper Arlington, finished second in the 100 fly at state her senior year and was named team MVP. Harrison Township native **Maria Johnston** holds school records in the 200 IM, 100 back and 100 breast at L'Anse Creuse. She qualified for states in the backstroke and was team MVP each of her four years with the Lancers.

Sarah Ludema comes to Oakland from Zeeland West High School, where she was a four-time All-Conference, All-State and All-America selection. The Dux qualified for state each of her four seasons, finishing no lower than sixth. Ludema was a state qualifier four times in the 50 free, twice in the 100 back and with numerous relays. **Mary Shereda** lettered four years at

Livonia Churchill High School, earning team MVP accolades three times. She was team captain as a senior and was named All-Area each of her four seasons, as well as Freshman of the Year in 2002. Shereda specializes in IM and back.

Agnes Solan will join the team for the second semester. She is currently ranked in the top 25 in her native Poland, swimming back and sprint free. Solan holds Polish records as a member of the 400 free-, 800 free- and 400 medley relays on both short and long courses and was an eight-time Polish junior national champion from 2002-05.

Oakland's lone diver this season will be newcomer **Missy Butcher**. Butcher is a four-time letterwinner at West Ottawa High School and was voted Most Improved as a freshman.

Head Coach Pete Hovland

Pete Hovland Head Coach 28th season

Oakland University's men's and women's swimming coach Pete Hovland enters his 26th season in 2006-07 with OU swimming & diving. His first two years on the OU campus he served as the women's coach and the next 19 were as skipper of the men's program. In 2000-01 he assumed the duties of head coach for both men's and women's swimming.

The Golden Grizzlies have done it all under Hovland, winning numerous national and conference championships. In OU's Division II days his men's team finished in the top-three at the national championships in 15 of 16 appearances, including winning four consecutive NCAA titles before making the move to Division I status. Even more impressive is the fact that not one Hovland coached team, men or women, has lost a conference championship. His men's teams have won 23 in a row while the women have captured six straight.

OU's men's and women's teams have captured the Mid-Continent Conference title every year the team's have been eligible for the championship, seven in a row for each team. His women's teams have also won four consecutive National Independent Conference championship titles (2002-05). Three times since OU's move to Division I he has guided teams to the NCAA Championships, twice for the men and once with the women. Last season he took Chris Sullivan to the national meet where he twice earned All-America status and scored 22 points for the Golden Grizzlies, good for a 25th-place overall finish. Also, each year since OU's inauguration in the Mid-Con, a member of the men's and women's teams have taken top honors in the annual meet as Mid-Con Swimmer of the Year.

In 2001 and 2002, Oakland finished third in both of the men's NIC championship and in 2001 the women finished second. Following the 2000 Mid-Con Championship, Tamara Swaby and Haitham Hassan were named Mid-Con Swimmers of the Year. Shelley Aurit and Sean Broadbent were named the Newcomers of the Year and Hovland was tabbed Coach of the Year for the second straight year.

In 1998, OU competed in its first National Independent Conference Championship in Cincinnati, Ohio. Oakland placed fifth out of eight teams, scoring 404 points in their first year at the NIC's.

In 1997, OU captured its fourth consecutive Division II National Championship in San Antonio, Texas. In the 1990s alone, Hovland and his team claimed four national championships, three NCAA runner-up finishes and one third-place mark. In his 18 years, Oakland has finished in the top three in the country 15 times, with eight second-place finishes, including five in a row from 1987-91. The success has become habitual for the man who has been selected NCAA Division II Coach of the Year six times.

Hovland has had the honor of coaching the NCAA Division II Swimmer of the Year in seven of his 18 seasons. Chris Zoltak was the last to win the honor, being named Division II's top swim-

mer in 1994. Prior to that, former assistant coach Doug Allen captured the honor in 1991. Tracy Huth, OU's former women's swimming coach, won the honor three times, while Mark VanderMey won it in 1988 and Hilton Woods won it in 1989.

Hovland and Woods spent September of 1988 in Seoul, South Korea, as the two main ingredients of the Netherlands-Antilles Olympic swimming team, Hovland as coach and Woods as its top swimmer. Prior to that, the pair was in Indianapolis as Woods captured a bronze medal in the 50-meter freestyle at the Pan American Games.

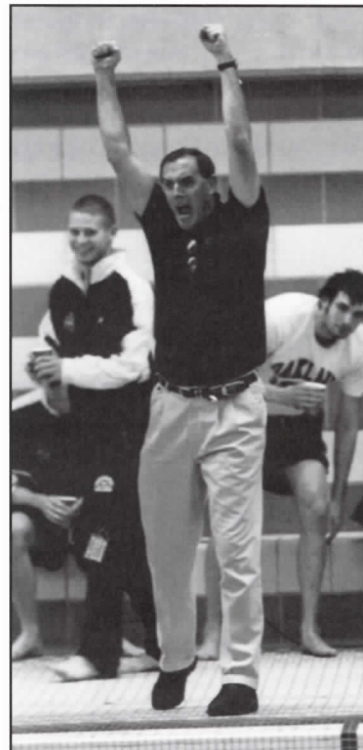

Hovland's squad posted its first unbeaten dual meet season in history in 1994, going 9-0. They repeated that feat in 1995 with an 8-0 dual record.

