Dulles Reveals Major Buildup by Red Chinese

Says Communists Now Better Able to Launch Attack on Chiang

AUGUSTA, Ga. (AP)—President Eisenhower has received intelligence information that the Chinese Communists are engaged in "an extensive buildup" of Red airpower opposite Formosa, which the United States is committed to defend.

Announcing this at Augusta yesterday after a conference with the President, Secretary of State Dulles told newsmen the buildup has "grave implications."

He described it as:

1. "More intense and more broad in its scope" than the United States had been aware of until a few days ago.

2. A buildup which "indicates a higher degree of capability" on the part of the Communists to launch an attack "than we had been aware of a few weeks ago."

In a formal statement after a two-hour meeting with the President, Dulles said:

"In relation to China, we discussed the grave implications of an extensive buildup, now in progress, by the Chinese Communists of offensive airpower on the China mainland opposite Formosa."

Dulles' elaboration on the buildup came at a brief news conference at a hotel, after he had left the chief executive's vacation headquarters at the Augusta National Golf Club.

His remarks and his prepared statement, which was approved by Eisenhower, stirred new interest in a prediction attributed last month to Adm. Robert B. Carney that the Reds would be capable of launching an assault on the Chinese Nationalist Matsu Islands by April 15.

The prediction the Communists would be set for an attack on Quemoy, a mother off-shore island, about May 15 was also attributed to Carney.

Supervisors Tentatively OK County Budget

The Oakland County Board of Supervisors this morning gave tentative approval to a \$7,826,763 county budget for 1956.

The figure is \$1,136,354 higher than the sum allotted to cover this year's operations.

Some \$6,000,000 is slated to be raised from taxation, with the remaining \$1,786,353 expected from fees for county services.

It is now up to the Tax Allocation Board to decide what tax rate is required to bring in the needed amount.

The sum set aside for salaries is hiked from \$3,303,677 this year to \$3,743,321. This includes pay to new personnel and regular merit wage increases.

Expense, not including salaries, of operating 22 departments, 5 institutions and 10 special funds is set at \$3,417,263, compared with \$2,885,666 this year.

The budget will not receive final approval until the supervisors' September meeting.

Graham Calls Scotland 'Harvest Field' for God

GLASGOW (INS) — Evangelist Billy Graham told a Scottish congregation yesterday that their country is a "harvest field for Christ."

The American minister said his all-Scotland crusade "has joined people out of their indifference" with the result that "people talked about religion now."

Graham spoke at the Portland Church in Troon, Ayrshire.

Governor Heads East

TRACING TRIP ON MAP—Gov. G. Mennen Williams of Michigan traces his Middle East tour on an airline map shortly before leaving Idlewild Airport yesterday. The state's chief executive will visit Turkey, Lebanon, Jordan, Syria and Israel on the two-week trip.

Polio Shots for Children Scheduled to Start Tuesday

Oakland County school children will get their polio shots as originally scheduled, starting with two clinics in Rochester School District tomorrow.

Dr. John D. Monroe, county health director, said this morning that supplies of the vaccine have been received here, and that the oft-changed program will proceed as planned.

"After all the confusion," Dr. Monroe said, "it seems we can finally begin the shots, just as we had planned. It's a relief to know we won't have to revise the whole schedule."

2nd Vice Trial Begins Today

Ex-Prosecutor Faces Court in Gun Death of A. L. Patterson

BIRMINGHAM, Ala. (AP)—Former Prosecuting Atty. Arch Ferrell's murder trial was called on schedule today, though the presiding judge still must rule on a defense motion for postponement.

Ferrell, who rose to power during the heyday of vice in wide-open Phenix City, is the second of three defendants to be summoned into court for the slaying of Alabama Atty. Gen. Nominee A. L. Patterson.

Defense attorneys filed a motion for continuance last week, complaining that the 34-year-old ousted public official cannot get a fair trial in Birmingham at this time.

Special Judge J. Russell McElroy heard witnesses for two days but delayed a decision until prospective jurors are questioned on that point today.

One defendant, former Chief Deputy Sheriff Albert Fuller, has already been convicted of the Patterson murder and sentenced to life imprisonment. A motion for a new trial has been filed.

Former Alabama Atty. Gen. St. Garrett also is under indictment for the slaying of the crippled ex-state senator who would have become attorney general at the expiration of Garrett's term in January this year.

Patterson won the Democratic nomination for attorney general on a pledge to drive gamblers and gangsters out of Phenix City. He was shot to death outside his law office there last June 18.

Nagy 'Resigns' Premier's Post in Red Hungary

Ouster Expected Since He Dropped From View in February

VIENNA (INS) — Imre Nagy, champion of consumer production but accused of "rightwing deviationism," was ousted today as Premier of Hungary.

The official government announcement, broadcast by Budapest radio, said Nagy's "resignation" was accepted unanimously by the Hungarian Parliament. Shortly thereafter, the Parliament named Andras Hegedues, first deputy premier, as the new Premier.

Hegedues had been acting Premier since Nagy disappeared from public life in February.

The 58-year-old Nagy also was expelled from the political committee of the Hungarian Workers (Communist) party along with Mihaly Farkas, a secretary of the party.

Joseph Mekis took Hegedues' place as first deputy premier as well as Farkas' position on the Politburo. Nagy was replaced on the Politburo by Istvan Kovacs. The dismissal of Nagy was forecast as early as March 9, when the Communist Party published a resolution condemning him for "deviations to the right."

The resolution accused Nagy of "anti-Marxist and anti-Leninist policies" and said he had committed "serious damage" to the party and its efforts to "build up" communism.

Nagy was charged in the resolution with trying to "slow down the tempo of . . . industrialization."

The March attack was led by Matyas Rakosi, who was replaced as Premier by Nagy in 1953. Last October, Nagy blamed Rakosi for "over industrializing" the country while failing to provide for consumer needs.

The theme of Rakosi's counter-attack was that heavy industry was being sacrificed at the expense of "bourgeois" consumer demand.

Nagy's dismissal follows the pattern set in the removal of Georgi Malenkov as Premier of the Soviet Union.

Soviet farm difficulties were blamed on Malenkov, and emphasis was placed by his successor, Marshal Nikolai Bulganin, on heavy industry.

Truman on Einstein: 'World's Loss Great'

WASHINGTON (INS) — Former President Harry S. Truman said today that the world and the U.S. "suffered a great loss" in the death of Dr. Albert Einstein.

Truman was informed of Einstein's death as he waited to testify before the Senate Foreign Relations Committee on United Nations charter revisions. The ex-president said:

"I am sorry as I can be to hear of it. His family has my sympathy. The world and the country has suffered a great loss."

Atom Wizzard Dies at Princeton

SUCCUMBS AT 76—World-renowned physicist, Dr. Albert Einstein, who became internationally famous at 26 for his theory of relativity, died today after a four-day illness.

He astounded the world with his theory of relativity when he was 26 and later was instrumental in developing of the first atomic bomb.

