

NLM Civil War Medicine Exhibit, Now Through August 31!

The Medical Library is pleased to host the National Library of Medicine traveling exhibit: "Life and Limb: The Toll of the American Civil War" in the Kresge Library Lobby now through August 31, 2016.

"More than three million soldiers fought in the war from 1861-1865. More than half a million died, and almost as many were wounded but survived. Hundreds of thousands were permanently disabled by battlefield injuries or surgery, which saved lives by sacrificing limbs. This exhibit describes the damage caused by the weapons of the time, the treatment of wounds, and their consequences for the young men who survived. The narrative highlights aspects of life after the amputation of a limb, from military service in the Veterans Reserve Corps to civilian life and the use of artificial limbs."

A digital gallery of images and digitized historical texts can be found in the exhibit's accompanying [online gallery](#).

This exhibition is brought to you by the National Library of Medicine, National Institutes of Health.

Student Corner

Welcome (or Welcome Back)! Each month, the Medical Library Newsletter features our upcoming events, new additions to our collection, including exam review resources, and other news items! As you prepare for your first semester or are a returning student, here are just a few reminders about how the Medical Library can make things a little easier:

- **M1 Textbooks & M2 Textbooks** Remember to visit our textbook pages on the website for a list of all the course textbooks, including required and recommended as well as the ones available from the library electronically. Note that these lists are updated on a rolling basis as courses run.
- **Course Resource Guides** are available for most courses and serve as a one-stop shop for the essential resources. Each guide lists items such as textbooks, USMLE prep and review material, links to other supplementary eBooks and databases, as well as links to outside resources.
- **Library Hours** Kresge Library is open 24/7 (excluding official University closings and holidays) including the Medical Library Collaborative and Quiet Study Rooms!

Medical Library Student InfoBites For the fifth year, the Medical Library is hosting a series of extracurricular lunch seminars that complement information mastery topics taught in the curriculum. Join us for our first InfoBite in August -- Panera lunch will be served!

Library Hours

Open 24 hours
