## Grizzly spirit shines at Let's Move Festival of Races

The 25 members of TEAM OU recently turned in some impressive results at the Let's Move Festival of Races in downtown Mount Clemens. The event was co-sponsored by Oakland University-Macomb and featured six races of varying distances for kids and adults.

"In addition to our 25 walkers and runners, we had about 24 student volunteers, along with the Grizz, cheer on runners at the OU water and spirit station," said Oakland University-Macomb interim Executive Director Julie Trube. "Many of the runners and walkers stopped along the route to take a 'selfie' with the Grizz."

Top winners for TEAM OU:

- Kelsey Brag placed 1st in the women's category and 2nd overall for the full marathon.
- Kayla Sudlow placed 2nd in her age group (female 20-29) in the full marathon.
- Danielle Bohn placed 1st in her age group (female 20-24) in the half marathon.
- Taylor McKune placed 2nd in her age group (female 19 and under) in the half marathon.
- Alyssa Walsh placed 2nd in her age group (female 25-29) in the Oakland University 5K.
