## Stern Warning Is Issued Against Hoodlumism Here

Municipal Judge Cecil McCallum issued a stern warning that he "would not tolerate hoodlumism, gang fights or bullying by teenagers" Saturday when he arraigned a 17-year-old youth on two counts of disorderly-fighting and assault and battery.

Accused with a 16-year-old boy of "terribly beating" another 16-year-old, Gerald N. Hortick of 48 Bennett St., demanded examination and was released on bond, pending the hearing Mar. 17.

"Parents shouldn't allow this condition to exist; someone should stop it. It ought to be stopped before it gets out of hand like in other cities," said McCallum.

"If no one does, I'll stop it, myself, even if I have to get down from this bench to do it," he added.

**Hortick, represented by an attorney at his arraignment, was seized Friday night by Pontiac Police after witnesses called police to 384 Oakland Ave. where they found Bill Keeler of 62 Wisner St. sitting on the ground and bleeding from the head, face and chest.**

Three women told police that Hortick and Bill Wilson, 16, of 83 Putnam St., threw Keeler to the ground and started kicking him in the ribs, face and head.

When one of the women stopped her car and attempted to stop the fight, she said Hortick yelled profanities at her and hurled a rock smashing her car window. She said Hortick threatened, also, to beat her up. The women signed a complaint against Hortick, charging him with disorderly-fighting. Wilson was turned over to juvenile authorities for further action.

Keeler was treated at Pontiac General Hospital for injuries to the head, chest and face after police transferred the boy to the hospital.

Police said they captured Hortick and Wilson at a nearby hangout corner following a brief chase on foot.

## Millard Choice for Army Post

### Wilson Says Stevens Wants Ex-State Official for Adams' Job

DETROIT (AP) — Defense Secretary Wilson says former Michigan Atty. Gen. Frank G. Millard has "the inside track" to succeed John G. Adams as Army general counsel.

Adams, a central figure in the Army-McCarthy hearings last summer, has resigned effective March 31.

'I'm not sure whether he (Millard) actually has been appointed or not," Wilson said yesterday, "but I do know that Army Secretary Stevens has talked to him about it."

Stevens refused to comment when reached in Washington.

**Defense and Army officials, however, said they understood Millard was one of a number of men 'under consideration." They said Millard had visited Washington last week to discuss the matter, but no decision had been reached.**

Millard, a Republican, was defeated in his bid for a third term as state attorney general last fall by Democrat Thomas M. Kavanagh. He could not be reached for comment at his home in Flint.

Millard is 63 years old. He is a native of Corruna and a graduate of the University of Michigan. He served in both world wars and was Flint city attorney from 1927 to 1934.

## Fire Damages Township Plant

### Blaze Levels Portions of Christopher Building on Stabley Road

A fire of unknown origin leveled two sections of the Christopher Industries Inc. plant at 415 Stabley Rd., Pontiac Township Sunday afternoon.

Pontiac Township Fire Department fought the blaze for 2½ hours, and three walls fell in the sheet metal and frame building before the fire was extinguished. Damage has not yet been determined, but a rough estimate put it at between $10,000 and $15,000.

**The plant, where used oil drums are cleaned and repainted, contained some 15 to 20 machines, about half of which were destroyed, according to John Christopher of Lake Orion, co-owner of the business with William Christopher of Royal Oak.**

Pontiac Township Fire Chief Carl Schingeck said that neighbors turned in the alarm about noon Sunday when they saw smoke issuing from the building. He said the dry cleaning fluid used in reconditioning the oil barrels was not inflammable, but about 100 gallons of lacquer burned, along with spraying equipment and machinery.

The 60x60 foot, one-story building was constructed in three sections, and two of these sections were leveled, Schingeck said. There was no indication of the cause of the fire, but much of the blaze was centered around the boiler room area.

## Spring Fever at First, but Complications Later

LANSING (UP)—M. Ertugrul Kunt, Istanbul, Turkey, sent the following message to Michigan tourist officials and asked that it be forwarded to the state's "leading newspaper":

"I am a Turkish man and want to marry with an average thirty-year-old American woman. For this purpose I want to make an advertisement.

"Kindly show the possible ways and means."

The reaction of tourist council secretary Robert J. Furlong:

"It must be spring in Turkey, too."

## GM, Union Map Plans for Parley on New Contract

### Guaranted Wage Issue May Be Toughest Goal for UAW Negotiators

DETROIT (AP)—CIO United Auto Workers officials sat down today with General Motors Corp. to outline negotiations for what could be the UAW's toughest goal—a guaranteed 52 weeks pay each year.

With some 600,000 workers from the auto industry's big three hanging in the balance, the UAW has threatened to strike if necessary to gain the guaranteed annual wage (GAW).

With General Motors' contract expiring first today's meeting was set up to determine the size of negotiating teams, where and when meetings will be held and countless details.

**Both sides are aware that 350,000 GM workers could leave their jobs anytime after May 29.**

A similar Ford-UAW meeting will begin Wednesday in Detroit. Ford's union contract, involving 135,000 workers, expires June 1. Chrysler, with 115,000 workers, rides on its contract until Aug. 31 and hopes the strife may be over by then.

The union has indicated it will hand details of its GAW demand to the big three this week. However, actual bargaining with GM is expected to start April 11—a week after Ford opens formal negotiations.

**As a prelude to actual contract talks, the UAW will hold its annual convention starting March 27 in Cleveland. There, delegates are expected to overwhelmingly approve a 25-million-dollar strike fund.**

Leading GM's team today was Harry W. Anderson, vice president in charge of personnel. Heading the UAW delegation was John W. Livingston, UAW vice president and director of the union's GM department.

John S. Bugas, vice president in charge of industrial relations for Ford, will head his company's team opposite Ken Bannon, director of the union's Ford Department.

## Gunman Invades British Embassy

### Soviet Guard Wounded Before Aides Disarm Intruder in Moscow

MOSCOW (AP)—A husky gunman shot his way into the British Embassy last night, seriously wounding a Russian police guard who tried to stop him.

The fur hatted Russian intruder was overpowered and disarmed by two unarmed British Embassy attaches after he had forced his way upstairs to the living quarters of Ambassador Sir William and Lady Hayter.

**Sir William and Lady Hayter were in the country skiing at the time. They returned just as the gunman was being handed over to Russian police.**

No motivation for the armed invasion of the embassy could be learned.

This dispatch was telephoned from Moscow to London. The call was broken at this point by an operator who said in Russian: "There will be no more on this call for the present.")

## Rejects First Challenge

Satan senses defeat as Christ rejects his first challenge.

### The Life of Christ

## Satan Faces First Defeat, Turns Attack to Jesus' Soul

(In yesterday's installment Bishop Sheen pointed out the lesson for our world today, in the way Christ resisted temptation. The Bishop also stressed the differences between Satan's temptation of man and of Christ. Man's three temptations are those of the flesh (lust), the mind (pride), and of things (avarice). To Christ's first temptation, to become a social reformer by giving bread to the multitudes, Our Lord replied to Satan, "Not by bread alone doth man live . . ." And because Satan suspected Jesus of being God's son he prefaced each of Jesus' temptations with the conditional "if" . . . IF Thou be the Son of God . . .", etc.)

By BISHOP FULTON J. SHEEN

Our Lord does not deny that men must be fed, or that social justice must be preached, but He asserts that these things are not first. He is saying to Satan: "You tempt Me to a religion which would relieve want; you want Me to be a Baker, instead of a Saviour; to be a social reformer, instead of a Redeemer.

"You are tempting Me away from My Cross, suggesting that I be a cheap leader of people, filling their bellies, instead of their souls; you would have Me begin with security instead of ending with it; you would have Me bring outer abundance, instead of inner holiness.