Hovland reached the 100-win plateau in his 15th season as the coach of Oakland and upped his career mark to 131-49-1 in 1997-1998. In addition, OU won 16 straight GLIAC titles under Hovland, 19 overall, and were in the top three nationally for 18 of 21 years.

While the success in the pool has been astounding, it has been matched by success in the classroom. The Golden Grizzlies are consistently named as an all-Academic Team by the National Swimming Coaches Association of America, and a number of OU individuals, including 1997 graduate Jay Judson, have been honored by being named to the NSCAA All-Academic Team. With his 3.74 GPA in English Literature and his many athletic accolades, Judson was awarded the prestigious \$5,000 NCAA Post-Graduate Scholarship in 1997, becoming the seventh OU male swimmer to do so.

Prior to being handed the head coaching reins, Hovland served as an assistant to OU head coach Ernie Maglischo for two seasons, one of which was OU's NCAA Championship year. The pair first hooked up at California State University at Chico, where Maglischo coached the 23-time all-American Hovland. While at California-Chico, Hovland won five individual national titles and was part of eight national championship relay squads. He was part of four NCAA Championship teams as a college swimmer. In 1977, he was selected as the Western Conference Swimmer of the Year and was inducted into the Chico State Hall Of Honor in 1998.

Hovland earned his bachelor's degree in physical education at California-Chico in 1976, and received his master's degree from the University of Northern Iowa three years later. Hovland was an assistant coach at both Chico and Northern Iowa before joining Oakland.

Larry Albright
Diving Coach

Beginning his first season as the diving coach for both the men's and women's programs at Oakland is Larry Albright.

Albright comes to the Golden Grizzlies after a three-year stint as a club coach for Starz Diving in Indianapolis where he worked with John Wingfield, the USA national team coach/director. He

coached and administered the Starz Diving Satellite Program and was responsible for coaching the techniques and mechanics of diving while also overseeing the strength and conditioning component of the program. Albright also served as the head diving coach at Franklin Community High School for both the boys and girls programs.

A native of Walled Lake, Michigan, Albright has also coached diving at his high school alma mater, Walled Lake Central. He has also worked with former OU diver and coach Buck Smith, who is now the head diving coach at Eastern Michigan and the head coach of highly successful Legacy Diving Program. During his time in the coaching ranks he has coached four high school All-Americans and six all-state performers. He has also had a pair of high school regional champions under his tutelage.

Coaching Staff

Shawn Kornoelje
Assistant Coach

Shawn Kornoelje is in his second year as an assistant coach with the Oakland swimming & diving program, adding over 16 years of coaching experience to the OU staff, including leading the US swim team in the 2000 Paralympics in Sydney and the 2004 Games in Athens.

A 1991 graduate of Eastern Michigan, Kornoelje has served in several coaching capacities in southeast Michigan since getting his start as an undergraduate assistant coach and manager while at EMU. Most recently, he worked as the aquatics supervisor for West Bloomfield Community Education and as the head coach for the Grosse Pointe South girls swim team where he earned conference Swimming Coach of the Year honors in 2003. Kornoelje has coached five different club teams in the area, including the Ann Arbor Swim Club from 1991-95 and 1998-2000. Serving first as an assistant coach and then as the head coach, Kornoelje trained one national champion and one Olympic gold medalist among his list of former athletes. His first stint as a head coach came in 1990 when he was named the skipper of the Ann Arbor Huron High School team, which was a two-time Class A state runner-up in '90 and '91.

In the mid-90s, Kornoelje was a volunteer assistant coach for the University of Michigan's women's swim team, which finished as the NCAA championship runners-up in 1995. He has also been a key member of the US Paralympics coaching staff from 1998-2004 where he has assisted in the training and preparation for team camps going into the 2000 Sydney Games, the 2002 World Championships in Argentina and the 2004 Athens Games at which he served as the head coach for the men's team.

Kornoelje is currently working toward his Master's degree in Sport Administration at Wayne State and is certified with the American Swim Coaches Association. He is additionally the swimming coordinator on the Michigan Wheelchair Sports board.

Danielle Hulick
Assistant Coach

Now in her second season on the Oakland swimming and diving coaching staff, Danielle Hulick comes to Oakland with seven years of experience coaching at the club level and as a swim camp counselor at Notre Dame. A member of the Irish swimming and diving team from 2000-04, she holds school records in the 100 backstroke and 200 and 400

freestyle relays. The Big East champion swimmer was also on the league's Academic All-Star list.

"I'm pleased to announce that Danielle has agreed to join our staff for the next two years," Hovland said. "Danielle comes highly recommended and comes from a truly outstanding University of Notre Dame program where she had an outstanding academic and athletic career. As a former NCAA qualifier, a Big East champ, school record holder, and Dean's List member, Danielle will play a very important role on our staff and will be a great role model for future and current Golden Grizzly swimmers and divers."

