HPSCI Chair and Ranking Member to Hold Press Conference to Discuss FISA Improvement Legislation

WASHINGTON, D.C. – HPSCI Chairman Mike Rogers and Ranking Member C.A. Dutch Ruppersberger will hold a press conference to discuss their bipartisan legislation to improve the Foreign Intelligence Surveillance Act. The Chairman and Ranking Member have been working together for the past nine months to determine how to update FISA with the goal of protecting critical national security capabilities and further enhancing privacy protections.

Date: Tuesday, March 25, 2014
Topic: FISA Improvement Legislation
Time: **10:45am – 11:45am**
Location: HVC Studio A (Access through HVC 117)