Accidents Kill 21 Over Weekend

Four Die in Smashup Sunday on U.S. 12 Near Battle Creek

Accidents claimed 21 lives, four of them in one traffic smashup, in Michigan over a warm, sunny weekend.

Traffic accounted for 17 deaths and drowning for four.

The four-death smashup occurred on U. S. 12, three miles east of Battle Creek Sunday. In addition to those killed, the two-car collision left a fifth person in critical condition. She is Lucille Hicks, 27, of Battle Creek.

State Trooper William Cram said the smashup was one of the worst he had seen. He said the two cars collided head-on on a two-lane, black top section of U. S. 12 which curves and dips slightly.

Those killed were Charles Edward Williams, 38; Roscoe Hughes, 30; Lawrence H. Buys, 20, and Joan Smith, 17, all of Battle Creek.

Other fatalities included: Homer Bruneau, 41, of Hancock, and Joseph Sylvester, 41, of Houghton; Richard Sharrow, 26, of Houghton; Max J. Howland, 34, of Jackson; Elton Parks, 12, of Shepherd.

Walkouts Idle Thousands; More Strikes Threatened

Chances of settling the 36-day-old Louisville and Nashville Railroad strike looked a little brighter today, but the equally prolonged Southern Bell Telephone and Telegraph Co. walkout remained stalemated.

And in St. Louis a new strike was added to the national list early today by some 1,500 of the 1,800 employees at the John F. Queeny plant of Monsanto Chemical Co.

Midnight shift employees refused to cross picket lines set up by Local 16 International Chemical Workers Union after they said their contract had expired.

Observers in New England called it partial capitulation in the ranks, as workers in five Maine textile mills voted to accept reductions in fringe benefits contingent on agreement of other demands.

But management let a union-set midnight deadline go by without comment.

The textile workers are part of some 23,000 on strike in 24 New England mills over pay cuts and fringe benefits.

A walkout affecting 9,300 International Union of Electrical Workers (CIO) of Local 450 at the Sperry Gyroscope Co. was approved by a vote yesterday. The strike becomes effective at midnight tonight.

A union spokesman said the strike would close down Sperry's Lake Success, N.Y., plant which employs some 15,000 workers.

In other weekend labor developments, a temporary court order halted a wildcat railroad strike in Buffalo, N. Y., which had idled 19,400. Some 400 conductors and brakemen of the South Buffalo Railway, a freight switching line, had walked out Friday over a contract dispute.

The walkout forced the closing of the nearby Lackawanna plant of Bethlehem Steel Co., idling 18,000. An additional 1,000 railway workers were idled.

Only Intimates Knew Physicist Was in Hospital

Gall Bladder Disorder Fatal to Mathematical Genius This Morning

PRINCETON, N. J. (AP)—Albert Einstein, who became internationally famous at 26 for his theory of relativity, died today after a four-day illness.

The 76-year-old scientist died at Princeton Hospital at 1:15 a. m. of inflammation of the gall bladder. A man who shunned publicity, he had entered the hospital Friday with only his intimates knowing he was ill.

The shy, white-haired scholar was credited with making possible the atomic bomb by disclosing a small quantity of matter could produce vast amounts of energy.

Einstein stood as probably the foremost theoretical mathematician and physicist in the world.

As recently as 1950, he published a monumental mathematical treatise, the unified field theory. This was hailed as a daring type of mathematics which sought to describe the forces of the universe in a set of equations.

At the time of his death, Einstein was a professor emeritus at the Institute for Advanced Study, comprised of world-famous scholars and headed by Dr. Robert Oppenheimer.

During his late years, he was outspoken in many causes far removed from the realm of theoretical physics.

On several occasions he advised witnesses called before congressional subcommittee investigations committees that they had a duty to refuse to answer questions.

Einstein asked the President for commutation of the death sentence of Julius and Ethel Rosenberg, who were executed as atom spies. He said he had to take the stands because of "my passionate sense of social justice and social responsibilities."

The quiet, unpretentious wizard of mathematics and physics spent his lifetime searching for a unified mathematical concept of the laws that govern the universe.

Born in Ulm, Germany, March 14, 1879, of middle class Jewish parents, he was swept to international fame by the theory of relativity which he devised at the age of 26.

A revolutionary idea, it added a fourth dimension, time, to the trio — length, breadth and width — which had formed man's basic knowledge of the measurement of matter. It also astounded scientists by disputing Newton's law of gravitation.

It was Einstein's disclosure, many years ago, that a small quantity of matter could produce astronomical quantities of energy, which was so spectacularly proved when the first atomic bomb exploded.

He received the Nobel Prize in physics in 1921 and the world heaped honors and adulation upon the modest scientist, who pleaded:

"Let every man be respected as an individual and no man idolized. It is an irony of fate that I myself have been the recipient of excessive admiration and respect from my fellows through no fault of my own."

A professor emeritus of the Institute for Advanced Study at Princeton, Einstein spent the last (Continued on Page 2, Col. 4)

Waterford Township Tot Drowns in Pond

A 2½-year-old boy drowned Saturday night when he apparently fell into a large pond in the back yard of his home at 431 Hickory Lane, Waterford Township.

The victim, Richard Sanderson Jr., son of Mr. and Mrs. Richard Sanderson Sr., was dead on arrival at Pontiac General Hospital despite efforts by Waterford Township firemen to revive him with an inhalator.

Police Chief Frank Van Atta said the tot's father found him close to the water's edge at 7:15 p. m. The pond is about 3 feet deep, Van Atta estimated.

The boy, who was missing only a few minutes, was pronounced dead at the scene by Deputy Coroner Leon F. Cobb.

Funeral service will be held tomorrow at 3 p. m. at Hutton Funeral Home with burial in Perry Mount Park Cemetery.

'Fort Ziegenhardt' Changes Hands Again

Fort Ziegenhardt, scene of several battles and the wellspring of a 20-year legal ruckus, has changed hands again.

Lapeer attorney Mrs. Grace White has sold the 240-acre farm she acquired for \$13,500 at a court sale in 1948 for the reported sum of \$45,000.

Purchaser is Mrs. Clara Connor, of Omer, Her son, Alvin Bliss, will manage it.

The history of the much-publicized case dates back to the failure in 1935 of the Lapeer County Farmers Mutual Fire Insurance Assn.

It has seen sheriffs and their deputies mauled and threatened in attempts to evict the aged owners, Chris and Paul Ziegenhardt, who bought the land in 1913.

The ramshackle farmhouse has seen more carry-outs than a corner drive-in.

Dumped over the property line by sheriff's deputies and state police troopers, the pair returned by night to set up housekeeping, with the assistance of friendly neighbors.

The fistcuffs and manhandling of law officers brought jail sentences to some participating farmers. Their leader, Detroit Clayton C. Gilliland, is still appealing a December, 1953, conviction for conspiracy to obstruct justice.