"You and your materialists say: 'Man lives by bread alone,' but I say to you: 'Not by bread alone'. Bread there must be, but remember that even bread gets all of its power to feed from Me. Bread without Me can harm man, and I refuse to hold any theory about security, apart from the Word of God, even though I must go hungry.

"If I give bread alone, then even dogs shall come to My Banquet. Those who believe in Me must hold that faith, even when they are hungry, starved, weak, in prison, scourged, and even rotting in your Soviet prisons.

"I am hungry! I have not eaten for forty days, but I refuse to become a mere ethical reformer by catering to the economic and to

## South May Try Artificial Rain to Douse Fires

### Forest in North Florida Still Burning; Georgia Blaze Under Control

WAYCROSS, Ga. (AP)—Fire fighters considered artificial rainmaking to stop a giant forest fire raging in north Florida today while a week-long south Georgia blaze appeared under control.

Behind the menacing fire fronts some 47,000 acres of valuable timber land lay charred and useless.

Veteran forest rangers said only heavy rains could remove the danger from the drought-stricken sections of the two states.

Florida State Forester C. H. Coulter reported the fire near Foley has ravaged 32,000 acres of timber and swamp land and become the most destructive blaze in State Forest Service history.

**He said artificial rainmaking probably will be tried if suitable cloud formations occur.**

He said backfires are being built between the Foley blaze and territory burned over last week by a 27,000-acre fire in Madison and Taylor counties. The two areas may burn into each other shortly.

If this happens, he said, the Madison-Taylor fire will serve as a fire break for the Foley blaze.

More encouraging reports came from the south Georgia fire east of famed Okefenokee Swamp. It appeared to be under control after sweeping about 15,000 acres in a week.

**About 400 men were battling the fires in the two states. They were still setting backfires and building new defense lines with bulldozer and tractor units. Winds which sometimes pushed the flames faster than a man could run died down during the night.**

The fire near Foley was discovered Thursday. It doubled in size as it raced northeastward yesterday along a 12-mile front.

Rangers estimated fires burned more than 70,000 acres in north Florida last week. None of the fires threatened inhabited areas.

## GM Leads Industry in Automobile Sales

DETROIT (AP)—The trade paper Automotive News reported today that 5,535,464 new passenger cars were sold at retail last year.

The tabulation shows General Motors accounted for 2,806,595 and Ford 1,706,617 of the retail deliveries. This was an increase of 5.63 per cent for GM and 5.68 per cent for Ford over 1953 deliveries.

**The extent of the Chrysler decline is shown in 714,347 deliveries for 1954 against 1,165,357 in 1953.**

In percentages the report credits GM with 50.70 per cent of 1954 retail deliveries; Ford 30.83 and Chrysler 12.90. In 1954 the percentages were GM 45.07; Ford 25.15; Chrysler 20.30.

1 By individ.al makes the report shows this standing of the first 10: Chevrolet, 1,417,453; Ford 1,400,440; Buick 513,497; Olds 407,150; Plymouth 381,078; Pontiac 358,167; Mercury 269,926; Dodge 154,789; Cadillac 110,328; Chrysler 101,741.

## Menzies Meets With Ike Today to Plan Defense

### Discussions Will Set Roles of Both Nations If Asian War Starts

WASHINGTON (INS)—The U. S. and Australia open top-level closed-door talks today to determine the part each country will play in free world defense if a major conflict flares in the Far East.

The discussions were lent an air of urgency by Secretary of State John Foster Dulles' remark to Australian Prime Minister Robert G. Menzies, on his arrival, that "things in the Far East are looking none too good."

The Australian leader begins his defense talks with a private conference at the White House at noon with President Eisenhower.

**He will meet tomorrow afternoon with Dulles to take a long look at the whole critical picture in the far Pacific.**

Dulles has been back only a few days from his swing through Southeast Asia, Formosa and the Philippines, including the Manila Pact Conference at Bangkok.

Menzies, who has been attending the Commonwealth Prime Ministers Conference in London, has brought with him to Washington the key defense officials of his government, for an exhaustive overall defense discussion with U.S. officials.

Informed sources said that Menzies' immediate concern is to get a first-hand U.S. estimate of probabilities involved in Red China's threat to Formosa and the Nationalist-held offshore islands. These sources said the question of whether the U.S. intends to fight to defend Quemoy and Matsu is of immediate and vital importance to Australia.

**Australia is allied with the U.S. in two mutual defense arrangements—the Anzus Treaty and the Manila Pact.**

Menzies is expected to make clear to President Eisenhower and his top defense aides that Australia must depend on the U.S. as a source of modern weapons to bolster its defenses.

During his first three days in Washington, Menzies will attend a series of public functions, visit Congress and speak at a press luncheon.

For the rest of the week, he will devote his time almost exclusively to private talks with U.S. officials on the Cabinet level. He will confer with Secretary of Defense Charles E. Wilson, Foreign Operations Administrator Harold E. Stassen, Treasury Secretary George M. Humphrey and Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff.

## Wilson Given New GOP Post

### Chad Ritchie Named County Republican Chairman

Edward E. Wilson resigned last Saturday as Oakland County Republican chairman to accept a post as regional finance director for the GOP in the 18th Congressional District.

Chad M. Ritchie, of Birmingham, was named new county chairman.

Wilson, of Troy Township, was appointed to the finance job by Dan Gerber, chairman of the Republican State Finance Committee.

**County chairman for the past two years, Wilson said he felt it necessary to resign the position in order to have adequate time for the regional function.**

Ritchie is a former Birmingham mayor and has been assistant chairman and treasurer of the county group the last two years.

He pledged an "active campaign for the April 4 election with particular emphasis on election of Republican county supervisors and State Superintendent of Public Instruction Clair L. Taylor."

Taylor's re-election he termed necessary to "combat attempts by Walter Reuther, Gus Scholle and the CIO-PAC to take over the state school system."

### Await Report on Last Year's Tests

## Prepare for Salk Polio Immunization in County

Plans for administering the Salk polio vaccine to some 33,000 Oakland County children were revealed today by Dr. John D. Monroe, county health director.

Pending a report from the University of Michigan on results of last year's tests of the vaccine, all plans for the project are on a contingent basis.

**If the vaccine is found to be of value in preventing polio, Dr. Monroe said these steps will be taken:**

1. Request forms, along with letters to parents explaining the vaccine program, will be given to all Oakland County children in the first and second grades. Parents who wish their children to have the vaccine will fill out and sign the request cards, returning them to the school.

2. Clinic dates will be set up, staffed by the county health department, volunteer physicians and workers of the National Foundation for Infantile Paralysis. Three shots are required for immunization; the second one week after the first, and the third four weeks after the second.

3. The clinics will be scheduled during school hours in outlying districts, but Saturday clinics are planned in more heavily populated areas.

Dr. Monroe outlined a huge program now under way which includes procurement and sterilization of supplies, packaging of materials needed at the clinics, and arrangements for doctors, nurses and volunteer workers to aid in the immunizations.

**The vaccine is being supplied by the National Foundation, the health director explained. The program will be available to virtually every first and second grade pupil in the county, with the exception of children whose parents decline to give their permission.**

Approximately 33,000 children are in this group, excluding some 8,000 who received the vaccine in last year's tests. The other half of last year's test group, who received shots of sterile water to provide a control for the experiment, will also be eligible to receive the vaccine.

Although no official report on last year's test of nearly a half-million children across the nation has been issued, most of those working on the tabulations are optimistic.

