Authorizing Resolution – General Revenue Refunding Bonds, Series 2024

**RESOLUTION OF THE BOARD OF TRUSTEES OF OAKLAND UNIVERSITY
AUTHORIZING THE ISSUANCE AND DELIVERY OF
GENERAL REVENUE REFUNDING BONDS
AND PROVIDING FOR OTHER MATTERS RELATING THERETO**

WHEREAS, the Board of Trustees of Oakland University (the “Board”) is a constitutional body corporate established pursuant to Article VIII, Section 6 of the Michigan Constitution of 1963 with general supervision of Oakland University (the “University”) and the control and direction of all expenditures from the University’s funds; and

WHEREAS, the Board has previously issued its General Revenue Refunding Bonds, Series 2014, dated October 28, 2014 (the “Series 2014 Bonds”), which are payable from and secured by a lien on General Revenues (as hereinafter defined); and

WHEREAS, it may be appropriate and economic for the Board to refund all or a portion of the outstanding Series 2014 Bonds in order to achieve debt service savings for the benefit of the University; and

WHEREAS, in the exercise of its constitutional duties, and in order to prudently control and direct expenditures from the University’s funds, the Board determines it is necessary and desirable to authorize the issuance and delivery of General Revenue Refunding Bonds of the Board, in one or more series (the “Bonds”), to be payable from and

secured by a pledge of General Revenues, in order to provide funds which, together with other available funds, if any, will be used to pay the costs of refunding all or a portion of the outstanding Series 2014 Bonds, and to pay costs incidental to the issuance of the Bonds and the refunding; and

WHEREAS, one or more trust indentures (collectively, the "Trust Indenture") must be entered into by and between the Board and a trustee (the "Trustee") to be designated by an Authorized Officer (as hereinafter defined), pursuant to which the Bonds will be issued and secured; and

WHEREAS, it is necessary to authorize the Authorized Officers, or either of them individually, to negotiate the sale of the Bonds with one or more underwriters or groups of underwriters to be selected by an Authorized Officer (collectively, the "Underwriter") or with a direct placement lender to be selected by an Authorized Officer (the "Purchaser"), and to enter into one or more bond purchase agreements and/or continuing covenant agreements or similar agreements with the Underwriter or Purchaser (collectively, the "Bond Purchase Agreement") setting forth the terms and conditions upon which the Underwriter or Purchaser will agree to purchase the Bonds and the interest rates thereof and the purchase price therefor; and

WHEREAS, in order to be able to market the Bonds at the most opportune time, it is necessary for the Board to authorize the President and the Vice President for Finance and Administration of the University (each an "Authorized Officer"), or either of them individually, to negotiate the terms of and to execute and deliver on behalf of the Board the Trust Indenture, the Bond Purchase Agreement, and other related documents, to establish the specific terms of the Bonds, and to accept the offer of the Underwriter or Purchaser to purchase the Bonds, and to undertake such other actions and make such other determinations on behalf of the Board as authorized hereby, all within the limitations set forth herein; and

WHEREAS, in addition to the Series 2014 Bonds, the Board has previously issued and has outstanding certain other series of General Revenue Bonds and General Revenue Refunding Bonds, which are payable from and secured by a lien on General Revenues (such other series of General Revenue Bonds and General Revenue Refunding Bonds, together with the Series 2014 Bonds, are collectively referred to herein as the "Outstanding Bonds"); and

WHEREAS, the trust indentures authorizing issuance of the Outstanding Bonds establish certain conditions for the issuance of additional obligations secured by a pledge of General Revenues on a parity basis with the Outstanding Bonds; and

WHEREAS, an Authorized Officer shall, on or prior to the date of delivery of the Bonds, certify that the conditions for issuing the Bonds, secured by General Revenues on a parity basis with the Outstanding Bonds, have been met; and

WHEREAS, the refunding of all or a portion of the outstanding Series 2014 Bonds through the issuance of the Bonds will serve proper and appropriate public purposes; and

WHEREAS, the Board has full power under its constitutional authority for supervision of the University, and control and direction of expenditures from the University's funds, to refund all or a portion of the outstanding Series 2014 Bonds and to pay all or a portion of the costs of such refunding by issuance of the Bonds, and to pledge General Revenues for payment of the Bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF OAKLAND UNIVERSITY, AS FOLLOWS:

1. Approval of Refunding. The Board hereby approves the refunding of all or any portion of the outstanding Series 2014 Bonds, and authorizes the Authorized Officers, or either of them individually, to select the Series 2014 Bonds or portion of the Series 2014 Bonds to be refunded (the Series 2014 Bonds or portion thereof to be refunded, as determined by an Authorized Officer, is referred to herein as the "Bonds to be Refunded"), in order to produce interest or other cost savings, and to fund, if deemed appropriate, a portion of the costs of the refunding from available funds of the University and the balance of such costs from the proceeds of the Bonds, and to proceed with the refunding.

