"Network with Us"

With the recent changes in the economic climate and the automotive industry, the activity in our Oakland University alumni online community GrizzLink Career Center has grown. Visit **GrizzLink** to use the robust Career Center features, whether you are an OU alumni seeking employment or an employer who has job opportunities to post. Employers may post positions, even if they are not alumni of Oakland University.

If you haven't already added your Resume to **GrizzLink**, now is the ideal time. We will be heavily marketing this feature of the OU alumni online community this month to employers.

1. OU alumni, login to GrizzLink or register using the First Time Login button.
2. Select **Enable my Resume** and **add your Resume** to your Account tab using the Upload Resume field.
3. Then, **add your Resume** as content on your Public Profile tab so that it will be included in the community's Business Resume listings, which is searchable by employers.
4. OU alumni who are logged in can also post job opportunities.

If you are an employer, but not an OU alumni, looking for well-qualified OU alumni and wish to **post job opportunities**, begin by **registering as an employer** and then you can post your job openings.

Please **share your success stories** with us! We'd love to feature you in an upcoming OU Magazine or OUAA e-Newsletter. Send an email to GrizzLink at grizlink@oakland.edu and tell us about an OU alum who has recently been employed by you or a job you landed through a posting on GrizzLink!

SUMMARY

OU alumni and future employers of OU alumni, visit **GrizzLink** and post your resume or job opportunities.