**In Oakland County, one of 10 Michigan counties in which tests were conducted last year, the health department, medical society, school boards and polio foundation are cooperating in preparations for the vaccinations.**

"We only hope," Dr. Monroe said, "that the report is released soon. Unless we can begin giving the shots by April 25, we will be seriously handicapped because of the fact that children will be out of school before the final shots of the series are administered.

# 'Doctor' Is Held for Arraignment

## St. Clair Shores Man Impersonated MD for Theft Spree

A 26-year-old St. Clair Shores man, who told Pontiac Police he used his acting experience to foster a theft spree while impersonating a doctor was held today for circuit court arraignment March 21.

Held under $2,500 bail is Peter M. Roark of 22909 Gary Lane. He was caught by a St. Joseph Mercy Hospital orderly Friday as Roark was leaving the surgical room.

**In police custody, Roark admitted to Det. James Bale that he took $145 from a doctor's pocket book at the hospital. He gained entry to the room after he announced "I'm Doctor Patterson from Detroit."**

In less than an hour, Bale drew admissions of thefts, committed by Roark from four other hospitals. Police in Detroit and Grosse Pointe ordered "holds" on Roark after reviewing their records of reported thefts from Receiving, Harper, Deaconess and Bon Secours hospitals.

Roark, who also models for several advertising agencies, gave his occupation as bank teller with the Detroit branch of the Michigan State Bank. He told Bale he had spent a long period in hospital corridors studying a "perfect" system in which he would not be caught. Police figure the thefts involve some $3,000.

From his cell in Oakland County Jail, Roark declared, "I'm just a ham at heart."

# *Distribution of Food to Needy Planned*

A program of government surplus food distribution to needy persons will begin here soon, Hubert Earl, supervisor of the Oakland County Social Welfare Commission, said today.

**"While the program is not yet in operation, it is being worked out by the welfare department in conjunction with the state, and we hope to see it started in mid-April," Hubert stated.**

He said the project is similar to the one now operating in Detroit. Government-stored foodstuffs such as canned meat, butter, cheese, shortening, beans, potatoes and dried milk are now included on the welfare menu, but this is subject to change, he said.

If program procedures here parallel Detroit's, Hubert said food will be distributed to designated stores where it can be picked up once each month by those entitled to assistance.

Needy persons will receive identification cards, enabling them to obtain the groceries.

# Hoover Unit Urges Federal Lending Cut

WASHINGTON (AP) — The Hoover Commission says it believes private enterprise should be allowed to take over many of the government's extensive lending and loan guarantee-insurance activities, subject to continued federal control.

The commission headed by former President Hoover stressed the idea of combined private-government operation last night in recommending a "broad reorganization" of the 104 federal lending, insuring and guaranteeing agencies.

The group urged in a report to Congress that some of these agencies be abolished. It called for a boost in charges to make the remaining units self-supporting.

# Detroit Edison Asks Rate Hike

## Say Boost Would Offset Utility's Share of Costs in Atom Power Plant

son Co. asked permission today to pass on to consumers its share of the costs of building a $45,000,000 atomic power plant.

The electric utility made its request in an appearance before the Public Service Commission.

**Detroit Edison is one of 33 members of Atomic Power Development Associates, the organization which plans to build a nuclear breeder reactor possibly at Monroe or Harbor Beach.**

Detroit Edison's share of the cost would be $5,000,000, the commission was told. To cover this, the utility's 1,114,432 patrons would pay a dollar a year above their present bills for four years.

Beisdes Detroit Edison, Michigan members of Atomic Power Development Associates include the Ford Motor Co., Consumers Power Co., and Bendix Aviation Corp.

John J. McCarthy, commission chairman, said he could not predict when a decision would be made on Detroit Edison's request.

pleasure and satiety. Say not that I am disinterested in social justice, for I am feeling now the hunger of the world. My stomach groans with the starving, crawling wrecks of humanity. That is why I fasted, that they can never say God does not know what hunger is. Begone Satan! I am not like some well-fed reformer who says: 'By bread alone'. I refuse any plan which will make men richer without making them holier. Remember! I, Who say: 'Not by bread alone', have not tasted bread in forty days!"

**Satan, having failed to win Our Lord away from His Cross and Redemption by turning Him into a Communist commissar promising bread, now turns the attack upon His Spirit and His Soul. Seeing that Our Lord refuses to subscribe to the belief that man is a stomach, as he is for some economists, Satan now tempts Him to pride and egotism. As a symbol of that vanity, the devil takes Him to a lofty pinnacle of the temple and says to Him:**

"Cast Thyself down from this to the earth."

Then, quoting Scripture, he continues:

"For it is written He shall give His angels
Charge concerning Thee, to keep Thee safe,
And they will hold Thee up with their hands,
Lest Thou should chance to trip on a stone."

Satan is here saying: "Why take the long and tedious way to win mankind, through the shedding of blood, the mounting of a Cross, through being despised and rejected, when You can take the short cut by a prodigy? You have affirmed Your trust in God. Very well! If You really trust, do something heroic!

**"Prove faith, not by going to a Cross in obedience to God's Will, but by flinging Yourself down. You will never win people to Yourself with sublime truths about Your Divinity preached from church steeples and pinnacles.**

"The masses cannot follow You; they are too far below. Clothe Yourself with wonders! Throw Yourself down from the pinnacle and then stop just before You hit bottom! It is the spectacular that people want, not the Divine. People are bored! Relieve the monotony of life and their jaded spirits, but leave their guilty consciences alone!"

In the statement Townsend referred to a previous report quoting him as saying he and a 'certain lady" would accept exile if necessary.

**"This implies that Princess Margaret has decided to marry me," his statement continued. "The princess has made no such decision known to me, nor have I any reason to believe she has made such a decision."**

Townsend yesterday repudiated the "exile" comment as "pure invention." It was first published in the Sydney (Australia) Sun-Herald, which announced it had fired the correspondent who reported the interview with the man who has been widely rumored as the vivacious princess' choice for her husband.

In Britain, meanwhile, Anglican Bishop Alfred Blunt, who two decades ago warned King Edward VIII against marrying a divorcee, urged yesterday that Margaret abandon any plan to wed the divorced RAF officer.

# Vote on Tax Cut Due Tomorrow

## Small GOP Margin Seen in Close Fight Over Dem Proposal

WASHINGTON (AP) — Sen. Humphrey (D-Minn) said today the Senate must choose between "the American people or big business corporations" when it votes this week on a Democratic income tax cut proposal.

But another Humphrey — Secretary of the Treasury George M— contended the Democratic plan "works against the making of new and better jobs." He called it "misleading to argue that (the plan) is really in the interests of the 'little folks.' "

* * *

Both spoke out in statements — the senator today and the secretary last night — as the Senate moved toward a showdown vote. The Senate itself scheduled its last day of unlimited debate on the proposal with voting to start tomorrow.

Both sides conceded the vote would be close, with the edge given to opponents.

Sen. Smathers (D-Fla), supporting the tax cut, said his side was "shy four or five votes" yesterday. Administration leaders have said regularly that an almost solid corps of Republicans will be supported by enough Democrats to beat the tax cut.

* * *

The Democratic proposal would cut $20 from the income levy against the taxpayer plus $10 for each dependent except a spouse, effective Jan. 1 next year. It would be limited largely to those making less than $5,000 a year.

# *Southern Area Buried in Hail; 2 Persons Die*

By THE ASSOCIATED PRES

A violent hailstorm flailed a five-county area in South Carolina last night, killing a 60-year-old man and a 3-year-old girl who were trapped when a concrete-block house was blown in.

The storm, which dumped 5 inches of hail at Batesburg and 4 inches at York, occurred on the leading edge of the cool air mass which brught seasonal normal temperatures back to most of the country today.