2. Authorization of the Bonds and Related Agreements; Terms of the Bonds; Related Matters. The Board hereby authorizes the issuance, execution and delivery of the Bonds of the Board, in one or more series, to be designated GENERAL REVENUE REFUNDING BONDS, with appropriate series designations, in the aggregate original principal amount to be established by an Authorized Officer, but not to exceed the aggregate principal amount necessary to accomplish the refunding of the Bonds to be Refunded and to pay costs incidental to the issuance of the Bonds and the refunding, as determined by an Authorized Officer. The Bonds shall be dated as of the date or dates established by an Authorized Officer, and shall be issued for the purpose of providing funds which, together with other available funds, if any, will be used to pay the costs of refunding the Bonds to be Refunded, and to pay costs related to the issuance of the Bonds and the refunding, including the costs of bond insurance premiums, if an Authorized Officer determines such insurance to be appropriate. The Bonds shall be serial bonds or term bonds, which may be subject to redemption requirements, or both, as shall be established by an Authorized Officer, but the first maturity or mandatory redemption date shall be no earlier than March 1, 2024 and the last maturity shall be no later than March 1, 2041. The Bonds may be issued as federally tax-exempt bonds or as federally taxable bonds, or any combination thereof, as shall be determined by an Authorized Officer. The Bonds may bear interest at stated fixed rates for the respective maturities thereof as shall be established by an Authorized Officer, but the weighted average yield of the Bonds (computed using the stated coupon and the stated original offering price) shall not exceed 5.50% per annum for tax-exempt bonds and 7.00% per annum for taxable bonds, subject, in the case of Bonds sold to a Purchaser pursuant to a direct purchase arrangement, to adjustments for increased costs of the Purchaser, rating changes and defaults and other specified factors, but in no event in excess of the lesser of 25% per annum, the maximum rate permitted by law or the maximum rate, if any, specified in the Trust Indenture. Alternatively, all or part of the Bonds may bear interest at a variable rate of interest for all or a portion of their term, determined on the basis of an index or a spread to an index or through market procedures, or both, and the variable rate of interest shall not exceed the lesser of 25% per annum, the

maximum rate permitted by law or the maximum rate, if any, specified in the Trust Indenture. The Bonds may be subject to redemption or call for purchase prior to maturity at the times and at the prices (which may be expressed as a percentage of the principal amount being redeemed or be based on a "make-whole" formula, or both) as shall be determined by an Authorized Officer. Interest on the Bonds shall be payable at such times as shall be specified by an Authorized Officer. The Bonds shall be issued in fully-registered form in denominations, shall be payable as to principal and interest in the manner, shall be subject to transfer and exchange, and shall be executed and authenticated, and may be issued in book-entry-only form, all as shall be provided in the Trust Indenture. The Bonds shall be sold to the Underwriter or Purchaser for a price to be established by an Authorized Officer (but the Underwriter's or Purchaser's discount, exclusive of original issue discount, shall not exceed 1.00% of the principal amount thereof) plus accrued interest, if any, from the dated date of the Bonds to the date of delivery thereof.

Any or all of the Bonds purchased by a Purchaser may be made subject to tender for purchase at the option of the holder thereof or to mandatory tender for purchase. The obligation of the Board to purchase any Bonds subject to tender for purchase may be limited to the remarketing proceeds of such Bonds, or may be made payable from General Revenues (as defined in Section 3 below) or from available cash reserves of the University, subject to such limitations as may be specified in the Trust Indenture, all as shall be determined by an Authorized Officer and provided for in the Trust Indenture.

In connection with the issuance of any series of the Bonds, either Authorized Officer may, at any time, on behalf of and as the act of the Board, enter into a rate lock, forward delivery or similar agreement or agreements (collectively, the "Rate Lock Agreement") with a counterparty or counterparties selected by an Authorized Officer. Any Rate Lock Agreement may be required to be terminated upon the conditions stated therein, with the possibility of a resulting termination payment due by the Board. Any termination payment owing by the Board under a Rate Lock Agreement may be paid from the proceeds of the Bonds and/or from other available funds of the Board, as determined by an Authorized Officer.

