## New Medical Library Website Debut

*by Keith Engwall, Assistant Professor, Web & Emerging Technologies Librarian*

The Medical Library is pleased to announce that our new website will go live over the winter break. We invite you to visit the new site at <http://medlibbeta.oakland.edu/> and welcome your feedback with a comments button placed at the bottom of every page.

Some key differences between the old site and the new:

- **PubMed Search** We recognize that this is the primary resource you need for research, so we've placed a quick search bar at the top of every page, just below the header.
- **Library Hours** Medical Library office hours and Kresge building hours for the current day are now displayed at the lower left of every page.
- **Where are the Resource Links?** Rather than have an ever-growing resource list on the homepage that features only some of our resources, we are working towards making it easier to navigate through ALL of our resources.
  - Textbooks can be found under the [Books](#) menu item on the left
  - Database links can be found under the [Databases](#) menu item on the left
- **Course and Subject Guides** are not new, but we recommend them as a way to find books, databases, and other resources for a specific course or subject. The Course and Subject Guides menu item is under [Find](#) on the left.
- **Medical Library to Kresge Library Navigation** To simplify navigation between the Medical Library site and Kresge's, navigation is now a prominent toggle between the two sites in the upper left corner.
- **Medical Library to School of Medicine Navigation** Navigation between the Medical Library site and other OUWB School of Medicine sites can be found in the [OUWB](#) menu item on the left.
- **Ask a Librarian** buttons are now in the upper right corner of every page to make contacting us via email, phone, or in person easier.

If you have any questions regarding the new website, please contact Keith Engwall at [engwall@oakland.edu](mailto:engwall@oakland.edu)

## Student Corner

---

**Kresge Library Hours During Upcoming Holiday Break** If you are planning on studying over the holiday break, please be advised that Kresge Library's hours will be reduced to accommodate the academic calendar and University closings:

- **HOLIDAY BREAK**
    - Monday, December 16 - Friday, December 20 - OPEN 7:30AM - 6:00PM
    - Saturday, December 21 - Wednesday, January 1 - CLOSED
    - Thursday, January 2 - OPEN 7:30AM - 6:00PM
    - Friday, January 3 - OPEN 7:30AM - 6:00PM
    - Saturday, January 4 - CLOSED
    - Sunday, January 5 - CLOSED
    - Monday, January 6 - OPEN at 7:30AM (24/7 resumes)
- 

**Personal Items in the Study Rooms** Please do not leave your personal items, including personal copies of textbooks, in the Medical Library Study Room or individual study rooms. We have noticed items being left unattended for long periods of time (even overnight) and this increases the risk of theft.

-----

**Medical Library Lunch 'n Learn Series Continues in January** When you return from the holiday break, the Medical Library has another set of Lunch 'n Learns planned in the winter semester starting in January!

- **Monday, January 13: Locating Survey Instruments & Getting Permission to Use Them for your Capstone Project** (11:30 - 12:30pm; KL 100). Looking to implement a survey or questionnaire as part of your Capstone project, but having trouble finding one? This session will share strategies for locating potential health instruments using PsycTests and the Health & Psychosocial Instruments (HaPI) databases as well as the steps you need to take to get permission to use them.

Lunch will be provided so please RSVP via our [online registration form](#).

## Faculty Corner

---

**Information Mastery Program with CME Credit Returns in 2014** The Medical Library is pleased to announce our Information Mastery faculty development series with CME credit is returning for the third year! The first session will be held in January with one topic per month through June 2014 and will be offered at Beaumont Hospital Royal Oak and Beaumont Hospital Troy. William Beaumont Hospital designates this training activity for AMA PRA Category 1 Credit(s)<sup>TM</sup>.

- **January: Copyright Basics for Educators** The complexity of information technology, dissemination of information in different media and formats, and ease of using and sharing information present a great challenge for faculty in understanding and using copyrighted materials appropriately and judiciously in teaching and scholarship. The session will provide an introduction to key copyright principles and will help reduce misconceptions and doubts and answer questions in using copyrighted materials in teaching. Instructor: Nancy Bulgarelli
  - Royal Oak: Thursday, January 16, 2014, 4:00-5:00pm, South Tower 3rd Floor Surgical Learning Center, Classrooms 1 & 2
  - Troy: Thursday, January 30, 2013, 4:00-5:00pm, Hospital Ground Floor, Area C Classroom (former POB classroom -- see [map](#))
- **SNEAK PEEK: ALL TOPICS FOR 2014!**
  - February: Introduction to Evidence-Based Medicine
  - March: EBM Resources
  - April: Systematic Reviews
  - May: Searching PubMed
  - June: RefWorks: Introduction to a Web-Based Citation Management Tool

Please contact Dr. Misa Mi at [mi@oakland.edu](mailto:mi@oakland.edu) with any questions or comments.

A complete schedule is posted on the [Center for Excellence in Medical Education \(CEME\) website](#) under Upcoming Events.