* * *

The violent wind caused extensive property damage and the blanket of hail blocked several miles of U.S. Highway No. 1.

The cold air lowered temperatures 10 to 20 degrees from yesterday in the East and over the Rocky Mountains; scattered showers and snow flurries over the Northwest, northern Great Lakes and New England; and numerous thunderstorms and showers in the South and East. Generally precipitation was light, but Charlotte, N.C., got .52 of an inch and Pulaski, Va., .33.

# Here's Another "Bonanzagram"

## Have Fun! Win $100!

"Bonanzagram" is an exciting new puzzle in which the Pontiac Press offers both fun and a $100 cash prize. BUT before you try your hand at "Bonanzagram" **be sure and read the rules at the bottom of this page. Solution will appear in the Press March 25.** (Solution to "Bonanzagram" No. 1 will be published March 18).

## Claim Check

Below is a duplicate of the "Bonanzagram" entry you send in to contest headquarters. It is ESSENTIAL that you fill it in and save it until the correct solution to "Bonanzagram" No. 2 is published Friday, March 25. Unless you do so, you will be unable to collect the prize if you should send in a winning solution. Check the rules below for further details.

## Bonanzagram No. 2

The spy was caught red-handed with state papers of a highly secret nature concealed inside a specially constructed belt. With the papers was a strange note, in some sort of code with missing letters. It indicated the existence of a spy ring. The FBI man who studied this note was able to reconstruct it and to arrest the jaunty and ingenious ringleader that very evening. Can you, too, figure out the information by filling in the missing letters in the note?

# How To Play 'Bonanzagram'

Solve the "Bonanzagram" by filling in all the missing letters, as indicated by the underscores, in the message. Insert only one letter above each underscore. Many clues to the missing letters are hidden in the story, or anecdote, accompanying the message. Clues may also be found in the message itself, and, in a few cases, the contestant's general knowledge should provide the correct letter. The contestant will note that the message is unpunctuated. Proper punctuation is one of the important keys to a correct solution.

When properly filled in, the "Bonanzagram" will spell out a clear message that will conform in every way with the clues. In many cases it will seem that more than one word would be the correct one. That's part of the fun! You should weigh the clues and select the BEST possible word in each case.

## How to Submit Entries

1. After solution is completed, "Bonanzagram" should be clipped and pasted to a two-cent postcard with your name and address.

2. Entries will be received at the Pontiac Press office, 48 W. Huron St., until 5 p. m. Tuesday, March 22. Mail entries must be postmarked before midnight Tuesday, March 22 for Bonanzagram No. 2. Address "Bonanzagram, Post Office Box 40, Pontiac, Mich."

3. Entries may be mailed in envelope but **contestant's full name and number of puzzle must be printed in upper left corner of address side of envelope.**

4. Copies of the Press need not be purchased to enter. Facsimiles made by hand and corresponding as closely as possible to the original "Bonanzagram" printed in the Press will be accepted but are limited one to a family. Mimeograph, duplicator or other unofficial mechanical reproduction is forbidden.

## How to Collect the Prize

The entrant must work out and keep duplicate solution as a claim check. When the solution is published in the Press, he should compare his "claim check" with the published solution, and, if his claim check is identical, he should call in person with his claim check at the Press office, 48 W. Huron St., before 5 p. m. on the Monday following publication of the solution.

If a winner cannot call at the Press office in person, he should mail his solution to "Bonanzagram Editor." Postmark on this letter must be not later than 5 p. m. the Monday after publication of the answer. Correct answers are void unless the contestant reports his claim by the deadlines listed here.

## About Eligibility, Information, Etc.

1. Anyone is eligible for the "Bonanzagram" contest except employes of the Press and members of their immediate families. (Immediate family means all those living in an employe's household.)

2. No question as to winners will be answered by phone.

3. The Press will award a prize of $100 to the winner of each weekly "Bonanzagram." If more than one winning answer is received, the prize will be divided equally among the winners. If no correct solution is received, the $100 will be added to the next week's prize. If the winner is a subscriber of record to the Press a $20 bonus will be added to the $100.

4. Only one winning entry from a family will be eligible for the prize.

5. The Press retains the right to correct typographical errors.

6. Judges' decision will be final and contestant's submission of entries indicates acceptance of these rules.

7. No liability is accepted for entries that fail to reach us.

8. The Press reserves the right to alter rules and/or discontinue the contest at its discretion.

**IN A STATE OF SUSPENSE** — Box-office booming Grace Kelly is off MGM's payroll — and Metro-Goldwyn-Mayer is on the spot. Winsome Grace, who knows her own mind, refused to work in "Jeremy Rodock" in which she was to costar with Spencer Tracy. So MGM suspended her, which means she's not only off their payroll, but she can't work for any other company. MGM's doubly on the spot because (1) Grace is a likely Oscar winner when the awards are made March 30. If she cops it she won't be any easier to cope with and (2) MGM can't wield the economic whip because her father is a multimillionaire.

# Nehru Attacker in Mental Ward

## Police Testing Sanity of Rickshaw Puller; Seek Associates

NAGPUR, India (AP)—A 32-year-old rickshaw puller charged with attempting to murder Prime Minister Nehru was reported under observation today in a mental hospital.

Babu Rao Laxman Kochale leaped on Nehru's automobile here Saturday with a six-inch knife. The 65-year-old Prime Minister pushed the man away and police arrested him at once.

Officials said further action would be decided after the mental report.

• • •

One newspaper reported Babu Rao had told police his action was "the only way" to draw attention to his own personal difficulties. It did not say what he meant by this.

Police also were reported seeking past associates of Babu Rao. He is a native of western India's Maharashtra region. A man from the same region was hanged for having a part in the assassination of Mohandas K. Gandhi in 1948.

Nehru was unruffled by the occurrence, which he termed of "no significance." He flew back to New Delhi yesterday in high spirits.

## Semi-Mechanized Dog

HAMBLE, England (AP) — A 7-year-old dachshund named Jenny went rabbit hunting yesterday towing her own hind quarters in a two-wheeled cart. Jenny's owner devised the cart after the dog sprained her back and paralyzed her hind legs on a hunt 11 months ago. The veterinary recommended a return to hunting to give Jenny "an interest in life."

# Railroad Blast Slows Shriners

## Switch on NYC Tracks in Indiana Dynamited; to Quiz Union Officials

YORKTOWN, Ind. (AP)—A trainload of Indianapolis Shriners was delayed several hours today on the homeward trip from Detroit by the dynamiting of a switch.

The chartered New York Central train of nine cars, rolling at 10 miles an hour after a warning from an automatic device, was halted after the engine and four cars passed over the 2½-foot break in one rail. No one was hurt.

The rail was blasted at a switch leading from the main line to a strikebound warehouse at 11:02 p.m., 13 minutes before the train was due.

Sheriff W. Pete Anthony of Delaware County said he planned to question officials of the AFL Teamsters Union, which struck the warehouse of Marsh Foodliners, a retail grocery chain, two weeks ago.

There was no comment from the union immediately.

The engine and the four cars which passed over the break continued on to Muncie, nine miles away, several hours later, with all the passengers.

## British Ship Picks Up Survivors of Sinking

ROME (AP)—The Italian navy reported today a British ship had picked up four crewmen of the Greek merchant vessel Jason, believed sunk off the storm-lashed toe of Italy. About 16 other crew members were reported missing.

The Greek ship messaged last night that she was going down off Stilo Cape. That was the last word from her.

Lloyd's Register lists no Greek ship of the name Jason.

