WXOU to host 51st Annual Birthday Bash on April 4

Oakland University's on-campus radio station, 88.3FM **WXOU**, will celebrate its 51st Birthday Bash on Tuesday, April 4 at The Crofoot Ballroom in downtown Pontiac.

"The Birthday Bash is the biggest event of the year for WXOU," said General Manager Jake Rapanotti. "It's also usually the last big event, so it's like our send off for the school year and it gets people excited to see what we do in the fall. I'd love for everyone to be a part of it."

This year's event will feature performances by P.O.S., Token, Clear Soul Forces, Jackson & The Pool Sharks and DJ Kobe.

Doors open at 6:30 p.m. and cake will be provided.

Free tickets are still available to students at the Center for Student Activities ticket window, and the public can also purchase tickets through the Crofoot box office, located at 1 S. Saginaw Street, for \$15.
