Oakland University Chancellor Donald D. O'Dowd said the first Board meeting would probably be in mid or late September. The Board members will be sworn in then, and they will elect one of their number to serve as board chairman. They will also select non-board members to serve as treasurer and secretary.

In commenting on the Board Chancellor O'Dowd said, "We are extremely pleased with the announcement of Oakland's first Board of Control. Governor Milliken has identified and appointed eight individuals who not only have distinguished themselves in their own fields of endeavor, but who have shown a keen interest in the cause of higher education in Michigan."

"We are privileged to have them join with the faculty, students, staff and alumni in the advancement of Oakland, and look forward to working with them on this important and exciting venture.