3. Security for the Bonds; Limited Obligations. The Bonds shall be limited and not general obligations of the Board, payable from and secured by a lien on the General Revenues of the Board (as shall be defined in the Trust Indenture in a manner generally consistent with the definition of "General Revenues" contained in that certain Trust Indenture, dated as of December 1, 2022, between the Board and U.S. Bank Trust Company, National Association, as trustee, pursuant to which the Board's General Revenue Refunding Bonds, Series 2022B were issued). The lien on General Revenues securing the Bonds shall be on a parity basis with the liens on General Revenues securing the Outstanding Bonds and other previously issued obligations of the Board secured by a first lien on General Revenues. The Bonds may also be payable from and secured by a lien on moneys, securities or other investments from time to time on deposit in certain funds created pursuant to the Trust Indenture.

No recourse shall be had for the payment of the principal amount of or interest or premium on the Bonds, or for any claim based thereon, against the State of Michigan, or

any member or agent of the Board (including, without limitation, any officer or employee of the University), as individuals, either directly or indirectly, nor, except as specifically provided in the Trust Indenture, against the Board, nor shall the Bonds and interest or premium with respect thereto become a lien on or be secured by any property, real, personal or mixed, of the State of Michigan or the Board, other than General Revenues and the moneys, securities or other investments from time to time on deposit in certain funds established as pledged pursuant to the Trust Indenture.

The pledge of General Revenues and of funds specified in the Trust Indenture shall be valid and binding from the date of the issuance and delivery of the Bonds, and all moneys or properties subject thereto that are thereafter received shall immediately be subject to the lien of the pledge without physical delivery or further act. The lien of said pledge shall be valid and binding against all parties (other than the holders of any other bonds, notes or other obligations secured by a parity first lien on General Revenues) having a claim in tort, contract or otherwise against the Board, irrespective of whether such parties have notice of the lien.

4. Additional Bonds. The right is reserved to issue additional bonds, notes or other obligations payable from General Revenues and secured on a parity or subordinated basis with the Bonds, the Outstanding Bonds and other obligations of the Board so secured by a lien on General Revenues, upon compliance with the terms and conditions therefor as shall be set forth in the Trust Indenture.

5. Selection of Trustee; Approval of Trust Indenture; Bond Insurance. Either Authorized Officer is hereby authorized and directed, in the name and on behalf of the Board, and as its corporate act and deed, to select the Trustee and to negotiate the terms of and execute and deliver the Trust Indenture. The Trust Indenture may contain such covenants on behalf of the Board and terms as either Authorized Officer deems appropriate, including, but not limited to, covenants with respect to the establishment of General Revenues at levels expressed as a percentage of debt service on the Bonds or all General Revenue obligations of the Board, and with respect to the issuance of additional bonds, notes or other obligations payable from and secured by General Revenues. The approval of the Trust Indenture and the terms thereof shall be conclusively evidenced by the execution of the Trust Indenture by an Authorized Officer. In addition, either Authorized Officer is hereby authorized, empowered and directed to negotiate, if deemed appropriate by an Authorized Officer in connection with the issuance of the Bonds, for the acquisition of bond insurance and to execute and deliver an insurance commitment or other documents or instruments required in connection with such insurance.

6. Selection of Underwriter or Purchaser; Negotiation of Sale of the Bonds. Either Authorized Officer is hereby authorized and directed, in the name and on behalf of the Board and as its corporate act and deed, to select the Underwriter or Purchaser and to negotiate, execute and deliver the Bond Purchase Agreement with the Underwriter or Purchaser setting forth the terms of the Bonds and the sale thereof, and containing such other covenants and agreements of the Board as may be required by the Underwriter or the Purchaser in connection therewith, in the forms as an Authorized Officer may approve, all within the limitations set forth herein.

7. Execution and Delivery of Bonds. Either Authorized Officer is hereby authorized, empowered and directed, in the name and on behalf of the Board, and as its corporate act and deed, to execute the Bonds by manual or facsimile signature, and to deliver the Bonds to the Underwriter or Purchaser in exchange for the purchase price therefor.

8. Ratings; Official Statement. Either Authorized Officer is authorized to solicit ratings on the Bonds from any national rating services that the Authorized Officer deems appropriate and, if necessary, to cause the preparation of a Preliminary Official Statement and an Official Statement with respect to each series of the Bonds, to deem such official statements "final" in accordance with applicable law, and to execute and deliver the Official Statements. Either Authorized Officer, or the Underwriter or the University's municipal advisor, as appropriate, is authorized to circulate and use, in accordance with applicable law, the Preliminary Official Statements and the Official Statements in connection with the offering, marketing and sale of the Bonds.

9. Additional Actions Required.
