FROM THE SCHOOL OF EDUCATION AND HUMAN SERVICES

From Associate Director of Public School Academies Karen Lloyd:

Each spring, the Office of Public School Academies hosts a Board Appreciation Dinner to recognize the school board members who volunteer their time and expertise to provide guidance and oversight to the nine OU authorized schools. This year, the Office hosted over 40 board members, along with academy leaders and management teams for this fun event.

On behalf of OU, both SEHS Associate Dean Dr. Michael MacDonald and myself welcomed guests and expressed our gratitude to the attendees for their great work. I stressed the importance of igniting student ambition and Dr. MacDonald emphasized how ambition can create a path to higher education. The work to educate our youth is very important indeed, thusly the PSA staff would like to thank ALL of our school board members for their ongoing dedication and support for ALL students.

Books Donated in Memory of Dean's Daughter

HRD363 is a course with the objective of teaching team skills. The vision of the class requires each student to be involved in a service learning project. This semester, Professor Jenni Wenson asked her students to collect books in honor of Dean Jon Margerum-Ley's daughter, Meagan, who passed away in 2004.

Meagan was an avid reader who knew the importance of reading and learning. Six groups in Wenson's class were formed and they all took creative roads to collect their books. As a result, six different institutions received books that they were in need of, and in excess of 2,000 books were collected.