## Telethon Downs Vocalist

ENID, Okla. (AP)—A telethon for cerebral palsy proved too long yesterday for a 27-year-old vocalist from Boston. Bobby Wayne collapsed from acute exhaustion and was rushed from the television studios to a hospital, where his condition was described as "favorable." The telethon ran continuously for 17 hours and raised $45,000.

## Rescue 6 Chinese

MOJI, Japan (AP)—A Japanese boat rescued six Communist Chinese fishermen drifting in a disabled craft 60 miles south of Tachen Island, the Martime Safety Board said today, and planned to turn them over to Chinese Communist authorities at sea.

# Hopes Reds Will Aid in Disarmament Plan

UNITED NATIONS, N. Y. (AP) — Henry Cabot Lodge Jr. says the United States still hopes the Soviets will cooperate in the disarmament negotiations now under way "but it is a hard road."

Lodge, chief U. S. delegate to the United Nations, returned last night from the five-power arms talks going on in London since Feb. 25. His deputy James J. Wadsworth remained.

Lodge's brief statement, issued by the U. S. delegation, did not say whether the talks are making any progress. The Soviet Union at the U. N. Assembly last fall had joined the West in sponsoring the proposal that the negotiations be held.

## Says Reducing Helps People Live Longer

DALLAS (AP)—A professor says reducing can help people live longer too.

Stead was here to address the Dallas Southern Clinical Society annual conference.

# Incorporation Group Formed

## Troy Committee Elected to 'Sell' Voters on Plan for Home-Rule City

TROY TOWNSHIP — A seven-member committee will meet tonight to plan a "selling" campaign designed to get Troy voters to approve incorporating the township as a home-rule city.

The committee was elected by about 300 township residents at a special meeting Friday night. The meeting was called to explain the township's recent move to incorporate.

**The incorporation petitions were filed with Oakland County Clerk Lynn Allen last Monday when talk began of annexing a portion of the township to Royal Oak.**

In question is the 76-acre site at the southwest corner of Maple and Crooks, where Vickers Corp. of Detroit plans a $2,000,000 building.

Vickers officials said they were seeking to have the land annexed to Royal Oak.

Elected to the committee were Ernest L. Gray, as chairman; Mrs. Francis Jo Curtis, secretary; Wilfred R. Schultz, treasurer, and members Marvin W. Kuschinsky, Gerald L. Scofield, Frank Christian and P. K. Riksheim.

## Dryden Gets Double Surprise

# Nary a Bank for Years--- Then 2 Open in One Day

DRYDEN — After 23 years without a bank, Drwden (population 476) found itself with a surplus this morning—as two new banks, located wtihin a block of each other on Main street, did a brisk business.

Residents, accustomed to traveling to nearby towns to deposit funds or simply stacking their savings in the old teapot, Saturday were startled to discover that the First National Bank of Lapeer had set up temporary branch headquarters in a room in the front of Carlos Sweet Shop.

A block farther down the street the Metamora State Bank also had opened offices on the main floor of the Stathue building.

Meanwhile, Bert Evenson was busy preparing to move out of his tavern on Main street, to allow the Lapeer First National branch to move in. The tavern formerly the Dryden State Bank, still has the vaults from the old bank.

The Metamora bank, it was learned, has a lease on quarters in the Parker Building.

Irvin Welton, in charge of the First National branch, said that the permission to open a branch in Dryden had come from comptroller of currency in Washington.

Lyle Allen, who is handling the affairs of the Metamora branch, said his bank had received the authority to open a branch from the Michigan Banking Commission.

Dryden had been without a bank since 1932 when the Dryden State Bank was closed. Formerly, a Farmers Exchange Bank operated here, but it was dissolved around 1913.

Currently the Champion Home Builders, a trailer factory, is one of the main businesses of Dryden. Rumors that a new business is about to open, have residents speculating that this may be the reason for the sudden rush of banks.

# Troy Gains Quarter-Finals of Prep Tourney

## Clarkston Defeated in 'B'; Bernards Win in Class C

By JACK SAYLOR

Midnight chimed for Clarkston's "Cinderellas" at Pontiac High Saturday night and Oakland County's hopes for a state basketball championship now rest squarely on the shoulders of the capable Troy Colts.

Troy burst Clarkston's tournament bubble, 44-34, in the Class B regional finals before a jam-packed crowd of 2,500 in the West Huron street gym, after St. Bernard of Detroit had taken the Class C title by upsetting Anchor Bay of New Baltimore, 64-59.

The county's only other 2 survivors, both from the south end, were ousted Saturday night as Berkley fell before Mt. Clemens, 63-58, and Hazel Park was drubbed by Highland Park, 70-38.

**Two weeks of battling against superior height came to an end for Clarkston as Dom Mauti's Wolves were beaten by an excellent 5-man team effort. Clarkston's 24 per cent shooting from the floor was too poor to crack Troy's tightly-knit zone defense.**

On the other hand, the Colts divided their scoring and hit 33 per cent overall. More important, they connected at a 40 per cent clip in the 2nd half to surge ahead and maintain a lead varying from 7 to 16 points.

The Wolves' best showing was in the fast-moving, but low-scoring 1st half. Clarkston carved out a 7-1 lead, but Sim and Jack Acton cut it to 7-5 at the quarter.

Two free throws by Lanny Leak and Bob Yahnke's jump shot made it 11-5, and after Jack Acton's bucket, Yahnke hit again to keep Clarkston's lead at 6 points. Had the Wolves been able to add a little more to it just then, it might have been a different story what with the Clarkston talent for ball control.

But Peyton Goodwin's Troy club netted 7 straight points to take a halftime lead of 14-13 on Rex Moore's basket in the final 3 seconds. Clarkston never held the lead again.

Jim Murdock popped in a set and after Leak swished a jump shot, Floyd Bailey scored 3 points to make it 19-15. Leak added a pair of foul shots to pull the Wolves to within 2 points, but Troy, sparked by Murdock and Bailey, reeled off 10 straight points to take a commanding lead, which it never yielded.

**The margin reached 16 points (40-24) with 4 minutes left and Clarkston rallied briefly on 4 points by Yahnke and a steal and basket by Dick Johnston. Sim Acton and Bailey kept the spread at 10 points with baskets in the final minute and a half.**

Bailey and Sim Acton, not generally noted for their scoring, provided the big lift to the Troy cause with 12 and 10 points, respectively. Jack Acton, who had 23 points against Ott St. Mary, was often double-teamed and netted only 6 points, but with Bailey's aid, gave the Colts' mastery of the boards.

Murdock sank 8 points and directed the floor play and Moore added 8 more, although playing with a sore back, incurred in a hard fall Thursday.

Leak was easily Clarkston's standout. He played well defensively and accounted for nearly half his team's points with 16.

Yahnke added 8, but Johnston was held to 4 (with much credit going to Bailey's defensive work).

Freshman Leroy Parks, a sensation in the Wolves' last 3 games, was shut out. He didn't even get an attempt from the foul line, where he was batting .913 in regional play.

St. Bernard, enjoying a good shooting night, broke open the Class C finale in the last 6 minutes of play.