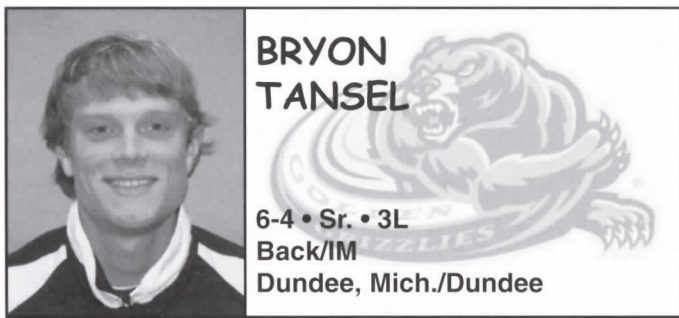

Sean Broadbent
Assistant Coach

Sean Broadbent is beginning his first season as an assistant coach with the Golden Grizzly swim team after serving a one-year stint as a graduate assistant. Broadbent works with OU's sprinters, concentrating on mechanics as well as strength and conditioning.

The Vancouver, British Columbia native was a four-year letterwinner with the Golden Grizzlies from 2000-04 and a three-time All-American in with the 200 medley-, 200 free- and 400 free relays in 2003. Broadbent earned his Bachelor's degree in business from Oakland in 2005 and is currently working on his Masters in the same field.

Pulawy, Poland/Academy of
Physical Education

Prior to Oakland: Graduated from Pulawach in April 2005 ... after graduation she attended the Academy of Physical Education in Warsaw, Poland for one year ... Polish record holder with AZS AWF Warsaw on the 4x100 free, 4x200 free and 4x100 medley relays on both short and long courses ... finished second place three times on Polish Championships senior ... also an eight-time Polish junior champion from 2002-05 and a two-time Polish senior vice champion.

Personal: Born Agnieszka Solan on June 26, 1986 in Lublin, Poland ... daughter of Tadeusz and Zofia Solan ... favorite TV shows are Punk'd and Pimp My Ride ... the record she dreams of breaking is the 1:00 mark in the 100 backstroke in a 25 meter pool.

As a freshman Tara Baxter earned All-Mid-Con honors by taking the conference title in the 100 backstroke. She also finished third in the 200 backstroke.

Sophia Gustafsson was named the Mid-Con Newcomer of the Year at the conference championships. She won the 500 and 1,650 freestyle events, setting a conference record in the 1,650, and placed second in the 400 IM.

Oakland's Men and Women Earn Unprecedented Seventh Straight Titles at Mid-Con Championships

Oakland's men experienced great success in 2005-06, winning their seventh straight Mid-Continent Conference Championship. Along the way they set several records and returned to the NCAA Championships.

During the regular season OU compiled a 5-3 record, including a sweep of Cincinnati, UW-Milwaukee and Wayne State in October's Golden Grizzly Quadrangular. Oakland also placed first at the Miami Invitational, winning eight events and setting meet records in the 200- and 800 free relays and the 200 medley relay.

But Oakland's time to shine was the Mid-Con Championships, as the Golden Grizzlies won an unprecedented seventh straight title. OU logged 16 victories in 20 events and set eight new meet records, led by Mid-Con Swimmer of the Year Chris Sullivan.

Sullivan posted individual wins in the 50- and 100 free and the 100 fly, setting new Mid-Con benchmarks in all three and achieving NCAA 'B' qualifying standards in each event as well. He was also a part of four record setting relays, swimming the butterfly in OU's 200- and 400 medley relays and the leadoff legs of the 200- and 400 free relays.

Sophomore Zoltan Horvath also recorded three individual wins, earning titles in the 200 individual medley and the 100- and 200 breaststroke. He logged two relay victories as well, swimming the breaststroke legs of OU's 200- and 400 medley relays.

Junior Bryon Tansel was victorious in the 200 free and swam legs on all four of Oakland's record setting relays. Senior Eric Lynn joined Tansel on each of those relays and posted a win in the 100 backstroke.

Senior Nick McCollum won the 400 IM and joined freshmen Dawid Tatarczyk, Anthony Serio and Luke Ortego on OU's victorious 800 free relay. Ortego was also a member of the record breaking 400 free relay.

A pair of freshman also picked up wins in individual events for the Golden Grizzlies. Mike Templeton outpaced the rest of the field by three seconds to win the 200 backstroke, while Aaron Holdsworth set a new Mid-Con record en route to a victory in the 200 fly.

Sullivan earned All-America status twice, placing eighth in the 100 free and 100 fly at the NCAA Championships. His times of 42.91 and 46.76 respectively were new school records, and his 22 points in the meet singlehandedly ranked Oakland 25th in team scoring. He also swam the 50 free, placing 21st overall.

Sophomore Ryan Kish competed in the NCAA Diving Zones for the second straight year, placing 19th in the 1-meter board with a mark of 238.60 and scoring 231.60 on the 3-meter board to finish 27th.

Last season was a resounding success for Oakland's women as they won their seventh straight Mid-Continent Conference Championship in 2005-06, a feat unmatched by any other team in the conference.

OU compiled a 5-5-1 record during the regular season, including a sweep of Cincinnati, UW-Milwaukee and Wayne State in the Golden Grizzly Quadrangular and a dual meet victory over Wright State.

