Savor the British summer with the OUAA

Travel with the **Oakland University Alumni Association** this summer and discover the culture, nightlife and atmosphere that make London one of Europe's most lively and noble cities. OUAA members, their families and friends will enjoy London's artistic and architectural triumphs, world-class museums and galleries, internationally recognized restaurants, outstanding theatre and music, and much more.

The London trip is part of the Grizzly Getaway program, which offers international travel opportunities at affordable prices for alumni and their friends and family. The London trip is scheduled for July 30-Aug. 7.

Prices for the trip begin at \$1,399 per person, based on double occupancy, which includes round-trip air transportation, seven nights accommodation at the first-class Millennium hotel, a daily continental buffet breakfast, transfers between the airport and hotel, luggage handling and all related tipping, all airline and hotel taxes, and a professional guide service.

Other optional excursions that are available include:

Bath and Stonehenge

Visit Georgian Bath and the famous Roman Baths to which society and royalty came in the 18th century. Continue to Stonehenge, the ancient enigma of 50-ton pillars created by an ancient civilization.

Canterbury and Leeds Castle

Visit magnificent Canterbury Cathedral, England's mother church, and Leeds Castle, often described as the most romantic castle in the world.

Paris excursion by Eurostar

Travel on the famous Eurostar train to Paris and enjoy the many sights of the "City of Light." Return to London on the Eurostar in the evening.

Stratford-Upon-Avon and Oxford

Savor a day in the English countryside in the beautiful Cotswolds. Enjoy the traditional timbered buildings and visit William Shakespeare's birthplace. The day culminates with a visit to Oxford University.

Windsor Castle

This fortress has been the home of British sovereigns for nearly 900 years. Visit the state apartments that house a wonderful collection of treasures. Enjoy shopping in the delightful town of Windsor with its cobbled streets and Georgian homes.

Because of the exceptional price, limited space and popularity of the Grizzly Getaway program, those interested should make their reservations as soon as possible.