Although they appealed the case to the state Supreme Court, the pair lost their farm when they failed to pay a \$280 assessment for their share of the liabilities of the defunct insurance association.

They spent many times the \$280 in court and attorney fees in the legal shenanigans over the years.

When Mrs. White finally took possession, and rented the farm to tenants, the new farm dwellers were "spooked" off the land by supporters of the Ziegenhardts.

Mrs. White was granted \$3,750 by a Lapeer County Circuit Court jury for rent on the property while the brothers continued to remain there. Recently established tenants have remained on the scene for about a year, and rebuilt portions of the barn-like house.

A minor concession was made by the brothers in December, when they paid \$1,400 to satisfy a judgment against an adjacent 100-acre farm they owned. This has since been sold for \$25,000.

Temporarily at rest after 20 years of trouble, the colorful history of "Fort Ziegenhardt" and the residents of the area await the next legal maneuver that will bring the spotlight of publicity and notoriety to their farming community.

Trooper Is Promoted
 ROMEO — Trooper Lincoln Dyert of the Romeo State Police Post has been promoted to corporal, and assigned to the Centerline post.

IN HAPPIER DAYS — Chris Ziegenhardt nails up a loose board on an outbuilding at his "Fort Ziegenhardt" home before one of several evictions. The refusal of Chris and his brother Paul to pay an \$280 assessment after the failure of a mutual fire insurance company in 1935 touched off a 20-year legal

ruckus. The farm was sold to Lapeer Attorney Mrs. Grace White to satisfy the judgment. The brothers and friends resisted several evictions, but finally were removed, and now Mrs. White has sold the 240-acre farm for \$45,000.

Board Approves Rezoning of Lot

Detroit Edison Co. Plans to Build Relay Station on West Maple

WEST BLOOMFIELD TOWNSHIP — The township board has approved rezoning a residential lot on West Maple road near Orchard Lake Road.

It was reclassified to business usage. The Detroit Edison Co. plans to build a relay station there.

The township's participation in chloriding roads also was discussed at this week's meeting, but action was tabled until the next meeting.

The township clerk was authorized to approve the plat of Pine Center No. 1 subdivision, at Mid-diebelt and Long Lake Rds.

In other action, the board bonded the township treasurer for \$10,000 and the clerk for \$1,000. The Community National Bank and the Pontiac State Bank were designated as township depositories.

Will Feature Albion Band Milford Concert Sunday to Offer Finest in Music

MILFORD — The annual spring tour of the Albion College Band and Orchestra begins with a concert Sunday afternoon at the Milford High School auditorium.

The Band-Boosters of the Huron Valley Schools are sponsoring this event, in keeping with the policy of providing programs of the best in music literature by recognized performers in this area.

The conductor, Conway Peters, has been directly responsible for many years for keeping Albion College prominent on the musical map.

His programs are consistently built around the proven works of music literature. For pleasing variety, one can always expect an interesting insertion here and there of spicy pop type music, often with an element of surprise.

The Band-Boosters will be host to the Albion group, for a 1 p.m. dinner at the Milford Methodist Church.

The concert is scheduled for 2:30 p.m. Tickets may be purchased at the door and there is a special bargain rate for family groups.

This is the first time the group has appeared in this area.

The best twelve singers from the seven schools in the league make up the special chorus.

Participating schools are Clarkston, Clarenceville, Milford, Brighton, Northville, Holly and West Bloomfield.

The program will include solos, barbershop harmony, and a flute solo.

Detroit Helps Youth Group With Church Gift

WALLED LAKE — The new carpeting on the floor of Walled Lake Methodist Church is the gift of the Youth Fellowship and Bernard F. Lasky of Detroit, worshippers learned at the Easter services.

Lasky, a member of the Detroit Board of Parks and Recreation, spent several summers recuperating from polio in the then tiny summer resort. He has remembered with affection the many friends he made in his youth.

Learning that the youth group of the church was attempting to purchase carpeting, Lasky volunteered to supply half of what was needed in appreciation of the pleasant summer months of his childhood.

Youngsters Get 1st Polio Shots

Lower Grades in South Line Up for Vaccine as Mass Assault Starts

Hundreds of thousands of youngsters received their first inoculations of Salk anti-polio vaccine today as the biggest mass assault on disease in history got under way.

The first and second graders from Tallahassee, Fla., to Los Angeles, Calif., trooped to distribution centers to begin the nationwide mass inoculation program.

But delayed shipments of the vaccine forced other states and cities to cancel plans to start giving their children protection against infantile paralysis this week.

Health Department officials explained that many areas, particularly in the north, would have to wait because first priority was being given to children in the southeast and southwest, where polio strikes earlier in the year.

Most officials received the news of delay without complaint. But in San Francisco, Health Director Ellis D. Sox said the National Foundation for Infantile Paralysis was handling the mass inoculation program "like a soap opera . . . changing the ground rules so you don't know where you stand."

In Washington, Sen. Lister Hill (D-Ala.) asked President Eisenhower to take emergency action to make sure that short supply of the vaccine will not result in a black market.

The giant vaccination program was ordered by the foundation in order to provide the children whose ages make them most susceptible to polio with protection before summer weather ushers in the infantile paralysis season.

Parents, Sister Hit by Shotgun Wielder

TRAVERSE CITY, Mich. — Glenn Ingersoll, 36, of Cedar Springs, was held today for investigation in the shotgun wounding of his father, mother and 11-year-old sister.

Police said the shooting occurred Saturday night at the father's farm home in Kalkaska County, following a family argument.

Wounded was the father, Henry, 58; the mother, Jennie, 52, and sister, Dorothy.

Police quoted Ingersoll as saying the gun discharged accidentally when he and his father tussled for the weapon.

Ingersoll got his gun and fired a warning shot into the ceiling when he believed his father was choking his mother, police said.

Two Drivers Are Hurt When Cars Collide

Two drivers were injured Sunday night when their autos collided on the Dixie highway just north of M15.

Treated for cuts and bruises at Pontiac General Hospital were Stewart Heard, 43, of 583 N. Perry St., and James Pelt, 40, of Bay City.

State Police of the Pontiac post quoted Pelt, who was driving south on US 10, as saying Heard's car was standing crosswise in the two southbound lanes as he came over a hill.

Pelt said as he started to pass in front of Heard in a northbound lane, Heard's car suddenly started. Heard's car struck Pelt's auto in the right front fender.

Believe Prayers Helping Sleeping Sickness Victim

CHICAGO — A young suburban couple believes the prayers of neighbors are helping their 6-year-old, brown-eyed daughter to recover from sleeping sickness.

The child, Gayle Russell, lies in a coma at Lutheran Deaconess Hospital. Eyes open, she stares at her parents but does not recognize them. She screams and cannot eat.

But she is beginning to move her arms and legs. Two weeks ago they were completely paralyzed. She was given a 50-50 chance to live. Now, the doctors say, the odds have improved.

