## Registration for spring and summer begins soon

By **Dawn Pauli**, contributing writer

Registration for spring and summer classes is right around the corner. The online **schedule of classes** currently available.

Spring and summer 2004 SAIL Web registration begins Monday, March 29. Spring 2004 classes begin Monday, May 3, and summer 2004 classes begin Monday, June 28.

Printed copies of the schedule are not being mailed, as the university began placing documents online with the development of the university's **student e-mail policy**. This fall, OU began sending official university business, such as tuition and fees bills, financial aid, schedule of classes, and information on grades and graduation, to students through their OU e-mail accounts.

"As we transition to putting all documents online, overall student feedback has been positive," said Registrar Steve Shablin. "During this transition period, students appreciate the variety of ways they can obtain class information and other pertinent registration information, including paper copy of the schedule, the schedule of classes in PDF format and class schedule search on the Web."

A printed copy of the schedule can be obtained at the Registration Office, 100 O'Dowd Hall. The office is open Monday through Friday from 8 a.m. to 5 p.m.

SAIL registration by class standing for fall 2004 begins Monday, May 10. Additional information will be sent to Oakland e-mail accounts.

Fall 2004 classes begin Monday, Aug. 30, which is the Monday before Labor Day. Information about the 2004-05 academic year is available on the **Registrar's Office** Web site.

Questions about registration can be directed to the Registrar's Office by calling (248) 370-3450 or e-mailing **registra@oakland.edu**.