The Golden Grizzlies dominated the Mid-Con Championships, sweeping all 20 events, setting five new meet records and earning each of the 12 spots on the All-Conference first team.

Senior Melissa Jaeger led the Golden Grizzlies with seven total wins, three in individual events and as part of four relays. Jaeger swept the 100- and 200- butterfly and set a new Mid-Con record in the 100 breaststroke. She

also swam the 400- and 800 free relays, as well as the fly legs of OU's record setting 200- and 400 medley relays.

Junior Amanda Burwell also posted three individual victories, capturing the 200 backstroke and the 200- and 400 individual medleys. Burwell joined Jaeger on the 800 free and the 200- and 400 medley relays.

Sophomore Riley Rigoli won six events split between two individual races and four relays. Rigoli was victorious in

the 50- and 100 free, while swimming legs on the 200- and 400 free and 200- and 400 medley relays.

Freshman Sophia Gustafsson posted a pair of wins in the 500 free and the 1,650 free, setting a new meet record in the latter.

Sophomore Carolyn Routh won the 200 free and was a component on OU's 200-, 400- and 800 free relays. Junior Elaine Shalla joined Routh on all three relays, while sophomore Chrissy Hager also swam on the 200 free relay.

Junior Kim Bacon and freshman Tara Baxter notched one win apiece, taking the 200 breast and the 100 back respectively. Senior Maria Musialczyk also won two events, swimming the breaststroke legs of the 200- and 400 medley relays.

Oakland swept the diving events as well, with senior Linda Keskey victorious in the 1-meter board and senior Andrea Endres claiming the 3-meter title.

Due to the team's outstanding performance, the Golden Grizzlies swept the conference's major awards. Jaeger was named Swimmer of the Year, Keskey earned Diver of the Year, Gustafsson was the Newcomer of the Year and head coach Pete Hovland won Coach of the Year for the second straight campaign.

Mid-Continent Conference

The Mid-Continent Conference is celebrating its 25th year as an NCAA Division I athletics conference in 2006-07. The Mid-Con is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past 24 years:

1982-83

- The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner.
- The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84

- UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86

- Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament.
- The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance.
- In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88

- The AMCU sends two teams to men's basketball postseason play for the third straight season.
- Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90

- The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1 Missouri in the first round of the NCAA Tournament.
- The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91

- For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92

- The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports.
- UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.
- Eastern Illinois' Dan Steele wins the 400-meter intermediate hurdles at the NCAA Outdoor Track & Field Championship.

1992-93

- UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown.
- Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament.

- Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94

- Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State.
- UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney.

1994-95

- The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State.
- Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96

- Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97

- Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98

- Oral Roberts and Southern Utah join the Mid-Con.
- Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games.
- The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site.
- Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN.
- Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99

- IUPUI and Oakland begin competition in the Mid-Con.
- Western Illinois wins its eighth men's swimming & diving title.
- Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-00

- Southern Utah finishes 21st in the NCAA Men's Cross Country Championship.
- Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01

- Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games.

2001-02

- Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee.
- Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport.
- Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT.
- UMKC's Matt Voelker earns outdoor track & field All-America honors in the high jump.

2002-03

- The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illi-

nois (WNIT) on the women's side - to basketball postseason play.

- Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships.
- IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award).

2003-04

- Centenary begins Mid-Con play, lifting the league's membership to nine.
- The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history.
- Oakland's swimming & diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time.
- UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo.
- Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls.
- Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track & field crowns in the same year.
- Oral Roberts' Prince Mumba (800 meter) and Western Illinois' Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship.
- Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays for the Angolan Olympic basketball team.

2004-05

- Oral Roberts' Faithy Kamangila finished 11th at the NCAA Cross Country Championships to become the first woman in school history to garner All-American honors.
- Oakland claims the Mid-Con men's basketball Championship on a last-second three-pointer by Pierre Dukes to win the title as the seventh seed.
- In its first-ever NCAA Tournament appearance, the Golden Grizzlies notched a win over Alabama A&M in the opening round before falling to eventual National Champion North Carolina in the first round.
- For the second consecutive season, Oral Roberts' baseball team collects a pair of victories in the NCAA tourney.
- The Golden Eagles had five players selected in the Major League Baseball Draft, while Oakland's Paul Phillips was the top Mid-Con player chosen in the ninth round.
- Western Illinois softball coach Kathy Veroni retires after 34 seasons at the helm.
- ORU's Mable Kunihiro garnered All-American honors at the Outdoor Track & Field Championships with a fifth place finish in the 800-meter run.