Polio Shots Start in County Tuesday

(Continued From Page One)

Medical Society who will donate their services to administer the shots, plus more than a thousand volunteer workers, will turn out as scheduled for the program here.

The two 9 a.m. clinics at Rochester and Brooklands will start the ball rolling tomorrow, and clinics are scheduled at most other rural county schools Wednesday. Children in the cities of south Oakland County will get their shots Saturday.

Clinics for children in Pontiac and Waterford Township schools will be held Saturday, May 7.

Getting the shots will be all first and second graders, plus more than 8,000 who participated in last year's field tests but received the inert control substance instead of the vaccine.

Two shots, the second scheduled approximately one month after the first, will be given free. The third, or booster shot, is due about seven months after the second, and presumably will be at the option, and expense, of parents.

These changes from last year, when the three-shot series was given in a six-week period, are in line with recommendations made by Dr. Jonas E. Salk, who developed the successful polio vaccine.

First and second grade children in 17 Michigan counties started receiving the vaccine today.

Dr. F. S. Leeder of the State Health Department said Genesee County was the first to receive the vaccine when it was made available at the State Health Department laboratories Sunday noon.

Three Persons Injured in Auto Collision Here

Three persons were injured Saturday in a 2-car collision at Huron and Johnson Sts., according to Pontiac Police.

Mrs. Margaret D. Parks, 37, of 87 Thorpe St., was admitted to St. Joseph General Hospital after suffering a broken right leg. She had been a passenger in an auto driven by Mrs. Marjorie Hetherington, 48, of 91 Thorpe St., who suffered bruises. Carrie Stockman, 78, of 25 Cochran Pl., passenger with his son, Harry E., 54, of Freesoll, Mich., was treated for rib injury.

Pontiac Police quoted Stockman as saying he attempted a left turn in front of Mrs. Hetherington's auto.

Pontiac Deaths

Jesse Hightower

Funeral service for Jesse Hightower, 69, of 82 Hess St., will be Wednesday at 2 p.m. from New Hope Baptist Church, the Rev. Ford B. Reed, officiating. He died Saturday in Pontiac General Hospital after a year's illness.

The son of Mr. and Mrs. Charles Hightower, he was born in Marianna, Ark., and married Eula Pearl Tabbs in Pontiac in 1923. After attending schools in Arkansas, he came to Pontiac 38 years ago.

Surviving besides his widow are two daughters, Mrs. Rosie Lee Jenkins of Pontiac and Mrs. Leney Wiggins of Marianna. Also surviving is a sister, Mrs. Annie Johnson of St. Louis, Mo.

Burial will be in Oak Hill Cemetery.

Mrs. Earl D. Hull

Mrs. Earl D. (Maude M.) Hull, 71, of 1712 Cass Lake Rd., died yesterday in Pontiac General Hospital after a 2½-year illness.

Born and educated in Wales Township, she was the daughter of Robert and Marrietta Lashbrook Storey and was married March 24, 1913.

A Pontiac resident from 1913 to 1935, she had lived in Keego Harbor since then.

Surviving besides her husband are a son, James Storey Hull of Waterford, a brother, Nathan of Emmett, and a sister, Mrs. Orpha Bailey of Montana.

Service will be Wednesday at 1:30 p.m. from Huntoon Funeral Home. Burial will follow in Oak Hill Cemetery.

James Paramo

James Paramo, 39, 204 Franklin Rd., died Saturday in University Hospital at Ann Arbor after a three-month illness.

Born in Mexico, he was the son of Frank and Eulalia Paramo and married Lue Rodriguez in Saginaw in 1936.

A member of St. Vincent de Paul Church, he attended schools in Saginaw before coming here 15 years ago. He was last employed as a barber and had served as seaman second class in the Navy during World War II. He belonged to Wilson School PTA and played on the Azepece baseball team.

Surviving besides his widow and parents are four children, Nela, Dennis, Robert and Richard, all at home.

Also surviving are four sisters, Lolo of Mexico, Mrs. Mary Nerio and Mrs. Marceline Garcia of Saginaw, Mrs. Pauline Zuniga of Berkeley, and two brothers, Manuel of Pontiac and Cpl. Phillip, with the Army in Japan.

Rosary service will be Tuesday at Melvin A. Schutt Funeral Home at 8:30 p.m. Funeral service will be Wednesday at 10 a.m. from St. Vincent de Paul Church, with burial following in Mt. Hope Cemetery.

Youth Badly Hurt in Head-On Crash

A 19-year-old Detroit was reported in critical condition at Pontiac General Hospital today following a head-on crash on M59 in White Lake Township yesterday.

The youth, Donald Noel, was a passenger in an auto driven by Eugene Furgerson, 35, also of Detroit.

According to witnesses quoted by Brighton Post State Police, Furgerson's car smashed head-on with one driven by Herman Albert, 34, of River Junction.

Witnesses said Albert swerved from the eastbound lane to avoid crashing into two slow-moving cars in his own lane.

Furgerson is in fair condition and Albert is in good condition, according to the hospital. A passenger in Albert's car, Jacqueline Hirtica, 22, of Port Huron, is also reported in good condition.

Driver Is Injured

Edwin Ketterer, 28, of Rochester, was treated at Pontiac General Hospital Sunday morning after his car rolled over on Walton boulevard near Squirrel road, Oakland County Sheriff's deputies said. He stated he lost control on a curve.

Sees Prolonged Atomic Warfare

Adm. Carney Scoffs at Idea That Fight Would Last Only Minutes

KANSAS CITY, Mo. — Adm. Robert B. Carney, chief of naval operations, said today he does not subscribe to the belief that in event of an atomic war "it would be all over in a few minutes."

In an address prepared for the Armed Forces Council here, Carney declared:

"I do not believe this is true no matter how terrible the destruction might be. I say this because I do not believe that tough people, on either side, are likely to give up as long as they have anything left to fight with. For that reason the possibility of a dragged-out conflict must be reckoned with."

"Consequently, I believe we must not let the initial phases of an atomic struggle bedevil our thinking. Our plans must go beyond an atomic cataclysm with the strongest sense of emphasis and determination that even under those unthinkable conditions, free men still will fight to keep friendly territory and the seas from falling into the hands of an enemy."

Carney stressed it is the Navy's mission to keep open the sea lanes to U.S. allies and to American forces abroad. He said "nearly 25 per cent of our Army ground strength is deployed in Europe" and the Air Force has forces from Greenland to North Africa. If the Atlantic Sea chain ever was broken, Carney added, "NATO and the security of the Western Hemisphere would be gravely imperiled."

Dr. Albert Einstein Dies in New Jersey

(Continued From Page One)

years of his life in the university community.

He came to Princeton as a life-time member of the institute in 1933, a voluntary exile from his native Germany, where the Nazis listed him as "an enemy of the state."

During recent years, Einstein took stands on issues far removed from the realm of theoretical physics. He said he was compelled to do so by his "passionate sense of social justice and social responsibility."

