## OU hosts state science and engineering fair

Oakland University will host the Eighth Annual Michigan Science and Engineering Fair Saturday, April 12, in the Oakland Center.

The statewide fair is for high school students selected as having the best projects in various regional competitions. Students from grades 9-12 will be competing against one another, and as many as 100 projects will be on display at the fair.

Winners of this competition will go on to the International Science Fair in Cleveland May 11-17.

Oakland University is a comprehensive state-supported institution located in Oakland County, Michigan. The university has 114 bachelor's degree programs and 72 graduate degree and certificate programs. Dedicated to delivering a distinctive undergraduate experience that is complemented by the strength of its graduate offerings and research accomplishments, Oakland University is organized into the College of Arts and Sciences and the Schools of Business Administration, Education and Human Services, Engineering and Computer Science, Health Sciences, Nursing, and the Honors College.

### SUMMARY

Oakland University will host the Eighth Annual Michigan Science and Engineering Fair Saturday, April 12, in the Oakland Center. The statewide fair is for high school students selected as having the best projects in various regional competitions.