2005-06

- Eastern Illinois and South Dakota State are added as associate members in the sport of men's and women's swimming & diving.
- The Oral Roberts baseball team becomes the first Mid-Con team to advance to the NCAA Baseball Super Regionals with wins over Oklahoma State and Arkansas.
- Western Illinois' Zane Teilane becomes the first Mid-Con women's basketball player to be drafted when she is the 35th overall pick in the WNBA Draft by the Detroit Shock.
- Oakland's Chris Sullivan earns All-America honors in the 100 butterfly and 100 freestyle with Top 8 performances at the 2006 NCAA Swimming & Diving Championships.
- Western Illinois' Aubrey Martin (shot put) and Oral Roberts' Prince Mumba (800-meters) garner All-America honors twice with Top 8 finishes at the NCAA Indoor Track & Field Championships and NCAA Outdoor Track & Field Championships.
- WIU's Jennifer Gilson takes home All-America accolades at the 2006 NCAA Indoor Track & Field Championships, while ORU's Diana Chelimo also earns All-America honors at the 2006 NCAA Outdoor Track & Field Championships.

Chris Sullivan ('06) earned All-America honors, placing eighth in the 100 freestyle and the 100 butterfly at the NCAA Championships last spring. Sullivan is the first male swimmer to earn All-America accolades in an individual event in DI.

Junior Ryan Kish holds the school record in platform diving with a score of 344.15. Kish has qualified for the NCAAAs in both the 1- and 3-meter boards each of his two seasons at Oakland.

The Golden Grizzlies men's and women's teams are undefeated at the Mid-Con Championships since joining the league. Both teams captured their seventh straight titles last season.

Oakland University

Oakland University has continued to grow since its beginning. When it first opened in 1959, only 570 students were enrolled. The charter class graduated in 1963 with 125 students receiving diplomas. Today, more than 17,000 students attend classes at OU each fall, and there are nearly 70,000 alumni.

Oakland University was created in 1957 when the late Alfred and Matilda Wilson donated \$2 million and their 1,500-acre estate to Michigan State University to start a new college in Oakland County. Named Michigan State University Oakland, the college enrolled its first students in 1959. The name changed to Oakland University in 1963. In 1970, the Michigan Legislature recognized the maturity and stature of Oakland University by granting it autonomy, and Michigan's governor appointed OU's first Board of Trustees.

Oakland University is a growing, top-rated academic institution offering students a personal, high-quality education through flexible class schedules, new facilities, student services, classroom technologies, labs, internships, co-ops, research opportunities with corporate partners, and degree and certificate programs.

OU students work side by side with faculty mentors and research investigators on projects funded by prestigious organizations such as the National Institutes of Health and U.S. Department of Education as well as numerous partners in business and industry. Under the tutelage of faculty and community mentors, students gain valuable knowledge and experience in teaching, nursing, solving business problems, performing on stage and so much more.

Oakland offers diverse academic programs, including 114 baccalaureate programs and 82 graduate and certificate programs through its five professional schools – the Schools of Business Administration, Education and Human Services, Engineering and Computer Science, Health Sciences, and Nursing – and the College of Arts and Sciences. Oakland University also offers a challenging and enriching Honors College.

Thanks to the reputation it is gaining within the region and beyond, Oakland University has been recognized by several national organizations.

The Princeton Review named Oakland University in its first edition of "The Best Midwestern Colleges, 150 Great Schools to Consider." The book showcases the top schools in 11 states based on academic excellence and student surveys about academics, campus life and the student body. Oakland University appears with Indiana University, Notre Dame, Northwestern, University of Chicago, University of Michigan and University of Wisconsin.

The Princeton Review is a New York City-based company known for its test preparation courses, admission and education services, and books. It has conducted surveys since 1992, when it first published its annual "Best Colleges" – the only guide offering college rankings based on student ratings of their schools and reports of their experiences at them. One of 190 books developed by The Princeton Review and published by Random House, this book offers two-page profiles with more detailed information on each college. No school has ever paid a fee to be in the book.

The Carnegie Classification of Institutions of Higher Education categorizes Oakland University as a "Doctoral/Research University-Intensive." Produced by The Carnegie Foundation for the Advancement of Teaching, the classification reflects OU's strong commitment to graduate education through its doctoral programs as well as its extensive undergraduate programs. Oakland University offers students opportunities to work directly on research projects with expert faculty who bring current knowledge right to the classroom.

This classification places OU among other public and private institutions such as San Diego State University, Pepperdine University, University of San Diego, University of Colorado at Denver, DePaul University, Ball State University, University of Maryland-Baltimore, University of Massachusetts-Boston, Dartmouth College, Hofstra University, University of North Carolina at Greensboro, Wake Forest University, Baylor University, College of William and Mary, and George Mason University.

Founded by Andrew Carnegie in 1905 and chartered in 1906 by an Act of Congress, The Carnegie Foundation for the Advancement of Teaching is an independent policy and research center whose charge is "to do and perform all things necessary to encourage, uphold, and dignify

the profession of the teacher and the cause of higher education." The Foundation is a major national and international center for research and policy studies about teaching.

Oakland University is ranked one of the nation's most underrated schools in the 2004 edition of "The Unofficial, Unbiased Guide to the 328 Most Interesting Colleges," published by Kaplan Publishing/Simon and Schuster. Oakland appears on a list of the 20 most underrated schools in the United States, according to a national survey of public and private high school guidance counselors. Universities were judged on classroom experience, cam-

2006-07 Oakland Swimming & Diving

pus environment and student life. The list also includes the University of Arizona, Duke University and the University of Chicago, among others.