An ardent Zionist, Einstein was among those who, after World War II urged the free entry of Jews into Palestine and establishment of a democratic Jewish commonwealth in that country.

In a message to the World College of Intellectuals at Warsaw in 1948, Einstein advocated a "supranational organization" to own what he called "horrible weapons" devised in recent years.

In a foreword to a book by Henry Wallace, "Toward World Peace," Einstein described the 1948 presidential candidate as a man who "can save us from the threatening domestic and international situation."

The life of this amazing intellectual giant was simple and modest. His disdain for personal glory and material gain were almost a legend. His baggy-clad figure, a pipe perpetually in his mouth, and his long shaggy white hair and moustache, made him instantly recognizable almost anywhere in the world.

In his leisure Einstein loved to play the violin and to go sailing. He was a familiar figure walking in the streets of Princeton where he made purchases in the local stores, and nodded "good mornings" as he went.

Einstein was married twice, first in 1903 to Mileva Maric, a Serbian Catholic whom he later divorced. They had two sons, Albert and Edward. The second marriage, in 1919, was to Elsa Einstein, his first cousin, who bore him two daughters, Ilse, who died in 1936, and Margot.

After his second wife's death in 1936, Einstein lived a secluded life in Princeton with his daughter Margot, and his housekeeper-secretary, Miss Helen Dukas.

Less Language, More Meaning Government Aim

WASHINGTON (INS)—The government is cracking down on its own monster—"gobbledygook."

"Gobbledygook," known to all who have ever done business with the government, is misuse and over-use of language beyond all hope of comprehension.

A new publication called "Plain Letters" is to guide all federal employees.

Some tips, for example, are: say "trouble" instead of "encounter difficulty"; "hurry" rather than "expedite," and let's just forget "predicated on the assumption."

Loss Hits \$300,000 in High School Fire

THREE RIVERS (UP)—Fire of undetermined origin caused an estimated \$300,000 damage to the 22-room Three Rivers High School yesterday, school officials said today.

The officials said classes would be recessed today but would resume tomorrow.

The fire, discovered by a passing motorist, was battled by fire units from Three Rivers, Sturgis and Centerville for 90 minutes before it was brought under control. But the roof and the top floor of the 50-year-old school collapsed onto the first floor before firemen were able to control the blaze.

Supt. of Schools Walter Horst said sections of the school erected in 1920 and 1933 were not damaged by the blaze.

Fishing Boat Sunk, 5 Saved by Cruiser

DETROIT (UP)—A 35-foot cabin cruiser rammed and sank a 16-foot fishing boat on Lake St. Clair yesterday dunking five persons in the chilly water. No one was injured.

The five were Mrs. Mary Bacarella, 40; her three sons, Joseph 19, Peter Jr., 14, and John, 13, and Miss Beverly Eblen, 19. All are of Detroit.

Police said the cruiser was owned and operated by Wallace S. Gerlach, a Mount Clemens insurance broker. They quoted Gerlach as saying he was heading into the sun and failed to see the smaller craft.

The five were pulled from the lake into Gerlach's cruiser.

County Assessors Plan Meeting Wednesday

The Oakland County Assn. of Assessing Officers will hold its annual meeting April 20 at 6:30 p.m. in the Hotel Waldron here.

A four-man nominating committee will report a slate of officers for next year. Alger Zapf, Royal Oak assessor and president of the Michigan Municipal Assessors Assn., will be guest speaker.

Schoolmarm Shuns Veils

Jordan King, 20, to Wed New Kind of Arab Queen

AMMAN, Jordan — Young King Hussein is bringing something new in Arab queens to the Jordan throne.

Hussein, 20, is a king who pilots his own plane to troubleshoots in his desert country, or whizzes there behind the wheel of his own fast automobile. Tomorrow he marries Princess Dina Abdul Hamid, 25. She is a distant cousin and a teacher of English literature at the University of Cairo. She holds a master's degree from Cambridge University.

Dina and Hussein met while attending school in England.

Dina will be Jordan's first queen with an advanced education, the first to have had a career of her own and the first to appear in the country without the traditional veil.

A pretty black-eyed Egyptian girl, Dina's modern way of living is bound to have a powerful influence on social customs in Jordan, where last summer Moslem fanatics threw acid on women who wore short sleeves on the streets of Amman.

Hussein's marriage to a modern girl is in line with the principles he has followed since assuming the throne in 1952. Instead of wearing the Arab robes of his ancestors, Hussein sports a smart Arab Legion uniform or well-tailored Western suits.

Two Detroiters Held in Narcotics Death

DETROIT (INS)—Two Detroit men are held today in connection with the death of a dope addict who homicide detectives think may have been killed in an underworld narcotics feud.

The body of Howard E. Helmick, 38, a known dope seller and addict, was found yesterday.

Held are Alfred Alvarez, 21, and Ronald Whitaker, 38, who told police Helmick came to their residence early last Saturday and that all three had taken a "shot" of narcotics.

Top Brass Set for March Rites

High Military Officials to Pay Tribute Today at General's Funeral

WASHINGTON (INS)—Full military honors including a flight of jets overhead were scheduled today for the funeral of Gen. Peyton C. March, World War I chief of staff who died last week at the age of 90.

Vice President Richard Nixon was to represent President Eisenhower at the Arlington National Cemetery ceremonies, while House Speaker Sam Rayburn (D-Tex) was to head a congressional delegation at the service.

Generals Douglas MacArthur, George C. Marshall and Omar N. Bradley, officers who served under March in the first global conflict, and Gen. Robert Wood and Bernard Baruch, industrialist, were among the honorary pallbearers.

March, almost forgotten since his retirement in 1921, died Wednesday. He was to be buried at 11 a.m. on a hilltop overlooking the Potomac, near the graves of President William Howard Taft, Air Force General Hoyt Vandenberg, Robert Todd Lincoln, Defense Secretary James Forrestal and other one-time national figures.

A flight of 14 F-84 jet fighters was to be made over the funeral cortege, which was to include a ridership horse with stirrups turned backwards and a horse-drawn caisson bearing the casket, in the tradition of military services.

A special honor guard including Army Gen. John E. Hull, just retired as commander-in-chief for the Far East, was to walk behind the caisson in an unusual Army-Navy-Air Force-Marine Corps tribute to March's World War I achievements.

Others named for the high-ranking honor guard were Gen. Lemuel C. Shepherd, commandant of the Marine Corps; Adm. D. B. Duncan, vice chief of naval operations; and Gen. Thomas D. White, vice chief of staff for the Air Force.

Two Motorcyclists Hurt in Separate Accidents

Two motorcycle drivers were treated at Pontiac General Hospital Sunday night after both were injured in separate accidents, according to Waterford Township Police.

Gordon W. Hogarth, 26, of Detroit, suffered cuts and bruises when his bike crashed into the side of an auto driven by Kathina C. Marages, 18, of 538 Union Lake Rd. Police said Hogarth attempted to pass Miss Marages' auto while she was making a turn at M59 and Williams Lake Rds.

