Re: National Bank of Detroit - Rochester

Dear Mr. Varner:

Enclosed are copies of the Resolution applying to the National Bank of Detroit and it's Rochester branch, and signature cards authorizing the opening of an account in the above bank.

Information from Mr. May indicated that this Resolution and signature cards would be sufficient to open the above account without making up a separate Resolution for the Rochester branch of the National Bank of Detroit.

Very truly yours,

*Gerald F. Knapp.*