Kaplan Inc. is one of the nation's premier providers of educational and career services for individuals, schools and businesses. Kaplan offers preparation for 35 standardized tests, including entrance exams for secondary school, college and graduate school as well as English language and professional licensing exams. Kaplan also provides private tutoring and college and graduate admissions consulting services.

"U.S. News and World Report" consistently recognizes Oakland in its annual report about "America's Best Colleges." Oakland has been listed among national-doctoral universities since the 2002-03 edition. Prior to appearing on the national list, "U.S. News and World Report" ranked Oakland among the top universities in the Midwest.

Oakland University's Beaumont Graduate Program of Nurse Anesthesia has been recognized as sixth in the United States in the 2004 edition of "U.S. News and World Report's America's Best Graduate Schools."

The program, which provides an exceptional educational environment for training certified registered nurse anesthetists (CRNAs), started in 1991 as a collaborative initiative to address the nurse anesthesia shortage. Currently, there are 86 graduate programs of nurse anesthesia in the United States with four in Michigan.

U.S. News began its annual rankings of American colleges and universities in 1983 with the fall of 1987 marking the first publication of the newsstand book, "America's Best Colleges." "America's Best Graduate Schools" came on board in 1994. In 1983, rankings were purely reputational, based on an opinion survey of 662 college presidents. Since then, rankings have been modified more than a dozen times to include measures such as selectivity, strength of faculty and SAT scores.

Oakland University is located in Oakland County - the third most affluent county in the United States and the fastest growing county in Michigan. Oakland County houses facilities for nearly 200 Fortune 500 companies, including five world headquarters. More than 400 internationally owned companies also are located here.

Oakland County's rolling hills, wetlands and woodlands provide beautiful neighborhoods and plenty of year-round recreation. The surrounding community also offers an abundance of entertainment, cultural and other social opportunities. Together, all this makes Oakland County a great place to live, work and go to school.

OAKLAND QUICK FACTS

Enrollment

- 17,340 (13,449 undergraduate; 3,891 graduate) as of fall 2005

Academic Programs

- 114 baccalaureate degree programs
- 87 graduate degree and certificate programs

Student-to-Faculty Ratio

- Low student-to-faculty ratio

Faculty with Doctoral Degrees

- 91 percent

Class Size

- Fewer than 35 students per undergraduate course

Academic Calendar

- Two 15-week semesters (September-December and January-April)
- Two eight-week summer sessions (May-June and July-August)

Research Grants and Funding

- OU received more than \$9.5 million during the 2004-05 academic year.

Employment Rate

- 89 percent of OU graduates are employed within six months of graduation (this is the overall employment rate - 87% for undergraduates and 96% for graduates).

ACT Scores and GPA

- The average high school GPA for freshmen is 3.2.
- The average ACT score is 22.0.

Alumni

- Nearly 70,000 alumni

Kresge Library

- Includes 719,000 volumes, 1.1 million microfiche, about 3,500 periodicals and more than 100 computers

Campus Highlights

- 1,441 acres of wooded hills and meadows
- 48 major buildings
- Six co-ed residence halls including the Scholars Tower, Wellness Hall and University Student Apartments
- Six student apartment buildings
- High-tech Business and Technology Building (Elliott Hall)
- State-of-the-art Recreation and Athletics Center
- Everything within a 10-minute walk
- Accessible to individuals with disabilities
- Lighted walkways and emergency blue-light phones
- Meadow Brook Hall, Art Gallery, Theatre and Music Festival
- Close to Pontiac Silverdome, the Palace of Auburn Hills, Great Lakes Crossing and downtown Rochester

Student Activities

- More than 140 student organizations including 12 with Greek affiliations
- An active student government

DR. GARY RUSSI

President

Gary Russi has served as Oakland University's president since 1996, and he held the position of interim president from 1995 to 1996. Under his leadership Oakland completed its first strategic plan. The 10-year plan paved the way for Oakland's unprecedented growth—in stature and size—and is helping the university realize its 2010 vision.

In April 2005 Russi announced the university's first-ever comprehensive campaign, "Innovation and Opportunity—The Campaign for Oakland University," with a goal of raising \$110 million by 2010. The Campaign for Oakland University is designed to propel the university to the next level in providing a comprehensive liberal education, raising funds for professorships, scholarships, research endowments, academic programs, and improved facilities.

Oakland University is a top-rated academic institution that is widely recognized as a university on the rise. With a steadily growing student population that topped 17,000 in fall 2005, Russi has worked with the Oakland community to maintain the highest caliber of academic quality and to build an infrastructure that retains the best features of a small

campus setting while offering a large array of programs and services.

Under Russi's leadership Oakland has introduced more than 40 new academic degree programs since 1995. Full-time faculty number over 470 for the fall of 2005, with 50 new positions approved for 2007. These new programs and faculty members have drawn a greater number—and an even more talented group—of students to the university. Average high school GPAs and ACT scores of incoming freshmen continue to rise.

Russi joined Oakland University in 1993 as Vice President for Academic Affairs where he was responsible for all academic programs, academic support services, research and several university-wide administrative services. In 1995 he assumed the role of Interim President. He held both positions until he was named President in 1996. Russi is also a professor for Oakland's School of Health Sciences.