Raymond J. Zoellner, 17, of Detroit, also suffered cuts and bruises after his motorcycle hit the rear of an auto driven by Arthur M. Nelson, 39, of Royal Oak, at M59 near Cass Lake road.

The Day in Birmingham City Dog Ruling Looms as Bait for Controversy

BIRMINGHAM—The city's dog ordinance, praised as often as it is criticized, may be up for spotlight discussion at tonight's City Commission meeting.

Bait for the lawmakers is a letter complaining of a discovery that "Birmingham (dog pond) is charging six times as much as anyone else" in the surrounding area, for release of an impounded dog.

Another issue to be taken up concerns the possible purchase of property on the west side of Etzel road between Cole and Hazel streets, to serve as a screened area for separation of residential land and industrial property.

An average assessment of \$400 per building site to benefit property owners will be the price estimated by City Manager Donald C. Egbert.

In a request from a citizens organization, the new commission will be asked to dedicate Shain Park as a permanent park.

General health problems and habits will be discussed by Dr. John B. Hassberger, local pediatrician, when Baldwin School PTA meets at the school auditorium at 8 tonight.

He will give factual information on polio serum, followed by a brief talk from Mrs. Howard Kleiman on plans for administering the Salk polio vaccine.

While this ends regular meetings for the year, parents will put on the annual Baldwin School fair for children on May 6. Old and new PTA boards will meet May 16 for installation of new board members.

The Police Department's detective bureau will be sporting the latest thing in police cars from here on in. The two detectives are taking first crack at what is an innovation for the local department, colored autos.

Two new cars, one green and one blue, have been selected by Police Chief Ralph W. Moxley. After the vehicles are broken in they will be used as patrol cars, he said.

Dr. S. P. Jewson, of 1083 E. Maple, is one of more than 3,000 members of the profession attending at the 99th annual meeting of the Michigan State Dental Assn., being held today through Wednesday at the Hotel Statler in Detroit. Jewson is an officer of the association.

An organizational meeting of all young men interested in playing softball here this summer will be held at 7:30 tonight at the YMCA. Players and managers have been invited to attend.

Chairman of the session will be Warren Neville of the Y physical education committee. A six-team league, to play Monday and Thursday evenings, is planned.

Five-year-old Kathy Wild of 3637 Shallowbrook, Bloomfield Hills, was reported in satisfactory condition today at Ford Hospital, following an auto accident Sunday.

City Driver Accused of Leaving Accident

Arnett Fink, 28, of 444 E. Pike St., today was scheduled for Municipal Court arraignment on charges of leaving the scene of an accident and drunk driving after crashing into a police car and striking a parked car in an attempt to flee Saturday, according to Pontiac Police.

Fink was finally apprehended by Waterford Township Police Chief Frank J. Vanatta who was returning to Waterford after leaving a prisoner in the county jail.

Patrolman Joseph W. Swift, 26, said he was traveling south on Oakland avenue when Fink pulled out of a driveway near Clark street and smashed into the patrol car.

Vanatta said he saw Fink's car turn off a side street and strike an auto owned by Richard T. Dean of 78 Poplar St. Vanatta gave chase and apprehended Fink a block further after noting the police car couldn't be driven.

Four Persons Injured in Two-Car Collision

Four persons were injured, none seriously, in a 2-car collision Saturday evening at Auburn and Adams Rds., in Auburn Heights, Oakland County Sheriff's deputies said.

Treated at St. Joseph Mercy Hospital for cuts and bruises were Harry L. Brown, 59, of 7075 Telegraph Rd.; and his passenger, Elford Brown, 49, of 505 Cameron Ave. Injured in the other car were Thomas Foster, 34, and his wife, Geneva, 32, of Rochester.

Foster stated he started across Adams after stopping and was struck by Brown's car. Brown said he was unable to stop in time after topping a rise in the road.

Man in Fair Condition After Car Strikes Tree

Richard Callahan, 34, of Oak Park, was listed in fair condition by St. Joseph Mercy Hospital authorities with injuries received when his car hit a tree early today on Adams road north of Long Lake road.

Oakland County Sheriff's deputies said Callahan apparently fell asleep at the wheel. His car ran off the right side of the road, careened to the left side and rammed the tree head-on.

WHY? Your skin is dry. You use rich creams faithfully, yet there's no relief from flakiness. Why?

WHY? Your skin is oily. You switch from one treatment preparation to another, yet blackheads and blemishes still persist. Why?

BECAUSE! The answer is the same in either case, as Max Factor scientists have now proved. There's a chemical barrier in the skin which keeps creams and lotions "on the outside" looking in—as though they were smoothed on glass! This barrier develops when skin lacks correct pH balance and is either too acid or too alkaline.

Residents of Keego Harbor to Ballot on Incorporation

KEEGO HARBOE—A final decision on the incorporation of a portion of West Bloomfield Township called Keego Harbor is in the hands of the voters who will go to the polls there tomorrow.

They will face a city charter, and a slate of candidates seeking election to newly-created city offices.

A favorable vote on the charter

will complete the incorporation of the area, which began Dec. 14, 1954, when residents elected a charter commission.

If the charter is not approved in tomorrow's voting, no candidates will be elected to office.

Nine residents have filed petitions seeking the five city council posts. They are George Harris, Benjamin E. Covey, Joseph Nichols, Wilma Webb, Chester Wolfe, Samuel Whitmore, Russell Greig, John Loveland, and John Sellman.

Arnold W. Soper and James Southart are seeking the position of justice of the peace, and Glen Munger and Glen E. Smith are both running for the single constable post.

In change there is opportunity

\$4,200 per family—that's the average amount that American families now have in savings accounts, savings bonds and life insurance.

You're helping America set new records for thrift!

Good wages and high employment have given millions of families a better opportunity to build up their security through their own initiative:

- 43 million people own U. S. Savings Bonds
- 75 million people now have savings in banks and other savings institutions
- 93 million people own life insurance. That's 22 million more than in 1945. And the average amount of life insurance owned per family has almost doubled.

Of these and other forms of thrift, the most popular is life insurance, now owned by four out of five families.

These families find that life insurance gives them two basic advantages: it is the *only* way to create an estate instantly, and it is a sound way to build up a cash reserve for emergencies.

Life insurance can help support the family in case of the father's death . . . cover the mortgage . . . help pay for the children's education . . . provide retirement income.

Today, more than half of all life insurance benefits are paid to the *policyholders themselves*. Through these "living benefits," life insurance brings America's families opportunity—as well as security.

Ruth E. Hamlin Becomes Bride of Richard Clark

MRS. DAVID R. CLARK

FARMINGTON—Ruth Ernestine Hamlin and David Richard Clark repeated their wedding vows in the Salem Evangelical and Reformed Church Saturday.

The doubling ceremony was performed by Rev. Richard A. Geiger at 4 p.m.

