Would you please arrange to conduct, according to the procedures of your unit, an election to fill the number of seats shown in the "number-elected" column. Also, the Dean of the School of Health Sciences and the Director of the Eye Research Institute will need to collaborate on conducting an election for their combined faculty.

For your convenience I have attached a current list of organized faculty, as shown in the files of the Office of the Provost. It is from this roster that your senators are to be elected. At the conclusion of your election, please advise Ms. Jane Eberwein, Secretary of the Senate, of the names of your new senators. We would like to have the electoral process concluded by April 15.

Thank you for your cooperation.