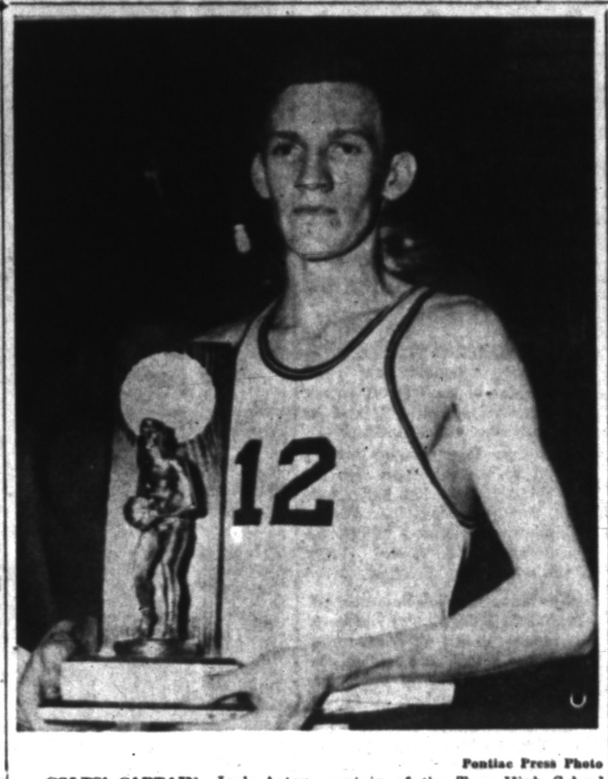

In contrast to the Class B game, the score after one quarter was the same as the halftime score in "C" with Anchor Bay holding a 14-13 advantage. Then the Ramblers' Tony Pecorraro took charge.

**He personally held St. Bernard in the game by tallying 9 of the Ramblers' 13 2nd period points. The New Baltimore Tars held a 28-26 halftime lead, but wasted away a 6-point margin in the 3rd quarter as Bernards' Bill Listman, the star of the semi-final win over St. Mikes, came to life.**

Bob Tartoni batted in a rebound to tie the score at 47-all with 6 minutes left and from that point it was the Ramblers' game. Following 3 foul shots, Listman and Don Sly hit from long range and the Detroit parochials had a 7-point lead.

The New Baltimore quint made a bid with a minute and a half left with the score 62-55. A jumper by Ray Natzke and Hubert Staffhorst's rebound cut the lead to 3 points, but the Tars fouled trying to get the ball and free shots by Pecorraro and Sly ended the scoring.

Pecorraro collected 20 points and Listman added 19 for the winners. Staffhorst had 19, and Natzke, 16, for Anchor Bay.

COLTS' CAPTAIN—Jack Acton, captain of the Troy High School basketball team, displays the Class B regional championship trophy that the Colts won by tripping Clarkston, 44-34, Saturday night at Pontiac High. The high-scoring Acton was held to 6 points, but his rebounding played a vital role in the Troy victory.

HEAD BALL—The basketball momentarily takes the position of Floyd Bailey's head as Bailey (14) of Troy and Clarkston's Dick Johnston battle for possession of the ball in the 4th quarter of Saturday night's Class B regional title scrap at Pontiac High. Bob Yahnke of the Wolves watches at the left. Bailey played a starring role as Troy won, 44-34, to advance to Wednesday's quarterfinals.

# Bathers Show Class

By H. GUY MOATS

While Saturday's Class A regional basketball tourney finale was almost a one man show, it also revealed a lot of real class on the part of the new champion. Mt. Clemens Bathers took home the fine MHSAA trophy as a visible symbol of their championship victory, 63-58, over a stubborn, never-quit-fighting Berkley five. They also took with them the remembrance of the finest exhibition of point-making for the 4-day tournament.

**After Bob Lockwood's club turned back the Birmingham Maples on Thursday night, 49-47, with a fine job by slim little Marv Ulman, few observers believed it would be able to repeat the performance Friday, against Pontiac. But Bathers did just that, upsetting the Chiefs 60-53 in overtime. That win made them top-heavy favorites, and they performed in the final like real champions.**

Smooth-moving Denny Schultz, who hit only 6 points against Pontiac, came through with a brilliant 30-point total. He collected 14 buckets, most of them layups or drive-in shots. His 30 points was the tourney's best game count. The figure was also a new Mt. Clemens school record, displacing one of 26 points 1st set in 1951 by Denny's brother Riley, and equalled in 1953 by Roy Pointer. Riley was later killed in a sandlot ball game when hit by a batted ball.

Lockwood was blessed with boys who could come through when the chips were down. It was Ulman against the Maples, Bob Brice got 21 against the Chiefs. Then came Shultz' big night.

**It took nearly the entire 1st half for the Bathers to get moving. But when they did, Jim Beadle's Berkley Bears had a battle on their hands, that got hotter as the game rolled on.**

Mt. Clemens trailed in the opener 15-8 after the Bears' Louis Lemak banged in three straight drive-ins to end the period. Lemak looped another on the first play of the 2nd period. Berkley counted only five times, rest of the session while Schultz caught fire and caged five buckets all alone. Brice, Ulman, Nicolai and Joe Jones added others for a 24 point barrage to send the Bathers in front 32-27 at intermission.

From that point on there was very little doubt as to the outcome. Lockwood began using his subs near the end of the 3rd period which closed with Bathers 13 points to the good, 50-37.

Shultz had scored 22 points up to the end of the 3rd. He took a rest, then returned for the first 3 minutes of the finale. In that time the splendidly-muscled forward accumulated 8 more points for his school record. He then retired, getting a big reception from the Mt. Clemens bench and a fine round of applause from the spectators.

As the game neared the end Berkley fought back with a great rally, piling up 8 points with Bathers getting nothing.

Outside the better than 40 per cent shooting by the Bathers, it was only the failure of the Bears to convert their many free throws that beat them. Where Bathers converted 11 of 23 chances at the foul line, Berkley missed 16 of 22. Never a point did the Bears get by gift shots in the 3rd period while missing 6. They missed 7 of 12 in the 4th.

Berkley's Lemak turned in a fine shooting performance, eclipsed only by that of Schultz. He had 24 points.

Announcement was expected today regarding location of quarter-final game in this section.

## 3 Top Quintets Get Into NCAA Title Showdown

### Iowa, Frisco, LaSalle Plus Colorado on Line; Dons Play Latter 5

KANSAS CITY (AP)—Three teams of high basketball pedigree—San Francisco, LaSalle and Iowa—plus a hardwood "commoner" of sorts, Colorado, plunge into the NCAA's championship showdown this weekend.

San Francisco's Dons, top-ranked in the regular season AP poll, seemingly appears destined to rack up 15th-rated Colorado for their 25th straight victory in Friday night's semifinal round.

However, which team will survive the other semifinal between third-ranked LaSalle, the defending champion, and fifth-rated Iowa is open to debate.

The championship game will be played Saturday night after the Western and Eastern titles are settled Friday night at Kansas City's Municipal Auditorium.

San Francisco had a real scare in its regional final at Corvallis, Ore., Saturday night, shading Oregon State, 57-56, but tourney railbirds point out the Dons had to beat a fine, height-blessed Beaver team on its own floor.

LaSalle's defending champions, sparked by another All-America, Tom Gola, will encounter in Iowa probably the best-balanced team it has faced in winning 25 of 29 games and 12 in a row.

10,000 Meter (Six miles 376 yards) Run—Oswaldo Suarez, Argentina, 32:42.6.

WOMEN

## Grand Rapids 'Fans' Lead State Tourney

JACKSON (AP)—The Grand Rapids Fanatorium Majors, led by five time national champ Marion Ladewig, produced the only change on the board during the 5th weekend of the women's state bowling tournament.

The "Fans" moved to the top in the actual division with 2,666 but their 2,774 handicap total failed to place them with the leaders in that bracket which is headed by Detroit Cecil Ward All Stars with 2,848.

In the actual, Ladewig had 613, Wyllis Ryskamp 564, Marie Boluyt 528, Eloise Greenbauer 522 and Charlotte Kardas 440.

## Patty Wins Titleholders, Leads in Golf Earnings

AUGUSTA, Ga. — In addition to the prestige of winning her sixth Women's Titleholders Golf Championship, red-haired Patty Berg counted her material gain today and found herself pacing the greenback derby on the girls' winter golfing circuit.