Prior to joining Oakland, Russi was Vice President for Research and Strategic Planning at Drake University where he served as the university's chief research administrator and promoted institutional direction and support for faculty research endeavors.

His experience also includes several senior management positions in the U.S. Army from 1969-1992.

Russi has achieved numerous honors and awards for his many achievements, including the George Wibby Athletic Award from Oakland University (2002), Distinguished Alumni Award from Southwestern Oklahoma State University (1998), Honorary Member of Golden Key National Honor Society at Oakland University (1993-present), Merck Research Award at Southwestern Oklahoma State University (1969) and Rho Chi Society Undergraduate Research Award at Southwestern Oklahoma State University (1969).

Russi currently serves as Co-Chair of the Oakland County Business Roundtable and Vice Chair of Oakland County Automation Alley, as well as Chair of the Board of Directors of the Rochester Hills Strategic Planning Process.

Russi earned his Bachelor of Science degree in pharmacology from Southwestern Oklahoma State University in 1969 and his Doctor of Philosophy degree in pharmacology and toxicology from the University of Kansas in 1972.

TRACY HUTH

Interim Athletics Director

A longtime member of the Oakland athletics family, Tracy Huth was appointed Oakland's interim director of athletics in September in addition to his duties as the staff's senior associate AD. He has served as OU's Senior Associate AD for the past seven years, supervising the department's compliance activities and monitoring all aspects of student-athlete welfare. Prior to that he served for five years as the assistant athletics director for compliance and student services. In his new position as interim AD Huth will also have oversight of the men's and women's basketball programs. Huth, who has been on the Oakland staff since 1987 when he started as the women's swimming & diving coach, retired from coaching in 1998 to focus on his position as assistant AD. He also served as the meet director for the 1999 National Independent Conference Swimming & Diving Championship hosted by Oakland.

The Clarkston resident also serves as the Mid-Continent Conference's representative on the NCAA Academic/Eligibility Compliance Cabinet. In March of 2006 Huth was also appointed by the NCAA to a four-year term on the NCAA Swimming & Diving Committee.

As head swimming coach at Oakland, Huth established the OU swimming & diving program as the top NCAA Division II program in the country. Under his guidance, Oakland finished in the top three nationally for nine straight seasons, posting three straight second-place finishes after winning five consecutive national championships. He was named the NCAA Division II Women's Swimming Coach of the year three times for his accomplishments.

During his days swimming for Oakland, the Yakima, Washington native earned a rare 24 All-America honors in his four seasons of competition, claiming 13 national championships. In three of his four years at OU he was named the NCAA Division II Swimmer of the Year.

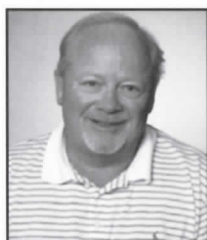

In 2002 Huth had the unique honor of being named to the Oakland University Lepley Hall of Honor for a second time, becoming the only member of the Hall enshrined twice. Originally named to the Hall in 1990 for his swimming accomplishments as a student-athlete, his second honor was in recognition of his coaching accomplishments for Oakland.

Huth graduated from Oakland in 1985 with a bachelor's degree in secondary education/social studies. In 1996 he went on to earn his master's of education from Wayne State University. Huth resides in Clarkston, Michigan with his wife Renea. They have two children, Kara and Chance.

Academic Support

Oakland's academic and student services staff assists student-athletes in their pursuit of their academic endeavors at Oakland and is committed to the total development of the student-athlete.

DeAndre Shepard, the department's Athletics Academic Adviser, coordinates all student-athlete academic services. These include general academic support, undecided advising, student-athlete at-risk program (StARS), professional advising contacts, study hall, and tutoring contact/setup. Assistance is also provided with new student orientation, student-athlete orientation, registration and course selection, eligibility, career exploration, and campus-wide support services referrals.

Opening in the fall of 2006, the Grizzly Center for Graduates and Champions, is the latest addition to the academic support system at Oakland. Located on the main

The Grizzly Center for Graduates and Champions will open in the fall of 2006, providing OU student-athletes a comfortable place to study.

level of the Athletics Center, the new facility can accommodate up to 30 student-athletes, providing them a location they can use for studying, tutoring instruction, mock interviews and group presentations. The facility includes laptop computers that can be checked out, desktop computers, laser printers, a pair of widescreen plasma televisions and wireless internet capability.

Oakland student-athletes are among the top academic achievers among Mid-Continent Conference schools. Over the last three years, OU has placed 329 individuals on Mid-Continent Academic All-Conference teams. One hundred and eleven student-athletes received this prestigious honor during the 2006 spring semester, an all-time high for the Mid-Continent Conference. The 2006 year was also highlighted by the women's basketball team being named to the 2005-06 Academic Top-25 Team Honor Roll by the Women's Basketball Coaches Association.

