Grizz Facts: A look at student thoughts on degree completion

At freshmen orientation, students are asked about their concerns regarding degree completion at Oakland University.* The top responses included:

	Having enough funds to complete degree	64%
	Balancing work and college schedules	57%
	Maintaining physical, mental, or emotional well-being	48%
	Meeting the academic demands of college	40%

*Response rate for 2019 spring and summer survey was 69%.