Her record-breaking 291 for the 72-hole titleholders event made Patty feel right at home when the time came to pick up the check. The St. Andrews, Ill., veteran, who turned 37 a few weeks ago, won the first three Titleholders in 1937-38-39, came back in 1948 for her fourth and annexed No. 5 two years ago.

* * *

Winner's portion of the $5,000 purse was $1,000. It enabled the mistress of putting to creep ahead of Mrs. Jackie Pung of Honolulu in the purse-grabbing stakes.

* * *

Miss Berg's take for eight tournaments this winter is $4,247. Mrs. Pung, the housewife from Hawaii, won only $107.50 for her 14th place finish and brought her tournament earnings to $4,187. In a fourth place tie with 226 before Sunday's final round, Mrs. Pung soared to 86 and barely finished in the money.

* * *

Miss Berg could thank her sizzling second-round 68 for her two-stroke triumph over Mary Lena Faulk of Thomasville, Ga. The steady Miss Faulk, a pro only six weeks, played the most consistent golf in the blue-ribbon meet with a 72-73-74-74—293 chart. Her total matched the old tournament record set last year by Louise Suggs of Sea Island, Ga., and bettered by two strokes Sunday by Miss Berg.

* * *

Patty's 68 set a new 18-hole tournament record. It gave her the lead after a 76 in the first round. The champion was 74-73 for the last two days.

## Dodgers' Spooner Ponders Question for Alson; Stengel's Yanks Drop 4th, Displease Skipper

By THE ASSOCIATED PRESS

No one expects miracles, but Manager Walt Alston of the Brooklyn Dodgers was wondering today if maybe Karl Spooner is a real, genuine "pheenom."

The 23-year-old left-hander came up from Fort Worth at the end of last season and proceeded to strike out 27 batters in 18 innings. He didn't allow a run in the two games and had the Brooklyn brass wagging their heads.

* * *

But Alston has seen too many youngsters look as if they were going places at the end of a season, only to flop the next year.

* * *

Over the winter, Spooner, who injured his knee last summer, was forced to undergo surgery to have a cartilage removed.

Yesterday, Alston decided to test him out against the Chicago White Sox. He hurled creditably for two innings, giving up two hits and no runs. Alston decided that was enough.

* * *

"The knee didn't bother me a bit," said Spooner. "But my shoulder was stiff. I guess I'm not loose yet."

The White Sox went on to win the game 6-5, pasting Billy Loes and Johnny Podres for three runs apiece during their stints. But it didn't bother Alston. He went through with his experiment for the day and he was happy.

The same couldn't be said of skipper Casey Stengel of the New York Yankees, who lost their fourth straight exhibition game, this one to the Boston Red Sox 4-2. This is the first time in history the Yanks have lost four in a row at the start of the Grapefruit League circuit.

Leo Kiely, George Susce and Skinny Brown set back the New Yorkers, whose only offensive effort was a home run by Hank Bauer with one on.

* * *

The Kansas City A's are having the same trouble as the Yanks. They went down to No. 3 in a row, a 7-4 defeat at the hands of the Washington Senators. The game went 12 innings before rookie catcher Ed Korcheck broke it up with a bases-loaded double.

* * *

Three clubs continued to look good and, surprisingly, one of them was the Pittsburgh Pirates. The Buccos edged the Philadelphia Phillies in the 10th inning when Dick Groat, the former All America basketball player from Duke, singled home the winning run. The Pirates collected 14 hits off three Phillie hurlers.

## Red Wings Keep Up Late Surge, Batter Toronto

### Sunday Win Moves the Detroiters Within 2 Points of Canucks

DETROIT (AP)—The explanation is simple: The Detroit Red Wings refuse to quit.

* * *

They continued their relentless late-season surge last night by trouncing the Toronto Maple Leafs, 6-1, for their 7th straight victory.

It moved them to within two points of the wary Montreal Canadiens, who dropped a vital 4-2 decision to the Boston Bruins.

With only three games left to play, the situation is this:

**Montreal has 91 points, Detroit 89. They play each other Thursday and Sunday. Detroit meets Boston Wednesday, while Montreal tangles with New York Saturday.**

"We're determined to catch them," said Red Wing coach Jimmy Skinner after his team whipped the Maple Leafs. "The boys have always felt they could do it, and now that feeling is higher than ever."

* * *

Minus Capt. Ted Lindsay, Red Wings played inspired, almost ruthless hockey against Toronto. They poured in two goals in the 1st six minutes and continued to pressure the Leafs until the final buzzer.

Center Dutch Reibel, certainly the most improved player on the squad, scored three goals, while Marcel Pronovost clicked twice and Red Kelly once.

* * *

Absence of Lindsay was hardly noticed. The fiery leader of the Red Wings re-injured his shoulder in Saturday's 3-2 win over Chicago. Doctors say he'll be out of the lineup from one to two weeks.

Detroit's assault against goalie Harry Lumley of the Maple Leafs enabled Terry Sawchuk to move in front in the race for the Vezina trophy, annually awarded the league's top netminder.

* * *

It was a big night for Sawchuk, who had the distinction of picking up an assist on Pronovost's 1st goal. In the 2nd period, Sawchuk made a quick pad save on a drive by Sid Smith. Pronovost picked up the loose puck and skated the length of the ice to score.

## Pontiac YMCA Swimming Teams Lose to Detroiters

Pontiac YMCA junior and prep swimming teams both lost Saturday meets to the Detroit Northern YMCA. Juniors were beaten 41½ to 24½, while the Preps bowed, 38-19.

Only first place Pontiac could gain in the Junior meet came in the 120-yard medley relay as Jim Puglise, Virgil Roberts and Bob Hewitt paddled home in 1 minute, 28.5 seconds.

**Charles Redinus and Vernon Joseph were 2-3 in the 40-yard free style, and Joseph took 2nd in the back stroke. Gideon Robarge and Roberts finished 2nd and 3rd in the breast stroke, while Robarge was 2nd in diving and Charles Stallions gained a 3rd.**

Redinus and Robert Sias were 2-3 in the 100-yard free style and Dennis Roberts was 3rd in the individual medley.

Pontiac Preps won 2 firsts. Bob Roberts, Bob Ely, Colen Craven and David Sias won the free style relay and Dick Richards took the diving with Bill Hewitt 2nd. Third places were taken by Ed Kummert in the 20-yard free style and back stroke, Mike Harrington in the breast stroke and John Friedly in the 40-yard free style.

## 2 Tourney Tilts in Area; Troy to Grand Blanc

Pontiac and Birmingham High Schools will host quarter-final state basketball tournament games Wednesday night, but Oakland County's sole surviving team, the Troy Colts, will play at Grand Blanc.

**Troy, which captured the Class B regional at Pontiac Saturday night, will oppose Flushing Wednesday at 7:30 p.m. in the Grand Blanc High School gymnasium.**

At Pontiac High, Highland Park and Mt. Clemens will play their Class A quarter-final, The Parkers won the Ferndale regional, while Mt. Clemens was the winner at Birmingham, This game is listed for 7:30.

Two Class B powers, defending state champion River Rouge and St. Andrew, a 2-time titlist in Class C and B, tangle on the Birmingham High court Wednesday at 7:30.

Quarter-final winners advance to Friday night's semi-final games at East Lansing. The windup of the schoolboy cage test is Saturday with Class C and B finals in an afternoon double header, and Classes A and D at night.