2006 SWIMMING & DIVING ACADEMIC HONOREES

OU AQUATICS CENTER

Home of the Golden Grizzlies

One of the top swimming and diving facilities in the Midwest, the Oakland Aquatics Center is the home of Golden Grizzly swimming and diving program. Opened in 1998, the facility has quickly earned a reputation as one of the finest of its kind and regularly hosts state and regional meets in addition to Oakland meets. The natatorium houses a 50-meter (stretch) pool with spectator seating for 1,000 and deck space for 400 participants. The pool itself has two bulkheads, which allows a configuration for concurrent swimming and diving. Swimming competition takes place in an eight-lane (each 9-foot wide), 25-yard course (bulkhead to bulkhead) with additional lanes available for warm-up/warm-down during competition. Depth for competition extends from approximately 9-feet at start end to 6-feet, 8-inches at turn end. The diving area has two one-meter and two three-meter boards and a five-meter platform with a maximum depth of 14 feet. All boards are Duraform Maxi-B with short stands on concrete platforms. The system for meet operation is a Colorado System VI with Hytek Meet Manager and Colorado scoreboard.

Oakland University's Athletics Training Room is located on the second floor of the Athletics Center. The 2,700 square foot athletic training room is designed to meet the athletic training needs of Oakland University's approximately 300 plus athletes in 16 NCAA Division I intercollegiate sports. The Athletic Training Room has designated areas for taping, treatment, rehabilitation, cardio-fitness, and a hydro-therapy area featuring a SwimEx pool.

The Athletics Weight Room was designed for use by Oakland University's 16 Division I varsity teams and constructed as part of the Athletic Center in 1998. The 3500 square foot weight room features a cardiovascular fitness area equipped with Star Trac equipment, Hammer Strength weight machines and free weights.

One of Oakland's more unique facilities, "The Bubble" provides a covered, lighted practice space for the Golden Grizzlies. With a playing surface of the latest Field Turf, The Bubble gives OU student-athletes an ideal facility for training and practice year 'round.

Home of the Oakland athletics department is the Athletics Center. One of the finest facilities of its kind in the Mid-Continent Conference, the Athletics Center includes locker room space, an academics center, training room facilities, a 4,000 seat arena, a natatorium and office space for athletics.

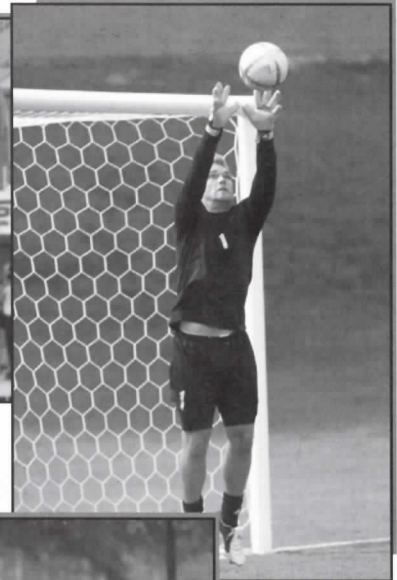

Athletics Success

Nicole Piggott was named the Mid-Con Female Scholar-Athlete of the Year for 2005-06, the conference's highest honor.

Chris Sullivan earned All-America honors in a pair of events at the 2006 NCAA Swimming & Diving Championships.

Jeff Wiese was named the 2005 Mid-Con Defensive Player of the Year.

Since its move to Division I status and the Mid-Continent Conference in 1998, Oakland University has quickly established itself as one of the top all-around intercollegiate programs in the conference. The Golden Grizzlies have placed teams in NCAA post-season competition in six of the seven years they have been eligible. In addition OU has been among the Mid-Con leaders in academics, placing its name among the Mid-Con leaders in the number of student-athletes recognized for their academic success. In the past seven years Oakland has had:

14 Mid-Con Regular Season Championships
30 Conference Championships
19 Teams in NCAA Championships
329 Academic All-Conference Selections

Adam Frezza led OU to its second Mid-Con cross country title in 2005 and was the Runner of the Year in the conference.

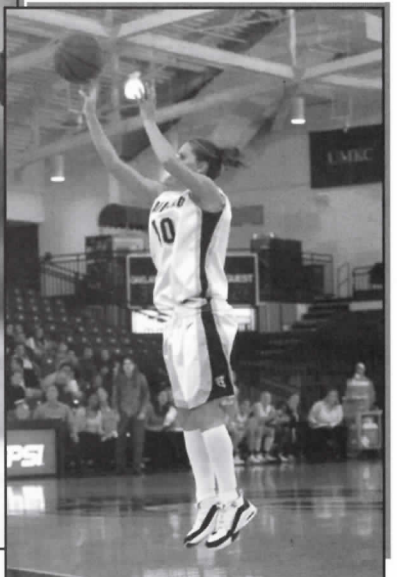

Among the national leaders in FG%, Vova Severovas was a 2005-06 All-Mid-Con pick.

Kristi Swaving led the Mid-Con in goals and was the conference 2005 Offensive Player of the Year.

Setting a school record for strikeouts, Laura Chomokos was named the 2006 Mid-Con Pitcher of the Year.

Anne Haflei was named the 2006 Mid-Con Tournament MVP, leading OU to its second NCAA Tournament appearance.
