OU hosting American Heart Walk Sept. 21

Oakland University is teaming up once again with the American Heart Association to host the nation's largest single event Heart Walk on Saturday, Sept. 21, at the Meadow Brook Music Festival grounds on the university's campus. Festivities begin at 7:30 a.m.

Participants are encouraged to come early and enjoy the many attractions in the festival area, including games and activities for all ages. Walkers may choose between a 1 mile or 2.5 mile course. Following the walk, sandwiches will be provided by Subway. Jared Fogel, who is prominently featured in Subway commercials, will be the special guest at the event.

The money raised from the Metro Detroit American Heart Walk provides funds for cardiovascular research and community education programs here in metro Detroit. Last year, the American Heart Association granted more than \$1.3 million to eight research studies conducted throughout the metro Detroit area.