Mr. and Mrs. Delos F. Hamlin Sr. are the parents of the bride. The bridegroom's parents are Mr. and Mrs. Glenn D. Clark of St. Joseph.

A floor-length gown with a bodice and skirt of white Chantilly lace over nylon tulle was the bride's choice for the event. It had a boat neckline, and long pointed sleeves of lace.

Sister of the bride Jane Hamlin was maid of honor, with Mrs. Fred Hamlin and Mrs. William Evans as bridesmaids.

William Evans served the bridegroom as best man, and Arnold Newman and Lt. Fred Hamlin Jr. seated the guests.

After a reception in the church parlors, the couple left for a trip to Northern Michigan.

The three other workshops of the series are slated for May, September, and October.

Sign Final Contracts for New High School

MILFORD—Final contracts were signed by the Huron Valley Board of Education Thursday night, for construction of the new \$1,250,000 high school to be erected on the North Milford road.

Architects Louis Kingscott & Associates of Kalamazoo were awarded the contract, and arrangements for immediate action were made at the meeting. Sketches will be presented at a special meeting.

So far, the board of education has not made any specific bid for the proposed building site, although condemnation proceedings for the 42-acre plot is now in the Oakland County Circuit Court.

Carl Thrun, Huron Valley Board of Education attorney, has been authorized by the members to make an offer of \$250 an acre.

Also at the meeting Superintendent Hansen was authorized by the school board to ask for bids for four new 60-passenger buses.

Duplicate Dresses Disrupt Protocol

By MARGARET LATROBE

It happens in Skiatook, in Oswego Falls and Roseville but did it have to happen at the White House? The shame of it, the red-faced embarrassment of it!—identical dresses right in the reception line at a tea party where Mrs. Eisenhower was honored guest of senatorial wives! Mrs. Durries Crane of Washington turned up in the exact dress worn by the First Lady.

Mamie, with her inherent fine manners, put a good face on the episode, and is quoted as saying—"Oh, you've got the same dress on! I just love it, don't you?"

But Mrs. Crane at this point was not loving much of anything, particularly the green figured, bouffant taffeta number. And from the look of it (far from slenderizing) you couldn't blame her. "I was so embarrassed I could die," she murmured later, taking her wrap and staying as far from the other dress as possible.

Which is just what any of us would have done—and I wonder why. We know perfectly well, in buying a dress and picking through the racks, that there are about 500 of them ranging from size 10 to 16. That's what the advertiser said. That's what the saleslady said, in peering at your

waistline, doubtful that you will fit in this size range. Not only a good spread of sizes, the store has the dress in two or three colors.

So you buy it.

A curious reaction then takes place in the little woman's mind. Once the creation is hers (guaranteed to be slimming, youthful and to do something as yet unspecified "for her") she straightaway assumes that no other female in town could possibly own the identical dress.

When her bridge partner shows up in the same rig, great is the outrage amongst the no-trumps. Both ladies put on Bad Queen scowls, resembling each other even further. And one of them

More Delinquency Laid to Improved Reporting

LANSING (UP)—Michigan authorities say one reason juvenile delinquency appears to be increasing at such a rapid rate is that efforts to report and record it also have increased.

Manfred Lilliefors, consultant for the state social welfare department, says Michigan is above the national average in juvenile delinquency partly because our courts have a better system of reporting youthful crime than most other states.

is apt to leave the party early in order to stamp her pretty foot in the emporium which dared to sell a copy of her original to that horrid woman who wears a dress several sizes smaller.

Girls—either we must accept this as one of life's lighter unpleasantnesses or get back to the sewing machine. It appears that there ain't no bona fide originals—even in a top designer's salon. Mollie Parnis, the New York dressmaker

responsible for the recent White House faux pas, was awfully cut up about it. She vowed that such a thing would never happen again to a First Lady.

All I can add is: "Look out, Smithsonian Institution, established at Washington, D. C., in 1846 by Congressional act and governed by a board of regents. Those favorite dresses of former Presidents' wives, displayed in glass cases, may not be so 'original' as you make out!"

Last-Hole Birdie Wins for Sammy Snead

GREENSBORO, N. C. — Sam Snead, an infrequent tournament player in view of his approaching 43rd birthday, is still the old master as far as the Greater Greensboro Open Golf Tournament is concerned. The slapping man from White Sulphur Springs, W. Va., who won the inaugural tournament here in 1938, came through with a last-hole birdie Sunday to take his fifth Greensboro tournament.

Sam needed a lucky bounce to the fringe of the green after apparently missing his second shot, but he got it and chipped up to about 18 inches for the birdie four he needed to edge Art Wall Jr., of Pocono Manor, Pa., and Julius Boros, of Southern Pines, N.C., by one stroke with a 273 total.

Wall, leader through each of the first three rounds, just missed his birdie try from five feet and had to settle for \$1,335 in his second

place deadlock with Boros. Snead earned \$2,200 in the \$12,500 event. Each of the three had scored a 69 in the first of Sunday's two rounds, leaving Wall still one shot ahead of Boros and Snead starting the afternoon round with most of the gallery of about 10,000 following the Wall-Snead-Ted Kroll threesome.

In the afternoon Snead was off and running with a 33 against Wall's 35 and 37 for the tiring Boros, who was married a week ago today. But Boros found new life to come back in 33 and force the leaders to go for the birdie on the last hole to win.

Sharing fourth place at 277 were Bob Rosburg, San Francisco; Ted Kroll, Bethesda, Md., and Billy Maxwell, Odessa, Tex. Each won \$853.33.

Sharing seventh place at 278 for \$595 each were Jerry Barber, Los Angeles, and Marty Furgol, Le-mont, Ill.

Mike Souchak, Durham, N.C., ran his year's top money total to

\$14,448 with a fine 70-69 finish for 282 and \$415 in a tie with Ed Furgol, St. Louis; Ed Oliver, Le-

mont, Ill., and Mike Fetchick, Mahopac, N.Y.

Snead was always under par 70

in four trips around the 6,000-yard Sedgefield Country Club course with rounds of 68-67-69-69.

REFLECTION—The face of Dusty Rhodes, New York Giant pinch-hitting ace, is mirrored in the Babe Ruth Award he holds after his presentation Sunday by the New York chapter of the Baseball Writers Association. The award goes to the outstanding player in the World Series. Rhodes was honored for his great hitting against the Cleveland Indians last fall.

Irish Setter Field Trial Draws Its Biggest Gallery

Largest crowd in the history of the Irish Setter Club of Michigan attended the 4th annual AKC licensed field trial Sunday at Highland Recreation area.

Final Eliminations Held at Rolladium

Final races of the fifth period roller skating racing at Pontiac's Rolladium rink were held during the weekend, and the next events on this season's race program will be the last of the year.

On Saturday night the final race will be followed by award of trophies and medals to winners. Champions also will be determined at this time by the highest-points system. Points compiled during the entire racing period will decide.