### Dewey, Covington and Dumbrigue of Pontiac Are Honored

Toledo Boys' Club won the Boys' Clubs of America Sectional Basketball tournament this weekend at the Pontiac Boys' Club by defeating the Philadelphia Branch of Detroit 68-65.

**Game was nip and tuck the entire way with the lead changing hands a total of 14 times during the game. Bob Higgins led the Toledo attack with 19 points. Dennis Usatello of Philadelphia was high with 24 points.**

Higgins was selected as the outstanding player of the tournament as well as gaining a position on the 1st all-tourney five. Other players named were Bob Burch of Philadelphia, Dennis Usatello of Philadelphia, Bill Hazard of Toledo and Ted Kuzara of the Eddie Guest Boys' Club.

Bob Dewey of Pontiac was named to the 2nd all-tourney team, while Ed Covington from Pontiac made the third team. Cecil Dumbrigue of Pontiac was named for the oustanding sportsmanship award of the tourney.

In a preliminary consolation contest, Pontiac defeated Eddie Guest Club 66-62 in a double overtime thriller. Jim Skinner paced the Pontiac attack with 25 points while Bob Dewey followed closely with 20.

## 5th Title for U. of M.

COLORADO SPRINGS, Colo. (AP)—The University of Michigan hockey team added the 1955 National Collegiate crown today to an already crowded trophy case.

The Wolverines won their 5th championship, 5-3, over Colorado College Saturday night in one of the roughest games in eight years of tournament history. Last Thursday Michigan flattened Harvard's hopes, 7-3, in the semifinals.

### Rechecking Timer's Records

## British Jaguar Wins 12-Hour Test, but Protest Delays Official Decision

SEBRING, Fla. (AP) — Briggs Cunningham's D-Type British Jaguar is the unofficial winner of the 12-hour Florida International Grand Prix, but the jury still is out, pending a hearing on a protest and a recheck of the timer's records. An official ruling is promised sometime Monday.

A few minutes before the 10 p.m. (EST) ending Sunday night, the loud speaker in front of the official scorer's private hideout had blared the news that an Italian Ferrari had taken the lead from the Jaguar and had widened out a gap of over three minutes in this annual grind around the concrete runways of an abandoned airport.

When the Ferrari's driving crew of Carroll Shelby of Dallas and Phil Hill of Santa Monica, Calif., rode up for the official ceremony, they learned to their dismay that the officials now had declared the Jaguar the unofficial winner.

* * *

Timer Joe Lane said, "The Jaguar won but only 10 seconds separated the first two cars."

Cunningham, the West Palm Beach, Fla., millionaire who had won the race the last two years, told reporters his timers and scorers indicated the Jaguar had won by "a lap and a few minutes." A (5.2-mile lap normally is negotiated in about four minutes).

Phil Walters, driver of the Jaguar for the final two hours, said, "I knew I was ahead when I took the wheel at 8 'clock and nobody passed me that was in the running."

Walters, who is general manager of Cunningham's auto car factory at West Palm Beach, and Mike Hawthorne, an English driver, split the 12 hours at the wheel.

* * *

The crowd, estimated between 10,000 and 20,000, huddled in confusion around the finish line stunned by the sudden change of events. Shelby, who drove the Ferrari the last three hours, couldn't believe his ears.

Allen Guiberson, a Dallas oilman who owns the Ferrari, shouted, "We won it. Our pit slowed down the car in the last five laps after our timer told us we were ahead by three minutes, 14 seconds. We'll protest if it's necessary, although we don't like to do it."

# Selling Lowers Grain Prices

CHICAGO (AP) — Fairly heavy selling sent grain prices down a couple of cents in active dealings on the Board of Trade today.

The market opened lower and extended its losses during the first few minutes of trading. After prices stabilized, dealings quieted down. Wheat and soybeans suffered the largest setbacks.

Brokers said most of the selling was in small lots. It found demand thin after the brisk upturn in the closing session last week.

Wheat near the end of the first hours was 2 to 2⅞ lower, March $2.19; corn ⅞ to 1⅜ lower, March $1.43¼; oats 1⅛ to 1¼ lower, March 73¾; rye 1 to 1¾ lower, March $1.05¾; soybeans 1¾ to 3⅛ lower, March $2.67, and lard unchanged to 3 cents a hundred pounds lower, March $12.02.

# Ward Employes Approve Strike

## Warehouse, Mail Order Union in Chicago OK's Walkout of 5,000

CHICAGO (INS)—Warehouse and mail order employes of Montgomery Ward & Co. in Chicago have voted to strike to enforce demands for improved working conditions.

About 1,500 members of Local 743, warehouse and mail order employes, an affiliate of the AFL teamsters unit, unanimously authorized a strike yesterday. No date was set for the walkout, which would affect some 5,000 Chicago employes.

**Similar strike votes are expected to be taken in 10 other cities where Ward's has branches. In all a total of 20,000 employes would be affected.**

Ward currently is in the midst of a battle for control between the present board chairman, Sewell L. Avery, and Louis E. Wolfson, New York and Florida financier.

The international union holds some $2 million stock in Wards, but local President Donald Peters said the international was not taking sides in the management battle.

Karel Capek, a Czech writer, first used the word "robot" in his plays to describe his mechanical characters without souls.

# Stocks Staging Quiet Decline

NEW YORK (AP)—Stocks declined today in a rather quiet manner.

It was a continuation in modified form of the severe declines of last week which carried the Associated Press average of 60 stocks down in its greatest slide of the past 15 years.

Losses today were moderate. Only a handful of key stocks dropped a point or more. Small plus signs dotted the list.

A concentration of gains put the radio-televisions ahead. Coppers were unchanged to higher. In the lower class were steels, aircrafts, motors, utilities railroads, oils, airlines, and motion pictures.

Going lower were U.S. Steel, Chrysler, Goodrich, Douglas Aircraft, Radio Corp., American Telephone, DuPont, American Can, New York Central, Royal Dutch Petroleum, and Pan American World Airways.

Higher were United Air Lines, Kennecott Copper, Air Reduction, Goodyear, Boeing, Distillers Corp., Philco, and Zenith Radio.

# Split Economy Reports Issued

## GOP Senators Declare Nation in Good Shape; Oppose Dem Majority

WASHINGTON (AP) — Senators Watkins (R-Utah) and Goldwater (R-Ariz) declared today the nation's economy is showing "a healthy vitality." They thus countered Democratic claims that recovery from a 1954 business recession has been slow.

The two Republicans filed minority views to a Senate-House Economic Committee report which said that while business has been improving since last year, there is "unevenness in this advance and certain regions and industries continue to be in very serious economic straits."

* * *

Watkins and Goldwater, although subscribing to these findings, said in their supplemental report things are not so bad as committee Democrats painted them in separate views of their own.

The committee report was issued after a behind-the-scenes Republican vs. Democrat dispute over proposed wording in a draft prepared by Chairman Douglas (D-Ill). The upshot of the argument was deletion of some criticism of President Eisenhower's policies and some pessimistic forecasts. And both sides drew up separate reports pointing up their divergent views.

* * *

Seven committee Democrats joined in a statement that said there was still (1) a "disturbing level of unemployment," (2) risk of a "prince and pauper economy" if distressed areas do not get early aid and (3) a "growing squeeze upon small business." They said also they were "disturbed by the drag which reduced farm income places upon the economy as a whole."

# Royal Oak Residents Casting School Vote

ROYAL OAK — Voters go to the polls today to decide whether to authorize a four and a half million dollar high school, a 900-thousand dollar modernization of the present high school and one and a half million dollar addition to elementary school facilities.

The new high school would be built on Coroks Road north of 13 Mile. School officials point out that since 1946 enrollment in Royal Oak public schools has climbed from 6,463 to 13,939.