This weekend's winners were: Juvenile "A" boys—Richard Hamlin; Juvenile "B"—Dale Anderson and Paulie Magabee; Juvenile "C"—Micky Dion and Kathleen LaLoe.

Close Title Race

Social Katz team, employees of the Social Welfare Board, clinched the Oakland County Employees bowling league title in its last time out, with only one more night to roll. It took one point from Stardusters while runnersup lost one. Katz took the lead last November and were never headed, according to Agnes W. Cobb, secretary.

New Secretary

Independent Ladies bowling league has completed its 1954-55 season and has just selected a new secretary for the coming year, Mary Hillman, president, reports. She is Mabel Lane.

Ring Injuries Are Fatal to Boxer From Philadelphia

TRENTON, N. J. — The State Athletic Commission will make a formal report Thursday on the boxing bout in which middleweight Bryan Thompson received fatal injuries.

Thompson, 23-year-old Philadelphia, died Sunday in St. Francis Hospital, where he had been unconscious most of the time since he collapsed in the ring two and a half weeks ago.

He had been struck three times on the chin in succession by Jerry Leudue of New Haven, Conn., in his first professional fight here March 29.

The fatality was the first in boxing in 1955.

Thompson had been National AAU 165-pound champion in 1953 and won the All-Air Force middleweight title last year.

County Gridders on UM Spring Squad

Four Oakland County athletes are listed on the spring football practice roster of the University of Michigan.

Heading the list is Edgar Meads of Oxford, regular guard last year and captain of the 1955 Wolverine varsity. Jim Bates, veteran center from Farmington, also is included.

Others are junior Mike Bastford, a fullback who lives in Birmingham, but played high school ball at UD High in Detroit, and Tom Bullen, a sophomore from Clarkston. Bullen, former four-sport star at Clarkston High, is playing end.

Major Homers Are On Rise

Sunday Four-Baggers Only 2 Shy of Record for Single Day

NEW YORK —What's all this talk about a new outbreak of home runs?

The American League and National League combined to swat a total of 28 homers Saturday, two short of the record for a full slate of eight games.

A look at the records, please.

In the first week of last season, the American League hit exactly 43 home runs. In the first week of this season, the American League hit exactly 43 home runs.

The National League at this time a year ago had 55 homers. There's an increase of eight (63) — after a week of the current campaign.

Township Softball Loop Signs 5 Teams

Five teams have registered, to date, for competition in the Waterford Township Recreation Softball League. The deadline for entries has been set as May 1 and any other interested teams should contact the Waterford Recreation department before that time.

League play will begin May 16 with teams playing an average of 3 games each 2 weeks. A Little League and Junior League meeting is slated April 25 at 7:30 p.m. at the Community Activities Building with all players and potential managers interested urged to attend.

These leagues will begin play June 20. All Township league games are played at the township's softball park just off Dixie Highway in Drayton Plains.

Giants Getting Tired of Phils and 4-2 Scores

NEW YORK — You can't blame the world champion New York Giants if they are already a little tired of the Philadelphia Phillies and 4-2 scores.

The Giants and Phils have met four times. Three times the Phils have won and each time the score was 4-2, including both games of

yesterday's doubleheader. The Giants won the other 8-3. Two of the 4-2 victories were turned in by Robin Roberts and Johnny Antonelli was the loser in each.

Purdue Takes Golf Test

LAFAYETTE, Ind. —The Purdue golf team defeated Wisconsin, 2 1/2-12 1/2, Michigan State, 29-7 and Detroit, 30-6, in a quadrangular golf meet Saturday.

Wisconsin was runnerup, defeated Michigan State 20 1/2-15 1/2.

Dulles' Warning Nudges Grains

CHICAGO (U) — Secretary of State Dulles' statement that Red China is building up its military potential for a possible attack on Formosa caused buying and short covering in grain and soybean futures on the Board of Trade today.

Wheat and soybeans showed the most strength, claiming more than two cents a bushel at times.

Corn and oats were somewhat neglected in the buying movement. Corn receipts were fairly substantial and shipping demand out of Chicago is limited.

Near the end of the first hour wheat was 1 1/2 to 1 3/4 higher, May \$2.09 1/2; corn was unchanged to 3/4 higher, May \$1.46; oats were up 1/4 to 3/4, May 72 1/2; soybeans were ahead 1 to 2 cents, May \$2.32; and hard wheat was unchanged to 10 cents a hundred pounds lower, May \$13.17.

Car Inventories at Postwar Peak

Dealers Have 624,277
Units on Hand April 1,
Trade Paper Says

DETROIT (U) — Dealer inventories of new automobiles hit a postwar record high mark of 624,277 units on April 1, Automotive News reported today.

The trade paper said, however, that in the current new car sales situation the record inventory total falls short of a month's supply.

Thus, the paper added, "This April 1 stockpile fails to take on the burdensome aspect of the last cars-on-hand record — the 627,275 units counted May 1, 1954, when sales were slower."

"The latest census represented a rise from the revised total of 562,655 cars noted as of March 1. A year ago in April there were 605,911 units in stock nationally."

The inventory includes cars on display in dealership showrooms, warehouses bydealers and factories, used as demonstrators, and still in transit.

The present inventory situation, Automotive News said, is the "culmination of a steady climb since a postwar low of 1,667 units was established last November, and is markedly free of dealer criticism."

The trade paper also noted that new car registrations for January and February of this year numbered 916,778. The figures for two months showed Ford leading Chevrolet 197,572 to 176,064 in the race for first place. For third place Buick topped Plymouth 102,216 to 93,882.

Air Policeman Saves Woman From River

MOUNT CLEMENS (U) — Two Selfridge Air Force Base police men today were credited with saving the life of a 19-year-old mother who apparently tried to commit suicide.

Air 2 C. Terrance K. Jensen and Sgt. William J. Melton rushed to the woman's aid when they heard her screams while on courtesy patrol duty at the Mount Clemens police station.

Jensen stripped off his clothing and jumped in the chilly Clinton River after the woman, and Melton pulled them both ashore with a life preserver.

The woman told police she had argued with her husband and was despondent because he had taken their daughter and left her.

Col. William A. Tape, Selfridge commander, said he would seek a soldier's medal for Jensen for his part in the rescue.

Youth Accused of Taking Liberties With 3 Girls

Pontiac Police ordered a 16-year-old boy held in the Oakland County Children's Home yesterday after the youth was accused of taking indecent liberties with a 6-year-old and two 4-year-old girls.

Capt. Clark M. Wheaton, chief of detectives, said the youth lured the three girls into his home while his parents were away. The parents and neighbors in the area began a search for the girls after they were missed on a four-hour later. The 6-year-old girl told her parents, according to Wheaton, she fled from the house while the youth was molesting her sister.

Man Struck by Car

George McIver, 44, of 290 N. Paddock St., suffered leg bruises yesterday after he was struck by a hit-run auto on Baldwin avenue near Kennett Rd., according to Pontiac Police. He was treated at Pontiac General Hospital.
